

# CONFIRE EMS

## Unit Numbering

**Objective:** Readily identify the following by radio callsign: Supervisors, ALS units, BLS units, CCT units, IFT units, Valley vs Desert region units, day/night car vs 24hr units.

1. The XBO mutual aid manual assigns two sets of numbering systems for fire agencies within SBCo. One for Overhead/Chief Officers. The second set of numbers is a non-duplicating set of fire apparatus/station numbers. Changes need to be approved by the SB County Chief's Association.
2. Request (via XBO County Chiefs) to assign CONFIRE EMS the 600 and 700 number series out of the FIRE STATION NUMBER SERIES for ambulance apparatus. (see pg 47-51 of the XBO Mutual Aid manual)
3. Request (via XBO chiefs) assignment of the 1200 series for CONFIRE EMS (see pg 44)
4. Request County Chiefs to modify three items on page 43 (resource identifiers)
  - Correct "SUP" to "SUPT" for handcrew superintendent. Currently "SUP" is a handcrew superintendent, but this is incorrect and should be corrected to "SUPT". (CONFIRE's CAD was already corrected to match the national standard for Crew SUPT units.)
  - Request "SUP" to signify "Supervisor" to be used for Ambulance Supervisor units.
  - Request to add "CCT" to the list to represent Critical Care ambulances.
  - Request to add "IFT" to the list to represent Inter-Facility Transport ambulances.
5. Assign 600+ "apparatus" series to Valley regions of CONFIRE EMS division (if need be, these could be split 600-649 as West Valley / 650-689 for East Valley non FD ambulances)
6. Assign 700+ "apparatus" series to High Desert region of CONFIRE EMS division
7. Agencies staffing their own ambulances would utilize existing assigned number series (i.e. Ontario FD ambulances would use MA131, MA132 etc.)
8. Vehicle types will then follow standard XBO manual identifiers (see page 43)
  - AM = BLS ambulance
  - MA = ALS ambulance
  - SUP = Supervisor
  - CCT = Critical Care Transport ambulance
  - IFT = Inter Facility Transport ambulance**
9. SUP units would fall under a block of the new "Overhead number series" (SUP 1200+)
10. Reserve 690-699 and 790-799 for CCT units.
11. Reserve 600-609 and 700-709 for 24-hour units

	East Valley	High Desert	West Valley
Supervisor	1201-1202	1200	1203-1204
QRV	1212-1215	1210-1211	1216-1219
ALS	610-634	702-719	648-674
BLS	635-646	N/A	675-689
CCT/Bariatric	690-693	790-792	694-697
Kais/LLU PICU	601-604	N/A	605-608
Confire 24 Units	600	700-701	N/A
