Stacie,
Good morning.

I went back and re-listened to the commission discussion from 4/12/21. I do agree that the commission sought to delegate certain authority to the manager; however, I do not see that delegation to include the authority for the manager to negotiate individual rates and contracts with users on a case-by-case basis.

Commissioner Shrouder's motion related to the fee schedule for rec programs and facility rentals in general; consistent with Resolution No 21-23, which had just been adopted. The motion required a recommendation by the Recreation Department, approval by the manager and notification to the commission. Do we have documentation showing that these three criteria were satisfied at any time since the adoption of the motion?

Jacob,

Based on the minutes, on page 9, Commission delegated fees to the City Manager. Does this not fall into the category of the reduced fees for Pure Energy?
