1.3 LOCAL PREFERENCE

(a) Definitions.

Local Davie Vendor. A "local Davie vendor" shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Town limits for a minimum of six (6) months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Town of Davie

and have an address that the U.S. Postal Service recognizes as being a Davie address to be eligible. Local Broward County Vendor. A "local Broward County vendor" shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Broward County limits for a minimum of six (6) months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Broward County or the city within Broward County where the business resides and have an address that the U.S. Postal Service recognizes as being a Broward County address to be eligible.

Bid. A bid shall be any competitive solicitation by specification officially posted by the Town of Davie Procurement staff on the Town's website where the award is determined by the lowest responsive and responsive bidder

Proposal. A proposal shall be any competitive solicitation by request for proposal (RFP) officially posted by the Town of Davie Procurement staff on the Town's website where the award is determined by qualifications.

(b) Process.

(1) Competitive bid. For bid evaluation purposes, vendors that meet the definition of "local Davie vendor" as detailed above shall be given a five (5) percent evaluation credit. This shall mean that if a "local Davie vendor" submits a bid/quote that is within five (5) percent of the lowest price submitted by any vendor, the "local Davie vendor" shall have an option to submit another bid which is at least one (1) percent lower than the lowest responsive bid/quote. If the "local Davie vendor" submits a bid which is at least one (1) percent lower than that lowest responsive bid/quote, then the award will go to the "local Davie vendor." If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "local Davie vendor," the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

For bid evaluation purposes, vendors that meet the definition of "local Broward County vendor" as detailed above shall be given a two and one-half (2.5) percent evaluation credit. This shall mean that if a "local Broward County vendor" submits a bid/quote that is within two and one-half (2.5) percent of the lowest price submitted by any vendor, the "local Broward County vendor" shall have an option to submit another bid which is at least one (1) percent lower than the lowest responsive bid/quote. If the "local Broward County

vendor" submits a bid which is at least one (1) percent lower than that lowest responsive bid/quote, then the award will go to the "local Broward County vendor." If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "local Davie vendor", the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a "local Davie vendor" and a "local Broward County vendor" participating in the same bid solicitation and both vendors qualify to submit a second bid as detailed above, the "local Davie vendor" will be given first option. If the "local Davie vendor" cannot beat the lowest bid received by at least one (1) percent, an opportunity will be given to the "local Broward County vendor." If the "local Broward County vendor" cannot beat the lowest bid by at least one (1) percent, then the bid will be awarded to the lowest bidder regardless of geographic location of the business.

If multiple "local Davie vendors" submit bids/quotes which are within five (5) percent of the lowest bid/quote, then all vendors will be asked to submit a "best and final offer (BAFO)." The award will be made to the "local Davie vendor" submitting the lowest BAFO providing that that BAFO is at least one (1) percent lower than the lowest bid/quote received in the original solicitation. If no "local Davie vendor" can beat the lowest bid/quote by at least one (1) percent, then the process will be repeated with all "local Broward County vendors" who have submitted a bid/quote which is within two and one-half (2.5) percent of the lowest bid/quote. If no "local Davie vendor" and no "local Broward County vendor" can submit a BAFO that is at least one (1) percent lower than the lowest bid/quote submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of geographic location of the business.

(c) Competitive proposal. For evaluation purposes, "local Davie vendor" and "local Broward County vendor" shall be a criterion for award in any request for proposal unless specifically exempted by the Town Administrator or the Town Council.

(d) Exceptions.

(1) No "local vendor" preference will be included in any competitive solicitation where the Town is the lead agency for the Southeast Florida Cooperative Purchasing Group.

(2) Utilization of a state or other agency contract.

(3) State or Federal law prohibits the use of local preference.

(4) The work is funded in whole or in part by a governmental entity where the laws, rules,

regulations, or policies prohibit the use of local preferences.

- (5) Sole source or single source purchases.
- (6) The "local vendor" is either non-responsive or non-responsive.
- (7) All bids submitted exceed the budget amount for the project.
- (8) Emergency purchases.
- (9) The Town Administrator and/or the Town Council may exempt any competitive solicitation from the local vendor preference.

1.4 BIDDERS RESPONSIBILITIES

Bidders are required to submit their proposals upon the following express conditions:

- A. Bidders shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Bidders shall make all investigations necessary to thoroughly inform themselves regarding the site and facilities for delivery of material and equipment as required by the bid conditions. No plea of ignorance, by the bidder, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the Town or the compensation due the bidder.
- C. Bidders are advised that all Town contracts are subject to all legal requirements provided for in the Town of Davie Procurement Code and applicable County Ordinances, State Statutes and Federal Statutes.

1.5 PREPARATION OF BIDS

D. Alternate bids will not be considered unless authorized in the Invitation to Bid document.

E. Proposed delivery time must be shown in calendar days, which shall include weekends and holidays.

The Town of Davie is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the bid. However, this exemption does not transmit to suppliers to the Town in their (supplier) purchases of goods or services, used in work or goods supplied to the Town. Contractors are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The Town will pay no sales tax.

1.6 DESCRIPTION OF SUPPLIES

- A. Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."
- B. Bidders must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the Proposal, it shall be construed that the bid fully complies with the Specifications, Terms and Conditions.
- C. Bidders are required to state exactly what they intend to furnish; otherwise, they shall be required to furnish the items as specified.
- D. Bidders will submit, with their proposal, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are bidding.
- E. The Town shall be the sole judge of equality and its decision shall be final.

1.7 SUBMISSION OF BIDS

- A. Bidders shall submit all bid documents

electronically through www.demandstar.com. A full instructional guide on how to submit documents will be included with this solicitation. Late submissions shall not be accepted.

- B. The Town will maintain documentation on its own website at <https://www.davie-fl.gov/411/Procurement> for general public information and posting requirements.
- C. Bidders requesting a copy of the bid tabulation will find this information through www.demandstar.com or on the Town's website at <https://www.davie-fl.gov/411/Procurement>.

