Briefly, state your interest in serving on this Commission and give a summary of your education, experience and/or qualifications that you believe would be relevant to this Commission.

I attended Chico State 4 years and married a native Colusan who quickly showed me what a great community we have. After the 60's the local scene changed and w/ the closing of so many local businesses we saw the infrastructure decline to a dangerous level. I am committed to see Colusa return to former levels and offer our citizens quality parks & recreation programs & maintain our tree canopy. As a master gardener my specialty is trees - essential.

I have read and understand the responsibilities of the Commission as set forth in the Colusa City Code and agree to work to carry out these responsibilities. I further understand that I serve at the pleasure of the Colusa City Council and can be removed from this position, with or without cause, at any time.

I, the undersigned, state that fulfill the residency requirements listed above, and that I wish to have my name considered for appointment to the commission indicated above.
