CFO Bridgeman spoke on the roll overs.

CONSENT AGENDA

Minutes

Regular Commission meeting minutes of August 10, 2021

MOTION: Commissioner Meltzer moved to approve the consent agenda. Commissioner Pulcini seconded the motion which prevailed by a unanimous roll call vote (4-0).

REGULAR AGENDA

Motion to approve Engineering Task Order for replacement of Water Treatment Plant Membranes – Utilities

Utilities Director Mike Bailey spoke on the item.

MOTION: Commissioner Meltzer moved to approve Engineering Task Order for replacement of Water Treatment Plant Membranes. Commissioner Pulcini seconded the motion which prevailed by a unanimous roll call vote (4-0).

Motion to approve revisions to the City's pay plan - Administrative Services

Commissioner Pulcini advised this is a needed change.

Commissioner Meltzer advised this is a house keeping item that needed to be addressed.

MOTION: Commissioner Pulcini moved to approve revisions to the City's pay plan. Commissioner Meltzer seconded the motion which prevailed by a unanimous roll call vote (4-0).

Discussion on an Elected Officials and City Manager's retreat– Commissioner Shrouder

Commissioner Shrouder advised Commissioner Green had previously mentioned a goal-setting meeting and wanted to hear the specifics.

Mayor Ross advised previously they had a facilitator come in and discuss goals.

Commissioner Meltzer how this is handled.

City Attorney Horowitz advised a visioning session is a public meeting and substance is within the purview of the Commission and City Manager.

Commissioner Shrouder would like to defer the item to when Commissioner Green is on the dais.

Motion to approve Human Resources/Risk Management position and pay scale – Commissioner Shrouder

Commissioner Shrouder advised the HR department was budgeted and now wants to continue the process.

City Manager Napoli advised he believes the job description is acceptable. He also advised the pay scale is consistent with a director.

City Attorney Horowitz confirmed into the record the job description is included in the motion.

MOTION: Commissioner Shrouder moved to approve Human Resources/Risk Management position and pay scale and description. Commissioner Meltzer seconded the motion which prevailed by a unanimous roll call vote (4-0).

Motion to approve City Clerk position and pay scale – Commissioner Shrouder

Commissioner Shrouder advised the separation of the HR department requires a change to this position. Commissioner Shrouder asked about department numbers and backup on Clerk salaries from other cities in Broward County.

City Manager Napoli advised his recommendation is for a Director position.

Commissioner Shrouder had concerns with the position in the same pay scale as other Directors who supervise many employees compared to the Clerk position who supervises 3.5.

Discussion ensued on pay plan ranges.

Commissioner Shrouder asked about the title of administrative services.

City Manager Napoli advised administrative services addresses Passports and Special Magistrate.

Commissioner Shrouder believes the department should be title the City Clerk's Office with the removal of the Administrative Services title.

MOTION: Commissioner Shrouder moved to approve the City Clerk position in the 23 range of the pay scale. Commissioner Pulcini seconded the motion which prevailed by a unanimous roll call vote (4-0).

Discussion on legacy pensions – Commissioner Shrouder

Commissioner Shrouder would like to know who serves on plans, terms and contribution rates. He also spoke on pension details that need to be looked into. He would like to have an actuary look at the legacy pensions.

Commissioner Meltzer asked how much longer is GEPP will be around.

Commissioner Shrouder would like to look at changing the multiplier to match FRS, what is the result of increasing the employer contribution rate and develop regulations about entering drop.

Mayor Ross asked for agenda and minutes for the plans.

Commissioner Shrouder would like to know who the appointees to the boards are.

Consensus was reached to look at changing the multiplier to match FRS, what is the result of increasing the employer contribution rate and develop regulations about entering drop.

City Attorney Horowitz advised an actuary would need to look into the Commissions questions.

REGULAR RESOLUTIONS

Resolution 21-43 (Recreation)

City Attorney Horowitz read "A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF COOPER CITY, FLORIDA, AMENDING RESOLUTION NO. 12-7-5, ADOPTED ON JULY 30, 2012; ELIMINATING THE \$36,000 CAP ON NON-RESIDENT FEES PAID TO THE CITY BY THE COOPER CITY OPTIMIST CLUB TO BE USED FOR THE MAINTENANCE OF THE CITY'S SPORTS FACILITIES; ESTABLISHING A \$50.00 PER PARTICIPANT PER SPORT REGISTRATION FEE AND A \$15.00 FIELD USAGE FEE PER PARTICIPANT PER SPORT FOR NON-CITY RESIDENTS; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE" by title.

Commissioner Shrouder advised a waiver of covenant be available to the Optimist.

Commissioner Pulcini would like to add a phased approach to non-resident fees.

Commissioner spoke on the Optimist outreach campaign for Cooper City children.

Sam Saad suggested a phased approach.

Commissioner Meltzer spoke on replacing the artificial turf and saving money now.

Commissioner Pulcini spoke on needing the funds to maintain the parks.

Commissioner Shrouder spoke on the 70% being by sport.

Commissioner Meltzer stated there are more non-residents participating.

Mayor Ross spoke on a \$50 per participants per sport registration and a \$15 field usage. Mayor Ross asked what numbers will be phased.

City Manager Napoli spoke on a 3 year at \$40, \$50 and \$65 phase approached.

Mayor Ross spoke on his concern with the language with "may" and "shall", "goal" and "minimum".

Recreation Director Weiss spoke on resident vs. non-resident numbers per sport.

Mayor Ross spoke on non-enforcement of the 70/30 rule.

City Manager Napoli spoke on possibly workshopping the item.

Commissioner Shrouder asked Ms. Weiss's recommendation.

Ms. Weiss advised she understands COVID is still relevant and understands the City's responsibility with the fields.

City Manager Napoli spoke on a phased approach starting with \$40 in total.

Mayor Ross asked who determined the \$65 initially.

City Manager Napoli advised that was in the contract not brought forward.

Ms. Weiss advised that currently the City receives \$15 from non-residents.

Commissioner Meltzer advised this change is needed as it has not been addressed in years. He supports starting with a \$50 fee and raising to \$65 eventually.

MOTION: Commissioner Pulcini moved to approve Resolution 21-43 starting January 1, 2022 implementing a \$50 non-resident fee and starting January 1, 2023 a \$65 non-resident fee. Commissioner Shrouder seconded the motion which prevailed by a unanimous roll call vote (4-0).

Resolution 21-46 (Administration)

City Attorney Horowitz read "A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF COOPER CITY, FLORIDA, APPROVING AND AUTHORIZING THE EXECUTION OF THE AGREEMENT BETWEEN THE CITY OF COOPER CITY, THE BROWARD SHERIFF'S OFFICE, AND RENAISSANCE CHARTER SCHOOL, INC., FOR SCHOOL RESOURCE OFFICER SERVICES, ATTACHED HERETO AS EXHIBIT "A" AND INCORPORATED HEREIN; AUTHORIZING AND DIRECTING THE APPROPRIATE CITY OFFICIALS TO TAKE ANY AND ALL ACTION NECESSARY TO EFFECTUATE THE INTENT OF THIS RESOLUTION; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE" by title. **(Administration)**

Mayor Ross does not believe the City should be involved in the agreement.

MOTION: Commissioner Pulcini moved to approve Resolution 21-46. Commissioner Shrouder seconded the motion which prevailed by the following roll call vote.

YES: Commissioners Shrouder, Meltzer and Pulcini

NO: Mayor Ross

ORDINANCES ON SECOND READING (Public Hearing)

Ordinance 21-22 (Utilities)

City Attorney Horowitz read "AN ORDINANCE OF CITY OF COOPER CITY, FLORIDA; PROVIDING FOR LOCAL IMPLEMENTATION OF THE MANDATORY YEAR-ROUND LANDSCAPE IRRIGATION CONSERVATION MEASURES RULE OF THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT (40E-24, F.A.C.); AMENDING CHAPTER 25 OF THE CITY'S CODE OF ORDINANCES, ENTITLED "DEVELOPMENT STANDARDS" BY SPECIFICALLY AMENDING ARTICLE III, ENTITLED "LANDSCAPING"; CREATING SECTION 25-52, TO BE ENTITLED "YEAR-ROUND LANDSCAPE IRRIGATION CONSERVATION MEASURES;" PROVIDING DEFINITIONS; PROVIDING FOR THE APPLICABILITY OF THE ORDINANCE; PROVIDING THE LANDSCAPE IRRIGATION SCHEDULE; PROVIDING EXCEPTIONS TO THE LANDSCAPE IRRIGATION SCHEDULE; PROVIDING FOR A REQUIREMENT TO OPERATE TECHNOLOGY THAT INHIBITS OR INTERRUPTS AN IRRIGATION SYSTEM DURING PERIODS OF SUFFICIENT MOISTURE; PROVIDING FOR VARIANCES FROM THE SPECIFIC DAY OF THE WEEK LIMITATIONS; PROVIDING FOR ENFORCEMENT OF THE ORDINANCE; PROVIDING FOR PENALTIES FOR VIOLATION OF THE ORDINANCE; PROVIDING FOR CODIFICATION OF THE ORDINANCE; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE" by title.

Mayor Ross opened the public hearing with no one wishing to speak. Mayor Ross closed the public hearing.

MOTION: Commissioner Meltzer moved to approve Ordinance 21-22. Commissioner Pulcini seconded the motion which prevailed by the following roll call vote (4-0).

CITY MANAGER REPORT

Fire Truck Leasing Options

City Manager Napoli advised we received our first batch of ARPA funds. He also advised we have a quote for a fire apparatus that expire in October. He is looking for direction from the Commission.

Mayor Ross spoke on used vehicles as BSO as shown its acceptance of using older equipment. Mayor Ross would like to look into alternatives to buying and leasing.

Commissioner Meltzer advised it may be premature as we may receive vehicles back.

Commissioner Pulcini would like to look into purchasing vehicles in the future.

Commissioner Shrouder advised we need to look into the type of equipment we need.

CITY ATTORNEY REPORT

No City Attorneys report.

POLICE CHIEF'S REPORT

Mayor Ross read a letter that was sent to Colonel Holmes of the Broward Sheriff's Office commending Captain De Giovanni for his professionalism.

Captain De Giovanni advised school traffic congestion is a concern and his staff is working diligently to enforce traffic laws and concerns with 192 citations issued. He also spoke on the beautification initiative and the goal of compliance. The Commercial Plaza initiative is ongoing with the Timberlake Plaza being placed on the November 2, 2021 Special Magistrate Hearing. He advised his team will be present at the Pentecostals of Cooper City Church for Heroes Day. The Explorer Program and the COP program is open and looking for recruits. He also advised a code enforcement officer vacancy will be forthcoming as an officer will be retiring.

Commissioner Pulcini thanked Captain De Giovanni for all his work.

Commissioner Meltzer thanked Captain De Giovanni and his staff for all his work with the residents.

Commissioner Shrouder thanked Captain De Giovanni and spoke on Rock Creek concerns regarding traffic from Franklin. Captain De Giovanni advised he spoke with Rock Creek regarding his concerns.

Mayor Ross spoke on the beautification initiative and thanked Captain and his staff.

FIRE CHIEF'S REPORT

Chief Bishop advised Lieutenant John Monty retired. The hydrant maintenance program is ongoing as well as fire inspections with 100% compliance by years' end. October is Fire Prevention Month and life safety educators are at the schools educating on fire prevention. Call volume is up 8.5% from the same time frame last year. The platform is currently out of service due to mechanical issues. He also advised we have to start looking at replacing fire apparatuses. He spoke on types of apparatuses and needs. Mayor Ross asked about the apparatuses and replacements we have currently. Chief Bishop spoke on apparatuses the City had.

Commissioner Shrouder asked if the repair lines will decrease if we buy new equipment. He also spoke on having one Quint vehicle for backup for numerous cities.

Commissioner Pulcini asked Chief Bishop to thank his staff.

Commissioner Meltzer thanked Chief Bishop and his staff.

COMMISSIONERS' CONCERNS/REPORTS/ITEMS TO BE PLACED ON NEXT AGENDA

Commissioner Pulcini thanked the residents.

Commissioner Meltzer thanked the City Manager, Jeanette Wolford and staff for the Tree and Plant Care Workshop. He also spoke on an article in DRW Magazine highlighting two Cooper City residents and encouraged any residents interested in volunteering for the City to contact Marcia Morin at 954-434-4300 Ext 260.

Mayor Ross advised any resident looking to serve on an advisory board can fill out a citizen's resource sheet and also advised residents can serve on the City's CERT team.

ADDITIONAL PUBLIC COMMENTS (2 MINUTES)

No public comments were made.

ADJOURNMENT

The meeting was adjourned at 9:50 p.m.

WEBVTT

1

00:00:03.480 --> 00:00:16.020

Cooper City Hall: Good afternoon, ladies and gentlemen, welcome to the Cooper city city Commission regular meeting today's 28th of September, it is now 630 So if you please join me in the pledge of allegiance.

2

00:00:18.600 --> 00:00:29.790

Cooper City Hall: I pledge allegiance to the flag of the United States of America and to the Republic for which it stands one nation under God indivisible with liberty and justice for all thank you.

3

00:00:31.230 --> 00:00:32.100

Cooper City Hall: I have a real call.

4

00:00:34.650 --> 00:00:39.420

Cooper City Hall: push router here, Michelle Meltzer here Krishna puccini their mission or green.

5

00:00:40.950 --> 00:00:42.720

Cooper City Hall: arrows and I am here.

6

00:00:43.950 --> 00:00:49.620

Cooper City Hall: Are there any changes to the emergency or any emergency matters, but to the agenda.

7

00:00:51.030 --> 00:01:02.460

Cooper City Hall: we're not going to do the yard at the month we're going to push that to the next meeting, Mr fair enough, and then i'll ask if there's any vehement objection to me moving item 11 up to the front of the agenda.

8

00:01:06.300 --> 00:01:15.930

Cooper City Hall: During none, thank you first, we will have the public speaking, and we have seven people signed up Fernando nunez is the first one.

9

00:01:38.460 --> 00:01:44.550

Cooper City Hall: Now it's working I got first place for swimming for me.

10

00:01:46.440 --> 00:01:54.630

Cooper City Hall: I got third for see me purify for swimming competition Sebastian Florida you guys Thank you so much you guys raise some money for us.

11

00:01:55.650 --> 00:02:07.650

Cooper City Hall: Think i'm sorry didn't pick me go to stay game, I say home myself my mind, is going to the game depict my mom my dad to coaches, the coaching Thank you so much, thank you for.

12

00:02:14.910 --> 00:02:16.230

Cooper City Hall: No relation to take apart.

13

00:02:17.340 --> 00:02:18.060

Cooper City Hall: I think he's playing.

14

00:02:19.770 --> 00:02:31.230

Cooper City Hall: So, can you speak into the MIC Thank you very much, you have made a big advantage i'm here because I went into the gym the other day, and as you guys know from having been here a few years ago.

15

00:02:32.070 --> 00:02:39.240

Cooper City Hall: Thank you, by the way the gym is a different place if you haven't seen it for those of us that work out it's a much better facility.

16

00:02:39.990 --> 00:02:54.900

Cooper City Hall: But I was told when I went in that you had made some changes, and I have no idea why, but I was told that some people were going to be relieved of their duties here after having worked here for a very long time, one in particular i'm not sure I guess to.

17

00:02:56.400 --> 00:03:06.030

Cooper City Hall: And I was confused by it, but i'm not privy to the information that you have, I just have to assume having run a fairly large business myself over time, it was about money.

18

00:03:07.080 --> 00:03:16.110

Cooper City Hall: And it didn't seem to make very much sense to me, so I query bill today, I see him walk around the gym but I don't know exactly what he does.

19

00:03:16.470 --> 00:03:22.800

Cooper City Hall: I don't know if you know exactly what he does the the title of what he does is maintenance to maintain the facility.

20

00:03:23.460 --> 00:03:33.840

Cooper City Hall: The facility i've been going there over 20 years and it's clean all the time, but I didn't know what his other duties were and I learned a couple of things that I don't know if you know which.

21

00:03:34.260 --> 00:03:44.250

Cooper City Hall: could make a difference to you he's licensed to drive a commercial vehicle so on occasion when it's necessary he can go and take the bus and pick up.

22

00:03:45.450 --> 00:03:53.520

Cooper City Hall: All that are a little more evil and not able to walk to the gym or get to the gym otherwise, or what other other chores he has to do and.

23

00:03:54.420 --> 00:04:03.780

Cooper City Hall: That is a skill he comes to with that if you replace him you're going to have to now have somebody else that can drive these people around town when necessary.

24

00:04:04.740 --> 00:04:14.850

Cooper City Hall: I also found out talking to the people involved with the pool that until I don't know how many years ago, he was licensed to be a.

25

00:04:15.570 --> 00:04:18.480

Cooper City Hall: pool service manager I don't know the exact title.

26

00:04:18.960 --> 00:04:27.000

Cooper City Hall: Which means that when Jill who is in charge of the pool and the swim team is out of town or unable to take care of things.

27

00:04:27.240 --> 00:04:35.880

Cooper City Hall: there's somebody else to back her up to make sure that people don't get burned when they go into pool with too much chlorine, to make sure that the filters are appropriately changed.

28

00:04:36.450 --> 00:04:45.300

Cooper City Hall: And I know, over time, he has done so many other things in this covert environment we're in where he has actually gone hog house to house.

29

00:04:45.990 --> 00:04:56.670

Cooper City Hall: To bring food to people that were in danger of not having enough food he's done all kinds of things like that, over the years that it just doesn't seem to make sense to me.

30

00:04:58.350 --> 00:05:03.240

Cooper City Hall: I don't know if the numbers, I was given was right, so I won't talk the numbers, but obviously you're doing this, to save money.

31

00:05:03.660 --> 00:05:11.670

Cooper City Hall: And sometimes you know dad always said penny wise dollar foolish and like I don't understand why you would let him go, he is.

32

00:05:12.600 --> 00:05:22.230

Cooper City Hall: You know he is there for all of us all the time when the AC breaks he's the first one to know it, the floor, they just lay down and, as you probably are aware, and one of the rooms started a pop up.

33

00:05:22.890 --> 00:05:34.080

Cooper City Hall: He was one of the people that figured out what it was it wasn't what people thought it was it was a pipe leaking from the outside of PVC pipe so that now that has to be all be pulled up, but he knows the facility.

34

00:05:35.190 --> 00:05:43.710

Cooper City Hall: my grandchildren three of them were raised in rock creek they went to all of the classes that were given preschool in rock creek.

35

00:05:44.580 --> 00:05:53.850

Cooper City Hall: Where they leave a mess behind them till this day to clean up that mess when he went in that room to take a class, it was.

36

00:05:54.330 --> 00:06:09.330

Cooper City Hall: bill that did it and cleaned it up after so the next class could come in, I just so what I was told again if you have me an advantage, I was told what you're going to take two full time people, one of whom is sick now and not working so somebody named bill is taking care of that.

37

00:06:10.620 --> 00:06:21.030

Cooper City Hall: you're going to replace each of those with two part time people so you're going to in this day and age, and the environment that we're living in right now find two part time people.

38

00:06:21.390 --> 00:06:29.940

Cooper City Hall: That also have a commercial license to drive a bus that also are licensed to take care of a resident of a commercial pool.

39

00:06:30.510 --> 00:06:43.590

Cooper City Hall: it's not going to happen i'm sure you know that time, so I don't know why he's leaving I I protested against it, like everybody else here, I thank you for your comments, any response.

40

00:06:45.150 --> 00:06:46.170

Cooper City Hall: i'll just indicate.

41

00:06:47.910 --> 00:06:53.910

Cooper City Hall: To my knowledge, we missed the city manager we fired bill.

42

00:06:57.450 --> 00:07:06.270

Cooper City Hall: No matter where that it's in it's in the budget, and that would be effective January 1 that okay mark no specific you say it's in the budget, you mean it's in the budget determinate him.

43

00:07:07.020 --> 00:07:16.770

Cooper City Hall: it's in the budget to convert those two positions to the part time position, since you were mentioning that's on January it's effective.

44

00:07:17.310 --> 00:07:25.920

Cooper City Hall: January 1 that's when we budget it to be effective and Mr Horowitz it's not converting to full time to part time for time for.

45

00:07:26.340 --> 00:07:36.540

Cooper City Hall: Great for part time to for me, and it was done essentially two reasons that I saw and it wasn't done to the individuals, it was done in the budget.

46

00:07:36.930 --> 00:07:44.790

Cooper City Hall: And we're looking at the budget for the concerns of the residents to keep it as low as we can into reduce a millage as we did.

47

00:07:45.210 --> 00:07:54.600

Cooper City Hall: And that was not only to reduce the amount of money paid and we're getting much more productivity, I don't know if you know the hours yeah it's.

48

00:07:55.200 --> 00:08:06.300

Cooper City Hall: If you could what what really the idea wasn't on any specific release my standpoint any specific employee, it was converting re converting those positions because.

49

00:08:07.410 --> 00:08:15.270

Cooper City Hall: In years past they they deposition did the maintenance on the pool and the chemicals and all and the cleaning and the driving in the bus.

50

00:08:15.720 --> 00:08:24.810

Cooper City Hall: And over time, those different duties have been contracted out, so now we have some we have a contractor for the pool chemicals we have.

51

00:08:25.560 --> 00:08:36.690

Cooper City Hall: In this budget bus drivers contracted out the REC department is contracting out for the bus driving some different things, so what the idea was can we.

52

00:08:36.990 --> 00:08:44.610

Cooper City Hall: take these positions that were legacy positions and change them to be more flexible and use them in different different realms.

53

00:08:45.120 --> 00:09:01.350

Cooper City Hall: And we would be able to get 45% more hours out of that by turning into for full four part time positions so basically be instead of two people that 40 hours you're going to have for 29 hours and, as far as I.

54

00:09:02.100 --> 00:09:07.740

Cooper City Hall: know that doesn't prevent the two employees that are in there from changing and taking a different position in the city.

55

00:09:08.850 --> 00:09:16.260

Cooper City Hall: You know, they can, I think that, so I don't think that they're forced out I believe they if there's another position open that they could apply for.

56

00:09:16.770 --> 00:09:26.220

Cooper City Hall: They can, or they can transfer to, with all due respect you're sterilizing it a man's gonna lose his job and man that's worked there for 17 to 20 years that's 58 years old yeah.

57

00:09:26.520 --> 00:09:31.410

Cooper City Hall: I mean, I understand what you're saying you're you're actually saying what I thought you're looking at the numbers.

58

00:09:31.920 --> 00:09:43.080

Cooper City Hall: So if if you're going to do what you're doing, why not do it, you mainly go to the man that is going to be affected and his family that's going to be affected and say Look, we got a problem you've been here for 18 years.

59

00:09:43.470 --> 00:09:49.110

Cooper City Hall: And we have a better way of doing it financially, can we rework our arrangement with you.

60

00:09:49.830 --> 00:09:55.320

Cooper City Hall: Because i'm sure that he'd be willing to I mean I haven't talked to him about this don't get me wrong we're not personal friends, I know i'm in the gym.

