Re: **Community Center Tot Lot
FRDAP Project No. A23083**

Dear Ms. Fleming:

We have approved the list of project elements, dated January 3, 2024, and the corresponding site plan for this project, dated the same. Therefore, you may commence project construction on this day February 1, 2024.

This authorization does not relieve the city of the responsibility to comply with all applicable federal, state, county or municipal laws, ordinances or rules. The city must obtain any permits, management agreements, or leases that may be required.

Please begin submitting status reports every one-hundred twenty days as required by the project agreement. The necessary form can be found on the [FRDAP home page](#). The next report is due **May 5, 2024**. Photographs should be submitted during the development phase to further reflect actual work accomplished.

Also, please be aware that the project close-out date for this project is **April 30, 2025**. This is the date by which all grant related development must be completed, and all grant related expenses paid. Thank you for your attention to this matter. If you need to discuss this with us, please call our office at (850) 245-2501.

Sincerely,

A handwritten signature in cursive script that reads "Reilly Allman".
