Dear Board Members:

On behalf of the Chino Valley Fire District, please accept this letter of support and sponsorship for the City of Yucaipa to be admitted as a contracting party to CONFIRE. The City of Yucaipa is a vital contributor to our County's success. Their involvement as a contracting agency will make the JPA stronger and more successful. Together, we look forward to serving the communities of San Bernardino County.

If you have any questions or concerns, please get in touch with us at 909 902-5260.

Sincerely,

Dave Williams  
Fire Chief