61

00:09:55.860 --> 00:10:09.360

Cooper City Hall: But you're sterilizing what's going to happen what's going to happen is a 58 year old man is going to lose a job he's had for 20 years isn't there another way of doing it under either way of approaching him because he can take care of the poor, he can take care of the bus.

62

00:10:10.620 --> 00:10:16.200

Cooper City Hall: What he does when he does it and then you don't have to hire those other people, if I might we.

63

00:10:16.950 --> 00:10:28.170

Cooper City Hall: According to our Charter are prevented if you will, from speaking to the employees speaking to the, this is why we have a city manager.

64

00:10:28.440 --> 00:10:40.800

Cooper City Hall: So we have faith in the process in the city manager and I can appreciate what you're saying and i'm going to move on, because we have limited time but I thank you for your comments and they are, they are well taken.

65

00:10:41.340 --> 00:10:47.850

Cooper City Hall: The city manager, then, is the gentlemen, that can talk to him and make other arrangements which would be willing to consider that.

66

00:10:50.910 --> 00:11:00.570

Cooper City Hall: I at this time I can't commit to other arrangements that I say, would you be willing to consider, of course, I would of course I would I value our employees, just as much as anybody else in.

67

00:11:01.410 --> 00:11:16.050

Cooper City Hall: This is difficult for a lot of people, but of course I will, and we have comment by Commissioner melt and Mr Horowitz thanks for your words, they didn't fall on deaf ears, with any of us up here, and you know we just got through the budget process and it was a very, very.

68

00:11:17.130 --> 00:11:17.940

Cooper City Hall: tedious.

69

00:11:19.740 --> 00:11:31.890

Cooper City Hall: contentious process and sometimes when you're sitting up here and you're looking at dollars and cents like you said i'm not trying to sterilize anything but sometimes the trickle down to the human element gets lost in the translation and this.

70

00:11:32.970 --> 00:11:41.190

Cooper City Hall: But, like the mayor said you can't you know can't promise anything but you have perhaps there are other there's another way to skin the cat.

71

00:11:41.490 --> 00:11:52.170

Cooper City Hall: I just don't I don't know and that's what this meeting is about right finding another way of doing it, if possible yeah but anyway, I appreciate your words and I just wanted to check in Thank you Thank you Susan Stewart.

72

00:11:57.210 --> 00:12:02.040

Cooper City Hall: Good evening everybody, and thank you for your services and i'm here.

73

00:12:03.870 --> 00:12:05.250

Cooper City Hall: As Mr Har with.

74

00:12:06.330 --> 00:12:22.170

Cooper City Hall: His arm I just heard about this situation and i'm very sad about it and i'm could there be an alternative it's like now we're in a crisis.

75

00:12:23.520 --> 00:12:26.340

Cooper City Hall: With the cove it with finding good help.

76

00:12:27.480 --> 00:12:32.880

Cooper City Hall: My neighbors are getting new roofs and there's different things that are going on.

77

00:12:33.840 --> 00:12:49.950

Cooper City Hall: They cannot get permits there's not enough people working there, it takes like three weeks or they can't get this they can't get that it's not enough people okay pipes are breaking we can't get anyone here on the weekend every.

78

00:12:51.090 --> 00:13:11.760

Cooper City Hall: weekend this one two pipes to the breaking a flamingo noma could come we don't have enough staff so when I heard about these two gentlemen I don't know if anyone else is losing their job I hope not it's like you have eight plus people.

79

00:13:12.870 --> 00:13:16.680

Cooper City Hall: I mean you work all together item, you know know.

80

00:13:18.330 --> 00:13:21.000

Cooper City Hall: Like why you get rid of them.

81

00:13:22.350 --> 00:13:29.400

Cooper City Hall: And budget budget budget okay understand they probably get health insurance and all that.

82

00:13:30.420 --> 00:13:31.440

Cooper City Hall: But then good.

83

00:13:32.610 --> 00:13:39.480

Cooper City Hall: And who are you going to get, I can assure you, if you get younger people they're going to be on the phone texting all day.

84

00:13:41.040 --> 00:13:44.700

Cooper City Hall: And no one's going to get nothing done but you know.

85

00:13:45.870 --> 00:13:54.900

Cooper City Hall: That your business that I really feel bad I always love living here, but now you know with the changes that i'm seeing and.

86

00:13:57.630 --> 00:13:59.280

Cooper City Hall: Not enough help.

87

00:14:00.420 --> 00:14:15.630

Cooper City Hall: To go around it's like why you know budget budget, I understand that, but I don't think you're going to get just by seeing being out in the world and going into stores, are going to businesses.

88

00:14:16.380 --> 00:14:26.970

Cooper City Hall: That they're getting rid of people, people aren't coming back because of it, and what are they hiring these kids or whoever they're hiring whether they do it on the phone all day.

89

00:14:28.140 --> 00:14:42.690

Cooper City Hall: And so i'm on the behalf, I wish you would reconsider just say someone here that lives here and always loved living here in cities, a nice place to live it's very discouraging.

90

00:14:43.860 --> 00:14:44.610

Cooper City Hall: So to me.

91

00:14:45.900 --> 00:14:46.380

Cooper City Hall: Just.

92

00:14:47.610 --> 00:14:58.380

Cooper City Hall: To see what's going on now and then boom, you know they're going to lose their jobs, what what are you going to get that's all i'm saying I wish would reconsider.

93

00:14:59.640 --> 00:15:01.050

Cooper City Hall: Your business but.

94

00:15:02.490 --> 00:15:04.770

Cooper City Hall: You know what you have you don't know what you're going to get.

95

00:15:06.360 --> 00:15:08.370

Cooper City Hall: amen Thank you very much.

96

00:15:10.170 --> 00:15:11.010

Cooper City Hall: Urban store.

97

00:15:14.730 --> 00:15:29.610

Cooper City Hall: I can't speak like her, and I can't speak like Sam but i'll say this, you know there's a sign up front that says Cooper city that special place and when you say special place you think of people that are friends people that are respect each other.

98

00:15:31.080 --> 00:15:41.070

Cooper City Hall: I worked as a Labor my whole life, you know I know it's like to to get ousted you know you're here today and gone tomorrow and and and that's not good and that's what when you hire part time.

99

00:15:42.150 --> 00:15:52.200

Cooper City Hall: replacements is kind of what it is you don't know what you're getting but we got two guys one guy that works over here across the street and another guy that works that the tennis and swim club.

100

00:15:52.980 --> 00:16:03.360

Cooper City Hall: i've seen them work they go be above and beyond the call of duty on their jobs and I don't think that's special to get rid of people like that you know we're car.

101

00:16:03.720 --> 00:16:12.450

Cooper City Hall: That one drives a bus i've seen one drive a bus before one comes over here and cooks corned beef and cabbage for the senior citizens and I don't think you're going to get that from.

102

00:16:14.550 --> 00:16:25.890

Cooper City Hall: part time help you know, and these guys, I never knew it either one of them until I joined the gym eight nine years ago and I would be proud to call my friends, you know they are my friends they're part of mine my.

103

00:16:26.790 --> 00:16:37.110

Cooper City Hall: gym experience my Cooper city experience I I go to come here, go to the gym I see them my wife and I come over to pay our bills and stuff we see the other one there and.

104

00:16:37.590 --> 00:16:53.490

Cooper City Hall: that's that's what Cooper cities about getting along with people that you like and care about you know and how these guys that I don't want to see him lose their jobs, I wish you guys really hope you guys would reconsider this you know I mean they're part of Cooper city, thank you.

105

00:16:54.840 --> 00:16:55.740

Cooper City Hall: Richard power.

106

00:17:01.170 --> 00:17:02.190

Cooper City Hall: Good evening everybody.

107

00:17:03.660 --> 00:17:09.210

Cooper City Hall: My name is Richard power and i'm a 22 year resonance Cooper city and i've been.

108

00:17:09.990 --> 00:17:19.230

Cooper City Hall: going to the pool and tennis Center or the place over there from the from the gym for 20 years now, and I started out on the east side and then he moved into the West side.

109

00:17:19.980 --> 00:17:37.290

Cooper City Hall: And when we started out coming to that gym it was the maintenance was very poor and so was the cleanliness of the place when bill and Jim came on staff that changed these guys did a great job and they did a professional job and cleaning and maintenance.

110

00:17:39.000 --> 00:17:39.630

Cooper City Hall: Both of them.

111

00:17:40.770 --> 00:17:47.280

Cooper City Hall: I think, Jim is about 15 years at the Cooper city and bill about 17 and they're both nearing 60 years old.

112

00:17:48.420 --> 00:17:54.600

Cooper City Hall: I don't know if you could put yourself in their position, but if someone told you you're losing your job at that age, what are you going to do.

113

00:17:55.980 --> 00:18:02.070

Cooper City Hall: It isn't just a budget thing, Mr Ryan, these are people we're talking about.

114

00:18:03.330 --> 00:18:05.100

Cooper City Hall: And I sort of resent the way you're talking about.

115

00:18:16.440 --> 00:18:24.600

Cooper City Hall: Both bill, I mean you know and Jim care about Cooper city and the job that they do, as everybody said earlier part time people.

116

00:18:25.230 --> 00:18:31.560

Cooper City Hall: don't care so much they're here today and gone tomorrow they got something obviously they're doing else because it's just a part time thing for them.

117

00:18:32.280 --> 00:18:39.960

Cooper City Hall: So you're going to hire good people like that, if the maintenance in the gym cleanliness comes down to we call you guys and complain about that.

118

00:18:41.400 --> 00:18:42.870

Cooper City Hall: And it's going to happen, you know it's gonna happen.

119

00:18:45.030 --> 00:18:47.340

Cooper City Hall: You find money for other things.

120

00:18:48.630 --> 00:18:57.600

Cooper City Hall: I think it's \$200,000 for keeping the police department open 24 seven we all have 911 we can call it cell phones.

121

00:18:58.830 --> 00:19:07.590

Cooper City Hall: I understand that there's a study about getting ready rid of the police department and the fire department I don't know how much that study cost how much was it.

122

00:19:16.410 --> 00:19:17.970

Cooper City Hall: Well i'm not a very good public speaker.

123

00:19:20.310 --> 00:19:21.180

Cooper City Hall: Thank you very much.

124

00:19:22.800 --> 00:19:23.820

Cooper City Hall: Paul higdon.

125

00:19:32.700 --> 00:19:37.560

Cooper City Hall: Mr Mayor Commissioners, good evening everyone else that evening.

126

00:19:39.450 --> 00:19:40.740

Cooper City Hall: i'm here to.

127

00:19:42.000 --> 00:19:48.990

Cooper City Hall: support the previous speakers who have talked about bill and Jim.

128

00:19:50.910 --> 00:19:59.700

Cooper City Hall: I find them to be outstanding people employees and loyal employees to Cooper city.

129

00:20:01.650 --> 00:20:02.400

Cooper City Hall: I was.

130

00:20:03.570 --> 00:20:11.940

Cooper City Hall: Very much disturbed when I heard that there was plans in the in the making, to terminate their positions.

131

00:20:12.960 --> 00:20:14.040

Cooper City Hall: I think this is.

132

00:20:15.540 --> 00:20:27.390

Cooper City Hall: Not a good idea and i'm here mainly to ask you if you would reconsider your positions on this.

133

00:20:30.510 --> 00:20:31.020

Cooper City Hall: I.

134

00:20:32.130 --> 00:20:49.860

Cooper City Hall: I was hesitant about coming tonight, because I thought you know, once the mayor and the Commissioners make up their mind and make a decision they're going to be very hesitant to to go back on that decision.

135

00:20:50.910 --> 00:20:52.710

Cooper City Hall: And then I said to myself, you know.

136

00:20:55.380 --> 00:20:56.910

Cooper City Hall: they're courageous people.

137

00:20:58.170 --> 00:21:04.440

Cooper City Hall: If if they feel that they've been wrong they're going to admit it, and no go back on it.

138

00:21:05.550 --> 00:21:24.270

Cooper City Hall: And that's basically why i'm here i'm hoping that you'll reconsider and I have to tell you another thing that prompted me to come here because initially I wasn't going to I say no they've made up their mind so let's leave it alone.

139

00:21:25.350 --> 00:21:35.490

Cooper City Hall: But I was in the marine corps and a decision has just come out from the current administration that any.

140

00:21:37.200 --> 00:21:43.500

Cooper City Hall: service, a man who doesn't get a vaccination will not get an Honorable discharge.

141

00:21:44.520 --> 00:21:50.220

Cooper City Hall: Now we're talking about people who have lost an arm who lost two legs.

142

00:21:51.330 --> 00:21:59.430

Cooper City Hall: they're blind and they don't get an Honorable discharge because they say no to the vaccine.

143

00:22:01.410 --> 00:22:16.800

Cooper City Hall: I say this is a decision that is wrong and it's got to be corrected and a weakling will never correct the position, but I said to myself these guys and our weaklings.

144

00:22:18.060 --> 00:22:27.900

Cooper City Hall: If we can present an argument that is substantive, then they could change their mind and this whole thing would go away.

145

00:22:30.090 --> 00:22:30.600

Cooper City Hall: anyway.

146

00:22:31.650 --> 00:22:38.940

Cooper City Hall: that's why i'm here and I asked you to please reconsider the decisions made on Jim and bill.

147

00:22:41.370 --> 00:22:44.310

Cooper City Hall: Day, again, thank you very much, and thank you for your service.

148

00:22:46.080 --> 00:22:46.830

Cooper City Hall: With her Nelson.

149

00:22:54.060 --> 00:23:03.300

Cooper City Hall: Thank you for affording me an opportunity to speak, I too am here i'm a member of the gym I don't know bill that much but i'm one of those people who.

150

00:23:04.080 --> 00:23:16.920

Cooper City Hall: identified a potential hazard, while I was working out recently and just to let you know that gentleman responded immediately address the hazard and began remedial operations to make sure it didn't get worse.

151

00:23:18.900 --> 00:23:28.320

Cooper City Hall: I know i'm not going to tell you, your jobs but i'd like you to consider the fact that the man has corporate knowledge for how that facility functions.

152

00:23:28.800 --> 00:23:37.860

Cooper City Hall: And, of course, as you well know, when you start hiring multiple people for the same job you lose a lot of responsiveness and responsibility.

153

00:23:38.310 --> 00:23:47.820

Cooper City Hall: You no longer isolate accountability and one person you start to defuse it and the potential, then, is no one starts doing being responsible for anything.

154

00:23:48.930 --> 00:23:56.220

Cooper City Hall: So I just wanted to make you aware that, thank you very much, and I thank you Cheryl elec.

155

00:24:10.050 --> 00:24:11.730

Cooper City Hall: Can I pull up a chair sure.

156

00:24:19.320 --> 00:24:20.610

Cooper City Hall: yeah you can move that down right.

157

00:24:24.030 --> 00:24:24.480

Thank you.

158

00:24:28.530 --> 00:24:38.820

Cooper City Hall: hi good evening, my name is Cheryl Elliot 4903 Southwest 98th avenue and Cooper city my husband and I have resided in Cooper city for over 25 years.

159

00:24:39.240 --> 00:24:50.670

Cooper City Hall: We moved to someplace special trace our family my husband has proudly served this great city of Cooper city for nearly 17 years as a facility and recreation assistant.

160

00:24:51.030 --> 00:24:59.880

Cooper City Hall: On Thursday September 23 at the budget hearing my husband's full time position along with another employee was converted from two.

161

00:25:00.270 --> 00:25:12.990

Cooper City Hall: full time positions to for part time positions, we had no idea that my husband's position was up for discussion last Thursday, and today I am here as a resident, speaking on behalf of my husband.

162

00:25:13.320 --> 00:25:18.510

Cooper City Hall: As we felt it would be inappropriate for him to speak as he's working the meeting this evening.

163

00:25:18.900 --> 00:25:29.430

Cooper City Hall: Well, Mr Green has some very important questions regarding the two employees and their roles, the full scope of work job responsibilities and duties, these two gentlemen perform daily.

164

00:25:29.760 --> 00:25:40.620

Cooper City Hall: we're not fully articulated in the short time given tonight I like which would like to share with you some key additional facts that you may not be aware, of which I would like you to consider.

165

00:25:41.010 --> 00:25:48.630

Cooper City Hall: The facility and recreation assistant, is not a gym tutorial position this position is responsible for variety of tasks.

166

00:25:48.900 --> 00:25:56.340

Cooper City Hall: And assignments my husband over the course of time has assumed additional duties to maintain the continuity within the department.

167

00:25:56.670 --> 00:26:02.640

Cooper City Hall: Based on circumstances at hand, whether during emergencies involving whether our global pandemic.

168

00:26:02.940 --> 00:26:12.360

Cooper City Hall: As an employee and resident my husband has effectively put form whatever task was assigned or needed to support his department and the Community he serves.

169

00:26:12.630 --> 00:26:21.540

Cooper City Hall: His job responsibilities include but are not limited to facility maintenance of city buildings, including cleaning carpets cleaning on clogging toilets.

170

00:26:21.870 --> 00:26:25.650

Cooper City Hall: mopping floors vacuuming steam cleaning carpet shampooing carpets.

171

00:26:26.010 --> 00:26:36.270

Cooper City Hall: buffing stripping waxing PCT floors picking up and emptying trash maintaining the windscreens at various parts setting up for rooms for meetings, including city Commission meetings.

172

00:26:36.600 --> 00:26:46.050

Cooper City Hall: opening and closing facilities, maintaining the Polish Poland tennis Center and cleaning cleaning and maintaining the pool cleaning filters, maintaining the equipment, etc.

173

00:26:46.320 --> 00:26:55.500

Cooper City Hall: I could go on and on throughout the epidemic This position was tasked with additional cleaning and sensitization of multiple facilities, including the camp to.

174

00:26:56.490 --> 00:26:59.550

Cooper City Hall: protect the staff residents and patrons from COPA.

175

00:27:00.540 --> 00:27:10.020

Cooper City Hall: The facility and recreation assistant supports the programming activities organized by the city, including founders day light of Cooper city holiday lighting trick to.

176

00:27:10.410 --> 00:27:18.090

Cooper City Hall: trick or treat shop to shop spring a hut Jim Richardson run senior programs bike rallies or whatever event the city puts on.

177

00:27:18.360 --> 00:27:26.040

Cooper City Hall: During city events, he is responsible for the setup breakdown tables and chairs tense and chairs barricades picnic tables generators.

178

00:27:26.280 --> 00:27:35.010

Cooper City Hall: stages barriers, etc, he sets it up picks it up cleans it up puts it back away and once again I could go on and on, with the various responsibilities.

179

00:27:35.310 --> 00:27:42.330

Cooper City Hall: When there is a problem with the pool municipal facility or after our Rentals he is called upon to resolve this matter.

180

00:27:42.600 --> 00:27:54.360

Cooper City Hall: He also holds the CDS driver's license in assists when needed with transportation of seniors kids on various field trips during camp days, etc, these employees are there on a day to day.

181

00:27:54.810 --> 00:28:04.170

Cooper City Hall: basis and handle the task, plus much more assigned to them, including nights weekends and holidays earlier this year, these two gentlemen were tasked to pressure clean.

182

00:28:04.500 --> 00:28:11.250

Cooper City Hall: The tennis courts and common areas at the Poland tennis Center this took several weeks, but save the city thousands of dollars.

183

00:28:11.520 --> 00:28:22.170

Cooper City Hall: And they did this, on top of the regular assignment and duties when needed when the need arises, they paint actors couriers lifting move heavy items at various facilities, etc.

184

00:28:22.710 --> 00:28:30.690

Cooper City Hall: To keep her Cooper city someplace special during emergency events like hurricane he is part of the city's essential emergency support team.

185

00:28:30.960 --> 00:28:41.940

Cooper City Hall: and assist with cleaning the roadways removing debris cleaning up this is league facility works with nonprofit groups to clean up remove the image debris from our parks or parks could be opened up.

186

00:28:42.180 --> 00:28:49.950

Cooper City Hall: time for the last hurricane and all the debris was left, he was there, he just finished up the jury he has gone.

187

00:28:50.340 --> 00:29:00.420

Cooper City Hall: The extra mile to help out literally residents who need help with storm shutters and cleaning, even with coven 19 his service to the community did not waver he was tasked.

188

00:29:00.810 --> 00:29:09.900

Cooper City Hall: To assist with feeding America and was responsible for picking up food delivering it back to the city assisting with a distribute distribution of items.

189

00:29:10.170 --> 00:29:21.960

Cooper City Hall: delivering food to seniors and the vulnerable population who could not pick it up on their own, and once again I could go on and on, so I wanted to inform the Commission about some of the various tasks each gentlemen provide.

190

00:29:22.290 --> 00:29:28.950

Cooper City Hall: To the city on a daily basis, these positions are unlike many and maybe one of the lower level positions in the city.

191

00:29:29.280 --> 00:29:39.060

Cooper City Hall: While their duties very daily based on their need knowledge, dedication and commitment has not wavered and is reflected in their outstanding performance evaluation.

192

00:29:39.450 --> 00:29:45.510

Cooper City Hall: My husband goes above and beyond the call of duty each and every day for this great Community he calls home.

193

00:29:45.750 --> 00:29:54.990

Cooper City Hall: He is one of the ones that makes it happen is the glue behind the scene, to ensure that meetings and events like the one being held this evening go on without a hitch.

194

00:29:55.350 --> 00:30:04.350

Cooper City Hall: With a recreation department is think he would be considered part of the team which is referred to as many times as an all the rest.

195

00:30:04.620 --> 00:30:13.200

Cooper City Hall: But who really knows this with the people working bus behind the scene to make things happen, just as a reminder once there was three.

196

00:30:13.560 --> 00:30:23.910

Cooper City Hall: Then there were two then there was zero and now there's only been one Cooper city resident for the past several months trying to maintain the level of the service of the three.

197

00:30:24.360 --> 00:30:31.290

Cooper City Hall: After going back and watching the meeting it's obvious that the Commission was not provided all the facts to make an informed decision.

198

00:30:31.530 --> 00:30:38.850

Cooper City Hall: Therefore, considering the additional detailed information provided, this evening I respectfully request aside and be reconsidered.

199

00:30:39.150 --> 00:30:43.530

Cooper City Hall: at a future meeting once you've had the opportunity to investigate the impact.

200

00:30:43.920 --> 00:30:51.120

Cooper City Hall: in converting the two full time positions to four part time positions and how it will impact the level of service for the department.

201

00:30:51.420 --> 00:30:57.600

Cooper City Hall: Please look into the facts and the structure of these positions, a little closer with this additional information.

202

00:30:57.870 --> 00:31:05.490

Cooper City Hall: Please take the time to speak to the city manager and department director to effectively understand the written and unwritten responsibilities.

203

00:31:05.790 --> 00:31:14.400

Cooper City Hall: These employees are tasked with i'm sure others will agree, eliminating these full time positions will place an undue hardship on the department in the city.

