

## **EXPLANATION OF RESOLUTION**

The Columbus Airport Commission (the “Commission”) has applied for a grant pursuant to the Airport Improvement Program to assist with updating the Columbus Airport Master Plan. The Master Plan is a document which outlines potential projects and upgrades to the airport's infrastructure for a period of twenty (20) years; however, the Master Plan is generally updated far more frequently than each twenty (20) years.

The funds from the proposed grant will be used to assist in the planning phase of the Master Plan update. The FAA has agreed to fund 90% of all allowable costs. The remaining 10% will be split equally between the Commission and GDOT.
