Thank you, Amaris! That makes sense. With that being said, do I need to submit a formal resignation or does this correspondence suffice to indicate my ability to no longer serve effective September 30, 2021?

With kindest regards, I remain,

Shanita

Good Morning Shanita,

Thank you for reaching out and congratulations on your new position. Per the Columbus Code of Ordinances, all members of the Personnel Review Board are required to be residents of Muscogee County and no exceptions have been listed at this time.

There will not be a Personnel Review Board hearing for the month of September.

Thank you again and please let us know if you have any additional questions!

All the best,

Amaris B. Fryer

Subject: [EXTERNAL] Alternate Member Term- Personnel Review Board

Good Morning, Reather:

I hope this email finds you well. I am emailing to inform you that I will be relocating to another state, due to my acceptance of a job offer. I currently serve as an alternate member of the Personnel Review Board and my term does not expire until December, 2022. Please advise as to what bearing my relocation has on my ability to finish my term as an alternate member on this board. I would like to continue to serve, if I am deemed eligible; however, if I am deemed ineligible to serve, I will respectfully tender an official resignation effective at the end of September. I will still be available to participate in the September 15th hearing, if one is held. Please advise. Thank you!

With kindest regards, I remain,

Shanita