204

00:31:14.700 --> 00:31:22.080

Cooper City Hall: additional cost savings should be recognized from employees, I left employment who's positions were not replace that could not.

205

00:31:22.590 --> 00:31:33.090

Cooper City Hall: Could that be used to maintain the full time staffing of these positions until someone leaves or retires I just want to thank you for the opportunity to speak and.

206

00:31:33.540 --> 00:31:46.620

Cooper City Hall: I had no idea people were coming this evening on behalf of my husband, and I find that very gratitude and we just want to thank you and wish that you would please reconsider thank.

207

00:31:53.250 --> 00:31:54.360

Cooper City Hall: Thank you very much.

208

00:31:56.340 --> 00:32:01.680

Cooper City Hall: marla yeah I was gonna yield my time my sister, thank you, I appreciate that.

209

00:32:04.320 --> 00:32:04.980

Cooper City Hall: same side.

210

00:32:15.000 --> 00:32:15.690

Cooper City Hall: Good evening.

211

00:32:18.120 --> 00:32:21.030

Cooper City Hall: guys have a tough job sometimes so.

212

00:32:22.740 --> 00:32:27.390

Cooper City Hall: I, I just want to come to talk about resolution.

213

00:32:30.870 --> 00:32:44.760

Cooper City Hall: let you know that that I, I support the resolution going forward I think it's good for the residents of Cooper city it'll help out with with our budget and I think it's the right thing to do, and probably.

214

00:32:45.900 --> 00:32:46.740

Cooper City Hall: About time.

215

00:32:47.910 --> 00:32:54.690

Cooper City Hall: There were a couple modifications to the resolution as it's written in your agenda.

216

00:32:57.600 --> 00:32:58.320

Cooper City Hall: The.

217

00:32:59.880 --> 00:33:04.620

Cooper City Hall: The current resolution has a minimum of 70%.

218

00:33:06.090 --> 00:33:24.870

Cooper City Hall: We strive to are we, as the optimist, you know strive to attain that that that 70% we want to do as much for the youth of Cooper city as possible in providing the sports, I would just like to see the word minimum changed with the word goal.

219

00:33:26.070 --> 00:33:34.680

Cooper City Hall: Because it's always been our goal to achieve that 70% or more sometimes it's tough sometimes you know, based on.

220

00:33:36.480 --> 00:33:49.440

Cooper City Hall: You know the kids and what sports and the age groups, and things like that to give a good rounded recreation program without without non non residents.

221

00:33:50.670 --> 00:33:57.030

Cooper City Hall: The second item that's important on, there is the fees.

222

00:33:58.770 --> 00:34:02.490

Cooper City Hall: We discussed this morning with Joe and staff about.

223

00:34:03.810 --> 00:34:06.780

Cooper City Hall: Implementing the new non resident fees.

224

00:34:09.180 --> 00:34:13.680

Cooper City Hall: But we want to take a step approach so for.

225

00:34:14.880 --> 00:34:16.260

Cooper City Hall: Starting in January.

226

00:34:17.400 --> 00:34:24.780

Cooper City Hall: go up to a combined non resident fee of \$40 so that would be the \$15.

227

00:34:27.120 --> 00:34:44.400

Cooper City Hall: I think it's field use, plus a \$25 what whatever you want to call it non resident but it's really a \$40 non resident fee because that's what we would be charging people and then in 2023 go up to a \$50 non resident fee.

228

00:34:46.650 --> 00:34:50.040

Cooper City Hall: I think those are the two two main items there.

229

00:34:51.090 --> 00:35:02.970

Cooper City Hall: I think it's good for again good good good for the city, good for our youth to you know, to maintain that sports program and the REC Program.

230

00:35:04.620 --> 00:35:20.100

Cooper City Hall: I personally would also like to thank peach Lang for for five years as President of the optimist club, he has over 26 years of volunteering to this, the this organization.

231

00:35:22.530 --> 00:35:26.010

Cooper City Hall: hope to see many, many more years so.

232

00:35:27.150 --> 00:35:29.100

Cooper City Hall: Thank you, thank you any questions.

233

00:35:32.070 --> 00:35:35.640

Cooper City Hall: Thank you very much and pete, thank you for your service.

234

00:35:37.740 --> 00:35:39.930

Cooper City Hall: anyone else who hasn't signed up wishing to speak.

235

00:35:41.310 --> 00:35:41.910

Cooper City Hall: David all.

236

00:35:43.350 --> 00:35:44.520

Cooper City Hall: You can drop that off later.

237

00:35:46.020 --> 00:35:46.500

While.

238

00:35:48.720 --> 00:35:54.180

Cooper City Hall: i'm here is talk about the resolution, it is about time, I think we discussed this in.

239

00:35:55.290 --> 00:35:57.930

Cooper City Hall: detail at least two years ago.

240

00:35:59.670 --> 00:36:06.030

Cooper City Hall: In no way or my comments and i'm sure some people are going to take it out that i'm an optimist, but you know.

241

00:36:06.630 --> 00:36:16.080

Cooper City Hall: It is what it is that you know I spent 15 years of my life, giving my Community kids and so forth, thousands of hours of my time so it's not that.

242

00:36:16.800 --> 00:36:30.660

Cooper City Hall: What I agree with is, and I still think it's a little low upon my analysis of when I was on the financial advisory board, and I did a spreadsheet and had several options, I still think it's low for the non residents.

243

00:36:32.070 --> 00:36:39.120

Cooper City Hall: still lower than ions PPO West pines you know, I believe that even when I was doing it was close to \$100.

244

00:36:40.530 --> 00:36:55.440

Cooper City Hall: The optimist provides a valuable service to the community they really do, but I I fully believe that they should be focused on providing that value to Cooper city residents.

245

00:36:56.310 --> 00:37:06.240

Cooper City Hall: And it should be that 7030 rule has been in place for a long time, and I think it's just still stay that way, because we want to drive.

246

00:37:07.560 --> 00:37:10.980

Cooper City Hall: Our Community toward our Community kids.

247

00:37:12.150 --> 00:37:14.100

Cooper City Hall: I understand we need outside.

248

00:37:15.930 --> 00:37:27.510

Cooper City Hall: residents to fill the gaps, but I don't think we should take those outside residents to make the optimist program viable.

249

00:37:30.480 --> 00:37:35.550

Cooper City Hall: You know that that park out on flamingo is a big thorn in my side.

250

00:37:38.460 --> 00:37:59.280

Cooper City Hall: But disregard that if we have residents that want to come to our city and want to enjoy our facilities, the facilities that all of you me, and everyone else sitting in here pay for then they said should subsidize the cost.

251

00:38:00.750 --> 00:38:04.830

Cooper City Hall: So I think it should be a minimum of 7030 minimum.

252

00:38:06.150 --> 00:38:17.310

Cooper City Hall: Because we want to, we want to subs the taxpayers, I have no problem subsidizing Cooper syndicate have no problem with that I did it for 15 years.

253

00:38:19.170 --> 00:38:27.120

Cooper City Hall: But if you want to come to our city and you want to enjoy our taxpayer funded facilities, then you should pay for it.

254

00:38:28.680 --> 00:38:36.180

Cooper City Hall: So that's what I want to recommend to you guys, I have no problem with the fees that are there, I don't think we should reduce them I.

255

00:38:36.480 --> 00:38:49.110

Cooper City Hall: Honestly, I think we should increase it so they could pay their fair share, but at least it's a starting point, but I do not think it should be less than 7030 because it's been that way for a long time.

256

00:38:50.280 --> 00:39:01.980

Cooper City Hall: and the last thing I would say is and i've spoken about this in the past about having some sort of verification process of resident and non resident.

257

00:39:02.970 --> 00:39:17.790

Cooper City Hall: As we all know, it's happened in the past, I don't know if it's happening now, but if you have a grand grand child coming in a user grandparents address they play do they get the non resident Where do they get the resident, how do we verify that.

258

00:39:20.550 --> 00:39:26.850

Cooper City Hall: Those are those are the particulars that I even discussed when I was on the financial advisory board how we're going to attribute that.

259

00:39:27.870 --> 00:39:41.280

Cooper City Hall: And I don't think that's been addressed in this resolution, which I think it should be, or at least a subset or a footnote or a schedule of a policy of how we're going to verify.

260

00:39:41.910 --> 00:39:57.360

Cooper City Hall: Residents versus non resident I think it's the only fair way to do it, I mean we these parts cost us a lot of money really does, I just wanted, equitable and fair, thank you, thank you.

261

00:39:59.460 --> 00:40:03.420

Cooper City Hall: anyone else, listening to speak, that has not signed up yet anyone on virtual.

262

00:40:04.800 --> 00:40:05.040

Sorry.

263

00:40:07.920 --> 00:40:08.910

One second sorry.

264

00:40:10.410 --> 00:40:16.650

Cooper City Hall: No all right, thank you then we're closing the public speaking and moving on I asked.

265

00:40:18.300 --> 00:40:18.690

Cooper City Hall: For.

266

00:40:20.490 --> 00:40:27.180

Cooper City Hall: Paragraph or agenda item 11 resolution 21 dash 46 Mr Jacob borrows, would you please read it.

267

00:40:28.860 --> 00:40:34.860

Cooper City Hall: Thank you, good evening America mission at 11 resolution 2146 a resolution to city Commission city city Florida.

268

00:40:35.160 --> 00:40:41.190

Cooper City Hall: proving and authorizing the execution of the agreement between the CD capacity to broward sheriff's office and Renaissance charter school incorporated.

269

00:40:41.520 --> 00:40:45.720

Cooper City Hall: For resource school resource officer services attached to this exhibit incorporated here in.

270

00:40:46.170 --> 00:40:52.860

Cooper City Hall: authorizing and directing the appropriate city officials to take any and all action necessary to effectuate the intent of this resolution by the for conflict find it for severability.

271

00:40:53.130 --> 00:41:01.110

Cooper City Hall: planning for an effective date mayor and we do have counsel for renaissances in the audience has any questions on behalf of the school, thank you, thank you, if Council would step up to the podium.

272

00:41:10.290 --> 00:41:22.620

Cooper City Hall: Good evening, Mr Mayor condition nice to see you just identify yourself like sharing McCartney and I represented Renaissance charter school and thank you very much, you have a motion on Resolution 21 days 46 motion.

273

00:41:23.130 --> 00:41:31.020

Cooper City Hall: By convention for Jamie second by commissioning shot and commissionable janie basically we're just renewing what we had last year.

274

00:41:32.040 --> 00:41:33.240

Cooper City Hall: rate has increased.

275

00:41:34.500 --> 00:41:37.350

Cooper City Hall: But that's be so it's not us so.

276

00:41:38.370 --> 00:41:39.630

Cooper City Hall: No choice there.

277

00:41:43.230 --> 00:41:43.980

Cooper City Hall: that's it for me.

278

00:41:45.150 --> 00:41:48.570

Cooper City Hall: I see it as a necessity Thank you Commissioner.

279

00:41:50.670 --> 00:42:00.210

Cooper City Hall: Commissioner melter nothing they wrote I to see it as necessity between two entities Renaissance and bsl.

280

00:42:01.590 --> 00:42:17.190

Cooper City Hall: I do not see it with Cooper city, being a party to the contract I don't see why we need to be a party, the only thing that I have seen through this is that your sheriff refuses to do business with you.

281

00:42:20.040 --> 00:42:24.360

Cooper City Hall: Why does that make me a party to it that open city up to liability.

282

00:42:25.560 --> 00:42:38.160

Cooper City Hall: That opens up the city to problems such as you having difficulty sometimes getting the sro getting an officer for traffic Why am I a part of it.

283

00:42:39.900 --> 00:42:42.870

Cooper City Hall: This is a an renaissances.

284

00:42:43.920 --> 00:42:45.240

Cooper City Hall: A Charter school.

285

00:42:46.440 --> 00:42:49.200

Cooper City Hall: By run by private entity.

286

00:42:50.490 --> 00:42:56.940

Cooper City Hall: governed by the broward county school board where did the city come to be a party.

287

00:42:58.770 --> 00:43:06.930

Cooper City Hall: I do, I have Jerry I have never agreed with it, I will still be firm and consistent and not agreeing with it.

288

00:43:09.600 --> 00:43:14.070

Cooper City Hall: hey man, I appreciate that I understand your position it's it's been well stated and understood.

289

00:43:15.510 --> 00:43:33.150

Cooper City Hall: This is the way that the the agreement has been able to be evacuated and of course you'll recall that we have obligations to city and under mst and then this is the way that we were able to facilitate that arrangement, where is the Sheriff to answer this question.

290

00:43:34.470 --> 00:43:36.150

Cooper City Hall: Has he ever answered the question.

291

00:43:38.040 --> 00:43:38.400

Cooper City Hall: No.

292

00:43:41.160 --> 00:43:41.670

Cooper City Hall: Captain.

293

00:43:43.500 --> 00:43:46.920

Cooper City Hall: Do you know if the Sheriff will be here tonight and to weigh in on this issue.

294

00:43:56.640 --> 00:43:59.580

Cooper City Hall: Indian American nation city staff residents.

295

00:44:00.930 --> 00:44:11.580

Cooper City Hall: Mr Mayor the sure will not be here, but i'm here, if you have any concerns and willing to address any concerns that you may have, and I believe this is, as they say above your pay grade.

296

00:44:12.750 --> 00:44:15.510

Cooper City Hall: This has to do with contractual obligations.

297

00:44:16.800 --> 00:44:28.140

Cooper City Hall: The broward county sheriff's office contracts with with cities, and so, not with individual schools and it's consistent practice as they do with the public, school system that at the city wants an sro.

298

00:44:28.920 --> 00:44:46.860

Cooper City Hall: To be staffed inside of a public school, the Charter schools are like into that process since the Charter schools ball into the school Barbara county Mr Horowitz is there any statute that prevents the Sheriff from directly contracting with the Charter school.

299

00:44:48.270 --> 00:45:03.030

Cooper City Hall: No Sir so it's his decision not to contract directly because he wants to be protected and I don't mean any offense to Renaissance, but if Renaissance doesn't pay the city's on the hook why.

300

00:45:05.310 --> 00:45:17.160

Cooper City Hall: Because the Sheriff wants it, I don't agree with it, I don't get involved in businesses that is not a Cooper city business and charter school is not we don't run it.

301

00:45:19.350 --> 00:45:21.120

Cooper City Hall: Thank you, Captain my pleasure.

302

00:45:24.390 --> 00:45:25.710

Cooper City Hall: Anything else on this issue.

303

00:45:28.290 --> 00:45:34.410

Cooper City Hall: Okay, all about Krishna shutter Yes, Commissioner Meltzer Commissioner puccini yes.

304

00:45:35.940 --> 00:45:36.930

Cooper City Hall: Thank you, thank you.

305

00:45:39.000 --> 00:45:43.260

Cooper City Hall: moving back to the board administrator reports finance.

306

00:45:55.710 --> 00:46:07.740

Cooper City Hall: it's the incumbents report that was provided for you i'm sorry it's the income income rights rollover report is is, I believe she saw and you're coming in.

307

00:46:11.370 --> 00:46:12.420

Cooper City Hall: And they're saying.

308

00:46:23.490 --> 00:46:24.990

Cooper City Hall: Good evening, good evening.

309

00:46:27.060 --> 00:46:39.330

Cooper City Hall: As we excuse me, as required by the shoulder this is this report this incumbents report is the second one that is provided to the Commission.

310

00:46:40.530 --> 00:46:42.120

Cooper City Hall: Before the year end.

311

00:46:43.680 --> 00:46:44.040

Cooper City Hall: and

312

00:46:48.720 --> 00:47:01.350

Cooper City Hall: So if you notice that the last one that you had before you is less, and the reason is simply on the normal day to day operations, we do have.

313

00:47:02.130 --> 00:47:12.930

Cooper City Hall: pills that we open and the ones that we have to remain that have to remain open and rollover are the ones that you are interested in and there's a summary.

314

00:47:14.010 --> 00:47:18.270

Cooper City Hall: For open purchase orders for you by fun.

315

00:47:19.770 --> 00:47:30.510

Cooper City Hall: The general Fund has a balance of pure will order of 130 6006 21 which 98,000.

316

00:47:31.770 --> 00:47:33.840

Cooper City Hall: To trust 150 5000.

317

00:47:35.310 --> 00:47:41.310

Cooper City Hall: capital projects fun 27,000 parking lot fun 1300.

318

00:47:42.600 --> 00:47:46.680

Cooper City Hall: stormwater fun 26,008 15.

319

00:47:48.000 --> 00:48:02.940

Cooper City Hall: Water and sewer fun 552,007 93 one in sewer replacement 77,000 to 37 and water and sewer CIT 1,000,537.

320

00:48:07.620 --> 00:48:16.680

Cooper City Hall: So these numbers change as invoices are paid, but this is just as required by the Charter to give you an indication of where we are.

321

00:48:21.300 --> 00:48:22.140

Cooper City Hall: You have any question.

322

00:48:23.250 --> 00:48:24.660

Cooper City Hall: May smell nice your question.

323

00:48:26.940 --> 00:48:38.010

Cooper City Hall: hi I see there's a purchase order from 2017 that is partially partially unpaid is it's a storm water assessment Program.

324

00:48:40.140 --> 00:48:42.570

Cooper City Hall: I figured out for roll it over it's going to be five years.

325

00:48:44.370 --> 00:48:53.100

Cooper City Hall: And is that something we can close out so we've gone through the exercise of going through every open peel with department directors.

326

00:48:53.610 --> 00:49:04.200

Cooper City Hall: And the ones that we have completed, we proceeded to close them if they are here and remained open is because there was a justification for it there's still remaining work to be done.

327

00:49:04.830 --> 00:49:18.630

Cooper City Hall: that's not done yet that's why they're here and we've gone through the exercise at least three times over the past month or so, so if they're here they're already been checked that's commercial work to be done that's correct okay all right thanks.

328

00:49:19.830 --> 00:49:20.460

Cooper City Hall: Anything else.

329

00:49:22.410 --> 00:49:22.920

Cooper City Hall: Thank you.

330

00:49:29.400 --> 00:49:34.860

Cooper City Hall: intend to agenda you have motion motion seconded by Commission melter.

331

00:49:36.120 --> 00:49:36.720

Cooper City Hall: Second, by.

332

00:49:38.310 --> 00:49:38.580

Cooper City Hall: Jamie.

333

00:49:40.230 --> 00:49:54.270

Cooper City Hall: Thank you, Paul about this your shutter Yes, Commissioner Meltzer yes chappelle cine yes Eros yes we've known to the regular agenda and number four do of motion to approve the engineering tasks order for placement of water treatment plant membranes.

334

00:49:55.530 --> 00:50:01.620

Cooper City Hall: motion to approve recommissioned Meltzer a second by second commissioning Jamie mentioned melter.

335

00:50:03.630 --> 00:50:05.730

Cooper City Hall: I like technician you want to.

336

00:50:07.020 --> 00:50:13.650

Cooper City Hall: just go ahead and prizes what's going on in the residence sure simply put this is a.

337

00:50:14.940 --> 00:50:23.820

Cooper City Hall: procurement of engineering services associated with replacement of the water treatment plant membranes, which is essentially the heart of the treatment process that we have here.

338

00:50:25.470 --> 00:50:32.910

Cooper City Hall: The engineer, we need engineering services with respect to providing technical specifications and drawings that need to go into the big documents.

339

00:50:34.740 --> 00:50:39.870

Cooper City Hall: And when are we going to expect to see the the actual membrane replacement on before us.

340

00:50:42.750 --> 00:50:47.610

Cooper City Hall: i'm I would say the engineering will probably take.

341

00:50:48.660 --> 00:50:49.650

Cooper City Hall: Three months.

342

00:50:51.060 --> 00:50:54.630

Cooper City Hall: Then incorporation into the bid documents and actual bidding.

343

00:50:56.130 --> 00:51:03.600

Cooper City Hall: Probably another at least two months so five to six months before we come back to you with a proposed contract, but the actual work.

344

00:51:04.650 --> 00:51:06.630

Cooper City Hall: Great Thank you Mike mentioned Jamie.

345

00:51:09.030 --> 00:51:20.610

Cooper City Hall: I get a question I saw that we budgeted 660 for next year also correct so we're using own you're asking only for 56,000 this year, out of 660.

346

00:51:22.290 --> 00:51:41.850

Cooper City Hall: How many membranes do we have and how many replacing so I figure we're not replacing that many of the total of the Members, so this is for the engineering services it's not for actual replacement, or if they'll come back to us once you get all correct correct and and, just to clarify.

347

00:51:43.920 --> 00:51:52.770

Cooper City Hall: This current year's budget included \$660,000 for replacement of the membranes and two of the cities for membrane treatment units okay.

348

00:51:53.070 --> 00:52:05.190

Cooper City Hall: This upcoming fiscal year we'll have the 616 for the remaining two so because of the timing will end up just putting out a bid for all of them, and you think is 660 will cover well, obviously, yes, if.

349

00:52:06.000 --> 00:52:23.490

Cooper City Hall: If we'll be able to do it with less than six issue, this year we should be able to do it or less well, so the engineering service proposal here is to provide the engineering for Greg and bounds after after play and the balance should be enough to replace two of the Members.

350

00:52:24.720 --> 00:52:35.160

Cooper City Hall: Well, the bass, by the time we get to bring a contract you so the balance is one point to something million.

351

00:52:37.320 --> 00:52:47.850

Cooper City Hall: Or the whole project is one point to something million for all the treatment units at the city at the tri cities treatment plant so minus essentially \$60,000 they'll have.

352

00:52:49.140 --> 00:52:53.010

Cooper City Hall: 1.13 to 4 million sound like that.

353

00:52:54.030 --> 00:52:56.760

Cooper City Hall: Right and that should be enough to replace all the Members.

354

00:52:58.410 --> 00:53:02.310

Cooper City Hall: Thank you for giving us a showrunner anything.

355

00:53:03.390 --> 00:53:13.620

Cooper City Hall: How long does a membrane last normally speaking i'm already How long have these lasted but i'll answer both so normally you can expect to get.

356

00:53:16.200 --> 00:53:29.160

Cooper City Hall: i'd say 10 years out of membranes these membranes were installed in 1990 or the first set was installed in 1998 the second of 2002 so let's say make it easy and say 2021.

357

00:53:29.850 --> 00:53:37.620

Cooper City Hall: Average of 21 years old and honestly the credit for that goes to your water treatment plant supervisor who's very meticulous about cleaning.

358

00:53:38.430 --> 00:53:45.540

Cooper City Hall: So maintenance on it really helped makes a huge difference for the residents who don't know membranes are like filters.

359

00:53:46.380 --> 00:53:56.670

Cooper City Hall: Right, you can think of it like that, yes, I like water very frustrations nice it's technically low pressure reverse osmosis so, but you can think of it as filtration yes okay very simple.

360

00:53:57.240 --> 00:54:05.820

Cooper City Hall: Thank you, and not just just an aside, three years ago, I came in had my first tour of mike's facility out there utility department and I met.