1.8 ADDENDA

The Procurement Division may issue an addendum in response to any inquiry received, prior to Bid opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Bidder may not rely on any representation, statement, or explanation, whether written or verbal, other than those made in this Bid solicitation document or in any addenda issued. Where there appears to be a conflict between this Bid solicitation and any addenda, the last addendum issued shall prevail. It is the Bidder's responsibility to ensure receipt of all addenda and any accompanying documents. Bidder(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their Bid. Failure to include signed formal Addenda in its Bid shall deem its Bid non-responsive provided, however, that the Town may waive this requirement in its best interest.

1.9 REJECTION OF BIDS

The Town reserves the right to reject any or all proposals prior to award. Reasonable efforts will be made to either award the contract or reject all proposals within one hundred and twenty (120) calendar days after proposals opening date.

1.10 WITHDRAWAL OF BIDS

- A. Bids may not be withdrawn and shall be deemed enforceable for a period of 120 days after the time set for the bid opening.
- B. Bids may be withdrawn prior to the time set for the bid opening. Such request must be in writing.
- C. The Town will permanently retain as

liquidated damages the bid deposit furnished by any bidder who requests to withdraw a bid after the bid opening.

1.11 LATE BIDS OR MODIFICATIONS

Only bids or proposals received as of opening date and time will be considered timely. Bids and modifications received after the time set for the bid opening will be rejected as late.

1.12 CONFLICTS WITHIN THE BID SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Bid Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the Bid Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

1.13 CLARIFICATION OR OBJECTION TO BID SPECIFICATIONS

If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of the specifications or other bid documents or any part thereof, he/she may submit to the Procurement Manager, on or before five (5) days prior to scheduled opening, a request for clarification. All such requests for clarification shall be made in writing and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the bid, if made, will be made only by Addendum duly issued. 1.20 BID PROTESTS

The Town shall provide notice of its intent to award or reject to all bidders by posting such notice on the Town's website within two (2) working days after the posted review committee meeting.

If a vendor feels that it has been treated unfairly with regard to the results of a solicitation, or the resulting recommendation for award, it may protest the Town's action as follows:

(a) Applicability. This section shall apply to protests by bidders and proposers regarding claims made by contractors participating in a Town contract or bidding process and shall only apply to protests by bidders or offerors when the Town Procurement Division posts a Notice of Intent to Award in regard to a purchase in excess of the Town's formal competitive threshold as established in section 2-321(a) "Methods of Source Selection", "General" of this Code.

- (1) Protests; right to protest. Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Procurement Manager. The protest shall be submitted in writing within seventy-two (72) hours excluding holidays and weekends after such aggrieved person knows or should have known of the facts giving rise thereto or the posting of the Town's notice of intent to award on the Town's website.
- (2) Contract claims. All claims by a contractor against the Town relating to a contract shall be submitted in writing to the Procurement Manager. The contractor may request a conference with the Procurement Manager on a submitted claim. Claims include, without limitation, disputes arising under a contract and those based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or rescission.
- (3) Service of a protest. Service of a protest by mail or courier shall not expand the time frame period allowed for delivery of a protest.

- (b) Authority to resolve protests and contract claims.

- (1) Protests. The Procurement Manager, after consulting with the Town Attorney, shall have the authority consistent with this Code to settle and resolve a protest of an aggrieved bidder, offeror, or contractor, actual or prospective, concerning the solicitation or award of a contract.
- (2) Contract claims. The Procurement Manager, after consulting with the Town Attorney, shall have the authority to resolve contract claims, subject to the approval of the Town Administrator or Town Council, as applicable, regarding any settlement that will result in a change order or contract modification.

- (c) Decision. If a protest brought pursuant to subsection (a) of this section is not resolved by mutual agreement, the Procurement Manager shall promptly issue a decision in writing to the protesting party upholding or denying the protest or staying the award process for further investigation. A copy of the decision shall be mailed or otherwise furnished to the protestant or claimant and any other party intervening. The decision shall state the reasons for the action taken.

- (d) Finality of decision. A decision under subsection (c) of this section shall be final unless within three (3) business days from the date of receipt of the decision, the protestant or claimant files a written appeal with the Town Administrator.
- (e) Authority of the Town Administrator. The Town Administrator shall have the jurisdiction to review and determine any appeal by an aggrieved party from a determination by the Procurement Manager regarding a protest or contract claim. Such decision shall be final and conclusive.
- (f) Protest limitations:

 - (2) The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based and shall include all pertinent documents and evidence.
 - (3) Only a bidder whose bid is timely received and fully complies with all terms and conditions of the bid may protest an award.
- (g) Protest bond required. Upon the filing of a formal written protest the contractor or vendor shall post a bond, payable to the Town of Davie, in an amount equal to five (5) percent of the total bid or estimated contract amount, or ten thousand dollars (\$10,000.00), whichever is less. In the case of unit cost contracts, discount, or percentage-based contracts the full ten thousand dollars (\$10,000) shall be provided. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protesting contractor or vendor in the event the protest is resolved adversely to the protester. An irrevocable letter of credit or other form of approved security, payable to the Town, will be accepted. Failure to submit a bond simultaneously with the formal written protest shall invalidate the protest and the Town may proceed to award the contract as if the protest had never been filed.
- (h) Consideration of timely protests. The Town's consideration of a timely written protest shall not necessarily stay the award process, as may be in the best interest of the Town. The Procurement Manager, through the Town Administrator, may recommend to proceed with the award if

there is a necessity or emergency that will cause loss to the Town if not awarded immediately.

- (i) Timely submittal of protest or appeal required. Failure of a party to submit timely a written protest to the Procurement Manager within the time provided in this section shall constitute a waiver of such party's right to protest pursuant to this section.
- (j) Costs. Any and all costs incurred by a protesting party in connection with a protest pursuant to this section shall be the sole responsibility of the protesting party.

1.21 AGREEMENT

An agreement shall be sent to the awarded vendor to be signed, witnessed, and returned to the Town for execution, when applicable. The Town will provide a copy of the fully executed agreement to the awarded vendor. In the event of an ITB the solicitation document and all addenda shall serve as the complete agreement. The vendors signature on the bid page and the signed award document by the Town shall constitute a binding agreement.

