

CONFIRE

STAFF REPORT

DATE: August 22, 2023

FROM: Nathan Cooke
Interim Director

BY: Mike Bell
Project Coordinator

TO: CONFIRE Administrative Committee

SUBJECT: Resolution #2023 – 04: State Disability Benefit Provision

Recommendation

Approve Resolution #2032 – 04 “State Disability Benefit Provision.”

Background Information

CONFIRE has been undergoing a transition with the County of San Bernardino. A component of that transition is the requirement for CONFIRE to acquire a State Employee Identification Number (SEIN) in order to transfer the provision of State Disability Insurance (SDI) and Unemployment Insurance (UI) benefits from the County to CONFIRE. This is an administrative process only, not a new benefit. The provision of SDI is contained in the Memorandum of Understanding with the Emergency Services Dispatchers of San Bernardino County and the current Compensation Plan for Non-Represented Special District/Fire Employees.

The State requires an employer to adopt a resolution acknowledging the provision of SDI benefits for its designated labor groups to issue the SEIN and SDI account numbers.

Fiscal Impact

No fiscal impact
