BACKGROUND

The FY 2020-21 unaudited fiscal records indicates that CONFIRE ended the fiscal year with an unassigned fund balance of \$1,278,609 in revenue over expenditures. Savings are primary from the potential increases of the anticipation of the Memorandum of Understanding (MOU) for the Emergency Services Unit (ESU) and salary savings.

The remaining balance in General Reserves (5010) is a carryover from budget projects that had not been completed in FY2020/21 and includes reserve funds for the Department's CIP project.

The additional funds in the Term Benefit Reserve Fund (5011) are a result of assessing contract agencies a contract fee that is intended to bolster this fund for potential future pension liability issues.

Each fund balance amount is unaudited and are subject to change once the yearly audit is complete and the FY 2020-21 Financial Report has been published.
