Part 200, "Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards" and 24 C.F.R. Part 570.502. In accordance with 2 C.F.R. Part 200.101(b)(3), with the exception of the requirements set forth in 2 C.F.R. Part 200, Subpart F, Audit Requirements, in the event any of the provisions of federal statutes or regulations relating specifically to the CDBG Program differ from the provisions set forth in 2 C.F.R. Part 200, the provision of the federal statutes or regulations specific to the CDBG Program shall govern.
- 9.2 City shall comply with the audit requirements set forth in 2 C.F.R. Part 200, Subpart F, "Audit Requirements," and Chapter 10.550, Rules of the Auditor General, State of Florida, as applicable. - 9.4 City shall budget and expend all CDBG Funds provided by County under this Agreement in accordance with County's "Procedures Manual for Subrecipients."
- 9.5 In addition to County's right to terminate this Agreement in accordance with Article 11, City shall be required to repay to County, in County's sole discretion, any CDBG Funds determined by County or HUD to be ineligible for reimbursement under the terms of this Agreement, including but not limited to in the following events:

In the event City is required to repay County any CDBG Funds pursuant to this section, City shall repay such funds from nonfederal resources within thirty (30) days after the notice provided by County, and if not paid, County may, in its sole discretion, elect to withhold payment on any subsequent request for payment by City, or reduce City's obligation to repay County by making an administrative offset against any request for payment. County, in its sole discretion, may reallocate any funds City repays to County pursuant to the terms of this Agreement to other eligible CDBG Program projects. This provision shall survive the expiration or earlier termination of this Agreement.

In the event City fails to use CDBG Program-assisted real property in a manner that meets a CDBG national objective for the prescribed period of time, City shall pay County an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non CDBG Program funds for acquisition of, or improvement to, the property. Such payment shall constitute Program Income to County.

11.1 This Agreement is subject to the availability of CDBG Program funding from HUD. In the event that HUD terminates, suspends, discontinues, or substantially reduces the CDBG Funds available for the Project activity under this Agreement, as determined in County's sole discretion, County may terminate this Agreement upon City's receipt from County of no less than twenty-four (24) hours' notice.

11.2 Termination for Cause.

- 11.2.1 This Agreement may be terminated for cause by County, at the discretion of and through the County Administrator, if City fails to comply with any terms under this Agreement and has not corrected the breach within five (5) days after receipt of written notice from County identifying the breach. - 11.2.3 In the event this Agreement is terminated by County for cause, City shall repay to County any CDBG Funds determined by County to be due in accordance with Section 9.5. County may, in its sole discretion, reduce City's obligation to repay County by making an administrative offset against any requests by City for payment up to the effective date of termination as provided in Section 11.4.

If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

For purposes of this Agreement, a documented and committed eligible Project expense means any verifiable committed expense, including but not limited to a purchase order for payment of materials and supplies, executed by City or Subcontractor on City's behalf, for Project activities under this Agreement. Notwithstanding the above, City shall not expend, or commit to expend, any funds for eligible Project expenses under this Agreement after either party provides written notice of termination to the other party. Any payment by County pursuant to this section is subject to the repayment provisions in Section 9.5, and County shall not be required to reimburse City for any or all of the CDBG Funds requested by City where County has determined that City failed to complete the Project in a manner complying with this Agreement or the Rules and Regulations of HUD.
- 11.5 Notice of suspension or termination of this Agreement shall be provided in accordance with the "Notices" section of this Agreement except that notice of termination by the County Administrator, which the County Administrator deems necessary to protect the public health, safety, or welfare may be verbal notice that shall be promptly confirmed in writing in accordance with the "Notices" section of this Agreement.
- 11.6 In the event this Agreement is terminated for any reason, any amounts due City shall be withheld by County until all documents are provided to County pursuant to Section 12.1.

Program Implementation Overview

The Senior Transportation Services are implemented by the City of Cooper City Recreation Department. The Program has a Recreation Van/Bus Driver, an employee of the City, whose responsibilities include: registering prospective eligible seniors, scheduling weekly transportation requests, preparation and submittal of monthly transportation ridership reports to include participant race/ethnicity, participant income eligibility, and vehicle fuel usage. The Recreation Van/Bus Driver also serves as the lead driver for all scheduled shopping trips and appointments. Additional staff is utilized as drivers when necessary.

