

NOTICE OF INTENT TO SOLE/SINGLE SOURCE

May 31, 2024

SOLE/SINGLE SOURCE: ISS-2024-2-UTL

PROJECT NAME: TAC II SCADA Systems and Components

The City of Cooper City is requesting proprietary sole/single source information for the purchase of 100 Telemetry Control Units (TCU) TCU800, to replace the existing TCU001 for the Lift Stations SCADA System, from Data Flow Systems LLC. (DFS)

This is not a Request for Proposal and there is no solicitation available. The following paragraphs contain specifications and justification for the proprietary service under the authority of and in accordance with Florida State Statute 287.057(3)(C).

Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes. Any vendor/contractor, who believes that they can provide an equal to better product, shall submit a written statement outlining their reasons and concerns in detail along with sufficient documentation to substantiate their claim that offer meets or exceeds the specifications of the proposed proprietary recommendation.

It will be the vendor/contractor's responsibility to provide adequate information in their written statement to enable the City of Cooper City to ensure that the proposed products meet the required criteria.

If adequate information is not submitted with the statement, it shall be rejected.

PROPRIETARY ITEMS

The City of Cooper City is requesting proprietary sole/single source information for the purchase of TAC II SCADA Systems and Components from Data Flow Systems, LLC (DFS). DFS claims they are the sole source provider of TAC II SCADA System and associated Remote Terminal Units (RTUs), Telemetry Control Units (TCUs), TAC Pack TCU RTUs, Hyper SCADA Servers (HSS), and DFS HTX SCADA Software.

Written statement shall be sent to:
