(*NOTE: This update was called up as the next order of business as listed on the City Manager's Agenda*)

Mayor B. H. "Skip" Henderson introduced the resolution as listed on the City Manager's Agenda. He explained the challenges that the Columbus Consolidated Government has faced because of the COVID-19 Pandemic, stating the shortage in personnel across all departments to include Public Safety. He explained though Council has approved for a comprehensive pay study to be conducted, it has been decided to go ahead and address the retention issues faced by the various Public Safety Departments. He stated this resolution will approve the sign on bonus for new officers to be increased from \$2,000 to \$5,000, and for current officers to receive retention pay at \$1,500 quarterly until the end of 2022.

Human Resources Director Reather Hollowell approached the rostrum to provide a presentation on the Officer Recruitment and Retention Initiative. She stated the issue of recruiting new officers will be addressed by increasing the sign-on bonus effective January 2022 for new officers for the Columbus Police Department (CPD), Muscogee County Sheriff's Office (MCSO), and the Muscogee County Prison (MCP) for a total cost of \$635,000. She explained current and new sworn officers of CPD, MCSO, MCP, and Columbus Fire & EMS would receive a retention bonus of \$1,500 per quarter until December 31, 2022. She stated this bonus would also be provided to 911 Communications Technicians and would be made retroactive to October 1, 2021, for a total cost of \$9,455,000.

Finance Director Angelica Alexander came forward to provide information on the funding source for this initiative. She explained Fund Balance Reserve would cover some of the cost, but most of the cost would be covered by the respective department's current budgets through salary savings.

Chief Freddie Blackmon, Columbus Police Department, approached the rostrum to explain the State of Georgia allows for law enforcement agencies to recoup the cost of training for newly hired officers if they leave one agency for another within the first two years of employment.

City Attorney Clifton Fay explained the state statute as it pertains to the reimbursement from one law enforcement agency to another for training cost and does not include sign on bonuses.

Chief Freddie Blackmon, Columbus Police Department, returned to the rostrum to thank the Mayor and Council for their support of the men and women of the Columbus Police Department. He stated they will use the funding to expand their department to support the community.

Warden Herbert Walker, III, Muscogee County Prison, came forward to express his thanks on behalf of the officers at the Muscogee County Prison. He explained this is a good way to reward those officers who must pull the sixteen hour shifts to make sure the prison is covered.

Sheriff Greg Countryman, Muscogee County Sheriff's Department, came forward to thank the Mayor and Council for their support. He explained this initiative is a great start to head into the right direction. He stated he believes this will make it possible for them to retain officers and keep them from leaving to seek employment with other agencies.
