---

I am interested in serving on the Colusa Planning Commission because I care deeply about responsible growth, land use planning, and the long-term success of our community. With ten years of experience in commercial real estate throughout Northern California, I have extensive familiarity with zoning, site requirements, and the development process, and I understand how planning decisions shape economic opportunity and quality of life. I hold a Master's degree in Business Leadership and Management and have managed real estate offices and teams, where I led training on contracts, compliance, and market updates while working closely with property owners, businesses, and local stakeholders on complex projects. As a co-owner of a local agricultural service company supporting farmers across the Sacramento Valley, I also bring an understanding of the region's agricultural needs. I would be honored to contribute my experience, analytical skills, and collaborative approach to thoughtful planning efforts in Colusa.

I have read and understand the responsibilities of the Commission as set forth in the Colusa City Code and agree to work to carry out these responsibilities. I further understand that I serve at the pleasure of the Colusa City Council and can be removed from this position, with or without cause, at any time.

I, the undersigned, state that fulfill the residency requirements listed above, and that I wish to have my name considered for appointment to the commission indicated above.