361

00:54:06.750 --> 00:54:16.470

Cooper City Hall: The gentleman in charge of maintaining these membranes for 21 years George garden and man, he was proud of his membranes have a you know.

362

00:54:16.920 --> 00:54:25.140

Cooper City Hall: membranes last eight to 10 years minor 17 years old, because I do this, I mean he was talking over my head, of course, but he was just very proud of what he did and.

363

00:54:26.190 --> 00:54:27.900

Cooper City Hall: proofs in the pudding man so.

364

00:54:29.040 --> 00:54:34.080

Cooper City Hall: Well, and if you spiritually or a long way, so thank you, thank George and the rest of your staff for.

365

00:54:35.340 --> 00:54:40.800

Cooper City Hall: My will and being exceedingly efficient with this, because this is, I mean how many Cooper city residents are in the crowd.

366

00:54:42.570 --> 00:54:43.710

Cooper City Hall: How do you like your drinking water.

367

00:54:45.270 --> 00:54:52.530

Cooper City Hall: All right, got a lot of thumbs up this is the gentlemen, thank thanks Mike Thank you Richard Charter does this George agree with this.

368

00:54:56.310 --> 00:55:07.590

Cooper City Hall: So george's in the drop he would really like to to not just kidding Yes, he absolutely agree it's because it'll be more work for him, but you know, in the change process, but he does absolutely agree.

369

00:55:08.850 --> 00:55:11.520

Cooper City Hall: Thank you very much Mike anything else from anyone.

370

00:55:13.020 --> 00:55:27.780

Cooper City Hall: Although Mr shouter yes Krishna Meltzer yes, Michelle teeny yes, yes, thank you, thank you move on to Item number five motion to approve revisions to the city's pay plan emotions by commissionable chaining.

371

00:55:28.560 --> 00:55:38.580

Cooper City Hall: Second, by commissioning beltre principles principal Cheney I think this was needed for a while we're changing positions are not exempt into exempt.

372

00:55:40.620 --> 00:55:41.340

Cooper City Hall: Thank you.

373

00:55:42.540 --> 00:55:43.530

Cooper City Hall: Thank you for doing that.

374

00:55:45.150 --> 00:55:45.480

Cooper City Hall: job.

375

00:55:46.770 --> 00:55:54.180

Cooper City Hall: Commissioner Meltzer not to me it's and again we've had discussions about this in the past It just seems like it was a housekeeping item that needed to be.

376

00:55:55.620 --> 00:55:59.880

Cooper City Hall: needed to be cleaned up, so thank you for bringing this before us and.

377

00:56:01.110 --> 00:56:06.000

Cooper City Hall: want to talk about it again for a while, thank you, thank you Convention shorter no nothing.

378

00:56:07.050 --> 00:56:12.000

Cooper City Hall: And just so that everyone out there, understands it has nothing to do with the polling tennis Center.

379

00:56:13.110 --> 00:56:15.210

Cooper City Hall: something totally separate and part about exempt.

380

00:56:16.680 --> 00:56:17.760

Cooper City Hall: Job status.

381

00:56:18.960 --> 00:56:24.480

Cooper City Hall: Call about pretty sure shouter mission or Meltzer yes mission of porcine yes, yes.

382

00:56:26.100 --> 00:56:37.020

Cooper City Hall: Item number six discussion on the elected officials and city managers retreat Commissioner starter, yes, perhaps the word retreats not the best word but i'm Commissioner green had brought it up at a lie.

383

00:56:38.640 --> 00:56:41.820

Cooper City Hall: I think the prior meeting that at the beginning of.

384

00:56:43.710 --> 00:56:47.130

Cooper City Hall: Beginning began the year they took office that they would have more I guess.

385

00:56:48.420 --> 00:56:56.460

Cooper City Hall: goal setting, or whatever you want to call it, or you call it a facilitator to have a meeting, and so I just wanted to put this on for the discussion about that.

386

00:56:57.360 --> 00:57:10.110

Cooper City Hall: What that what that looks like and if that's something that should be done annually I don't know how it was done in the past, do you guys come in here and on a Saturday, and why does it usually happen.

387

00:57:11.460 --> 00:57:26.340

Cooper City Hall: I can tell you from past experience that we had a facilitator come in talk about the relationships between the administration and the Commission talk about the goal setting short term long term I think a lot.

388

00:57:27.870 --> 00:57:48.960

Cooper City Hall: Now, has been taken over by the 10 year plan, if you will, that the city managers instituted, but I always think that communication between administration Commission and the residents should always be kept open and and candidly I never think that it hurts to communicate.

389

00:57:50.070 --> 00:58:00.660

Cooper City Hall: With your mentor no, I agree, I agree, I think it's a good thing, how would we How would we actually craft something like this, and this is for the city attorney I know you have to give publicly notice meeting.

390

00:58:02.040 --> 00:58:09.090

Cooper City Hall: yeah i'm a Commission, what would the concept that Commissioner shatters proposing is certainly not uncommon certainly not unheard of.

391

00:58:09.390 --> 00:58:18.990

Cooper City Hall: visioning sessions retreats mean they can be off site somewhere in the city don't necessarily need to be in City Hall But make no mistake, they are public meetings I mean anytime the five of you.

392

00:58:19.320 --> 00:58:27.030

Cooper City Hall: Are together discussing city business absent certain very limited statutory exceptions, they are public meetings where notices required the public has the right access.

393

00:58:27.600 --> 00:58:32.880

Cooper City Hall: minutes are taken and we can have a facilitator come in the manager can work on an agenda.

394

00:58:33.480 --> 00:58:41.700

Cooper City Hall: This Commission can provide input, as the specific items to be discussed, to be addressed, you may want to consider some input from a facilitator and some recommendations as to what.

395

00:58:42.240 --> 00:58:47.820

Cooper City Hall: They might offer from their experience and ways to move a retreat process forward.

396

00:58:48.450 --> 00:59:03.660

Cooper City Hall: It would be a public meeting, as I said, but but certainly the substance and content of what's discussed is within the purview of the Commission, the manager, I think it probably best for us to do it in here, because the technologies, you make it easy for zoom and.

397

00:59:05.520 --> 00:59:11.430

Cooper City Hall: And that's where we are, we can go out and six of us go play golf and we'll take David all in the gym federici with us.

398

00:59:12.720 --> 00:59:14.940

Cooper City Hall: Then that's fine right here.

399

00:59:16.800 --> 00:59:17.550

Cooper City Hall: So I just think.

400

00:59:18.690 --> 00:59:23.850

Cooper City Hall: You know I really put it on there, because I know commission of green brought it up, and I want to extend the.

401

00:59:24.900 --> 00:59:35.550

Cooper City Hall: offer and the discussion, maybe we just talked about maybe when he comes back I think it's something we should definitely follow follow up but let's keep it all.

402

00:59:35.970 --> 00:59:49.230

Cooper City Hall: Thank you for putting out in the agenda tonight I don't know retreats the right word I don't know that that's what will work, you know goal setting meeting or workshop, we should pilot team building workshop parties on the better there you go.

403

00:59:50.490 --> 01:00:03.390

Cooper City Hall: Alright, moving on to Item number seven do have a motion to approve the human resources, risk management position and paid scale and as a starter well motion or discussion and I want to go second on that.

404

01:00:04.680 --> 01:00:07.110

Cooper City Hall: Second, Commissioner, Commissioner charter.

405

01:00:08.160 --> 01:00:16.500

Cooper City Hall: This was a an item that we we had budgeted to do to create an HR director and risk manager.

406

01:00:18.690 --> 01:00:23.460

Cooper City Hall: So really I put this forward to just expedite the.

407

01:00:24.600 --> 01:00:27.000

Cooper City Hall: Implementing the budget plan, so to say.

408

01:00:28.230 --> 01:00:30.750

Cooper City Hall: So what's everyone's.

409

01:00:32.370 --> 01:00:34.980

Cooper City Hall: Opinion on the job description and.

410

01:00:36.180 --> 01:00:42.660

Cooper City Hall: Or at least maybe the manager, can you know, give us his opinions anything he's wanting to come up with this.

411

01:00:44.610 --> 01:00:51.750

Cooper City Hall: An apple know if this was, as Commissioner strider mentioned this was his in next year's budget to.

412

01:00:52.980 --> 01:00:59.400

Cooper City Hall: create this human resources department and the director would be the human resources director slash risk manager.

413

01:01:00.840 --> 01:01:03.690

Cooper City Hall: I think that when when this is voted on.

414

01:01:05.040 --> 01:01:16.860

Cooper City Hall: We express the pin and there's probably a need, particularly if we are going to transition to having our police our own police department and potentially in the future, fire department.

415

01:01:17.700 --> 01:01:27.060

Cooper City Hall: I think the the job description does split the Commission is asking for to have both the human resource director, plus the risk management component to it, so I think it's fine.

416

01:01:28.500 --> 01:01:28.800

Cooper City Hall: You.

417

01:01:30.750 --> 01:01:31.650

Cooper City Hall: Any questions.

418

01:01:33.330 --> 01:01:36.420

Cooper City Hall: Just to clarify, so this is a your recommendation.

419

01:01:37.680 --> 01:01:39.720

Cooper City Hall: This is what you recommend that's correct yeah.

420

01:01:41.970 --> 01:01:42.510

Cooper City Hall: it's melter.

421

01:01:47.070 --> 01:01:48.390

Cooper City Hall: No, I don't have anything further.

422

01:01:49.650 --> 01:01:58.650

Cooper City Hall: Okay hearing nothing further call the boat Commissioner shatter yes question and answer session, where we just doing it on the job description first.

423

01:01:59.250 --> 01:02:13.110

Cooper City Hall: it's just most improved the human resource management position and payscale nothing about the job description okay when do that separate yeah I wanted to just look at your homework and your guys.

424

01:02:14.610 --> 01:02:15.810

Cooper City Hall: Opinion on that.

425

01:02:17.250 --> 01:02:20.490

Cooper City Hall: So the pay scale is consistent with the department director.

426

01:02:21.930 --> 01:02:31.680

Cooper City Hall: Starting in the pace goes between 103 two 124,000 Okay, so it would be basically pay grade 25 correct.

427

01:02:34.050 --> 01:02:40.650

Cooper City Hall: And the other question I was wondering sorry I didn't realize, we were the new Agenda software kind of.

428

01:02:42.180 --> 01:02:43.050

Cooper City Hall: subset of it.

429

01:02:44.430 --> 01:02:48.510

Cooper City Hall: The other one is right now so right now we have administrative services.

430

01:02:49.890 --> 01:02:56.520

Cooper City Hall: What portion of that ends up going over to HR Director or.

431

01:02:59.190 --> 01:03:09.480

Cooper City Hall: it's the the human resources element of it, and the risk management element, because right now that's part of that is included in the administrative services, but so it would be the human resources and risk management element.

432

01:03:12.450 --> 01:03:12.780

Cooper City Hall: But.

433

01:03:13.830 --> 01:03:27.360

Cooper City Hall: If I may prefer to just just unclear in the backup there's a job description and under the Charter that the job description requires Commission approval, is it the commission's intent is part of this item to approve the job description included, along with motion.

434

01:03:29.160 --> 01:03:44.280

Cooper City Hall: Right there's just a permanent record, yes, and the answer is yes to that so be commissioned and it stands as okay hold on one second we make sure, and the human resources, one right here so.

435

01:03:47.880 --> 01:04:03.780

Cooper City Hall: Okay, but you also have under there so look at my here seven and you also have the Clerk one under that that shouldn't be in there, that should not be in there, the in the backup yeah the third line clerk clerk should not be in that backup Okay, and then they go.

436

01:04:05.430 --> 01:04:14.490

Cooper City Hall: On the backup location as well, but the thing is I don't know I checked it's not letting this pulled out of there OK, now that we good.

437

01:04:16.110 --> 01:04:17.400

Cooper City Hall: yeah I recently got ocean.

438

01:04:20.370 --> 01:04:26.280

Cooper City Hall: it's motion to approve the human resources, risk management position pay scale and description yes.

439

01:04:27.900 --> 01:04:28.710

Cooper City Hall: i'm moving to.

440

01:04:31.320 --> 01:04:37.200

Cooper City Hall: Go ahead and Commissioner shutter yes, Mr Meltzer Krishna puccini yes, yes.

441

01:04:39.210 --> 01:04:46.830

Cooper City Hall: Moving on to Item number eight motion to approve the city clerk positioning pay scale that's where that should be.

442

01:04:48.810 --> 01:04:49.140

Cooper City Hall: reserved.

443

01:04:50.670 --> 01:04:53.340

Cooper City Hall: yeah i'm wishing to well.

444

01:04:56.190 --> 01:05:01.170

Cooper City Hall: yeah well, what can we discuss it first you want to motion motion to motion to this.

445

01:05:02.730 --> 01:05:03.870

Cooper City Hall: emotion to our second.

446

01:05:05.580 --> 01:05:15.180

Cooper City Hall: motion to what motion to approve the city clerk position and pay scale was made by Commissioner strider do I have a second so come to the discussion, thank you.

447

01:05:17.730 --> 01:05:24.300

Cooper City Hall: Yes, so this is also part of the same item we're basically breaking up the two were separating it.

448

01:05:27.930 --> 01:05:46.890

Cooper City Hall: The question I have what when if, when we if we remove or now that we've removed HR and risk management happen is that how many employees within benefit directors at the one full time in that in the part time.

449

01:05:48.330 --> 01:05:53.190

Cooper City Hall: No it's too full time and part time, in addition, in addition to the.

450

01:05:54.690 --> 01:05:59.970

Cooper City Hall: i'm sorry three full time part time, in addition to the Director or the Clerk.

451

01:06:01.140 --> 01:06:09.750

Cooper City Hall: No, I mean who's going how many are going to HR which position oh HR i'm sorry i'm sorry so HR it's the director and the admin.

452

01:06:12.030 --> 01:06:25.290

Cooper City Hall: admin administrator I mean the human resources administrator and then we had the part time to help with HR right we've been HR between the Clerk and HR yes so would How would that part time person than not go over to the HR department or how would that look.

453

01:06:27.510 --> 01:06:30.270

Cooper City Hall: we'd probably find the time between between the two.

454

01:06:33.480 --> 01:06:37.020

Cooper City Hall: And I guess, I was looking for some backup on.

455

01:06:38.130 --> 01:06:42.450

Cooper City Hall: clerk clerk salaries are comparable size cities.

456

01:06:45.120 --> 01:06:52.200

Cooper City Hall: And I know you guys had sent us some some of the backup I saw was parkland is that.

457

01:06:54.840 --> 01:06:56.100

Cooper City Hall: thing is between.

458

01:06:59.640 --> 01:07:01.890

Cooper City Hall: I think will manners is.

459

01:07:03.060 --> 01:07:24.330

Cooper City Hall: From their online thing looks at their between 60 496 6850 or 81,000 what is, what are we looking at for comparable size cities so well parkland parkland is a it's a charter position it's only two people and and they do not do passport services.

460

01:07:30.360 --> 01:07:46.320

Cooper City Hall: As I guess My question then would be as a director they start under the pay grade right, so the recommendation here is that this position would be a director position, and so they would be in the hundred three 224,000 category.

461

01:07:48.480 --> 01:07:52.260

Cooper City Hall: And how many how many people would they be supervising.

462

01:07:53.310 --> 01:07:58.050

Cooper City Hall: With this is positioned superheroes it be three full time in a part time.

463

01:08:04.140 --> 01:08:07.230

Cooper City Hall: This would be like the smallest of August HR be the smallest.

464

01:08:08.400 --> 01:08:08.790

one.

465

01:08:10.530 --> 01:08:29.070

Cooper City Hall: Because i'm going to give a problem with with that being on the same pay scale, as you know, some of the other directors that have significant supervision specialties under license specialties are under that under them.

466

01:08:30.930 --> 01:08:35.940

Cooper City Hall: You know, honestly, I think I we don't have a step 24.

467

01:08:38.130 --> 01:08:41.580

Cooper City Hall: which I don't know why, but I really was between.

468

01:08:42.630 --> 01:08:43.980

Cooper City Hall: 22 and 23.

469

01:08:46.050 --> 01:08:55.770

Cooper City Hall: just looking at some of the other size cities, do we know what matters when we share these numbers right, then I was able to find a line.

470

01:08:57.930 --> 01:09:01.230

Cooper City Hall: Well, some of the problems with the numbers that we received, like, for instance.

471

01:09:03.270 --> 01:09:03.990

Cooper City Hall: let's say.

472

01:09:05.280 --> 01:09:13.020

Cooper City Hall: Well manners they're paying you know what they're paying what they're paying, but how long is that person then on the job right, would you agree, for women.

473

01:09:14.220 --> 01:09:19.230

Cooper City Hall: 168 199 know that email we just received when I read that wrong.

474

01:09:19.830 --> 01:09:26.430

Cooper City Hall: Oh, we have 168 for for his effort, a whole department, you know the whole department I couldn't make sense, but I didn't know if that was for the whole department or what.

475

01:09:27.180 --> 01:09:34.380

Cooper City Hall: Your budget line item it doesn't break out the opposition yeah 166 for two positions so we don't know how much of that is attributed to the city clerk.

476

01:09:36.180 --> 01:09:45.150

Cooper City Hall: Exceeding now and I haven't seen that also but that but we'll manage doesn't do passports, nor do they do special magister so based on what we received here, Joe.

477

01:09:45.930 --> 01:09:56.130

Cooper City Hall: Am I correct in assuming that oakland park miramar nor Dania has a city clerk right now, now that was just a pay range we didn't get the actual they didn't give you the X rays to bed right.

478

01:09:56.610 --> 01:10:05.790

Cooper City Hall: yeah cuz honestly Dania parkland and to some extent oakland park Those are the three municipalities that closest mirror us in terms of population.

479

01:10:07.050 --> 01:10:20.130

Cooper City Hall: So it would be nice to compare apples to apples yeah it looks like but also important we have everything we need here yeah i'm kirkland it like I said is it's a charter position they were right before the Commission it's only two people they don't do passports.

480

01:10:24.090 --> 01:10:30.630

Cooper City Hall: And, and I guess now like what is what is passports have to do with that what does that how's that a factor.

481

01:10:31.890 --> 01:10:34.980

Cooper City Hall: i'm sorry I mean, how is what is, how is.

482

01:10:35.940 --> 01:10:45.630

Cooper City Hall: passports what is that what's the relation to that is that it just falls under the Clerk and that also manage our passports is up there yeah just responsibility and face responsibility.

483

01:10:45.930 --> 01:10:55.290

Cooper City Hall: I think you have to look at based on the size of the department, regardless of what they yeah I mean it's just man glad to be managed yeah so we're looking at three.

484

01:10:57.810 --> 01:11:12.390

Cooper City Hall: And you know public works is is great 25 and they have how many how many people they manage you know 30 what happened a great 24 I noticed that was miserable I know but i'm just curious if anybody has any idea what happened a great 24.

485

01:11:16.530 --> 01:11:18.180

Cooper City Hall: I don't I don't I don't know.

486

01:11:19.290 --> 01:11:25.860

Cooper City Hall: I I really think it's between 21 and 22 i'm and I would be willing to go to grade 22.

487

01:11:28.830 --> 01:11:37.920

Cooper City Hall: And you guys just received this information is 7:20pm which which implements that the filter manners information shouldn't we be.

488

01:11:40.530 --> 01:11:47.790

Cooper City Hall: Testing it before the meeting, instead of looking at, for the first time during the meeting well.

489

01:11:49.050 --> 01:11:58.260

Cooper City Hall: That was something Commissioner well if you have an email thread know if it's part of what we're using make a decision, I don't know how I don't know I mean you can take it out and.

490

01:11:58.530 --> 01:12:10.590

Cooper City Hall: I asked when we put on to have supporting documentation for the pay scale is that was the clerk's office that all the other information I gotta fight 30 that that's correct i'm assuming well.

491

01:12:11.760 --> 01:12:14.880

Cooper City Hall: It appeared like the higher numbers came in quicker than the loan and.

492

01:12:17.130 --> 01:12:17.460

Cooper City Hall: yeah.

493

01:12:19.170 --> 01:12:30.720

Cooper City Hall: So, for example, we didn't have numbers on parkland but we happen to know exactly what the tasks works, I thought that was a little whatever it is, I just wanna make sure we're comparing apples to apples and that's.

494

01:12:31.800 --> 01:12:35.250

Cooper City Hall: What the position pay with the business currently paying and municipality.

495

01:12:35.610 --> 01:12:43.320

Cooper City Hall: How long that person's been on the job that's, then what the responsibilities are to make sure that the responsibilities of our city clerk are going to be similar to.

496

01:12:43.920 --> 01:12:54.180

Cooper City Hall: Whoever yeah I hearing that and I understand that and that we can get try to get all that information my criteria when I recommended this is number one.

497

01:12:56.580 --> 01:13:03.840

Cooper City Hall: I think it's a department Director level position because we needed a seasoned individual to hold the position of city clerk in this city, we don't have a lot of.

498

01:13:04.110 --> 01:13:11.370

Cooper City Hall: Big staff, here we don't have a lot of people and what we certainly need in our leaders is seasoned individuals.

499

01:13:11.760 --> 01:13:22.380

Cooper City Hall: And I think it's better to have a seasoned individual in the city clerk as a leader and and in many aspects of face of the city, who sits on the dyess.

500

01:13:23.310 --> 01:13:37.110

Cooper City Hall: as well, and should probably have a leadership role among the city city staff so that's why I recommend that this be a department director position i'm looking at Cooper city i'm not looking at other cities.

501

01:13:39.150 --> 01:13:45.240

Cooper City Hall: Because you know our cities is much different than than other cities and how we operate and how we're staffed.

502

01:13:46.050 --> 01:13:50.580

Cooper City Hall: So that's my analysis that went into this, I think it was more important to.

503

01:13:51.390 --> 01:13:57.630

Cooper City Hall: fit the needs of Cooper city versus compared to two other cities where the functions are much differently.

504

01:13:58.080 --> 01:14:09.690

Cooper City Hall: are much different and staff sizes are much different and responsibilities are much different as well and in you know, on that same note I don't want to seem like splitting hairs but there's a significant difference in.

505

01:14:11.670 --> 01:14:23.340

Cooper City Hall: I mean you can make up half of the amount of money with the with the facility maintenance people cover half of that right there just with you know one position so and maybe not enough to do something there so that's where.

506

01:14:24.360 --> 01:14:25.680

Cooper City Hall: I think we have to.

507

01:14:26.730 --> 01:14:32.130

Cooper City Hall: be consistent and responsible across the board, not just.

508

01:14:33.660 --> 01:14:34.890

Cooper City Hall: You know what.

509

01:14:36.360 --> 01:14:37.320

Cooper City Hall: And I just.

510

01:14:39.510 --> 01:14:49.020

Cooper City Hall: Based off of the amount of people and the requirements that are supervised I don't see how that would be the same as.

511

01:14:50.880 --> 01:14:54.540

Cooper City Hall: A director that supervises 40 employees.

