The City reserves the right to review, at any time, coverage forms and limits of Contractor's insurance policies.

Contractor shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to Contractor's insurance company or companies and the City's Risk Management office as soon as practical.

Contractor shall furnish to the City copies of all subcontracts between Contractor and Subcontractors and suppliers hereunder. With each such subcontract, there shall be a clause for the benefit of the City in the event the City finds the Contractor in breach of this Contract, permitting the City to request completion by the Subcontractor of its performance obligations under the subcontract. The clause shall include an option for the City to pay the Subcontractor directly for the performance by such Subcontractor. In addition, the affected party shall provide to the counterparty within seven days of determining the cause of the Force Majeure, a written explanation via e-mail concerning the circumstances that caused the act of Force Majeure and the overall impacts to the Contract. Upon written notice from the City, the CONTRACTOR shall make available to the IPSIG retained by the City, all requested records and documentation pertaining to any Agreement entered into for inspection and reproduction. The City shall be responsible for the payment of these IPSIG services, and under no circumstance shall the selected proposer's prices and any changes thereto approved by the City, be inclusive of any charges relating to these IPSIG services.

The CONTRACTOR acknowledges that this authority extends to the municipal functions, public records, and contract operations of the City of Cooper City ("City").

(b) Obligation to Cooperate. The CONTRACTOR agrees to fully cooperate with the OIG in any audit, inquiry, inspection, or investigation conducted by the OIG regarding this Agreement, the performance of services hereunder, or the utilization of public funds related to this Agreement.

(c) Access to Records and Personnel. (e) Enforcement and Sanctions. Pursuant to the Broward County Charter, the OIG is empowered to subpoena witnesses, administer oaths, and compel the production of records. A failure or refusal by the CONTRACTOR to comply with the mandates of this clause may result in the immediate suspension or termination of this Agreement for cause by the City, the withholding of contract payments by the City, or potential debarment from future City contract awards.

The CONTRACTOR shall promptly provide any additional information or documentation requested by the City that is necessary to complete, verify, update, or maintain its vendor registration and approval.

Execution or award of this Contract does not constitute or guarantee approval of the CONTRACTOR's vendor registration. The CONTRACTOR shall not perform any work, provide any goods or services, or incur any costs for which it expects payment from the CITY until the CONTRACTOR has been fully registered and approved by the CITY and has received written authorization to proceed, when applicable.

Failure of the CONTRACTOR to timely complete the CITY's vendor registration process or obtain and maintain approved vendor status shall constitute grounds for the CITY to suspend performance, withhold the issuance of a Purchase Order or Notice to Proceed, withhold payment

to the extent permitted by law, or terminate this Contract, in whole or in part, without liability to the CITY. Unless otherwise determined by the CITY, the CONTRACTOR shall complete all vendor registration requirements within the timeframe established by the CITY following notice of award or execution of the Contract.

ARTICLE 61. NO GUARANTEE OF WORK

61.1 Award Status

The Contractor acknowledges that it has been awarded this Agreement as the Tertiary Contractor for Group B – Neighborhood Parks - East under RFP2026-2, Citywide Grounds Maintenance & Landscape Services. 61.2 No Guarantee of Work

The Contractor expressly acknowledges and agrees that the City makes no representation, warranty, commitment, or guarantee regarding any minimum or maximum quantity of Work, number of assignments, service locations, purchase orders, expenditures, compensation, or revenue that may be issued or generated under this Agreement. The City shall have no obligation to issue any Work to the Contractor during the term of this Agreement.

61.4 City's Discretion to Assign Work

The Primary Contractor shall serve as the City's first source for services under the applicable Group. If the Primary Contractor is unable, unwilling, unavailable, or fails to perform in accordance with the Agreement, the City may, in its sole discretion, assign all or any portion of the applicable Work to the Secondary Contractor.

If the Secondary Contractor is unable, unwilling, unavailable, or fails to perform, the City may, in its sole discretion, assign the Work to the Tertiary Contractor.

Nothing herein shall require the City to utilize the Secondary Contractor before the Tertiary Contractor, or otherwise require the City to assign Work in any particular order, when the City determines that another assignment is necessary or appropriate to protect the City's interests, maintain continuity of services, respond to an emergency, or otherwise serve the best interests of the City.

61.5 No Rotation Requirement

Nothing in this Agreement shall be construed as establishing a rotational, proportional, equitable, or guaranteed distribution of Work among the Primary, Secondary, Tertiary, or any other awarded contractors. SECTION 4 – GROUNDS MAINTENANCE SERVICES

4.1 Mowing

The Contractor shall properly maintain grass and vegetation providing a pleasing appearance and proper ground cover for recreational areas, essential elements of a healthy community. All turf must remain at a uniform height. Turf cutting is to be accomplished free of scalping, rutting, bruising, uneven and rough cutting. If this occurs, the Contractor may be asked to re-cut the area(s), as determined by the City's designee, at no additional cost to the City. The Contractor shall address leaves on the ground at the time of mowing, and the associated cost must be included in the cost of the service. Contractor's Grounds Maintenance Plan must include the grass cutting and mowing schedule, including the minimum number of mowing cuts listed within the Agreement. The standards for mowing are:

- a. Upon arriving at a job site, the Contractor shall inspect the area and remove all litter, including litter bags from garbage cans, glass, metal, rocks, or other debris subject to becoming a projectile if engaged by a mower.
- b. Mowing shall be performed in a manner that ensures a smooth surface appearance without scalping or leaving any “missed” uncut grass. Contractor shall remove all grass clippings from the mowed area and those areas adjacent to those mowed, including but not limited to plant beds, walkways, curbs, driveways, roadways, buildings, fences, etc., immediately after each mowing.
- c. Contractor shall utilize rotary mowers on St. Augustine.
- d. Turf Height Standards:
 - i. Winter Months (November 1st – February 28th): 4 inches
 - ii. Summer Months (March 1st - October 31st): 3.5 Inches
- e. Mowers shall be set at 3-4 inches, depending on the time of year, unless otherwise designated by the City. All mowing equipment must be equipped with adjustable and functional discharge chutes. Discharge chutes shall be angled downward as necessary to prevent the discharge of clippings or other generated debris into pedestrian areas, roadways, or other areas that may cause damage or injury to persons or property. Mower blade height adjustment is to be measured from a level floor surface to the parallel and level plane of the mower blade.
- f. All mower blades shall be sharp enough to cut, rather than to tear grass blades.
- g. Mowing shall be done carefully so as not to nick or damage trees or shrubs, intrude into ground cover beds, damage sodded berms, or cause damage to sprinkler heads, valves, manifolds, pump houses, curbs and/or all other City property. Should any of the above-listed damage occur, the Contractor shall be held financially responsible for replacement or repair.

Where possible, the City will provide the Contractor an opportunity to correct all such Work prior to the assessment of any payment reduction. If such Work is brought into compliance with the Performance Standards within two (2) business days of notification, no payment reduction will be assessed other than the City's administrative costs.