1.22 DISQUALIFICATION OF BIDDERS

The Vendor shall cause all subcontractors to accept the terms and conditions of the Vendor's agreement with the Town.

1.24 ASSIGNMENT

The successful Bidder shall not assign, transfer, hypothecate, or otherwise dispose of this contract, including any rights, title or interest therein, or its power to execute such contract to any person, company or corporation without the prior written consent of the Town and Town's approval, which consent Bidder acknowledges is at the sole discretion of the Town.

1.56 ORDER OF PRECEDENCE

If there is a conflict between or among the provisions of the Agreement, the order of precedence is as follows:

- A. The terms and conditions of the agreement
- B. The Town of Davie's solicitation and any associated addenda and attachments thereof, and
- C. The Contractor's Proposal.

1.57 NATURE OF THE AGREEMENT

The Agreement incorporates and includes all negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained in the Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the Agreement that are not contained in the Agreement, and that the Agreement contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning the Agreement shall be of no force or effect, and that the Agreement may be modified, altered or amended only by a

written amendment duly executed by both parties hereto or their authorized representatives.

The Contractor shall provide the services set forth in the Scope of Services and render full and prompt cooperation with the Town in all aspects of the Services performed hereunder.

The Contractor acknowledges that the Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all Work and Services under this Contract. All things not expressly mentioned in the Agreement but necessary to carrying out its intent are required by the Agreement, and the Contractor shall perform the same as though they were specifically mentioned, described and delineated.

The Contractor shall furnish all labor, materials, tools, supplies, and other items required to perform the Work and Services that are necessary for the completion of this Contract. All Work and Services shall be accomplished at the direction of and to the satisfaction of the Town's Project Manager.

The Contractor acknowledges that the Town shall be responsible for making all policy decisions regarding the Scope of Services. The Contractor agrees to provide input on policy issues in the form of recommendations.

The Contractor agrees to implement any and all changes in providing Services hereunder as a result of a policy change implemented by the Town. The Contractor agrees to act in an expeditious and fiscally sound manner in providing the Town with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

1.58 PAYMENT FOR SERVICES/AMOUNT OBLIGATED

The Contractor warrants that it has reviewed the Town's requirements and has asked such questions and conducted such other inquiries as the Contractor deemed necessary in order to determine the price the Contractor will charge to provide the Work and Services to be performed under this Contract. The compensation for all Work and Services performed under this Contract, including all costs associated with such Work and Services, shall be in the total amount submitted on the Bid Form. The Town shall have no obligation to pay the Contractor any sum(s) in excess of this amount, except for a change and/or modification to the Contract

which is approved and executed in writing by the Town and the Contractor.

All Services undertaken by the Contractor before Town's approval of this Contract shall be at the Contractor's risk and expense.

1.59 PRICING

Prices shall remain firm and fixed for the term of the Contract, including any option or extension periods; however, the Contractor may offer incentive discounts to the Town at any time during the Contract term, including any renewal or extension thereof.

1.60 GUARANTEE

The Contractor shall be responsible for technically deficient designs, reports, or studies due to its errors and omissions, and shall promptly correct or replace all such deficient work due to its errors and omissions without cost to Town upon the request of the Town for five years after the date of acceptance of the project by the Town, which are judged to have been in error by a court of competent jurisdiction. Contractor shall also be responsible for the cost of correcting deficient construction, which was built from technically deficient designs, where applicable. Payment in full by the Town for work performed does not constitute a waiver of this guarantee.

1.61 MANNER OF PERFORMANCE

- A. The Contractor shall provide the Services described herein in a competent and professional manner satisfactory to the Town in accordance with the terms and conditions of the Agreement. The Town shall be entitled to a satisfactory performance of all Services described herein and to full and prompt cooperation by the Contractor in all aspects of the Services. At the request of the Town, the Contractor shall promptly remove from the project any Contractor's employee, subcontractor, or any other person performing Services hereunder. The Contractor agrees that such removal of any of its employees does not require the termination or demotion of any employee by the Contractor.
- B. The Contractor agrees to defend, hold harmless and indemnify the Town and shall be liable and responsible for any and all claims, suits, actions, damages and costs (including attorney's fees and court costs) made against the Town, occurring on account of, arising from or in connection

with the removal and replacement of any Contractor's personnel performing services hereunder at the behest of the Town. Removal and replacement of any Contractor's personnel as used in this Article shall not require the termination and or demotion of such Contractor's personnel.

- C. The Contractor agrees that at all times it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The Contractor agrees to adjust its personnel staffing levels or to replace any of its personnel upon reasonable request from the Town, should the Town make a determination, in its sole discretion, that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.
- D. The Contractor warrants and represents that its personnel have the proper skill, training, background, knowledge, experience, rights, authorizations, integrity, character, and licenses as necessary to perform the Services described herein, in a competent and professional manner.
- E. The Contractor shall at all times cooperate with the Town and coordinate its respective work efforts to most effectively and efficiently maintain the progress in performing the Services.
- F. The Contractor shall comply with all provisions of all federal, state and local laws, statutes, ordinances, and regulations that are applicable to the performance of the Agreement.

1.62 INDEPENDENT CONTRACTOR RELATIONSHIP

The Contractor is, and shall be, in the performance of all work services and activities under the Agreement, an independent contractor, and not an employee, agent or servant of the Town. All persons engaged in any of the work or services performed pursuant to the Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the Town shall

be that of an independent contractor and not as employees and agents of the Town.

The Contractor does not have the power or authority to bind the Town in any promise, agreement or representation other than specifically provided for in the Agreement.

1.63 AUTHORITY OF THE TOWN'S PROJECT MANAGER

- A. The Contractor hereby acknowledges that the Town's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, the Agreement including but not limited to: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.
- B. The Contractor shall be bound by all determinations or orders and shall promptly comply with and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- C. The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- D. In the event of such dispute, the parties to the Agreement authorize the Town Administrator or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or

subsequent to execution hereof) and the decision of each with respect to matters within the Town Administrator's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the Town Administrator within 10 days of the occurrence, event or act out of which the dispute arises.

