

August 13, 2024

To whom it may concern:

This letter shall serve as my formal resignation from the animal control advisory board to become effective immediately. I appreciate the opportunity to serve on this board, but I feel my efforts to advocate for the animal welfare community will be better served off of this board.

Thank you,

A handwritten signature in black ink, appearing to read 'Nancy A. Anderson', with a long horizontal flourish extending to the right.