Recipient Selection Criteria

The Senior Transportation Services program is implemented from the Cooper City Community Center. The Program is made available to all eligible seniors, 62 and older, who reside in Cooper City. Personal identification, to verify age and address of program participants, is kept on file.

Program Marketing

The Program is marketed through one or more of the following media outlets: news advertisement, City's website newsletter, social media sites, as well as on-site fliers.

Income Categories to be Served - National Objective

Specifically, seniors who are 62 years or older are considered limited clientele. Per CDBG federal regulations, seniors are presumed to be low-to-moderate income.

Applicant Processing and Verification

The seniors register at the City's Recreation Adult Program Office located at the Cooper City Community Center.

Payment Disbursement

Timesheets and a summary of expenses incurred through the Senior Transportation Services Program are maintained by City. These funds are documented in the Program's Monthly report and the portion of the Project that is to be reimbursed to the City through CDBG funding is documented in a monthly pay request.

Allowable Cost for U.S. HUD Share of Budget

Federal cost principles for grants and contracts with state and local governments are set forth in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, which contains a series of principles governing the allowability of various types of costs under federal grants and contracts. General information concerning the cost principles is summarized below. The following types of costs are specifically unallowable:

- (A) Advertising costs other than those associated with recruitment of personnel and the solicitation of bids for goods and services.
- (B) Bad debts.
- (C) Contingencies.
- (D) Contribution and donations.
- (E) Entertainment.
- (F) Fines and penalties.
- (G) Interest.
- (H) Losses on other grants or contracts.

Most other categories of cost are generally allowable under the cost principles provided the costs are allowable and reasonable. General comments on individual cost elements are listed below:

<u>Personnel (Salary)</u> costs are generally allowable provided they are based on actual current salaries adjusted for any anticipated cost-of-living or merit increases during the grant period. Salary costs for unidentified new employees must be consistent with the City's overall employee compensation structure. City's compensation policy should not change as a result of obtaining a federal grant.

<u>Fringe Benefit</u> costs such as pay for vacations, holidays, sick leave, employee insurance, and unemployment benefits are allowable to the extent required by law or established organizational policy.

<u>Travel</u> costs consistent with established organizational policy are generally allowable. The difference between first class and coach air fare is specifically unallowable. In the absence of established organizational travel policy, it is a good practice to adopt policies

consistent with the federal travel regulations.

Equipment costs should be based on the least cost method of acquisition (rent, purchase, lease with option to buy) over the grant period as demonstrated by competitive bidding. Equipment costs are only allowable to the extent the equipment is directly necessary to accomplish the grant. The cost of equipment not fully utilized under the grant must be allocated to other organization costs to assure a fair share distribution. Whenever practical, used equipment should be considered in meeting equipment needs.

<u>Material/Supplies</u> cost directly associated with the Project is allowable. Prices must generally be justified through competitive bids except for nominal purchases.

<u>Subcontracts/Contractual Services</u> must be awarded on a competitive basis except in extraordinary circumstances. The same principles applicable to individual cost principles for grantees are generally applicable cost-reimbursement type subcontracts under grants.

<u>Consultant</u> agreements should include a certification by the consultant that the consultant rate is equal to or less than the lowest rate the consultant accepts for comparable work. Additionally, Congress prohibits the salary component of consultant fees under HUD grants from exceeding the applicable approved rate schedule.

<u>Construction</u> costs include construction of new buildings, structures, or other real property as well as alteration or repair of existing structures. Construction costs should be supported by detailed cost estimates and competitive bidding. Consult with the Housing Finance and Community Redevelopment Division's Compliance Officer on applicability of the Davis-Bacon Wage determination to the Project.

<u>Other</u> costs include all types of direct costs not specified above. Normally, such costs include space, telephone, utilities, printing, and other basic operating expenses.

<u>Leverage</u> is that which the municipality or non-profit organization brings to the Project. It may be in the form of services or contributed operating expenses (in-kind contributions) or cash support from the organization itself or from other sources.