The Town Administrator may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of the Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the Town Administrator participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the Town Administrator for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the Town Administrator is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The Town Administrator shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor and the Town reserve the right to pursue any remedies available under law after exhausting the provisions of this Article.

1.64 MUTUAL OBLIGATIONS

- A. The Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.

- B. Nothing in the Agreement shall be construed for the benefit, intended or otherwise, of any third party.
- C. In those situations where the Agreement imposes an indemnity or defense obligation on the Contractor, the Town may, at its expense, elect to participate in the defense if the Town should so choose. Furthermore, the Town may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter Contractor agrees to pay the Town's costs, attorney's fees and/or any resulting judgment or settlement from the Contractor.

1.65 QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its subcontractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. The Contractor and its subcontractors and suppliers shall retain such records, and all other documents relevant to the Services furnished under the Agreement for a period of three (3) years from the expiration date of the Agreement and any extension thereof.

1.66 AUDITS

The Town, or its duly authorized representatives or governmental agencies shall, until the expiration of three (3) years after the expiration of the Agreement and any extension thereof, have access to and the right to examine and reproduce any of the Contractor's books, documents, papers, and records and those of its subcontractors and suppliers which apply to all matters of the Town as needed. Such records shall conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to the Agreement.

The Contractor agrees to grant access to the Town's Auditor to all financial and performance-related records, property, and equipment purchased in whole or in part with government funds. The Contractor agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowability and allocability of costs.

1.67 SUBSTITUTION OF PERSONNEL

In the event the Contractor wishes to substitute personnel for the key personnel identified by the Contractor's Proposal, the Contractor must notify the Town in writing and request written approval for the substitution at least ten (10) business days prior to effecting such substitution.

1.68 SUBCONTRACTUAL RELATIONS

- A. If the Contractor will cause any part of the Agreement to be performed by a subcontractor, the provisions of this Contract will apply to such subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Contractor; and the Contractor will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the subcontractor, its officers, agents, and employees, as if they were employees of the Contractor. The services performed by the subcontractor will be subject to the provisions hereof as if performed directly by the Contractor.
- B. The Contractor, before making any subcontract for any portion of the services, will state in writing to the Town the name of the proposed subcontractor, the portion of the Services which the subcontractor is to do, the place of business of such subcontractor, and such other information as the Town may require. The Town will have the right to require the Contractor not to award any subcontract to a person, firm or corporation disapproved by the Town.
- C. Before entering into any subcontract hereunder, the Contractor will inform the subcontractor fully and completely of all provisions and requirements of the Agreement relating either directly or indirectly to the Services to be performed. Such Services performed by such subcontractor will strictly comply with the requirements of this Contract.
- D. In order to qualify as a subcontractor satisfactory to the Town, in addition to the other requirements herein provided, the subcontractor must be prepared to prove to the satisfaction of the Town that it has the necessary facilities, skill and experience, and ample financial resources to perform the Services in a satisfactory manner. To be considered skilled and experienced, the subcontractor must show to the satisfaction of the Town that it has satisfactorily performed services of

the same general type which is required to be performed under the Agreement.

- E. The Town shall have the right to withdraw its consent to a subcontract if it appears to the Town that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under the Agreement. All subcontractors are required to protect the confidentiality of the Town and Town's proprietary and confidential information. Contractor shall furnish to the Town copies of all subcontracts between Contractor and subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the Town permitting the Town to request completion of performance by the subcontractor of its obligations under the subcontract, in the event the Town finds the Contractor in breach of its obligations, and the option to pay the subcontractor directly for the performance by such subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the Town to any subcontractor hereunder as more fully described herein.

1.69 ASSUMPTION, PARAMETERS, PROJECTIONS, ESTIMATES, AND EXPLANATIONS

The Contractor understands and agrees that any assumptions, parameters, projections, estimates, and explanations presented by the Town were provided to the Contractor for evaluation purposes only. However, since these assumptions, parameters, projections, estimates, and explanations represent predictions of future events, the Town makes no representations or guarantees, the Town shall not be responsible for the accuracy of the assumptions presented, the Town shall not be responsible for conclusions to be drawn there from, and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Contractor. The Contractor accepts all risks associated with using this information.

1.70 SEVERABILITY

If the Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from the Agreement without affecting the binding force of the Agreement as it shall remain after omitting such provision.

1.71 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

- A. The Town and/or the CRA, may terminate the Agreement and pursue all remedies available at law if an individual or corporation or other entity attempts to meet its contractual obligation with the Town and/or the CRA through fraud, misrepresentation, or material misstatement.
- B. The Town and/or the CRA, may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the Town and/or the CRA. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including but not limited to attorney's fees and costs.
- C. Contractor acknowledges and agrees that ten dollars (\$10.00) of the compensation to be paid by the Town and/or the CRA, the receipt and adequacy of which is hereby acknowledged by Contractor, is given specific consideration to Contractor for the Town's and the CRA's right to terminate this Agreement for convenience.
- D. The Town, through its Town Administrator, and/or the CRA through its Executive Director, and for its convenience and without cause, may terminate the Contract at any time during the term by giving written notice to consultant/contractor of such termination, which shall become effective within fifteen (15) days following receipt by the Contractor of such notice. If the Contract is terminated for convenience by the Town and/or the CRA, the Contractor shall be paid for any services satisfactorily performed up to the date of termination; following which the Town and/or the CRA shall be discharged from any and all liabilities, duties, and terms arising out, or by virtue of, this Contract.
- E. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the Town and/or the CRA through fraud, misrepresentation or material misstatement may be debarred from Town and CRA contracting in accordance with the Town debarment procedures. The Contractor may be subject to debarment for failure to perform and all other reasons set forth in Town's Procurement Policies and Procedures Manual.

