Sludge Disposal SRVS Original		125000	225000	350000
	TOTAL	125000	225000	350000

REASON FOR CHANGE	January 2025, the City amended its contract with Synagro South, LLC to continue managing the hauling and disposal of biosolids at a new rate of \$69.26 per cubic yard. Due to the increased costs and assuming sludge production remains the same as for Fiscal Year 2025 would be approximately \$326,960.
