Re: Application for Commission Vacancy

Serving on the PRT commission these last 16 months, I have been privileged to participate in the commission as it has undertaken the work to restore Colusa's shady canopy through cooperation with residents, Rotary, and city staff to plant 100 trees along our streets through the Trees For Tomorrow program. Soon we will be using grants to upgrade bathrooms and drinking fountains in most of our parks and focusing on making our parks more accessible to all. I do my best to serve with my experience in gardening and landscaping, community management, and a huge belief in the vital importance of trees and the outdoors to city residents. If the commission and the council find me helpful, I would be proud to serve a full four-year term as a Park, Recreation, and Tree Commissioner.

Many thanks,

Jamie Davis-Meyer

I have read and understand the responsibilities of the Commission as set forth in the Colusa City Code and agree to work to carry out these responsibilities. I further understand that I serve at the pleasure of the Colusa City Council and can be removed from this position, with or without cause, at any time.

I, the undersigned, state that fulfill the residency requirements listed above, and that I wish to have my name considered for appointment to the commission indicated above.