512

01:14:55.650 --> 01:15:02.400

Cooper City Hall: You know, three and 40 just aren't anywhere near the same or community development director, which has specialties licensed.

513

01:15:03.660 --> 01:15:08.550

Cooper City Hall: inspectors and and in different you know technical requirements.

514

01:15:10.770 --> 01:15:21.540

Cooper City Hall: So that's where I really think it needs to be up until I think last year, our finance our finance director was pay grade 25 I believe.

515

01:15:22.680 --> 01:15:23.220

Cooper City Hall: So.

516

01:15:24.720 --> 01:15:35.880

Cooper City Hall: You know that's where I really think it needs to be 21 or 22 and we can always up and in the data town, the The one thing I will say I would I don't agree with this.

517

01:15:36.930 --> 01:15:42.960

Cooper City Hall: statement that well Whatever savings, we have here we can fund the other position because each of those things are mutually.

518

01:15:43.860 --> 01:15:55.410

Cooper City Hall: Independent of one another, if you will, right and they both they both took a life of their own for various for various independent reasons, so I don't want to I don't want to commingle the two right now.

519

01:15:58.440 --> 01:15:59.550

Cooper City Hall: But no, I.

520

01:16:01.440 --> 01:16:03.240

Cooper City Hall: I like to know what happened to 24.

521

01:16:05.220 --> 01:16:18.240

Cooper City Hall: You know, because if we don't go into 25, even if we go to 23 which I may not have a problem with you know, instead of 22 Jordan, do you know what happened before you get it no.

522

01:16:19.080 --> 01:16:27.540

Cooper City Hall: I don't know what goes yeah I think that was the highest and then all of a sudden, they had aayscale study and they increase the 24 hours I would it was you know this.

523

01:16:27.930 --> 01:16:42.210

Cooper City Hall: 24 could be an open position, like the part time was at the last Commission meeting but it's not it doesn't it's not listed there but there, there could be a pay range if you notice the difference in pay ranges there could be.

524

01:16:43.500 --> 01:16:50.190

Cooper City Hall: Another pay range is a 24 we just don't have any positions that would fit at 24 right now that's why it's not there.

525

01:16:51.300 --> 01:16:53.430

Cooper City Hall: So what kind of position is a 24.

526

01:16:54.660 --> 01:17:00.360

Cooper City Hall: I don't know, we would, if there was the need for a position that is a little bit more responsible than.

527

01:17:01.740 --> 01:17:16.500

Cooper City Hall: an assistant finance director utilities director, but not as much as a director than we could make a 24 is so maybe in the name of cleanliness or call it what you want, maybe we should change 25 to 24 and 26 to 25 until we see a need to.

528

01:17:17.910 --> 01:17:29.580

Cooper City Hall: alter either of those so just just to keep it streamlined that I have been through but that's for another night that's not on the agenda you know I don't know I don't know if this universal methodology or I don't know.

529

01:17:30.930 --> 01:17:36.360

Cooper City Hall: I don't know this is the methodology from the HR CC consultants that you all approved about six years ago.

530

01:17:38.010 --> 01:17:43.200

Cooper City Hall: When how often the executive six years in a dress you were in high school.

531

01:17:44.760 --> 01:17:45.720

Cooper City Hall: How often is.

532

01:17:46.980 --> 01:17:51.450

Cooper City Hall: It supposed to get addressed every three years, we had it in the budget for next year, and it was removed.

533

01:17:54.480 --> 01:17:58.560

Cooper City Hall: at what cost What was it was a \$35,000 35,000 yes, sir.

534

01:18:02.580 --> 01:18:08.970

Cooper City Hall: Now I think in the future we on a separate note, we should look at a different company HR CC because they seem to.

535

01:18:09.570 --> 01:18:25.080

Cooper City Hall: recommend increases for all the directors, but none of the the actual boots on the ground, and then we have we have people who weren't even making minimum wage raise their salary to keep up with federal law and so to me that's not a baby that's an executive.

536

01:18:26.310 --> 01:18:31.530

Cooper City Hall: Pay skills are used to looking at, but I don't know how you, you can have people under minimum wage and.

537

01:18:33.450 --> 01:18:48.600

Cooper City Hall: I understand where the city manager is coming from, and then I look at it, saying, well, I want to get quality people, people who need to be paid that to do the right job.

538

01:18:50.280 --> 01:18:52.650

Cooper City Hall: But in the same breath, I understand, certain.

539

01:18:54.570 --> 01:19:02.880

Cooper City Hall: Responsibilities were taken away, and so you want to reduce I get that I think 21 or 22 I really agree.

540

01:19:03.420 --> 01:19:15.600

Cooper City Hall: That this is a difficult conversation to have one of those conversations as we've said in the past it's wouldn't be easy with very valuable what's it wouldn't it would be easier, with more data with similar size.

541

01:19:16.500 --> 01:19:25.080

Cooper City Hall: departments, though no question about it that's what it looks office with X amount of employees, you know because I imagine.

542

01:19:25.500 --> 01:19:33.810

Cooper City Hall: You know well, and I heard what commissionable Jamie said so do you want to table that's to get the additional data to absorb and understand it.

543

01:19:34.110 --> 01:19:44.670

Cooper City Hall: digest it i'm not kicking the can you know down the road for June we like to approve 22 and will increase it if we have additional data, and I think the data will probably come flying in.

544

01:19:48.270 --> 01:19:52.440

Cooper City Hall: I mean the motion has been made now would you remembering it only three.

545

01:19:53.640 --> 01:19:58.320

Cooper City Hall: And I would support 23 but you're amending the motion, it was made.

546

01:19:59.850 --> 01:20:14.460

Cooper City Hall: Because payscale was according to the director of payscale 25 I can those 23 that's fine so then you're a new the maker of motion amending motion to pay skills 23 i'll second that.

547

01:20:15.240 --> 01:20:23.280

Cooper City Hall: And you actually it was commissioned January 2 did it i'll ask if you commissionable Cheney will agree to that amendment.

548

01:20:23.730 --> 01:20:38.760

Cooper City Hall: Yes, right, yes, not everybody raise your hand we want to was did anyone have anything on this description, I know that you i'd my question on the description, so can we kind of like we've got the pay scale in our mind, I just want to understand the as far as the.

549

01:20:39.840 --> 01:20:47.580

Cooper City Hall: department, this new department, this is going to be responsible for passport services, of which we have two full time people.

550

01:20:48.900 --> 01:20:55.890

Cooper City Hall: One of which also serves with the city magistrate as an admin right okay and let's there's I mean yeah.

551

01:20:56.550 --> 01:21:11.550

Cooper City Hall: And the reality there's two full time we have a lot of alternate passport agents, but yes to full time and part time and what about this one yeah the communication citywide communication systems is that still fall under this new.

552

01:21:12.780 --> 01:21:23.460

Cooper City Hall: newly formed department, if you will, well, I think it has mostly to do with all the the communications used for public meetings for the meetings OK OK so i'd be comcast.

553

01:21:24.810 --> 01:21:30.270

Cooper City Hall: Partner is granted kissin know part is right yeah you do have large on one are tethered I thought.

554

01:21:31.680 --> 01:21:40.500

Cooper City Hall: Okay i'm comfortable that part time when we added it they serve us to help for HR thing so but I know I think you said it to sleep tonight we learn that yes.

555

01:21:41.790 --> 01:21:49.320

Cooper City Hall: I don't understand the administrative services word, and I think we should we should just call it the.

556

01:21:50.910 --> 01:21:52.680

Cooper City Hall: You know city clerk's office.

557

01:21:54.660 --> 01:22:04.260

Cooper City Hall: If we're if we're removing HR and in risk management, I think that's that's probably most of the administrative services and.

558

01:22:06.270 --> 01:22:07.110

Cooper City Hall: You know so.

559

01:22:08.850 --> 01:22:10.920

Cooper City Hall: I don't know if you guys would agree on that.

560

01:22:14.160 --> 01:22:17.220

Cooper City Hall: What is the effect Joe taking that out.

561

01:22:21.060 --> 01:22:24.990

Cooper City Hall: I think we did that kind of described the passport services so.

562

01:22:31.650 --> 01:22:33.450

Cooper City Hall: yeah the passport and special magistrate.

563

01:22:35.730 --> 01:22:46.620

Cooper City Hall: yeah I don't think there's a practical effect just confusing you know because That to me is back to like the administrative services, I think, came about when Susan Bernard was kind of.

564

01:22:47.730 --> 01:22:56.220

Cooper City Hall: doing a little bit of everything yeah and, and so I don't think there's a practical effect, but I think we department, should be the same clerk's office not.

565

01:22:58.050 --> 01:22:58.830

Cooper City Hall: I have no problem.

566

01:23:01.590 --> 01:23:02.820

Cooper City Hall: With that understanding.

567

01:23:04.020 --> 01:23:06.540

Cooper City Hall: anything further all the vote.

568

01:23:08.940 --> 01:23:13.530

Cooper City Hall: I got one little don't call flow, Commissioner.

569

01:23:14.550 --> 01:23:22.170

Cooper City Hall: I know it's not the right time, give it on just a permanent city clerk's efficient just begging begging you.

570

01:23:25.080 --> 01:23:28.350

Cooper City Hall: Were saving money that wasn't budgeted to be saved.

571

01:23:31.920 --> 01:23:42.030

Cooper City Hall: let's consider helping the lowest of our employees, but we're not we're not saving money, because what I understand that that's it I said what I have to say okay.

572

01:23:43.080 --> 01:23:45.210

Cooper City Hall: Okay, thank you, nothing further.

573

01:23:46.830 --> 01:23:51.570

Cooper City Hall: Commissioner shutter yes sure yes mission or puccini yes, yes.

574

01:23:53.370 --> 01:24:01.290

Cooper City Hall: Moving on to Item number nine discussion on legacy pensions Commissioners charter yes um I think we need to.

575

01:24:02.490 --> 01:24:06.600

Cooper City Hall: get a handle on what we have going on with our pension plans.

576

01:24:07.860 --> 01:24:11.430

Cooper City Hall: I believe we might even have vacancies still.

577

01:24:12.450 --> 01:24:21.930

Cooper City Hall: For some of the trustees I know and the pad last year we weren't even sure about who all was the trustees of the plans.

578

01:24:23.490 --> 01:24:30.510

Cooper City Hall: That you had the terms, additionally, I think we need to look at the actual.

579

01:24:31.830 --> 01:24:36.570

Cooper City Hall: Contribution rates, when you look at the yearly.

580

01:24:37.890 --> 01:24:44.130

Cooper City Hall: factor, I guess, I would call it beta basically when the state of Florida and.

581

01:24:45.240 --> 01:24:58.500

Cooper City Hall: Many municipalities back in 2012 or 13 went through a reorganization or re re correction of their plans for rescued, and you start to contribute, they started making contribute 3%.

582

01:24:59.160 --> 01:25:09.390

Cooper City Hall: They changed the multiplier these were never visited by our city Commission and i'm not sure why I think the reason could have been they thought that the sheriff's office was paying them.

583

01:25:09.870 --> 01:25:18.060

Cooper City Hall: And we learned that the sheriff's office just kind of fast it through to us and then not only they pass it through to us to give them back to us.

584

01:25:18.660 --> 01:25:36.030

Cooper City Hall: which were in a lawsuit over, so we need to take a look at these I believe they're very expensive we an frs employee would be living about 10% gap and clear were contributing 30% another thing that we have is.

585

01:25:37.050 --> 01:25:44.040

Cooper City Hall: There were some of our pensions, where they were allowed to drop and when they drop they had unlimited drop or until the Irish brogue kicked in.

586

01:25:45.840 --> 01:25:56.700

Cooper City Hall: the face of the there's an irs ruin a cap on how much money you can take from your current employer under the under the guise of being pension while you're still still employed it's like a million something dollars.

587

01:25:57.900 --> 01:25:58.800

Cooper City Hall: And that's just.

588

01:26:00.810 --> 01:26:13.860

Cooper City Hall: it's I can't believe no one has looked at this for for many years and then the whole point of the drop usually is you have incentivize higher paid employees.

589

01:26:14.340 --> 01:26:20.790

Cooper City Hall: To to drop in and they're forced out and they can't return a service used to be under the frs 30 days separation.

590

01:26:21.540 --> 01:26:28.050

Cooper City Hall: Then they change it to a year of separation and then, if you came back you would obviously start back at the you know entry level pay grade.

591

01:26:28.500 --> 01:26:32.700

Cooper City Hall: So if you are a police officer making 100,000 year you drop for five years.

592

01:26:33.000 --> 01:26:40.050

Cooper City Hall: If you left you come back starting again 40,000 or whatever and that's where you see a lot of these like police officers were becoming a star rose part time or whatever.

593

01:26:40.470 --> 01:26:48.240

Cooper City Hall: Will are some of our plans they let you roll right into the drop, and not even reset your pay scale so there's no incentive actually.

594

01:26:49.650 --> 01:26:57.720

Cooper City Hall: You know it's not like you're really not really forcing our older higher paid people for younger cheap repeat employees, so to say.

595

01:26:59.280 --> 01:27:06.240

Cooper City Hall: I shouldn't say younger, is it doesn't really matter the age just tenure in that experience yeah tenure in that position so um.

596

01:27:07.020 --> 01:27:27.900

Cooper City Hall: One thing I would like to look at is, I would like the US, to have an actuary look at what it would do by changing matching the multiplier to the frs multipliers, and of course it's just all none of this is retroactive that's not allowed you know you can't go backwards, will only be prospectively.

597

01:27:29.340 --> 01:27:29.790

Cooper City Hall: and

598

01:27:30.870 --> 01:27:38.910

Cooper City Hall: I also would like to know, I think I have the answer on the increase, on contribution think it might be \$1 for dollar.

599

01:27:40.740 --> 01:28:01.110

Cooper City Hall: You know, but there's a there's a significant difference between what what is the mission manager, you know, is our contribution rate on for gap, I should say our 29% 29% 9.79% yeah for you it's three times three times the amount of effort for us is 10 right.

600

01:28:02.220 --> 01:28:10.860

Cooper City Hall: The lower 10 yeah, so I think at the very minimum, we should have an actuary look at it, it may not.

601

01:28:11.430 --> 01:28:26.580

Cooper City Hall: be significant amount of money and resonance and then you know there's no point in doing it, but we need to have that data to know how we should continue, I have a question, do we does anybody know I know we have 35 employees that are currently in the gift plan, which we know is the.

602

01:28:27.810 --> 01:28:44.310

Cooper City Hall: The older plan how many what's the average tenure, would you guess those 35 employees, I get my question is how much longer we get it unless we make some kind of a policy decision to change How much longer are we living under the auspices of depth.

603

01:28:47.760 --> 01:28:55.560

Cooper City Hall: At this guy I don't think we have a right, right now, but it's obvious it's people have been here a while, would you get that for us, please, thank you.

604

01:28:56.940 --> 01:29:00.330

Cooper City Hall: Are you asking for asking for appropriation.

605

01:29:01.410 --> 01:29:21.900

Cooper City Hall: For the hiring of a watch worry No, let me rephrase so anything that you any change, you want to make has to be supported by an actuarial report, so that the changes that I think would be worth having the actuary look at is one changing the the multiplier to match frs multiplier.

606

01:29:25.260 --> 01:29:31.770

Cooper City Hall: And I think right now it's 2.6 2.5 and we'd have to look at all the all the plans i'm going to guess you know.

607

01:29:32.940 --> 01:29:38.010

Cooper City Hall: The gap is obviously the big one, because I don't even know if there's any any active employees in any other ones.

608

01:29:39.090 --> 01:29:43.620

Cooper City Hall: So that's that's one of them, so what would be the.

609

01:29:44.640 --> 01:29:56.430

Cooper City Hall: result of of changing the multiplier to match frs is multiplier the the second one is a simple question to them is just what is the.

610

01:29:58.890 --> 01:30:13.230

Cooper City Hall: result of increasing their their contribution rate, and I think that might just be \$1 for dollar one goes up on the employee contribution goes down on the on the city, so that might not be too hard, of a question for them to answer the big the big one, is that matching.

611

01:30:15.540 --> 01:30:19.860

Cooper City Hall: Are the multiplier and then the third thing is, I would like to somehow.

612

01:30:20.190 --> 01:30:31.800

Cooper City Hall: develop the rules, like every other tension and the State about once you drop what has to happen, I don't think you should be able to to continue on your salary should if we're not requiring a separation from service between.

613

01:30:35.190 --> 01:30:48.990

Cooper City Hall: gap and frs, then we need to add a minimum require the pay scale to reset because that defeats the whole purpose that it, I agree with the actual Joe who sits on the pension board now.

614

01:30:53.130 --> 01:30:54.150

Cooper City Hall: From the city or.

615

01:30:55.530 --> 01:30:59.790

Cooper City Hall: A sherilyn shearling and then you get as a manager you get a.

616

01:31:01.710 --> 01:31:14.340

Cooper City Hall: Yes, remember um let's go ahead Barry gender which which one he said yeah right, yes, yes i'm very slender Roland barrios Jason shockley band zito and there's one vacancy.

617

01:31:14.940 --> 01:31:24.330

Cooper City Hall: And who's the vacancy it's an appointed citizen Member, so I believe that that is one that the city manager can that's for your name right.

618

01:31:24.810 --> 01:31:37.530

Cooper City Hall: that's one to that will be five that's five four with a vacancy okay so it's two and two and then the two citizen and the two employee ones pick the fifth right.

619

01:31:40.200 --> 01:31:40.410

Cooper City Hall: I.

620

01:31:42.180 --> 01:31:55.200

Cooper City Hall: guess but i'd have to i'd have to look at, on the other documentation to see which of those appointed citizen members is the is that fifth okay that's the vacancy or if that's one of the if that's very gender.

621

01:31:56.490 --> 01:31:58.830

Cooper City Hall: Okay, and how about the manager real plan.

622

01:31:59.970 --> 01:32:02.460

Cooper City Hall: We know who the trustees are for the managerial plan.

623

01:32:03.900 --> 01:32:07.170

Cooper City Hall: I believe it's on Mike Bailey.

624

01:32:08.730 --> 01:32:09.750

Cooper City Hall: Lynn ferraro.

625

01:32:12.330 --> 01:32:19.770

Cooper City Hall: And I believe that that may be no I don't believe that what is still on the board, can you get us the.

626

01:32:20.640 --> 01:32:34.380

Cooper City Hall: Reports the last reports, the Minutes, I should say in their last meeting to the managerial and and not only manager as well, and how about the police, all of the Minutes and agendas for gap ugly for on the website.

627

01:32:38.280 --> 01:32:54.960

Cooper City Hall: Joe that actually ariel's I asked her today will have the answer for commercial milestones question on how many people on the planet, so it's it's not the number of people on the planet think he want to know the 10 year, though, will have you will have that also correct.

628

01:32:56.130 --> 01:33:07.380

Cooper City Hall: And the the pension that we have is that managed through the Florida league of cities, now the management pension is.

629

01:33:09.480 --> 01:33:12.060

Cooper City Hall: gap is through.

630

01:33:13.140 --> 01:33:19.980

Cooper City Hall: I can't remember the name but Margie at coc is the administrator for that board and then police and fire through benefits USA.

631

01:33:23.340 --> 01:33:25.830

Cooper City Hall: Have once less time that we looked into.

632

01:33:27.150 --> 01:33:36.090

Cooper City Hall: i'll turn it in so options as far as where who the administrators are I don't think we can take the board trustees have to do it yeah.

633

01:33:36.690 --> 01:33:49.020

Cooper City Hall: Okay, so go talk to the board, but the question would be what oversight, do we have over the trustees and, and I say that because they have budgets and they have you know varying different cost.

634

01:33:50.220 --> 01:33:52.590

Cooper City Hall: operating costs on on their administration.

635

01:33:54.930 --> 01:34:03.570

Cooper City Hall: I think, as a city, we should at least start with knowing who the trustees are on these plans, I mean to me it's irresponsible that we don't know the trustees.

636

01:34:04.080 --> 01:34:12.300

Cooper City Hall: I can tell you, I think it was Dick sharp who passed away and another trustee join the police pension somehow.

637

01:34:12.690 --> 01:34:25.380

Cooper City Hall: And I didn't ever see that that done through the city manager's office I think they the trustees just picked another person, and it was a citizen that position that was replaced so um.

638

01:34:26.700 --> 01:34:33.570

Cooper City Hall: yeah it's actually derelict of us to not know these multimillion dollar pensions who's running them.

639

01:34:34.650 --> 01:34:42.750

Cooper City Hall: And and and that brings up another point of the fire pension police pension i'd like to know who's on there who's running them minutes.

640

01:34:43.560 --> 01:34:55.500

Cooper City Hall: yeah we'll get that information we've got the information on it, and the other thing is, you know, the question I would like to find out like the managerial pension, I think that is a 187 That was a call one 178.

641

01:34:56.220 --> 01:35:03.690

Cooper City Hall: Somehow it's it's under the auspice of fire and police with it, where we get funding from the insurance revenue.

642

01:35:06.090 --> 01:35:13.320

Cooper City Hall: I could ask I don't know it looks like cheryl cheryl do you know that answer is the managerial pension plan.

643

01:35:14.520 --> 01:35:14.850

May.

644

01:35:15.900 --> 01:35:18.720

Cooper City Hall: One of the trustees is here, you may be able to speak to it.

645

01:35:22.980 --> 01:35:27.600

Cooper City Hall: Is is horatio the other trustee is no it's it's matt would.

646

01:35:31.050 --> 01:35:41.010

Cooper City Hall: Bring to 185 we want to you that you probably are governing police pension pants yes, is that isn't the managerial organized under 185 I honestly don't know.

647

01:35:43.890 --> 01:35:50.310

Cooper City Hall: It matt would there's never been removed, he replaced matt what I believe right, no, no, no, I replaced her ratio okay.

648

01:35:51.780 --> 01:35:57.510

Cooper City Hall: Well, so I just there's nobody left on the management plan active but me.

649

01:35:59.040 --> 01:36:05.310

Cooper City Hall: yeah so you were the only employee a qualified now I got it right, I mean yeah find another employed on the plan.

650

01:36:06.690 --> 01:36:22.140

Cooper City Hall: But I just think, at least from bookkeeping standpoint, we should have this stuff arm this isn't the trustees full time jobs, I know that so 175 dash 185 what 75 so firefighters, yes yeah I think it is organized under.

651

01:36:24.180 --> 01:36:32.850

Cooper City Hall: which may be because there was a police chief was in it, or the fire chief isn't I don't know, but we should at least know these things because we're receiving funds from the State.

652

01:36:33.990 --> 01:36:36.300

Cooper City Hall: Which if we're not in compliance with have to return it.

653

01:36:37.560 --> 01:36:47.010

Cooper City Hall: I don't know did the do these board to the pensions what department, what does it fall under for them was at the clerk's office that should have that information.

654

01:36:47.550 --> 01:36:56.850

Cooper City Hall: it's just between the clerk's office in finance department yeah I just think that we have to take a look, and maybe talk to the actual wary about what those.

655

01:36:58.170 --> 01:37:06.120

Cooper City Hall: You know results would be and talk about putting a some type of rules in place where you can't just roll in and get a double pension.

656

01:37:06.750 --> 01:37:18.030

Cooper City Hall: When the police had a thing, where they had unlimited drop there was no five years, so if you're in the city police pension would unlimited drop, and while you drop them simultaneously started building your frs.

657

01:37:19.440 --> 01:37:31.860

Cooper City Hall: So, and then you know what happened is everyone said oh it's not a big deal because we don't pay a fee so Facebook, they just put it on the bill and send it right back so that's what we you know, I think.

658

01:37:33.210 --> 01:37:38.280

Cooper City Hall: I think you've got direction at this point, but do you feel the need to make a motion.

659

01:37:38.520 --> 01:37:48.180

Cooper City Hall: For this, let me ask Jacob what we would need well it's a lot of good discussion a lot of direction to the manager if there's consensus, I would defer to the manager, to ensure that he has.

660

01:37:48.240 --> 01:37:54.360

Cooper City Hall: An understanding of what's expected from him, you know we certainly have some legal research to do, based on our discussion which will go ahead and proceed with.

661

01:37:54.720 --> 01:38:00.210

Cooper City Hall: But a lot of the information that commission's requested will come from the managers yeah I do need some clarification, so the.

662

01:38:01.140 --> 01:38:14.460

Cooper City Hall: The the the multipliers, I would like, well, I believe that the only one that will be worth spending any money on would be gap because right the other, the I think fires closed, I mean closing I don't have any active.

663

01:38:15.660 --> 01:38:24.000

Cooper City Hall: And the other two jobs, I have one in the police one ages out next month October and and like barely might be in the drop, I think.

664

01:38:24.720 --> 01:38:36.180

Cooper City Hall: I don't know, are you gonna drop yes so he's kind of close to you so they're all closed but gap gap would be only one where a multiplier would be applicable right, so you want to match the multiplier to it for us yeah i'd like to know what the actuarial effect of that would be.

665

01:38:38.040 --> 01:38:48.210

Cooper City Hall: And then, a confirmation from them that any change we did to the contribution would be \$1 for dollar well would that is that what we would need Jacob and we need to satisfy.

666

01:38:49.080 --> 01:39:00.720

Cooper City Hall: If we made a change and increase the contribution, I mean the short answer The short answer is that employee contributions generally can be increased prospectively we don't we know we're all looking backwards we're only looking towards the future.

667

01:39:01.440 --> 01:39:08.580

Cooper City Hall: But I think you're right, Commissioner, you mentioned essentially \$1 for dollar offset, which is what the law requires so, in other words, if an employee contribution.

668

01:39:08.880 --> 01:39:12.780

Cooper City Hall: were increased the employer contribution would decrease accordingly.

669

01:39:13.260 --> 01:39:15.870

Cooper City Hall: So there wouldn't be that offset and the amount that was contributed.

670

01:39:16.170 --> 01:39:23.550

Cooper City Hall: by the employer and based on the employee so to satisfy the the actual requirement before and implementation of it will just wanted the X Ray to review the proposal.

671

01:39:23.610 --> 01:39:29.520

Cooper City Hall: Make sure that they're on board with whatever the commission's recommending assuming the actuary it supports the conditions direction of illegal.

672

01:39:29.940 --> 01:39:40.020

Cooper City Hall: Okay, so I think those are the only two and then the other one would be and and I don't know if this requires on the wall Jacob, to have an actuarial evaluation of but.

673

01:39:41.790 --> 01:39:52.320

Cooper City Hall: Actually, stopping the rolling over rolling in the simultaneous I will say double dipping but I don't know if that would require the actuary, but we would like to do a little research on that work, I was one of the items I was referring to which will do.

674

01:39:53.220 --> 01:39:59.640

Cooper City Hall: Thank you, moving on to regular resolutions Item number 1021 dash 43 Jacob.

675

01:40:01.050 --> 01:40:05.280

Cooper City Hall: Thank you marry me one moment item 10 is a.

676

01:40:06.300 --> 01:40:17.700

Cooper City Hall: resolution to city commission to city to city Florida amending resolution 12 dash seven dash five, which was adopted on July 30 2012 eliminating the \$36,000 cap on non resident fees paid to the city by the.

677

01:40:17.940 --> 01:40:29.430

Cooper City Hall: city optimist Club to be used for the maintenance of the city sports facilities, establishing a \$50 per participant per sport registration fee and a \$15 field usage fee per participant per sport for non city residents.

678

01:40:29.910 --> 01:40:45.540

Cooper City Hall: Credit for conflicts provided for severability and providing for an effective, they are Thank you Thank you do have emotion, I had one a motion to approve with a and a revision amendment which.

679

01:40:46.770 --> 01:40:47.670

Cooper City Hall: You know I heard what.

680

01:40:48.990 --> 01:40:54.600

Cooper City Hall: Mr sod said, and I agree that that you can't have hard set rules, so I think that if i'm.

681

01:40:55.110 --> 01:41:03.000

Cooper City Hall: If the opposite is a program that's not able to meet the threshold that they can come, they should be able to come and ask for a waiver of the Covenant you know, for that.

682

01:41:03.690 --> 01:41:15.870

Cooper City Hall: You know that sport or whatever and that's done commonly and financing, you know you have financing terms, you must meet, and if you, for some reason default on a covenant, you ask for a waiver of it from your you know.

683

01:41:16.470 --> 01:41:26.190

Cooper City Hall: The financing entity so it's you know you can't have not sometimes things happen, so I think that we should amend the resolution to require.

684

01:41:26.700 --> 01:41:41.580

Cooper City Hall: or to allow for a waiver of a covenant, you know they can bring to the Commission now that way or the REC director, or whoever, we want to do it, what what you're talking about wave in the 70% or yeah and then it on a on an incident incident, you know a bit you know.

685

01:41:43.410 --> 01:41:56.250

Cooper City Hall: I don't have material basis you know you know i'm talking about a motion to approve with the understanding that the optimist would be able to come to the Commission requesting a waiver.

686

01:41:56.700 --> 01:42:07.980

Cooper City Hall: Of the 7030 requirement I just maybe we should ask I don't know Sam still here, and also, I don't know how cumbersome, that would be having to bring it to Commission We may want to make it.

687

01:42:08.310 --> 01:42:21.780

Cooper City Hall: I think we also meet with with the administration, I think we also well yeah we, we need to understand the 7030 because their understanding, is it aggregates, my understanding is it's for sport yeah I think it is.

688

01:42:23.040 --> 01:42:33.660

Cooper City Hall: It is, it is as a club as an aggregate not as I would think it would have to be perch board, this is where we're getting into an area that.

689

01:42:35.280 --> 01:42:42.810

Cooper City Hall: No, but that will be our if if you accept the amendment Oh, we don't know if we accept the minimum this isn't what's on the know this isn't it.

690

01:42:43.530 --> 01:42:52.980

Cooper City Hall: that's not on that, then then we're just voting you don't need to do that okay so we'll start from the beginning, do I have a motion to approve resolution 21 days 43 as written.

691

01:42:55.140 --> 01:42:56.520

Let me just.

692

01:42:59.490 --> 01:43:02.490

Cooper City Hall: make a motion with a friendly it was it was an amendment.

693

01:43:04.440 --> 01:43:04.740

To.

694

01:43:07.200 --> 01:43:11.520

Cooper City Hall: adopt the suggestions that Mr Assad proposed.

695

01:43:13.680 --> 01:43:16.500

Cooper City Hall: To them believe he suggested that.

696

01:43:17.790 --> 01:43:27.870

Cooper City Hall: Try to remember and what he suggested a phased out, which I think is what you will help me, it was a phase one phase to increase in fees non resident.

697

01:43:29.130 --> 01:43:40.080

Cooper City Hall: And resident fees and instead of the percentage we show, we should make it a goal, instead of a minimum.

698

01:43:41.850 --> 01:43:50.280

Cooper City Hall: What Sam, thank you for being here tonight, I had a great conversation with you on Friday I thank you for your time, and one thing I liked.

699

01:43:51.450 --> 01:44:05.010

Cooper City Hall: I really I really liked what you said that you wanted you in the club, you want to do a vigorous campaign to reach out to the schools to reach out to HR ways and really tap that Cooper city.

700

01:44:07.440 --> 01:44:22.290

Cooper City Hall: Cooper city children and try and yeah, the main thing is to get the kids involved when they're young when they're in great angle and Cooper city children, I mean that was first city, the three the three grades schools that we have here.

701

01:44:24.270 --> 01:44:42.300

Cooper City Hall: yeah and what were you what was your suggestion earlier that we go instead of 65 to start at 40 this year and then go to 65 next year that the the The discussion was on because we're we constantly run sports and we constantly.

702

01:44:43.410 --> 01:44:56.430

Cooper City Hall: You know we're just signing up for soccer now so we've already started but starting in 22 in the beginning of the year, make that a \$40 come combined fee so.

703

01:44:56.820 --> 01:45:03.570

Cooper City Hall: If you want to do 15 and 25 or how, however, you want to spend you said how many children would be how many registrations would be affected by this.

704

01:45:04.500 --> 01:45:15.120

Cooper City Hall: About 2800 i'm mistaken well it's yeah it would be the non resident portion it's probably 2500.

705

01:45:15.810 --> 01:45:35.220

Cooper City Hall: registrations and and I can appreciate that you know, and I also took the time to listen to read the Minutes and also listen to the finance advisory boards discussion on may 1 2019 and then some other ideas were thrown around at that point, some ideas that were substantially higher.

706

01:45:36.720 --> 01:45:48.870

Cooper City Hall: As far as you know what we're with the charge the the Ad of city residents and one thing that one thing I just want the residents to understand and the club provides a wonderful service to the community there's no question about it.

707

01:45:50.160 --> 01:45:57.900

Cooper City Hall: But we have and i'll give you an A, for instance at the new Parker flamingo West Park, we have artificial turf out there that's now in its third year.

708

01:45:58.620 --> 01:46:06.480

Cooper City Hall: That we're gonna have to replace at some point and I i've heard number six to eight years seven 810 years let's let's call it 10 years.

709

01:46:07.260 --> 01:46:15.450

Cooper City Hall: at a cost of probably upwards of \$3 million so that means, from this point into perpetuity, we have to put \$300,000 away just.

710

01:46:15.720 --> 01:46:21.360

Cooper City Hall: replace that turf that's not including the maintenance of the turf on an annual basis or the main you know the park maintenance.

711

01:46:21.690 --> 01:46:29.880

Cooper City Hall: So we're dealing with some heavy duty numbers here and thing i'd like to say about Cooper city we're small bedroom community with limited commercial development and that's a great thing.

712

01:46:30.450 --> 01:46:40.680

Cooper City Hall: The bad thing about Cooper city, you want to say it's a much should I wear a small bedroom community with very limited commercial development, so any any additional costs that are absorb.

713

01:46:41.100 --> 01:46:47.910

Cooper City Hall: absorb other city are falling on the backs of the residents, for the most part, because we are, what about 95 96% built out at this point.

714

01:46:48.450 --> 01:46:54.090

Cooper City Hall: So I just want the residents to be to be cognizant of that fact, as we move forward and decide what the set this.

715

01:46:54.330 --> 01:47:06.450

Cooper City Hall: This fee add yeah Having said that, and bear with me for a moment we do not have a motion pending and need a motion now I mean now hold on yeah now now, I have a motion by commissioned to pull cine.

716

01:47:07.290 --> 01:47:17.820

Cooper City Hall: Amending the resolution to include the phased approach correct Okay, I do not have a second on that i'll second that Okay, now we have a second now.

717

01:47:18.480 --> 01:47:29.580

Cooper City Hall: commissionable genie and, as I said, let me let's let's work together to start a new phase with a between the optimism, the city working together and.

718

01:47:30.180 --> 01:47:42.600

Cooper City Hall: You know we'll get to increase fees as working with the Community understands that we have expenses and they they know they want the parks, as much as we do, and they need them, they use them so.

719

01:47:43.560 --> 01:47:51.210

Cooper City Hall: You know, we need, we need the funds to maintain the parks and they're going to help us get the funds from non resident so we're working together on it.

720

01:47:51.750 --> 01:48:02.460

Cooper City Hall: Okay, so let's work together, thank you mentioned john well this resolution we're running in does mention it, the 70% I know it does where's where's.

721

01:48:04.770 --> 01:48:13.350

Cooper City Hall: I know it does and i'm gonna have my comments, but so we do need to vote Okay, so if this is relevant for tonight, then I.

722

01:48:14.430 --> 01:48:31.830

Cooper City Hall: I apologize, I was looking at the Stat the part portion of the resolution on the staff report i'm sorry I do apologize, and so, with that being there, I would, I think there are times, where well one, I think it has to be by sport I don't think you can do it, you know.

723

01:48:33.330 --> 01:48:45.600

Cooper City Hall: I don't think you do as a club that because that you know, the point is like I don't really care what the resident rate is on basketball if they're using other facilities, not the city's facilities, we really care about.

724

01:48:46.110 --> 01:49:03.660

Cooper City Hall: Where we're having input direct money but um I think i'd be by sport and if you have sports like girls softball, which is very rarely is going to be able to meet meet it but they're also not running a huge program I think that the Commission should, should you know wave that covenant.

725

01:49:05.280 --> 01:49:21.750

Cooper City Hall: And you know so, but how does that work practice well practically Look, we have it's kind of a slippery slope or skating on by doing this because we have to be cognizant and again it's no knock on the club, but Sam as we discussed it we've discussed this in the past as well, we have.

726

01:49:23.400 --> 01:49:33.960

Cooper City Hall: were significantly less Cooper city children participating and children from other communities participating and while by charging this this additional fee it's going to help to offset some of those.

727

01:49:34.980 --> 01:49:45.150

Cooper City Hall: Maintenance fees, if you will, and not to mention capital capital replacement she's moving forward, but it's not it's not it's not the end all.

728

01:49:46.290 --> 01:49:46.620

Cooper City Hall: But.

729

01:49:48.750 --> 01:49:55.860

Cooper City Hall: Still, something we have to really be, we have to be careful about because Cooper city and again we spoke about this on Friday Cooper city is getting older.

730

01:49:56.910 --> 01:50:04.920

Cooper City Hall: we're definitely getting older and I don't know if you're going to find that those additional children that you know, to participate in the programs and Cooper city.

731

01:50:06.690 --> 01:50:10.560

Cooper City Hall: What do you have I did pull the the census data from.

732

01:50:13.860 --> 01:50:17.670

Cooper City Hall: yeah from 2010 by by year through.

733

01:50:21.270 --> 01:50:38.070

Cooper City Hall: ages five through 19 which would be the total range that we really serve in 2010 it was 73 7300 kids 26 that's 26% of the total population, which was at 28,006 and.

734

01:50:39.990 --> 01:50:54.120

Cooper City Hall: We have 8164 but it's 23% right because we have more significantly more people in this city than we had in 2010 because of the additional Montana right, but you know what what what I was looking for is.

735

01:50:54.480 --> 01:51:22.020

Cooper City Hall: How many kids do we have ages five through 9 10 through 14 and then 15 through so you said we had 70 370 305 to 19 years old 70 302,000 10 right of how many total residents 28,600 and in 2019 35,500 residents with 80 164.

736

01:51:23.550 --> 01:51:38.610

Cooper City Hall: yeah so that means it was so we added we added about 800 children out of 7000 residents that's around 11%, so we are getting older and I think I think I really think once we see the census numbers come out from 2020 that it'll bear out.

737

01:51:39.930 --> 01:51:42.510

Cooper City Hall: The only thing i'm saying is the only thing i'm saying is.

738

01:51:43.710 --> 01:51:56.790

Cooper City Hall: As a as a Commission, we have to be cognizant of where the money's going to try and, in other words if CDs getting older, maybe we need to dedicate a little little bit more of that budget money to the older residents.

739

01:51:57.810 --> 01:52:04.650

Cooper City Hall: Sure, which is why we're trying to capture some of the some of the expenses through these through these fees right but.

740

01:52:05.130 --> 01:52:13.050

Cooper City Hall: You know the the city's going to grow or not grow but change and the real goal is to.

741

01:52:13.890 --> 01:52:26.580

Cooper City Hall: To come here, raise your family send them to school put them in the sports and then, once your kids are gone you're going to move out and somebody else with moves out man no super city come back to live here it's it's.

742

01:52:27.180 --> 01:52:39.090

Cooper City Hall: Well, you know we came back yeah but ultimately that's going to happen at at some point, I mean we all love the city will will stay here and retire but.

743

01:52:39.900 --> 01:52:57.750

Cooper City Hall: What what's good for a city is attracting young families, having them come in fix up their houses and those those families, they want schools and they wants us some recreation, for their kids I mean, I know, myself and a number of the the optimist resin.

744

01:52:58.830 --> 01:53:10.170

Cooper City Hall: Volunteers that are here when we moved into Cooper city, you know we drove by and we looked around and the sports program I know with me, I went by the sports complex.

745

01:53:10.680 --> 01:53:29.220

Cooper City Hall: If I didn't see a sports complex, you know I probably would have kept on looking so because you need something for those kids and you need something to market, the city and make people want to live here, so I think the program is important here's here's some concerns that I have.

746

01:53:30.720 --> 01:53:42.930

Cooper City Hall: And and Jacob correct me if i'm wrong, but the way i'm reading the resolution establishes a \$50 per participant purse for registration and.

747

01:53:43.380 --> 01:53:56.850

Cooper City Hall: A \$15 field usage so we're talking \$65 what the Commission and commissionable jeannie I believe you said you wanted it with the phased approach, which was a \$40 total.

748

01:53:57.330 --> 01:54:07.980

Cooper City Hall: So we're doing without \$25 Am I correct no I think we're going to lower the 5240 well 65 that's my point now what numbers are we dealing.

749

01:54:09.930 --> 01:54:28.290

Cooper City Hall: With the recommendation is to impose a \$50 per participant per sport fee, plus a \$15 field usage fee per sport, so it is in fact \$65 per support, as drafted, however you're saying change the 5240 keep the 15th.

750

01:54:29.970 --> 01:54:42.630

Cooper City Hall: And and and my 25 yes now yeah on the on the optimist, it was \$15 field usage and \$25, is why I like clarity yeah no my my comment was a combined fee.

751

01:54:43.170 --> 01:54:48.840

Cooper City Hall: Because Whether you call it a field usage fee or non resident the you're getting one check.

752

01:54:49.620 --> 01:55:02.430

Cooper City Hall: yep yeah no I was just going to clarify because we went we went through this this morning, so we were looking at in January of 2022 the total fee would be \$40 25 registration fee, and then the \$15.

753

01:55:03.870 --> 01:55:04.980

Cooper City Hall: The \$15.

754

01:55:06.420 --> 01:55:14.040

Cooper City Hall: bill, yes, I feel the usage fee, and then in January of 2023 it would be a total of 50 \$50.

755

01:55:15.480 --> 01:55:31.800

Cooper City Hall: And, and then in January of 24 we would evaluate during that year, and then we would bring it up to 60 that full \$65 so it'd be a three year space in a pro starting at 4050 and then 65 what was the point of the bifurcation.

756

01:55:34.950 --> 01:55:37.980

Cooper City Hall: Does anyone know what do you mean what why Why was this.

757

01:55:39.270 --> 01:55:45.630

Cooper City Hall: Oh, the 15 today represent oh um I think in in in the initial.

758

01:55:47.250 --> 01:55:56.130

Cooper City Hall: works that they had they were planning on charging all all registrations, a field usage fee of like \$5 or something and.

759

01:55:56.880 --> 01:56:03.090

Cooper City Hall: You know, we kind of said well the I believe they looked at the fact that the residents pay taxes.

760

01:56:03.570 --> 01:56:14.670

Cooper City Hall: You know, aside from the 8000 kids who are eligible to play it's also those those parents to so they already pay taxes, what was the finance and why we.

761

01:56:15.000 --> 01:56:27.690

Cooper City Hall: recommend any recommendation was 15 and 15 answered, I thought at the end of the day to day lives up there was a lot of support listen, there are a few Members I listened to the tape today, they were talking \$200 coral springs those 100.

762

01:56:28.860 --> 01:56:31.290

Cooper City Hall: It was one of the municipality that was up there as well.

763

01:56:34.200 --> 01:56:51.090

Cooper City Hall: Whatever quantity, reducing the 80 \$200 range not mistaken, I believe that some of those programs that have a higher non resident fee they don't have as many sports and things like that so really those non residents are geared towards well, but they also well.

764

01:56:52.680 --> 01:57:00.900

Cooper City Hall: Again city is we we don't have the commercial development client says we certainly don't have with coral springs has.

765

01:57:04.290 --> 01:57:10.590

Cooper City Hall: pulling up to the residence, I just want everybody before we before we make an important decision to be cognizant this fact.

766

01:57:10.980 --> 01:57:15.060

Cooper City Hall: Well, and the fact that we need new artificial turf.

767

01:57:15.480 --> 01:57:28.350

Cooper City Hall: Nothing nothing, nobody and Joe we haven't we haven't put anything aside for that Am I correct that's correct you're going to be looking at upwards of \$300,000 a year between now and the end of time that's one of my concerns are but i'm not done oh.

768

01:57:29.160 --> 01:57:45.150

Cooper City Hall: No My other concern is as a lawyer there's a major difference between the word shall and may there's a major difference between minimum and goal goal is a nice way of saying i'm going to try.

769

01:57:46.710 --> 01:57:49.710

Cooper City Hall: I may reach it, I mean not where you.

770

01:57:51.600 --> 01:57:58.140

Cooper City Hall: pontificate as to where you're at it, what what they are yeah it's on the 7030.

771

01:57:59.790 --> 01:58:07.800

Cooper City Hall: And my my difficulty and i've gotta be honest with you, I make when I talk to you and I talked to.

772

01:58:08.910 --> 01:58:14.730

Cooper City Hall: A peak and I talked to you and I don't I don't change very consistent that flag, football is of concern.

773

01:58:16.080 --> 01:58:18.630

Cooper City Hall: yeah I did not play football sorry.

774

01:58:20.010 --> 01:58:33.030

Cooper City Hall: tackle football is of concern, Michelle does a great job she really does no one takes it away from her, and I say it out there, I say it out loud, no one takes away what the optimist does you know candidly wonderful Program.

775

01:58:34.350 --> 01:58:39.450

Cooper City Hall: And i'm still looking at residents saying to me but we're paying.

776

01:58:40.470 --> 01:58:46.530

Cooper City Hall: For these fields, so that other people outside of Cooper city can come in and play.

777

01:58:47.580 --> 01:59:03.300

Cooper City Hall: And i'm trying to defend it by saying we have a 7030 and you know it pete knows it I know it and m is wise knows it were a good never to my knowledge, ever enforced the 7030 Am I correct.