In addition to cancellation or termination as otherwise provided in the Agreement, the Town and/or the CRA may at any time, in its sole discretion, with or without cause, terminate the Agreement by written notice to the Contractor and in such event:

F. The Contractor shall, upon receipt of such notice, unless otherwise directed by the Town and/or the CRA:

1. Stop work on the date specified in the notice ("the Effective Termination Date").
2. Take such action as may be necessary for the protection and preservation of the Town's and/or the CRA's materials and property.
3. Cancel orders.
4. Assign to the Town and/or the CRA and deliver to any location designated by the Town and/or the CRA any non-cancelable orders for Deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement and not incorporated in the Services.
5. Take no action which will increase the amounts payable by the Town under the Agreement.

G. In the event that the Town and/or the CRA exercises its right to terminate the Agreement pursuant to this Article the Contractor will be compensated as stated in the payment Articles, herein, for the:

1. Portion of the Services completed in accordance with the Agreement up to the Effective Termination Date; and
2. Non-cancelable Deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement but not incorporated in the Services.

H. All compensation pursuant to this Article is subject to audit.

1.72 EVENT OF DEFAULT

A. An Event of Default shall mean a breach of the Agreement by the Contractor. Without limiting the generality of the foregoing and in addition to those instances referred to herein as a breach, an Event of Default, shall include the following:

1. The Contractor has not delivered Deliverables on a timely basis.
2. The Contractor has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel.
3. The Contractor has failed to make prompt payment to subcontractors or suppliers for any Services.
4. The Contractor has become insolvent (other than as interdicted by the bankruptcy laws) or has assigned the proceeds received for the benefit of the Contractor's creditors, or the Contractor has taken advantage of any insolvency statute or debtor/creditor law or if the Contractor's affairs have been put in the hands of a receiver.
5. The Contractor has failed to obtain the approval of the Town where required by the Agreement.
6. The Contractor has failed to provide "adequate assurances" as required under subsection "B" below; and
7. The Contractor has failed in the representation of any warranties stated herein.

B. When, in the opinion of the Town or the CRA, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the Town or the CRA may request that the Contractor, within the time frame set forth in the Town's or the CRA's request, provide adequate assurances to the Town or the CRA, in writing, of the Contractor's ability to perform in accordance with terms of the Agreement. Until the Town or the CRA

receives such assurances the Town or the CRA may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the Town or the CRA the requested assurances within the prescribed time frame, the Town may:

1. Treat such failure as a repudiation of the Agreement;
 2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.
- C. In the event the Town and/or the CRA shall terminate the Agreement for default, the Town, the CRA, or their designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

1.73 REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the Contractor shall be liable for all damages resulting from the default, including but not limited to:

- A. Lost revenues.
- B. The difference between the cost associated with procuring Services hereunder and the amount actually expended by the Town for procurement of Services, including procurement and administrative costs; and,
- C. Such other direct damages.

The Contractor shall also remain liable for any liabilities and claims related to the Contractor's default. The Town may also bring any suit or proceeding for specific performance or for an injunction.

1.74 PATENT AND COPYRIGHT INDEMNIFICATION

- A. The Contractor warrants that all Deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not

infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

- B. The Contractor shall be liable and responsible for any and all claims made against the Town or the CRA for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the Work, or the Town's or the CRA's continued use of the Deliverables furnished hereunder. Accordingly, the Contractor at its own expense, including the payment of attorney's fees, shall indemnify, defend, and hold harmless the Town and the CRA and defend any action brought against the Town with respect to any claim, demand, and cause of action, debt, or liability.
- C. In the event any Deliverable or anything provided to the Town or the CRA hereunder, or a portion thereof is held to constitute an infringement and its use is or may be enjoined, the Contractor shall have the obligation, at the Town's or CRA's option, to (i) modify, or require that the applicable subcontractor or supplier modify, the alleged infringing item(s) at the Contractor's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the Town or the CRA, at the Contractor's expense, the rights provided under the Agreement to use the item(s).
- D. The Contractor shall be solely responsible for determining and informing the Town and/or the CRA whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and subcontractors at the Contractor's own risk. The Town or the CRA may reject any Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the Town's judgment, use thereof would delay the Work or be unlawful.
- E. The Contractor shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual

property rights in the performance of the Work.

1.75 PROPRIETARY INFORMATION

As a political subdivision of the State of Florida, the Town of Davie is subject to the provisions of Florida's Public Records Law.

The Contractor acknowledges that all computer software in the Town's possession or the CRA's possession may constitute or contain information or materials which the Town or the CRA has agreed to protect as proprietary information from disclosure or unauthorized use and may also constitute or contain information or materials which the Town or the CRA has developed at its own expense, the disclosure of which could harm the Town's proprietary interest therein.

During the term of the contract, the Contractor will not use directly or indirectly for itself or for others, or publish or disclose to any third party, or remove from the Town's property, or the CRA's property, any computer programs, data compilations, or other software which the Town has developed, has used or is using, is holding for use, or which are otherwise in the possession of the Town (hereinafter "Computer Software"). The Contractor acknowledges and agrees that all third-party license agreements must also be honored by the contractors and their employees, except as authorized by the Town or the CRA and, if the Computer Software has been leased or purchased by the Town or the CRA, all third-party license agreements must also be honored by the contractors' employees with the approval of the lessor or Contractors thereof. This includes mainframe, minis, telecommunications, personal computers and any and all information technology software.

The Contractor will report to the Town any information discovered or which is disclosed to the Contractor which may relate to the improper use, publication, disclosure, or removal from the Town's property of any information technology software and hardware and will take such steps as are within the Contractor's authority to prevent improper use, disclosure or removal.

