

## CITY COMMISSION STAFF REPORT

**DEPARTMENT:** Parks and Recreation Department

**SUBJECT:** Motion to approve Transportation Agreement with the School Board of Broward County, Florida

**CITY MANAGER RECOMMENDATION:**

The City Manager recommends renewing the Transportation Agreement between the City of Cooper City and the School Board of Broward County, Florida.

**BACKGROUND OF ITEM:**

The Parks and Recreation Department provides recreation programs during the course of the year. In doing so, the need for transportation services may arise. The School Board of Broward County has a fleet of vehicles that can be used by governmental agencies for public use.

**ANALYSIS:**

The Parks and Recreation Department plans and coordinates recreational programs through the year. At times, the need presents itself to seek transportation services. The staff identifies the needs and plans accordingly. Having the option to secure a bus through Broward County Public Schools, provides a reliable option for staff to consider. The agreement does not require the services to be secured through the School Board, but allows for it to be an option to consider. If approved, the Transportation Agreement would be valid from date of execution with a five (5) year term.

**STRATEGIC PLAN:**

Maintaining the relationship with the Schools, is identified with the third priority, A Strong Sense of Place. The community relationship helps foster community pride and increases social interactions.

**FISCAL IMPACT:**

In the event transportation services are needed, Parks and Recreation staff would complete their due diligence and obtain quotes from the School Board as well as other reputable companies. If the School Board Agreement is competitive, staff will plan accordingly. If the transportation services are not utilized through the School Board, there are no fees paid by the City.

**ALTERNATIVES:**

If the City does not renew the Transportation Agreement, additional alternatives would have to be sought out and/or utilized to provide for recreational needs.
