Background: Funds have been allocated to the Georgia Trauma Commission for the purchase of trauma equipment. Trauma continues to be the leading cause of death between the ages of 1 -44. Overall, injury is the 4th leading cause of death in the United States, but life – years lost are greater from injury than from 3 other leading causes of death combined, which are heart disease, cancer, and stroke. The grant funds will be used to purchase equipment that will be used to better equip Columbus Fire and EMS in the treatment of trauma patients.

Analysis: The Department of Fire and Emergency Medical Services will purchase equipment with funds being reimbursed by the state.

Financial Considerations: The grant is for equipment that will enhance the treatment of the trauma patient amounting to \$11,978.80, with no matching funds required.

Legal Considerations: The Consolidated Government of Columbus is eligible to receive the funds.

Recommendation/Action: Approval is requested to apply for and accept a grant of \$11,978.80 from the Georgia Trauma Commission – Georgia Trauma Care Network Commission and amend the Multi-Governmental Fund by the amount of the award.
