Other/Committee: _____

Briefly, state your interest in serving on this Commission and give a summary of your education, experience and/or qualifications that you believe would be relevant to this Commission.

- I am interested in serving on the Commission for the City of Colusa because I have been a resident of Colusa for five years and a resident of the county for over twenty years. I am concerned with the decline that is becoming more recognizable in our city over this time. I would like to be a part of positive change and growth. I am currently employed with Williams Unified School District as a Site Secretary. This is my twenty first year with the district. I am very organized, flexible, and open to learning. I believe our city has the potential to welcome tourists by using the river, city tours, shopping, and dining. Our city also has the potential to entice industry as the halfway point between Sacramento and Redding which allows for growth and longevity.

Are you available on the dates and times when this commission meets? Yes No

I have read and understand the responsibilities of the Commission as set forth in the Colusa City Code and agree to work to carry out these responsibilities. I further understand that I serve at the pleasure of the Colusa City Council and can be removed from this position, with or without cause, at any time.

I, the undersigned, state that I am a citizen of the United States and fulfill the residency requirements listed above, and that I wish to have my name considered for appointment to the commission indicated above.