1.76 PROPRIETARY RIGHTS

A. The Contractor hereby acknowledges and agrees that the Town and the CRA retains all rights, title and interests in and to all materials, data, documentation and copies thereof furnished by the Town and the CRA to the Contractor hereunder or furnished by

the Contractor to the Town and/or created by the Contractor for delivery to the Town, even if unfinished or in process, as a result of the Services the Contractor performs in connection with the Agreement, including all copyright and other proprietary rights therein, which the Contractor as well as its employees, agents, subcontractors and suppliers may use only in connection with the performance of Services under the Agreement. The Contractor shall not, without the prior written consent of the Town, use such documentation on any other project in which the Contractor or its employees, agents, subcontractors, or suppliers are or may become engaged. Submission or distribution by the Contractor to meet official regulatory requirements or for other purposes in connection with the performance of Services under the Agreement shall not be construed as publication in derogation of the Town's copyrights or other proprietary rights.

- B. All rights, title and interest in and to certain inventions, ideas, designs and methods, specifications and other documentation related thereto developed by the Contractor and its subcontractors specifically for the Town, hereinafter referred to as "Developed Works" are works for hire and are the property of the Town.
- C. Accordingly, neither the Contractor nor its employees, agents, subcontractors, or suppliers shall have any proprietary interest in such Developed Works. The Developed Works may not be utilized, reproduced, or distributed by or on behalf of the Contractor, or any employee, agent, subcontractor, or supplier thereof, without the prior written consent of the Town, except as required for the Contractor's performance hereunder.

Except as otherwise provided in subsections a, b, and c above, or elsewhere herein, the Contractor and its subcontractors and suppliers hereunder shall retain all proprietary rights in and to all licensed software provided hereunder, that have not been customized to satisfy the performance criteria set forth in the Scope of Services. Notwithstanding the foregoing, the Contractor hereby grants, and shall require that its subcontractors and suppliers grant, if the Town or the CRA so desire, a perpetual, irrevocable and unrestricted right and license to use, duplicate, disclose and/or permit any other person(s) or entity(ies) to use all such

licensed software and the associated specifications, technical data and other documentation for the operations of the Town, the CRA or entities controlling, controlled by, under common control with, or affiliated with the Town, or the CRA, or organizations which may hereafter be formed by or become affiliated with the Town or the CRA. Such license specifically includes, but is not limited to, the right of the Town or the CRA to use and/or disclose, in whole or in part, the technical documentation and licensed software, including any source code provided hereunder, to any person or entity outside the Town for such person's or entity's use in furnishing any and/or all of the Deliverables provided hereunder exclusively for the Town, the CRA, or entities controlling, controlled by, under common control with, or affiliated with the Town, the CRA, or organizations which may hereafter be formed by or become affiliated with the Town or the CRA. No such licensed software, specifications, data, documentation or related information shall be deemed to have been given in confidence and any statement or legend to the contrary shall be void and of no effect.

1.77 ETHICS

In accordance with Section 2-330 of the Town's Code requires that the town shall not purchase any goods or services from any person who is actively employed by the Town of Davie or from any business or entity of which the employee or the employee's spouse or child is an agent, officer, partner, director, or proprietor or in which they have a material interest or discretionary authority. Any such individual or business shall be disqualified from participating in any bidding activity for purchases by the town unless specifically authorized by action of the town council. Furthermore, all bidders are subject to follow the SECTION 1-19 OF THE BROWARD COUNTY CODE.

1.78 LOCAL, STATE, AND FEDERAL COMPLIANCE REQUIREMENTS

Contractor agrees to comply, subject to applicable professional standards, with the provisions of any and all applicable Federal, State, County and Town orders, statutes, ordinances, rules and regulations which may pertain to the Services required under the Agreement, including but not limited to:

1.79 NONDISCRIMINATION

During the performance of this Contract, Contractor agrees to not discriminate against any employee or applicant for employment because of race, religion, color, sex, handicap, marital status, age or national origin, and will take affirmative action to ensure that they are afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not be limited to, recruitment, employment, termination, rates of pay or other forms of compensation, and selection for training or retraining, including apprenticeship and on-the-job training. By entering this Contract with the Town, the Contractor attests that it is not in violation of the Americans with Disabilities Act of 1990 (and related Acts). If the Contractor or any owner, subsidiary or other firm affiliated with or related to the Contractor is found by the responsible enforcement agency or the Town to be in violation of the Act, such violation shall render this Contract void. This Contract shall be void if the Contractor submits a false affidavit or the Contractor violates the Act during the term of this Contract, even if the Contractor was not in violation at the time it submitted its affidavit.

1.80 CONFLICT OF INTEREST

The Contractor represents that:

- A. No officer, director, employee, agent, or other consultant of the Town or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of the Agreement.
- B. There are no undisclosed persons or entities interested with the Contractor in the Agreement. The Agreement is entered into by the Contractor without any connection with any other entity or person making a

proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the Town, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

- C. Neither the Contractor nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligations under the Agreement; provided that the Town, in its sole discretion, may consent in writing to such a relationship, and provided the Contractor provides the Town with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the Town's best interest to consent to such relationship.
- D. The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Contractor shall promptly bring such information to the attention of the Town's Project Manager. Contractor shall thereafter cooperate with the Town's review and investigation of such information and comply with the instructions Contractor receives from the Project Manager in regard to remedying the situation.

1.81 PRESS RELEASE OR OTHER PUBLIC COMMUNICATION

Under no circumstances shall the Contractor, its employees, agents, subcontractors, and suppliers, without the express written consent of the Town:

- A. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the Town, or the Work being performed hereunder, unless the Contractor first obtains the written approval of the Town. Such approval may be withheld if for any reason the Town believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and
- B. Represent, directly or indirectly, that any product or service provided by the Contractor, or such parties has been approved or endorsed by the Town, except as may be required by law.

1.82 BANKRUPTCY

The Town reserves the right to terminate this contract if, during the term of any contract the Contractor has with the Town, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

1.83 GOVERNING LAW

This Contract, including appendices, and all matters relating to this Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by, and construed in accordance with, the laws of the State of Florida.

1.84 SURVIVAL

The parties acknowledge that any of the obligations in the Agreement will survive the term, termination, and cancellation hereof. Accordingly, the respective obligations of the Contractor and the Town under the Agreement, which by nature would continue beyond the termination, cancellation, or expiration thereof, shall survive termination, cancellation or expiration hereof.

