Re: Public Agenda Application

COMMENTS: It was recently brought to our attention that there were some discrepancies in the guidelines listed on the application for the Public Agenda. The guidelines previously listed did not coincide with the policies put in place by the Mayor as the Presiding Officer.

After further review, it was also noticed that the guidelines listed for the online application did not match what was listed on the applications available in the Clerk of Council's Office.

The application has been updated to be consistent with our policies and practices during meeting proceedings.