778

01:59:04.770 --> 01:59:09.180

Cooper City Hall: Word enforced never forced to write well what's the current breakdown.

779

01:59:10.350 --> 01:59:14.400

Cooper City Hall: it's not 7030 what is it today, so what the current breakdown.

780

01:59:15.660 --> 01:59:31.890

Cooper City Hall: The current your current breakdown for the close of this year was for the whole club well but aggregate then i'm going to ask you itemized list 5446 wow, which is of presidents and what does it itemized.

781

01:59:33.600 --> 01:59:35.100

Cooper City Hall: Her spark please.

782

01:59:38.340 --> 01:59:44.010

Cooper City Hall: flag football 5446 reset station after you you.

783

01:59:45.150 --> 01:59:45.960

Cooper City Hall: say all this would you.

784

01:59:47.370 --> 01:59:55.980

Cooper City Hall: Give us your we get a copy of it yeah absolutely keep in mind that this is great speaking to my police in oh keep in mind that these are.

785

01:59:56.430 --> 02:00:11.730

Cooper City Hall: The the poet years last year and this year are our numbers are down, particularly for Cooper city Cooper city residents, so what Why would they be Why would you have.

786

02:00:13.350 --> 02:00:17.220

Cooper City Hall: We work are we more cup coven we don't know.

787

02:00:18.240 --> 02:00:24.210

Cooper City Hall: We don't know where we're looking into it'd be parents are concerned and didn't want to put the kitchen play, you will but.

788

02:00:26.130 --> 02:00:30.960

Cooper City Hall: i'm sorry I don't know who's talking but we're up here not allowed, thank you.

789

02:00:34.320 --> 02:00:34.710

Okay.

790

02:00:36.120 --> 02:01:03.510

Cooper City Hall: Good were horrible numbers I don't care if you have 2018 2000 I do, I have the total club numbers, starting with 2015 2016 it was 6634 2016 2017 it was 6337 2017 2018 it was 60 430-620-1820 1961 39 and last year.

791

02:01:04.620 --> 02:01:14.220

Cooper City Hall: which was the beginning of coven it was 5743 those are total club numbers do you have the before coven individual yes, I do.

792

02:01:16.380 --> 02:01:20.520

Cooper City Hall: Specific year that you're looking for most recent 2008.

793

02:01:21.690 --> 02:01:28.830

Cooper City Hall: I actually think would be right 20 weeks Kobe that would be 2018 2019 okay.

794

02:01:31.440 --> 02:01:46.050

Cooper City Hall: Like football 6337 baseball 6139 softball 4654 basketball many season 5644 go back on on robust sorry to back.

795

02:01:47.220 --> 02:01:51.270

Cooper City Hall: baseball so yeah 339 baseball was 6139.

796

02:01:55.230 --> 02:01:55.980

Cooper City Hall: softball.

797

02:01:57.000 --> 02:01:58.230

Cooper City Hall: 4654.

798

02:02:02.490 --> 02:02:07.980

Cooper City Hall: basketball many 5644.

799

02:02:09.960 --> 02:02:10.860

Cooper City Hall: volleyball adult.

800

02:02:15.000 --> 02:02:17.220

Cooper City Hall: soccer 6535.

801

02:02:20.640 --> 02:02:25.020

Cooper City Hall: baseball 5941 softball 5050.

802

02:02:27.720 --> 02:02:29.640

Cooper City Hall: played football youth.

803

02:02:33.840 --> 02:02:36.270

Cooper City Hall: volleyball adult 7327.

804

02:02:38.670 --> 02:02:41.340

Cooper City Hall: Five verse five soccer 6733.

805

02:02:43.470 --> 02:02:44.100

Cooper City Hall: basketball.

806

02:02:46.620 --> 02:02:49.080

Cooper City Hall: volleyball adult 6337.

807

02:02:50.760 --> 02:02:52.350

Cooper City Hall: volleyball youth 7030.

808

02:02:53.970 --> 02:02:57.900

Cooper City Hall: And I regretfully don't have numbers reported for tackle football or cheerleading for that year.

809

02:03:01.590 --> 02:03:37.980

Cooper City Hall: station, would you also happen to have the number of registrations for each of the years 1516 through 2021 yes for 2015 2016 total number of registrations was participants was 5120 2016 2017 5412 2017 2018 6013 2018 2019 6220.

810

02:03:39.030 --> 02:03:52.350

Cooper City Hall: And that is without tackle football and cheerleading numbers recorded why aren't you know those numbers include tackle football trillion just that, one year just that, one year for like why aren't they reporting I don't know why don't we demanding it.

811

02:03:54.090 --> 02:03:56.340

Cooper City Hall: I don't know why those numbers weren't reported that year.

812

02:03:57.900 --> 02:04:05.760

Cooper City Hall: I don't I don't know i'm sorry 1920 1920, which was the beginning of coven 4192.

813

02:04:07.110 --> 02:04:12.540

Cooper City Hall: And this year this season wrapped up with 4789 or 789 Okay, thank you.

814

02:04:16.800 --> 02:04:17.490

Cooper City Hall: So those.

815

02:04:19.800 --> 02:04:27.990

Cooper City Hall: Those are my concerns and you've heard it and it was, I think one time with the adult volleyball that they exceeded 7030.

816

02:04:29.790 --> 02:04:31.980

Cooper City Hall: We have never enforced to 73rd.

817

02:04:33.180 --> 02:04:38.160

Cooper City Hall: If we don't keep it at that and we allow it to go lower.

818

02:04:39.180 --> 02:04:40.020

Cooper City Hall: Why even happen.

819

02:04:42.360 --> 02:04:49.770

Cooper City Hall: Because I look at it candidly as it's important to allow non participants why because.

820

02:04:50.670 --> 02:05:00.600

Cooper City Hall: You know the those scenarios where kids always are here, for whatever reason, maybe to live with grandma grandpa maybe they go to school, here they make all their friendships so they're coming here to play.

821

02:05:01.770 --> 02:05:16.590

Cooper City Hall: Other reasons, you know neighboring cities love our Community come here to play live airfields come here to play it's important that we maintain the sports so that it's accessible to our residents.

822

02:05:18.270 --> 02:05:20.940

Cooper City Hall: Having said that, it's also important that.

823

02:05:21.960 --> 02:05:34.680

Cooper City Hall: The fair share be paid by the non residents, because our residents can't keep footing the bill for what I now call a county Park, which is, let me go park West.

824

02:05:36.420 --> 02:05:38.280

Cooper City Hall: Because it's rare.

825

02:05:39.750 --> 02:05:49.470

Cooper City Hall: i'll say it in different terms it's more often than not, when I go there, that I see non Cooper city people on the fields, and I see Cooper city people.

826

02:05:51.330 --> 02:05:59.100

Cooper City Hall: it's great that we can rent it occasionally it is it's not what I call revenue producing, but we do make a few bucks from that.

827

02:05:59.940 --> 02:06:21.570

Cooper City Hall: it's more important to focus on the optimist program what they do for the Community, and again I think it's great pete I think it's great that you left something undone so that Sam has something to strive towards it's always good that way you leave things to have others do.

828

02:06:22.860 --> 02:06:27.060

Cooper City Hall: You have a lot of things to do and that's a good thing.

829

02:06:28.080 --> 02:06:48.990

Cooper City Hall: But having said that, we up here our duty to the residents and i'm talking to the kids and to the parents and we have to think of the non-residents, we have to think of the artificial turf, we have to think of minimums trying goals shall may we have to all do it.

830

02:06:52.080 --> 02:06:53.790

Cooper City Hall: Tonight, because we have emotion.

831

02:06:57.270 --> 02:06:59.670

Cooper City Hall: Mr Chris Mayer, if I if I could suggest, something that.

832

02:07:01.410 --> 02:07:12.690

Cooper City Hall: I know we can deal with the the resolution, this evening, but we probably we probably need to workshop this because you know we did have the the contract that we negotiated.

833

02:07:13.800 --> 02:07:18.270

Cooper City Hall: And then there was probably not the time to bring the contract forward.

834

02:07:18.780 --> 02:07:30.480

Cooper City Hall: And now we you know we have this resolution we have other issues that we need to talk about but probably just deal with the issues and the resolution tonight, and then we can we can workshop, and maybe if we need to, we can then modify.

835

02:07:32.190 --> 02:07:40.380

Cooper City Hall: Well, Tony i'm sorry the participation amounts are listed in this resolution, I know the 70% is so we bifurcated and just deal with the financial.

836

02:07:41.610 --> 02:07:48.840

Cooper City Hall: issue, if I may just with regards to that the the participation that is referenced it really just as a reference point.

837

02:07:49.050 --> 02:07:57.210

Cooper City Hall: it's not part of the substantive body, the resolution, the resolution from an operational standpoint really does two things it eliminates the \$36,000 CAP.

838

02:07:57.630 --> 02:08:16.680

Cooper City Hall: And it imposes the non resident fees and the Commission can decide whether those views would be on a scale basis, as discussed it can be flat rate, as proposed, and ultimately that the decision for for the Commission, yes stacy's recommendation on the difference in the fees.

839

02:08:25.350 --> 02:08:27.090

Cooper City Hall: it's a really hard question to answer.

840

02:08:28.590 --> 02:08:29.730

Cooper City Hall: What do you want to wear.

841

02:08:32.130 --> 02:08:33.360

Cooper City Hall: recreation director hat.

842

02:08:34.740 --> 02:08:37.920

Cooper City Hall: I did go back and I actually did find the spreadsheet that does have the.

843

02:08:39.360 --> 02:08:46.650

Cooper City Hall: tackle football and cheerleading numbers in there, I do apologize for that so just for clarification those numbers.

844

02:08:47.700 --> 02:09:03.420

Cooper City Hall: Were 2278 for tackle football and cheerleading was 5050 with the total partitas total participate total participant percentage meaning 6509 participants.

845

02:09:05.760 --> 02:09:08.670

Cooper City Hall: With regards to Commissioner shouters question.

846

02:09:10.140 --> 02:09:25.020

Cooper City Hall: I mean I I do understand that we are still in coven and I do understand and appreciate that families are doing their best and they were deeply impacted by that I do also understand the city's position of where we're at with the fields and everything so it's a very.

847

02:09:26.610 --> 02:09:36.900

Cooper City Hall: Hard question to answer well our recommendation is because we went we did discuss this, this evening, this morning with the up with our recommendation is to is to.

848

02:09:38.580 --> 02:09:47.100

Cooper City Hall: is to have a staged approach to this because of the impact that that the optimist told us have would have know what did we agree with what's that's what's an amount.

849

02:09:48.450 --> 02:10:06.150

Cooper City Hall: Of the amount that we talked about today would be \$40 in in fyi 22 or i'm in starting January 20 total total Okay, so are you still doing a 2525 15 yeah and the only reason we We broke it down like that is, we want to make sure that we are capturing.

850

02:10:07.320 --> 02:10:18.150

Cooper City Hall: What we're going to definitely put towards you know feel the usage fee so that's why you know that \$15 each time we know we're going to be putting aside for field use it it's not just direct revenue.

851

02:10:19.320 --> 02:10:28.560

Cooper City Hall: When you feel maintenance on sorry make the future millions so that's only for maintenance is that are you arguing that that's going to be for artificial turf.

852

02:10:31.050 --> 02:10:39.330

Cooper City Hall: Well it's us it's for all of our fields, so it would be put into that we could set aside that for for artificial turf.

853

02:10:40.920 --> 02:10:41.910

Cooper City Hall: We could do that.

854

02:10:43.410 --> 02:10:51.630

Cooper City Hall: Or we could we could determine how much of the of the registration fee and the field usage fee each year would be put towards our artificial turf, but we want to.

855

02:10:51.870 --> 02:10:59.490

Cooper City Hall: At least capture the \$15 and set that aside for maintenance fields hey I do have a question Jacob for clarification.

856

02:10:59.820 --> 02:11:17.460

Cooper City Hall: If the resolution was voted on tonight to agree on the total fee of \$40 that was collected by the optimist and we did agree to workshop it, we can revisit those fees down the road again absolutely the resolution always be amended sub 20 in the future sure what would it i'm.

857

02:11:18.870 --> 02:11:38.700

Cooper City Hall: 41 of your songs don't the only 65 sounds good yeah well I only Joe i'm not understanding, something you this has been on for two weeks, you talk to the optimist yesterday or today and decide let's not go with 65 let's go with 40 aggregate.

858

02:11:43.230 --> 02:11:53.010

Cooper City Hall: I guess, my question is when the resolution was prepared and I don't remember this so i'm asking who determined it to be.

859

02:11:54.180 --> 02:12:04.290

Cooper City Hall: The 65 as opposed to what you're recommending to the sick, the 65 was what what we had negotiated in the contract, so if we had brought in the contract forward.

860

02:12:05.610 --> 02:12:15.630

Cooper City Hall: But a year or so ago, then that that's what it would have been in the contract and so because of covidien timing, we didn't bring it forward.

861

02:12:17.040 --> 02:12:25.410

Cooper City Hall: And what we've been charging it's last year \$15 we collect \$15 for each non resident per sport.

862

02:12:26.790 --> 02:12:27.360

Cooper City Hall: And that's it.

863

02:12:33.570 --> 02:12:37.410

Cooper City Hall: And i'm missing something, what do you miss it.

864

02:12:38.520 --> 02:12:49.050

Cooper City Hall: Would it so if you were a non resident you only pay \$15 they there's a \$30 charge to the club that the club charges.

865

02:12:50.220 --> 02:13:04.620

Cooper City Hall: In the city collects the 15 Sam can speak to the other 15 arts and let me just understand this what you had was \$30 half goes as a non resident fee to the city, what does a resident pay.

866

02:13:05.850 --> 02:13:22.230

Cooper City Hall: A resident pays the the the registration fee only, although that register that \$15 that that non resident off also would go into the revenue for that sport, so the residents were actually paying a little bit less.

867

02:13:23.910 --> 02:13:38.280

Cooper City Hall: An answer my questions i'll ask it again, what is your reason and pay, well, it depends on what sport, they pay the registration fee is like a 140 might be 160 it depends upon this war Okay, so what I want to hear, then, is.

868

02:13:39.240 --> 02:13:45.930

Cooper City Hall: For the sport and I don't care what sport, though resident pays 150 average okay.

869

02:13:48.180 --> 02:13:59.460

Cooper City Hall: A non resident gets to play here for \$15 plus another an extra 15 over and above the same registration fee.

870

02:14:01.020 --> 02:14:06.330

Cooper City Hall: That that originally dollars over the registration fee right that a resident what bay.

871

02:14:08.580 --> 02:14:11.970

Cooper City Hall: Okay, now that would be going to \$40.

872

02:14:13.590 --> 02:14:14.460

Cooper City Hall: um.

873

02:14:23.790 --> 02:14:30.180

Cooper City Hall: they've had a year that we haven't upgraded it men, we haven't upgraded how many years.

874

02:14:32.040 --> 02:14:45.600

Cooper City Hall: The last resolution was amended in 2012 remember that's 2019 we established a finance advisory board right they they were tasked with this and they actually when it it's very good conversation came up with a recommendation.

875

02:14:46.410 --> 02:14:59.880

Cooper City Hall: And then, because of covert I have to believe we just back on fact off, yes, so what was their recommendation I believe it's 1515 right, which is what the resolution said right there was 15 sample.

876

02:15:00.930 --> 02:15:19.560

Cooper City Hall: But that was a four to three vote is 50 total as a four to three vote for the remote and 5050 total it was like 35 and 15 argument's sake, what was 35 and 15 what the financial board okay recommend it, I thought it was 15 and 15.

877

02:15:20.700 --> 02:15:30.060

Cooper City Hall: where's David know when you need them, it was it was 50 and it there wasn't a field usage fee if i'm correct Okay, we added on the field uses for you guys okay.

878

02:15:33.450 --> 02:15:40.170

Cooper City Hall: i'm sorry, let me just say one thing you attempted to say something, but we couldn't hear you because you weren't at podium.

879

02:15:50.310 --> 02:16:02.040

Cooper City Hall: Just a reminder that our numbers changed in 2019 and 20 because other cities didn't offer sports we work for months.

880

02:16:02.520 --> 02:16:24.780

Cooper City Hall: With Stacy and her crew, to come up with protocols, so that we could offer kids programs and and thank God we did kids came out to the fields and play and also please remember at mutual agreement, we agreed that the city, no longer had to pay us a \$36,000 contribution towards our expenses.

881

02:16:25.800 --> 02:16:28.380

Cooper City Hall: So the \$15 helps offset.

882

02:16:31.230 --> 02:16:40.950

Cooper City Hall: That was not a resolution that was a mutual agreement that we came and I think that's why we've not had the contract renewed because we have been understand.

883

02:16:42.210 --> 02:16:59.460

Cooper City Hall: And we had an understanding that we don't enforce the 7030 but we like it there, and there were there were a lot of items mayor in that contract of a lot of know that items question for you, because you do an aggregate Lee is the coop city optimists.

884

02:17:00.900 --> 02:17:04.800

Cooper City Hall: One entity or is each of the sports a separate entity.

885

02:17:07.320 --> 02:17:25.830

Cooper City Hall: We are one entity, offering many sports an answer my question, so let me, let me itemize it for you do, you have one corporation, that is different than any other for any other of this for any overages just one one corporation that's what I needed to hear, thank you.

886

02:17:28.680 --> 02:17:31.950

Cooper City Hall: Well we've got the motion with a phased approach.

887

02:17:33.090 --> 02:17:44.550

Cooper City Hall: And I believe Commission pulcini you were at the total of 40 if i'm not mistaken, I was at 40 plus 15 oh 40 Pacific okay.

888

02:17:47.130 --> 02:18:01.980

Cooper City Hall: Is there anything else that anyone wants to do yeah you guys okay with going with the 50 total that the finance board recommended, which is \$15 short of what you guys negotiated.

889

02:18:04.710 --> 02:18:05.010

When.

890

02:18:08.520 --> 02:18:20.520

Cooper City Hall: You know, when you say 50 total that would be 35 plus 15 yeah, however, they want to get to it, but they said that the the finance board recommended a total of 50 ultimately they negotiate 65 and the contract where.

891

02:18:20.940 --> 02:18:34.500

Cooper City Hall: What if we started with the what, how is that I mean we would like to phase it in if we could for, for obvious reasons what's going on out there who knows if this code stuff is going to be over in 2022 or not.

892

02:18:36.210 --> 02:18:44.520

Cooper City Hall: When we sat down with with Joe and the team, you know we said look, will it will agree to automatically increase it year two.

893

02:18:45.120 --> 02:19:01.020

Cooper City Hall: And if it's not working come your three will increase it again so we're saying you know, will help the city help us remember, I mean it's it's never I think we agree on this, the the the stem right with you on that, but it's the numbers that are start what.

894

02:19:02.580 --> 02:19:19.740

Cooper City Hall: Are you proposing instead of 40 5065 are you saying 52 years are you saying 50 6070 when you starting at a 50 what is it that you have only go 5065 the second year and then we'll just re evaluate from there.

895

02:19:21.750 --> 02:19:34.140

Cooper City Hall: Are you saying 50 plus 15 total you can read break it out by follow whatever you want \$50 totally coming back to the city well that's different than what the motion maker me well, I accept the amendment.

896

02:19:36.180 --> 02:19:40.710

Cooper City Hall: I have to point everything out so we're all on the same team nice 5065.

897

02:19:43.350 --> 02:19:53.940

Cooper City Hall: I mean it's just in all honesty it's a big step it's a lot of money for a family, that is, think about a family's got three kids playing in two different sports.

898

02:19:54.270 --> 02:20:05.970

Cooper City Hall: or it's a big nut that you're asking them to absorb right away, but not you always thought that you've negotiated 65 it's a it's kind of \$15 No, this is Mike Russo.

899

02:20:06.480 --> 02:20:17.700

Cooper City Hall: 2510 Ambassador entered into the Mike Mike Russo 2510 Ambassador happening throughout the throughout the two and a half years that i've been part of negotiating the the agreement.

900

02:20:18.270 --> 02:20:25.290

Cooper City Hall: We didn't really agree to \$65 we were forced into the \$65 by.

901

02:20:26.220 --> 02:20:35.790

Cooper City Hall: That point at least makes more sense i'm trying to figure out how are we, there was, we were not given an option to what we're doing now to come in front and and talk about it and.

902

02:20:36.090 --> 02:20:46.320

Cooper City Hall: negotiate, we said that was that was what we had to pay when that was a great man, thank God, that all went away well we're basically what we are asking is really.

903

02:20:47.010 --> 02:20:56.970

Cooper City Hall: 40 if you take the \$36,000 that we already not receiving we're going to give you the 15,000 we're not keeping already plus the \$40.

904

02:20:57.540 --> 02:21:11.670

Cooper City Hall: That we are going to give you for the club it's it's a big hit because we still have to somehow make up for that \$15 that we're not keeping internally, so I have a question hi Mike how are you good how you doing Sir good good Thank you.

905

02:21:13.110 --> 02:21:25.080

Cooper City Hall: when's the last time these these non resident fees were addressed, I noticed before my time, but you guys remember the last time there was a change made to the non resident registration fees.

906

02:21:26.370 --> 02:21:34.350

Cooper City Hall: And I don't either, but my point is this is something that should have been done a long time, we should have been stepping over the year stack up over the years, it will tend to, we have to agree to that.

907

02:21:34.710 --> 02:21:39.600

Cooper City Hall: And here we are at this juncture once again it's sitting in our laps and yeah what do we do yeah.

908

02:21:41.010 --> 02:21:45.150

Cooper City Hall: You know, and again, one of the things that we need to take into consideration.

909

02:21:45.600 --> 02:21:53.520

Cooper City Hall: And, and I appreciate that we're not talking about the percentages, right now, because I think that is a big discussion that we need to have later on.

910

02:21:54.060 --> 02:22:10.920

Cooper City Hall: But if the if you guys really work with us on that 40% and the \$40 right now, it will really help us because, like, I was saying we have that \$15 right now that we keep that also we have to answer for us internally for the sports, Commissioners, it is a \$55.

911

02:22:12.420 --> 02:22:14.550

Cooper City Hall: increase and the cost.

912

02:22:16.680 --> 02:22:24.840

Cooper City Hall: of not having that in there, so we can do it, little by little, so they can work work it out into their budgets and rearrange everything so.

913

02:22:25.290 --> 02:22:40.080

Cooper City Hall: was a 15 hours losing that remember that we out of the 30,000 we collect we give the city 15 and this point Board and the board to give the 15th time you said something before and i'm still unsure So when I asked.

914

02:22:41.730 --> 02:23:00.240

Cooper City Hall: What the residents pay versus what the non residents pay, I heard someone whispering they only pay \$15 more what that's not what what we are doing tonight for argument's sake you're asking is for a \$40.

915

02:23:01.320 --> 02:23:13.230

Cooper City Hall: Quote unquote could be 25 plus 15 registration fee to the city that we're going to give to this not talking me talking to Sam I thought sorry okay so Sam.

