Ford Telematics Drive mobile app for drivers is also available for Ford Telematics subscribers. Learn more at commercialsolutions.ford.com or activate by calling 833-FCS-Ford. (833-327-3673). FordPass Connect™ 4G Modem enables Ford Telematics service directly from Ford or Ford Data Services through authorized providers. Non-Fleet customers can still get basic vehicle operational information by registering their VIN with FordPass. This service offers lock/unlock, vehicle health, and more features (depending on vehicle and options selected) which are available via the FordPass website or mobile app. Learn more at fordpass.com or call 1-800-392-3673.
