INITIATED BY:	Department of Transportation/METRA

Recommendations: Approval is requested to submit a grant application and if awarded, accept funds from the Federal Transit Administration’s Title 49 U.S.C. Section 5307 Formula Grant Program for Capital and Planning Assistance in an amount up to \$2,466,802, or as otherwise awarded, and amend the Transportation Fund by the amount of the grant award. Approval is also requested to submit a grant application and, if awarded, accept funds from the Federal Transit Administration’s Title 49 U.S.C. Section 5339 Formula Grant Program for Capital Assistance in an amount up to \$273,081 or as otherwise awarded and amend the Transportation Fund by the amount of the grant award. FTA Section 5307 and Section 5339 are annual formula grants that require a 20% local match. The required local match funding for the FY24 Sec. 5307 and Sec. 5339 is budgeted and available in the Transportation Fund.

Background: The City has applied for federally-funded transit capital and planning grants since 1972. FTA Section 5307 and Section 5339 are annual formula grants that require a 20% local match. Local match funding for FY24 5307 and 5339 is budgeted and available in the Transportation Fund. METRA utilizes this funding to meet annual capital and planning commitments in order to benefit public transit in Columbus.

Analysis: Funding is projected to be:

FY 2024 Title 49 U.S.C. Section 5307 and 5339 Formula Grant Program

FY24 Grant	City (20%)	FTA (80%)	Total (100%)
5307 Capital & Planning	\$616,700	\$2,466,802	\$3,083,502
5339 Capital	\$68,270	\$273,081	\$341,351

Financial Considerations: If the City does not apply for the grant funding requested, then Columbus would turn down a total of \$2,719,883 in federal funds to support public transportation in our community. FTA Section 5307 and Section 5339 are annual formula grants that require a 20% local match. The required local match funding for the FY24 Sec. 5307 and Sec. 5339 is budgeted and available in the Transportation Fund.

Legal Considerations: The intent to apply for a Federal Transit Grant (FTA) grant, along with a listing of the program of projects, must be advertised in a local newspaper. A resolution from Council must be submitted with the application to FTA, authorizing the grant application and authorizing the City to enter into a contract with the Federal Transit Administration. The resolution must identify the source of the required local matching funds.

Recommendation/Action: Approval is requested to submit a grant application and if awarded, accept funds from the Federal Transit Administration's Title 49 U.S.C. Section 5307 Formula Grant Program for Capital and Planning Assistance in an amount up to \$2,466,802, or as otherwise awarded, and amend the Transportation Fund by the amount of the grant award. Approval is also requested to submit a grant application and, if awarded, accept funds from the Federal Transit Administration Title 49 U.S.C. Section 5339 Formula Grant Program for Capital Assistance in an amount up to \$273,081 or as otherwise awarded and amend the Transportation Fund by the amount of the grant award. FTA Section 5307 and Section 5339 are annual formula grants that require a 20% local match. The required local match funding for the FY24 Sec. 5307 and Sec. 5339 is budgeted and available in the Transportation Fund.
