**Recommendation:** Approval is requested to apply for and accept, if awarded, a grant in the amount of \$3,000.00 or as otherwise awarded from the Weyerhaeuser Giving Fund grant program and amending the multi–governmental fund by the award amount to go towards the purchase of a public safety robot. There are no matching funds required.

**Background:** Funds will be requested from the Weyerhaeuser Giving Fund grant program to fund the purchase of a public safety robot – Spot. The acquisition of this robot represents a strategic investment in public safety infrastructure. Robotics is part of the Fire-EMS Department’s Digital Vanguard Initiative – a bold step forward in technology to support public safety in Columbus and Muscogee County. Spot is engineered to navigate challenging terrains and environments, making it an invaluable asset for emergency response teams. Equipped with advanced sensors and cameras, Spot can assess hazardous situations—such as chemical spills, structurally compromised buildings, or areas with potential explosive threats—without endangering human personnel. This capability allows first responders to obtain critical situational awareness remotely, facilitating informed decision-making and enhancing the safety of both the public and emergency personnel. By integrating Spot into our public safety operations, the city council is embracing innovative technology to proactively address complex emergencies, ultimately aiming to save lives and reduce risk.

**Analysis:** Columbus Fire and Emergency Medical Services is requesting funds for the purchase of a Spot robot to support **all** of public safety.

**Financial Considerations:** The grant is for the purchase of a Spot robot with public safety payloads. The total amount requested is \$3,000.00, with no matching funds required.

**Legal Considerations:** The Consolidated Government of Columbus is eligible to receive these funds.

**Recommendation/Action:** Approval is requested to apply for and accept, if awarded, a grant in the amount of \$3,000.00 or as otherwise awarded from the Weyerhaeuser Giving Fund grant program and amending the multi–governmental fund by the award amount to go towards the purchase of a public safety robot. There are no matching funds required.

THE MULTI-GOVERNMENTAL FUND WILL BE AMENDED BY THE AMOUNT OF THE AWARD.**
