AGENDA ITEM: Amendment to the Joint Powers Agreement for the Yuba-Sutter-Colusa Regional Housing Authority to Include Lake County

RECOMMENDATION: Council to adopt the Resolution to approve the amendment to the Joint Powers Agreement (JPA) for the Yuba-Sutter-Colusa Regional Housing Authority to allow Lake County to become a participating member agency.

BACKGROUND ANALYSIS: The Yuba-Sutter-Colusa Regional Housing Authority has formally requested an amendment to its current Joint Powers Agreement to allow for the addition of Lake County as a member agency. The request comes following action and discussions by the Lake County Board of Supervisors expressing interest in joining the regional housing authority.

The regional housing authority currently provides housing assistance and housing-related services throughout participating jurisdictions and has continued to work collaboratively to address regional housing needs. By joining the authority, Lake County would become part of the regional partnership and participate in the programs and services administered through the housing authority.

The proposed amendment to the JPA would expand the membership of the regional housing authority to include Lake County while maintaining the existing structure and operations of the agency.

The Lake County Board of Supervisors has requested inclusion in the authority and is supportive of the amendment. Approval of the amendment by the member agencies is required in order for the changes to take effect.
