Briefly, state your interest in serving on this Commission and give a summary of your education, experience and/or qualifications that you believe would be relevant to this Commission.

Two years ago I was fortunate enough to be able to move back to Colusa from 45 years living in South Carolina,

San Diego / L.A. and South Africa. During that time I visited annually and saw the gradual loss of retail, people,

and a vitality to the town. I knew if I came back I wanted to work helping to turn that around. During my career

I managed several businesses of various sizes, worked in business finance and analysis, development and marketing,

owned an artisan bread bakery serving the public and commercial accounts, managed client real assets and property

development, highest and best use, and legal actions. I've worked to gain compliance with local, state and federal

regulations. I would like to take what I've learned and apply it to the work revitalizing the city. I would like to contribute

to Colusa. It's a small town with incredible assets. A little polish and shine can go a long way to unify the community.

I am a licensed agent DRE# 02104135, but I am not and haven't been in sales.

Are you available on the dates and times when this commission meets? ☒ Yes

I further understand that I serve at the pleasure of the Colusa City Council and can be removed from this position, with or without cause, at any time.

I, the undersigned, state that I am a citizen of the United States and fulfill the residency requirements listed above, and that I wish to have my name considered for appointment to the commission indicated above.
