P.O. Box 790

Columbus, GA 31902

Dear Karen,

Please accept my resignation from the hospital authority effective January 1, 2022. I realize this is before my term ends, but as I look to the coming several months this is the most appropriate time for me to step back from the authority.

I have enjoyed my time and service, I wish the authority continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael W. Gorum". The signature is fluid and cursive, with a prominent vertical stroke on the right side.
