Items of Interest

- **ADDED PATROL SHIFTS:** The month of April's statistics brought us a glimpse of the benefits of added patrol shifts. The number of in-custody arrests was just shy of doubling from 14 to 26. The number of traffic enforcement stops went from 212 to 416.
- **CASE OF THE MONTH:** In early April, there were multiple reports of items being taken from employee vehicles at Premier Mushroom and in the immediate vicinity. The suspects of the thefts were identified as Olivia Herrera and Paul Noonan. During the execution of a search warrant, many of the stolen items were recovered. Herrera and Noonan were arrested and booked into Colusa County Jail. Subsequently, both Herrera and Noonan were later identified as suspects in thefts occurring in Sutter County and Butte County as well.
- **BOAT LAUNCH FEES:** Please don't forget to pay your boat launch fees. Once you've paid for them, please remember to display the receipt in your vehicle (preferably on the dash). Officers will be checking for fees paid not just in the parking lot of the state park but also along Main Street and the other immediate surrounding areas.
- **JUVENILE DRIVERS:** We have received complaints of students speeding in the area of the high school, primarily at the conclusion of the school day. Please be mindful of the speed limits. Parents shouldn't be allowing their unlicensed child to drive either. A parent allowing their unlicensed child to drive will be charged with violating section 14604(A) of the California Vehicle Code.
- **SCHOOL PATROL NOTES:** Please don't stop in the roadway and drop off your children. This is not only illegal but dangerous. Please pull to the curbline (not one painted red) or designated drop off/pick up area. **DO NOT BLOCK CROSSWALKS!**