1.85 CANCELLATION FOR UNAPPROPRIATED FUNDS

The obligation of the Town for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

1.86 ASBESTOS STATEMENT

All material supplied must be 100% asbestos free. Bidder, by virtue of bidding, certifies that if awarded any portion of the project he will supply only material or equipment that is 100% asbestos free.

1.87 VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any Town employee. Only those communications which are in writing from an authorized Town representative may be considered. Only written communications from Contractors, which are assigned by a person designated as authorized to bind the Contractor, will be recognized by the Town as duly authorized expressions on behalf of Contractors.

1.88 COST ADJUSTMENTS

The cost for all items as quoted herein shall remain firm for the term of the contract. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 3% per year or, whichever is less, the latest yearly percentage increase in the All-Urban Consumers Price Index (CPU-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor. The yearly increase or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the Town at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the Town shall have the right to receive from the Contractor reduction in costs that reflect such cost changes in the industry. The Town may, after

examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the Town does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the Town, the contract can be cancelled without penalty by the Town upon giving thirty (30) days written notice to the Contractor.

1.89 EQUITABLE ADJUSTMENT

The Town of Davie may, in its sole discretion, make an equitable adjustment in the Contract Terms and conditions and/or pricing. If pricing or availability of supply is affected by extreme or unforeseen volatility in the marketplace that satisfy all the following criteria: 1) the volatility is due to causes wholly beyond the successful bidder's control; 2) the volatility affects the marketplace or industry, not just the particular successful bidder's source of supply; 3) the effect on pricing or availability of supply is substantial; and 4) the volatility so affects the successful bidder that continued performance of the Contract would result in substantial loss. Any adjustment would require irrefutable evidence and written approval by the Procurement Manager, Town Administrator or Mayor and Council depending on the contract threshold and original signature authority established by Town of Davie Code Section 2-319. The Town may elect to provide a one-time increase, an increase for a predetermined period or an increase for the remainder of the contract. In the event of any market decreases the bidder shall in good faith provide the Town with reduced pricing.

1.90 PROHIBITION OF INTEREST

No contract will be awarded to a bidding firm who has Town elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida State Statutes and Town Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder or termination of the agreement, removal of the Bidder from the Town's bidder lists, and prohibition from engaging in any business with the Town.

1.91 NO CONTINGENT FEES

Vendor warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Vendor to solicit or secure the Agreement, and that it has not paid or agreed to pay any person,

company, corporation, individual, or firm, other than a bona fide employee working solely for the Vendor any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of the Agreement. For the breach or infraction of this provision, the Town shall have the right to terminate the Agreement without liability at its discretion, to deduct from the contract price, or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

1.92 E-VERIFY

Vendor/Consultant/Contractor acknowledges and agrees to utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

- a) All persons employed by Vendor/Consultant/Contractor to perform employment duties within Florida during the term of the contract; and
- b) All persons (including sub-vendors/subconsultants/subcontractors) assigned by Vendor/Consultant/Contractor to perform work pursuant to the contract. The Vendor/Consultant/Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the Town of Davie.

By entering this Contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the Town as a result of the termination of this contract.

1.93 FORCE MAJEURE

The Agreement that is awarded to the successful proposer may provide that the performance of any act by the Town, the CRA, or Contractor hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however, the Town shall have the right to provide substitute service from third parties or Town forces and in such event the Town shall withhold payment due Contractor for such period of time. If the condition of force majeure exceeds a period of 14 days the Town may, at its option and discretion, cancel or renegotiate the Agreement.

1.94 BUDGETARY CONSTRAINTS

In the event the Town is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The Contractor shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

1.95 ANNEXATION

Contractor agrees to extend all terms, conditions and pricing in the Agreement and any amendments thereto, to any areas annexed into the Town.

1.96 LITIGATION VENUE

The parties agree that all litigation between them in the state courts shall exclusively take place in Broward County, Florida and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

1.97 SOVEREIGN IMMUNITY

Nothing in the Agreement shall be interpreted or construed to mean that the Town or the CRA waives its common law sovereign immunity or the limits on liability set forth in Section 768.28, Florida Statute. Notwithstanding anything set forth in the Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the Town beyond any statutory limited waiver of immunity or limits

of liability which may have been or may be adopted by the Florida Legislature and the cap on the amount and liability of the Town for damages, regardless of the number or nature of claims in tort, equity, or Contract, shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the Town, which claim would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

1.98 SUBMISSION AND RECEIPT OF BIDS

Bids having any erasures or corrections must be initialed and dated by the bidder in ink. This bid document shall be typewritten or filled in with pen and ink.

PLEASE BE ADVISED THAT THE FAILURE OF ANY BIDDER FOR A CONSTRUCTION

PROJECT FOR THE TOWN OF DAVIE, INCLUDING AND NOT LIMITED TO GENERAL CONTRACTORS AND DEVELOPERS, TO ADHERE TO THE REQUIREMENTS OF THE TOWN OF DAVIE'S EXCLUSIVE SOLID WASTE FRANCHISE AGREEMENT SHALL RESULT IN A NOTICE OF VIOLATION, CITATION OR SIMILAR CODE ENFORCEMENT ACTION BEING TAKEN AGAINST THE BIDDER. ENFORCEMENT ACTION MAY INCLUDE DENIAL OR REVOCATION OF A BID APPLICATION AND ITS APPROVAL. THE ENFORCEMENT ACTION WILL RESULT IN FINES AND LIENS UP TO \$15,000/DAY FOR IRREPARABLE VIOLATIONS, UP TO \$1,000/DAY FOR FIRST VIOLATIONS, UP TO \$5,000/DAY FOR REPEAT VIOLATIONS PLUS APPLICABLE COST RECOVERY AND ATTORNEY FEES.

