Items of Interest

- **SCHOOL PATROL NOTES:** Please don't stop in the roadway and drop off your children. This is not only illegal but dangerous. Please pull to the curbline (not one painted red) or designated drop off/pick up area. **DO NOT BLOCK CROSSWALKS!** We are very fortunate to have Mel volunteering her time at Egling as a crossing guard. She keeps things moving at Webster and 8th Street which is greatly appreciated.
- **ATTENTION PARENTS!** Please do **NOT** allow your children to drive without being properly licensed. Not only will your child be cited for being an unlicensed driver, but your vehicle is also subject to being towed. The fine for being an unlicensed driver is approximately \$400.00. The fees with the vehicle being towed in approximately \$250.00. Finally, you as the parent, could be criminally charged with violating section 14604(a) of the California Vehicle Code which is a misdemeanor. The minimum fine alone is approximately \$700.00. This doesn't include the lost wages from missing work and other possible court associated fees as well. Is the 'convenience' of having your child drive themselves to school really worth it?
