---

Shelly Kittle, City Clerk,  
City of Colusa

January 13, 2026

Dear Shelly,

The Colusa Mosquito Abatement District has a vacancy on their Board of Trustees, due to the unfortunate passing of long-time Board member Daryl Brown.

Daryl had served as the City of Colusa representative to the Colusa Mosquito Abatement District Board for more than twenty years.

Mike Griffith, who sits on our Board, has served for over fifteen years as a County at Large representative. Mike has asked if he could seek the City of Colusa representative vacancy with the City Councils approval. The California Health and Safety Code, which our District works under, states that the District will have a minimum of five Board members with any incorporated city, represented by one member. Colusa is the only incorporated city within our District boundaries, which requires our District to have one of our Board of Trustees represent the City of Colusa.

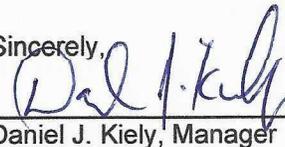

Mike Griffith has done great work for our District as a County at Large representative, and we know he will continue to be of great service to our District as the City of Colusa representative to our Board.

The Colusa Mosquito Abatement District asks for this request to be brought to the City Councils attention and seeks their approval at their earliest convenience.

Please do not hesitate to reach out to me if you have any questions or if there is anything for Mike Griffith to sign.

Thank you for your time with this matter and please contact me when the appointment is approved by the City Council.

Sincerely,

Daniel J. Kiely, Manager  
Colusa Mosquito Abatement District