1.100 SUSPENSION AND DEBARMENT

(a) Authority. The Procurement Manager shall provide written notice to any party under review for potential suspension and/or debarment. The notice shall state the grounds for the potential suspension and/or debarment and shall offer the party the opportunity to respond to those grounds in writing. The Procurement Manager may also hold a meeting with the party to discuss those grounds, if the Procurement Manager determines a meeting is appropriate. After consideration of the party's written response and/or meeting with the party, the Procurement Manager may, after consultation with the Town Attorney's Office, suspend or debar the party from consideration for award of future Town contracts. For purposes of this Part, "party" means any individual or entity. Debarment shall not be for a period of more than five (5) years.

(b) Causes for Suspension. The Procurement Manager may suspend a party when the Procurement Manager has probable cause to debar the party. A vendor may not be suspended for longer than three (3) months unless the Town has commenced debarment proceedings against the vendor, in which case the suspension may last until the debarment proceedings are concluded.

(c) Causes for debarment or suspension. The causes for debarment or suspension include the following:

(1) Conviction for the commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract.

(3) Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals or contracts.

(4) Violation of contract provisions, as set forth below, of a character which is regarded by the Procurement Manager to be so serious as to justify debarment action:

a. Deliberate failure without good cause to perform in accordance with the contract documents or within the time limit provided in the contract.

b. A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one (1) or more contracts; provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for debarment.

c. Refusal to perform a contract after a contract is accepted by the Town and awarded to the vendor.

d. If a party made material misrepresentations in response to or related to a solicitation.

e. If a party is debarred by another governmental entity.

f. Any other cause the Procurement Manager determines to be so serious and compelling as to affect the responsibility as a contractor, including, but not limited to, debarment by another governmental entity for any cause listed in regulations; or

g. Violation of the ethical standards set forth in section 2-330.

h. Violation of requirements in Section 2-320 – Cone of Silence.

(d) Decision. The Procurement Manager shall issue a written decision to debar or suspend. The decision shall state the reasons for the action taken.

(e) Notice of decision. A copy of the decision under subsection (d) of this section shall be mailed or otherwise furnished immediately to the debarred or suspended person and any other party intervening.

(f) Appeal to the Special Magistrate. The decision to debar is final unless, within ten (10) calendar days from the date of receipt of the decision, a Notice of Appeal is filed with the Town Attorney requesting a hearing before the Town's Special Magistrate. A hearing before the Town's Special Magistrate will be scheduled within 30 days receipt of the Notice of Appeal. After hearing the matter, the Special Magistrate shall render a decision regarding suspension or debarment and decide whether, or to the extent to which, the debarment or suspension was in

accordance with this section. The decision of the Special Magistrate shall be final and conclusive.

(g) Statute of limitations. There is no statute of limitations regarding debarment. The Procurement Manager may debar parties whose contracts have ended.

1.101 EMPLOYEE BACKGROUND VERIFICATION

Contractor certifies and agrees that all personnel used in the performance of this work have had a criminal background check. The Town reserves the right to request copies of the criminal background check.

1.102 PROHIBITION AGAINST LOBBYING

During the solicitation of any bid or proposal, any firm and its agents, officers or employees who intend to submit, or who have submitted, bids or proposals shall not lobby, either individually or collectively, any Town Council members, candidates for Town Council or any employee of the Town. Contact should only be made through regularly scheduled Town Council meetings, or meetings scheduled through the Procurement Division for purposes of obtaining additional or clarifying information. Any action, including meals, invitations, gifts or gratuities by a submitting firm, its officers, agents, or employees shall be within the purview of this prohibition and shall result in the immediate disqualification of that firm from further consideration.

During a formal solicitation process, contact with personnel of the Town of Davie other than the Procurement Manager and/or designated representative regarding any such solicitation may be grounds for elimination from the selection process.

1.103 INSPECTOR GENERAL AND ETHICS

In accordance with Section 12.01 of the Broward County Code of Ordinances, the Contractor understands that this Contract may be subject to investigation and/or audit by the Broward County Inspector General. The Contractor understands and agrees to his obligations under this ordinance. The Contractor further understands and agrees that in addition to all other remedies and consequences provided by law the failure of the Contractor or its subcontractors to fully cooperate with the Inspector General, when requested, may be deemed by the Town to be a material breach of the Contract justifying its termination.

- c. Single work exceeding \$20,000 (to be competitively bid among the selected pool of contractors)

The contractor will be solely responsible for making any repairs. Other than providing access to Town facilities, the contractor should not rely upon the Town to obtain permits, provide M.O.T., or act as a facilitator between utility companies, outside vendors, and manufacturers.

Prior to starting any work or repairs, the Town may request a detailed budgetary quote from the contractor for any proposed work. Work may not be started until the Town directs the contractor with documented communication. All vendors must have an active phone number and email address to communicate with the Town.

For invoicing purposes, authorized work is considered started when the contractor arrives at the location. The Town will not pay for travel time.

For street light repairs, in the event more than two personnel from the contractor are required to perform the repairs, the contractor shall notify the designated Public Works' Project Manager in advance. The contractor shall start work only after the designated Public Works Project Manager staff authorizes work to begin. Such authorization will be in the form of a documented email.

For emergency repairs, response time shall not exceed two (2) hours from the time the call is placed. In the case the contractor does not respond to the Town's request for service in a timely manner, as established in this bid, the Town representative will contact the next contractor in the rotation. Failure to respond three (3) times to the Project Manager under assigned rotation will constitute failure to perform and may be subject to contract termination.

Scheduled Repairs:

The Town may request from the selected contractor, a detailed budgetary cost estimate, to be approved by the project manager to complete any electrical services listed within this bid that the cost does not

exceed \$20,000. In the event that the Town and the contractor fail to agree on the proposed cost estimate, the project manager will end negotiations and will request a new proposal from the next contractor in the rotation. Work completed under the time and materials guideline will require that the contractor submit attached to the invoice receipts of the materials used to complete the work and a detail breakdown of the job classification and the number of hours worked for each day that it is billed. In the case the contractor does not respond to the Town's request to submit a cost estimate in a timely manner, the Town representative will contact the next contractor, in the rotation, to request a new cost estimate.
