

COMMISSION STAFF REPORT

DEPARTMENT: Commission

SUBJECT: Discussion on uniform building code applications for window signs-
Commissioner Pulcini

RECOMMENDATION:

- Commissioner Pulcini is requesting a discussion on the use of the uniform building code application for window signs.

BACKGROUND OF ITEM:

- Currently the installation of window signs require the use of the uniform building code application. Commissioner Pulcini would like to discuss alternatives to the use of the permit application.

ANALYSIS:

- N/A

ALTERNATIVES:

- Staff has examined two possible alternatives to the current use of the uniform building code application. Adding window signs to the list of exempt permits in section 25-27(f) of the City Code or creating a new review form separate from the uniform building permit application amending section 25-27(a) of the City Code.