916

02:23:14.580 --> 02:23:23.430

Cooper City Hall: What was it that he said because I heard it was like 150 or some kind of registration fee okay.

917

02:23:24.510 --> 02:23:31.320

Cooper City Hall: The Non resident fee is above a registration fee that everybody pay the current.

918

02:23:32.070 --> 02:23:53.940

Cooper City Hall: Non resident fee \$15 is going to the city, the other \$15 is going into the revenue for that sport and that keeps the registration fee down because the revenue, there is there to cover the cost in there now i'm down to 3030 so in order for a child to play.

919

02:23:55.290 --> 02:24:04.560

Cooper City Hall: resident 30 bucks non resident, no, no, no non resident I said virginity right, the only thing in the 30s or no yeah cause anybody to play.

920

02:24:05.670 --> 02:24:07.860

Cooper City Hall: And i'm still trying to figure out an ad for.

921

02:24:08.910 --> 02:24:17.340

Cooper City Hall: You and I explained, I know your question can I explain it sure okay so let's say baby i'm going to play baseball i'm a super secret recipe.

922

02:24:17.850 --> 02:24:38.910

Cooper City Hall: i'm going to pay \$160 \$180 whatever the fields, depending on the age group, that is, if I am not a Cooper city resident, I am going to pay that hundred and \$80 \$160 plus a \$30 fee so out of that \$30 fee that we collect for food and behalf of the city.

923

02:24:40.110 --> 02:24:48.930

Cooper City Hall: We we had an agreement that city that we were going to keep \$15 and we were going to hand over and we've been doing that religiously.

924

02:24:50.310 --> 02:25:07.980

Cooper City Hall: Now now what we find ourselves in in the fact that the hundred and \$80 is not going to change 160 or whatever that one fee that everybody pays that now we're going to go to the non resident say hey you're going to use \$40 but out of that \$40 go straight to the city.

925

02:25:09.000 --> 02:25:22.740

Cooper City Hall: And that's what we're asking for this year for next year, then we can say the \$50 or whatever you guys, whatever the dice you come up with a we can negotiate, we should work but.

926

02:25:24.630 --> 02:25:26.310

Cooper City Hall: So so that's that's what it is.

927

02:25:27.690 --> 02:25:36.360

Cooper City Hall: Again it's having that extra fee eventually it's going to trickle down to the residents, because somehow.

928

02:25:38.760 --> 02:25:40.620

Cooper City Hall: We wouldn't want to trickle down into the rest of.

929

02:25:42.750 --> 02:25:43.620

Cooper City Hall: will be able to make up.

930

02:25:45.090 --> 02:25:48.240

Cooper City Hall: And I want to see as many people playing as possible but.

931

02:25:49.260 --> 02:26:02.370

Cooper City Hall: More Cooper city and then not we all agree with that and we don't know we don't we don't argue but Cooper city people kids have non Cooper city friends yeah I get it.

932

02:26:03.000 --> 02:26:04.200

Cooper City Hall: Listen to it works both ways.

933

02:26:04.890 --> 02:26:05.580

Cooper City Hall: I don't know.

934

02:26:05.850 --> 02:26:08.880

Cooper City Hall: I don't know finds its reciprocal type of thing and I got.

935

02:26:09.030 --> 02:26:25.890

Cooper City Hall: I was the soccer commissioner for eight years and I helped bred to be for me for about four years, so that we get all the we just don't know and I never seen a Cooper city resident not being accepted into the into any of the problem now we know, because only 50% or 56%.

936

02:26:27.060 --> 02:26:32.550

Cooper City Hall: Of course there's going to be, of course, there's gonna be funny it's not like you're 90% and you, you know, the only issue is how much you want to.

937

02:26:33.690 --> 02:26:46.200

Cooper City Hall: Look, I would I would support I would support we started shifting embrace it to 65 see how that goes with the with the understanding that Sam you're going to you and your your.

938

02:26:47.250 --> 02:26:57.720

Cooper City Hall: Your your club you're going to do an aggressive marketing outreach to Cooper city and let's let's make this let's make these really Cooper city.

939

02:26:59.640 --> 02:27:02.370

Cooper City Hall: city heavy programs and Joe.

940

02:27:03.540 --> 02:27:14.580

Cooper City Hall: Once we get that non resident fee, we can apply it literally luck, you know reserved fun towards Okay, and for clarification, this would be in January 2022 to start.

941

02:27:15.750 --> 02:27:16.830

Cooper City Hall: 2022 right.

942

02:27:18.270 --> 02:27:19.140

Cooper City Hall: Is everyone good.

943

02:27:20.790 --> 02:27:21.900

Cooper City Hall: Any further discuss.

944

02:27:22.920 --> 02:27:23.430

Cooper City Hall: All about.

945

02:27:24.990 --> 02:27:36.150

Cooper City Hall: Pressure shredders i'm sorry I think i'm complicating it um you know I hope to me like a wreck Sport would be like a lower one travel would be a higher one but going that's going to complicate it.

946

02:27:37.560 --> 02:27:39.570

Cooper City Hall: I am not going to go or you know.

947

02:27:42.090 --> 02:27:51.870

Cooper City Hall: All right, I mean i'm in there, just to clarify the status, the motion before we vote for the record, beginning on January 2022 would be a \$50 non residency.

948

02:27:52.080 --> 02:28:04.530

Cooper City Hall: that'd be broken down 3515 presumably right, then, beginning in January of 2023 \$65 non residency in the same \$50 \$50 for you and that goes automatically right Thank you.

949

02:28:06.510 --> 02:28:06.780

Cooper City Hall: know.

950

02:28:07.860 --> 02:28:18.300

Cooper City Hall: We can always revisit the glory report always revisit what we agreed upon for next year, you can always revisit that up or down, and we can go over that so called about.

951

02:28:19.650 --> 02:28:20.580

Cooper City Hall: Krishna shattering.

952

02:28:21.630 --> 02:28:30.810

Cooper City Hall: Yes, Commissioner Meltzer Yes, Commissioner porcine yes, there is yes, thank you for your work tonight and for the kids all year round.

953

02:28:32.340 --> 02:28:37.440

Cooper City Hall: thing we paddle number 11 number 12 ordinance 21 days 22 Jacob.

954

02:28:38.940 --> 02:28:51.240

Cooper City Hall: Make make commissions ordinance 21 dash 22 is an ordinance to the city Cooper city Florida, providing for a local implementation of the mandatory year round landscape irrigation conservation measures rule of the south Florida water management district that's for.

955

02:28:51.420 --> 02:29:00.240

Cooper City Hall: E dash 24 the Florida administrative code amending chapter 25 This is called of ordinances and titled development standards by specifically mending Article three unsettled landscaping.

956

02:29:00.570 --> 02:29:12.330

Cooper City Hall: Creating section 2532 entitled a year round landscape irrigation conservation measures kind of definitions planet for the applicability the ordinance provided for landscape irrigation schedule planning exemptions landscape irrigation schedule.

957

02:29:12.780 --> 02:29:18.900

Cooper City Hall: fighting for a requirement to operate technology that inhibits or interruption irrigation system during periods of sufficient moisture.

958

02:29:19.170 --> 02:29:24.750

Cooper City Hall: Find for variances from the specific day of the week limitations by for enforcement the ordinance by different penalties for violations the ordinance.

959

02:29:25.110 --> 02:29:32.670

Cooper City Hall: Planning codification fight for conflicts planet visibility and Friday for an effective date motion right Mike mentioned full janie seconds with your mouth your.

960

02:29:36.270 --> 02:29:36.450

Cooper City Hall: mouth.

961

02:29:38.010 --> 02:29:42.180

Cooper City Hall: Open up the public, not the air Ross Thank you you're miserable janie.

962

02:29:44.790 --> 02:29:46.320

Cooper City Hall: Thank you, Mr charter.

963

02:29:47.520 --> 02:29:49.260

Cooper City Hall: I have nothing i'll open it up to the public, now.

964

02:29:50.340 --> 02:29:53.160

Cooper City Hall: Anyone from the public question to speak and one on virtual.

965

02:29:54.450 --> 02:29:57.180

Cooper City Hall: No, no, no one sure come on up.

966

02:29:58.890 --> 02:30:05.430

Cooper City Hall: No, Sir, this is on the item that we're handling now sprinklers sprinklers if that interests you.

967

02:30:09.630 --> 02:30:10.140

Cooper City Hall: Thank you.

968

02:30:11.760 --> 02:30:22.110

Cooper City Hall: And then we'll get to you momentarily both public hearing call the boat miss your shutter yes sure Meltzer yes shameful cine yes, yes.

969

02:30:23.220 --> 02:30:38.610

Cooper City Hall: Moving on to the city managers report and couple things Mr Mayor central know today that we did receive today, our first tranche of corporate money \$8.9 million will be bringing it plan for the Commission to review.

970

02:30:40.620 --> 02:30:44.760

Cooper City Hall: If not, the next meeting, the meeting after that we brought on a today.

971

02:30:45.600 --> 02:30:54.480

Cooper City Hall: An individual will be our program manager, at least for the next three months, and then, depending on how that goes will bring back to the Commission, neither have a larger contract or.

972

02:30:55.110 --> 02:31:02.370

Cooper City Hall: A city position funded by DARPA i'm specifically for that, and then I added today tonight's agenda, and this is really.

973

02:31:03.840 --> 02:31:06.000

Cooper City Hall: Just to get a little direction.

974

02:31:07.740 --> 02:31:21.720

Cooper City Hall: On if we want to lease fire trucks, right now, because the window is, we have a quote, that will expire in in October, in the end if and with prices going up.

975

02:31:23.370 --> 02:31:33.720

Cooper City Hall: We may miss an opportunity, if we want to go in that direction, or you can give me other direction, to look at, but you have the least figures there one would be for an engine.

976

02:31:35.190 --> 02:31:50.910

Cooper City Hall: which would cost if we bought it out right, it would be 924, but if we leased it then there's a five year lease term and a seven year lease term and then, if we wanted a ladder it be \$1.27 million and then again with a five or seven year lease term so.

977

02:31:51.930 --> 02:32:04.770

Cooper City Hall: just need a little direction if we if we ordered those now we wouldn't have to pay until our first payment until January of 2023 I just want a little direction if we should lean in that direction or or or.

978

02:32:06.300 --> 02:32:07.290

Cooper City Hall: Look at other options.

979

02:32:09.120 --> 02:32:13.440

Cooper City Hall: I would love to look at other options and the other options are.

980

02:32:16.050 --> 02:32:22.140

Cooper City Hall: First and foremost, used vehicles and candidly they have.

981

02:32:25.560 --> 02:32:30.360

Cooper City Hall: Let me rephrase the broward sheriff's Office says shown their.

982

02:32:32.820 --> 02:32:33.630

Cooper City Hall: Agreement.

983

02:32:35.520 --> 02:32:36.360

Cooper City Hall: condone meant.

984

02:32:37.380 --> 02:32:41.460

Cooper City Hall: To utilizing older equipment they have no difficulties with that.

985

02:32:42.630 --> 02:32:45.720

Cooper City Hall: Union never said anything I brought it up to them.

986

02:32:47.070 --> 02:32:49.650

Cooper City Hall: The sheriff never said anything in nor did the fire chief.

987

02:32:51.000 --> 02:33:03.600

Cooper City Hall: I was the only one four years in a row saying guys, you have to purchase under the contract that we have with bso new fire equipment for our firefighters you're endangering their lives.

988

02:33:04.440 --> 02:33:15.780

Cooper City Hall: And each and every year fell on deaf ears, so what I learned was it's okay to have equipment that's older I hear from the chief that they're fully maintain.

989

02:33:16.590 --> 02:33:30.180

Cooper City Hall: And they can extend the life even beyond the national fire truck association guidelines so let's go ahead and see what we can get maybe seven to 10 year old truck.

990

02:33:33.270 --> 02:33:42.330

Cooper City Hall: Because we can get another 10 to 13 years out of it, and they have set the precedent, they have taught us what we can do and how to save the money.

991

02:33:43.710 --> 02:33:47.730

Cooper City Hall: I appreciate that I really do and and personally tell the Sheriff, thank you for that.

992

02:33:50.190 --> 02:33:55.350

Cooper City Hall: So I don't believe that we need to Lisa fire truck at this point.

993

02:33:56.760 --> 02:34:09.180

Cooper City Hall: I don't believe we need to buy a truck at this point, we need to look into alternatives, I know, Western is always selling literally be so has some equipment that they may want to get rid of.

994

02:34:13.050 --> 02:34:14.010

Cooper City Hall: And there are other.

995

02:34:15.630 --> 02:34:21.090

Cooper City Hall: alternatives and options which haven't been looked into, as far as other departments counties states.

996

02:34:23.220 --> 02:34:32.040

Cooper City Hall: Nothing is a problem that way that we can't solve doing it with the knowledge approval condolence.

997

02:34:33.390 --> 02:34:37.230

Cooper City Hall: A bsl I want to thank them for that, because you really did teach us a lot.

998

02:34:38.880 --> 02:34:39.330

Cooper City Hall: You did.

999

02:34:40.860 --> 02:34:44.550

Cooper City Hall: So i'm not into purchasing or leasing at this time and.

1000

02:34:46.380 --> 02:34:57.210

Cooper City Hall: You know everything seems to be going up nowadays I don't see why fire trucks wouldn't, but it also depends on how you dress them up or down that's my.

1001

02:34:58.320 --> 02:34:59.160

Cooper City Hall: Opinion on that.

1002

02:35:02.970 --> 02:35:04.620

Cooper City Hall: Gentlemen, yes.

1003

02:35:06.120 --> 02:35:14.520

Cooper City Hall: or no and I don't necessarily disagree with you on that, but the other thing we have to consider here is Look, we were already proceeding with.

1004

02:35:15.270 --> 02:35:32.550

Cooper City Hall: With police and you know we don't know as a Commission what's going to happen with fire down the road I, we do have a list of vehicles that we gave to be so in 2004 we we may be premature to to even look at leasing are purchasing at this point because it might come a point in time.

1005

02:35:33.780 --> 02:35:36.570

Cooper City Hall: Maybe, yes, maybe no where we might be getting some vehicles back right.

1006

02:35:38.160 --> 02:35:38.580

Cooper City Hall: So.

1007

02:35:39.900 --> 02:35:44.490

Cooper City Hall: Maybe maybe we just we hold off for a little while it's my two cents.

1008

02:35:47.280 --> 02:35:48.180

Cooper City Hall: Very simple Jamie.

1009

02:35:51.060 --> 02:35:56.070

Cooper City Hall: not budgeted now, but you probably should be considering it in the future, which is.

1010

02:35:57.840 --> 02:36:03.180

Cooper City Hall: on track, we are responsible for it, and eventually we may need to purchase new vehicles.

1011

02:36:03.630 --> 02:36:08.130

Cooper City Hall: And just and that's a correct statement be even more correct statement was the.

1012

02:36:08.460 --> 02:36:26.280

Cooper City Hall: Four years that I was always bringing it up that's when the Sheriff was responsible for it and didn't do what he was obligated to do it was just our planning and sending something I agree, I agree, I whether we lease by used by new whatever we do, we should start setting aside.

1013

02:36:28.740 --> 02:36:34.260

Cooper City Hall: Mr sharp, the only thing you know, we also need to look at the type of equipment, we need.

1014

02:36:35.370 --> 02:36:53.100

Cooper City Hall: Right now, an engine and an acquaintance what we customarily had, but there are other vehicles to there were you know if I know that they're sure that the fire chief and say is some of them don't work well, or whatever, but I know there's some engines that carry a transport a patient.

1015

02:36:54.690 --> 02:37:05.400

Cooper City Hall: And I know they need us when like that out in the alley and I just think we we i'm okay i'm okay setting money aside, but we really should take a holistic look at what we need just jump into mine.

1016

02:37:07.350 --> 02:37:09.690

Cooper City Hall: multimillion dollar equipment right.

1017

02:37:10.710 --> 02:37:20.280

Cooper City Hall: And of course I always keep saying regionalisation and we still should look into that, if anything, again, the mutual aid is good, we may not need a.

1018

02:37:20.730 --> 02:37:31.770

Cooper City Hall: ladder truck acquaint, because if we do have that and which rare circumstances here in Cooper city that we have tall buildings, if you will, we have babby woods and we have warehouses.

1019

02:37:33.150 --> 02:37:48.750

Cooper City Hall: So if we need it Davey and pines and Hollywood are always there for us and even vso 32 can come as they have or even 106 off the alley you know, having said that, I think you have your marching orders on that.

1020

02:37:50.340 --> 02:38:00.750

Cooper City Hall: that's all I have, thank you very much, and we have the city attorney's report Thank you mayor Commission I don't have anything to see appreciate it, thank you very much, we have the.

1021

02:38:03.720 --> 02:38:15.300

Cooper City Hall: Police report the captain who before you give your report, I have a report to get and I have received a letter that was sent to Colonel David homes of the broward sheriff's office.

1022

02:38:16.260 --> 02:38:24.360

Cooper City Hall: Here, Colonel homes i'd like to recognize and commend Captain Christopher D Giovanni his professionalism concern our Community.

1023

02:38:24.900 --> 02:38:35.040

Cooper City Hall: My issue dealt with school traffic in our city community of cooper's point not the biggest issue, but nonetheless a concern for various reasons that it won't elaborate on.

1024

02:38:35.880 --> 02:38:45.420

Cooper City Hall: I haven't had to contact the district since 2019 since there has not been school traffic, so this is my first interaction with the new command staff in the city.

1025

02:38:46.020 --> 02:38:52.950

Cooper City Hall: Those who are familiar with Cooper city know what a hassle to school traffic can be for both residents and deputies trying to remedy the situation.

1026

02:38:53.460 --> 02:39:03.480

Cooper City Hall: i'd like to note that I come from a family of law enforcement many former and present members of bso and I worked as a civilian dealely and the sheriff's administration, many years ago.

1027

02:39:03.930 --> 02:39:09.840

Cooper City Hall: So I know firsthand the varying quality of professionalism people skills to be had by those in command.

1028

02:39:10.260 --> 02:39:18.240

Cooper City Hall: Getting G Giovanni is exceptional, to the point that I had to stop everything on I was working on to write this letter.

1029

02:39:18.810 --> 02:39:23.940

Cooper City Hall: I first reached out to the Commissioners with my concerns and he showed me that someone from bso would handle it.

1030

02:39:24.480 --> 02:39:34.050

Cooper City Hall: gotten D Giovanni called me the same day and took time to listen and empathize with my situation which meant a lot, knowing that it's just traffic.

1031

02:39:35.040 --> 02:39:40.530

Cooper City Hall: He gave me his direct line and encouraged me to call anytime today the district followed up as promised by having.

1032

02:39:40.800 --> 02:39:49.440

Cooper City Hall: Motor units out in the morning and the afternoon, which was a huge help to me my neighbors and then taking it a step further Kevin de John De Giovanni.

1033

02:39:49.770 --> 02:39:53.400

Cooper City Hall: personally visited the neighborhood in the afternoon and they called me to follow up.

1034

02:39:53.850 --> 02:40:01.200

Cooper City Hall: it's a breath of fresh air having him in Cooper city and while I am certain that his talents will one day take them elsewhere up the ranks.

1035

02:40:01.410 --> 02:40:12.810

Cooper City Hall: I feel better, knowing that, at least for now he is here watching out for all of us, respectfully Jennifer Brzezinski esquire so I just wanted to say kudos to you, thank you.

1036

02:40:14.490 --> 02:40:16.770

Cooper City Hall: Recommendation and commendation willard.

1037

02:40:17.820 --> 02:40:25.320

Cooper City Hall: mayor, thank you for them i'm humbled to hear that i'm and i'm also glad that it was a compliment and not a complaint.

1038

02:40:27.090 --> 02:40:41.370

Cooper City Hall: I did them both ways, but I appreciate it mayor, good evening again to you mayor and Commission city manager staff and the residents that are with us, I actually was going to open up speaking about the school zones, so thank you for that Mr Mayor.

1039

02:40:43.710 --> 02:40:45.780

Cooper City Hall: School is a.

1040

02:40:46.830 --> 02:40:55.710

Cooper City Hall: is a challenge for many of our residents and i've been getting a lot of calls and a lot of concerns from a lot of our residents, which is duly noted and.

1041

02:40:56.670 --> 02:41:09.030

Cooper City Hall: valid concerns for congestion for traffic flow that's slowing down for management issues and also for violations of floor seats statue or you know city ordinances.

1042

02:41:09.600 --> 02:41:20.130

Cooper City Hall: And I want to reassure the residents and the Commission, because I know the Commission and gets a lot of these concerns sent to them as well, and we all want to know that these concerns are being followed up on.

1043

02:41:21.240 --> 02:41:30.330

Cooper City Hall: So I wanted to just provide a quick snapshot for the Commission and for the residents of our efforts and to let them know reassure them that we will continue.

1044

02:41:30.990 --> 02:41:44.310

Cooper City Hall: To enforce and look at better ways to manage the traffic flows associated with our schools, so to date, I want the residents and the Commission to know that we have fielded over 400 calls for service.

1045

02:41:45.030 --> 02:41:53.640

Cooper City Hall: Where they have actually been proactive calls for service where our team or your local deputies have been initiating traffic stops.

1046

02:41:54.660 --> 02:42:10.830

Cooper City Hall: Traffic safety plans traffic points throughout this entire city just in relation to the schools arms and that's in the four weeks, the first four weeks of school was over 400 calls for service associated with us assisting with the schools.

1047

02:42:12.870 --> 02:42:26.940

Cooper City Hall: The 192 traffic citations have been issued that was as of last week Friday we had another 11 parking citations issue today, the majority at Embassy and Cooper city elementary.

1048

02:42:28.200 --> 02:42:32.430

Cooper City Hall: And a lot of these are dealing with and no parking stopping standing.

1049

02:42:33.660 --> 02:42:47.220

Cooper City Hall: We will continue to enforce the traffic laws to ensure that the children are safe, to ensure that the traffic is flowing the way that it's intended to flow but i'm asking the residents, for their patients.

1050

02:42:48.390 --> 02:42:54.360

Cooper City Hall: When they're waiting in the lines i'm asking for the residents, for their cooperation and arriving on time and not early.

1051

02:42:54.960 --> 02:42:59.730

Cooper City Hall: i've been getting a lot of complaints from the residents calling or even showing up at the district office.

1052

02:43:00.570 --> 02:43:03.720

Cooper City Hall: Because they're not very happy with the citations that they're being issued.

1053

02:43:04.170 --> 02:43:14.700

Cooper City Hall: And I understand that and my team is not looking to be punitive to any of the residents who are taking their children to school, all we're asking for is cooperation.

1054

02:43:15.570 --> 02:43:27.450

Cooper City Hall: So, to the residents have been receiving the citations i'm sorry I asked that you would arrive on time, I asked that you would obey the traffic laws and the signage that's in place it's there for a reason.

1055

02:43:28.020 --> 02:43:42.090

Cooper City Hall: We did do an education component for the first three weeks of school and we transitioned to an enforcement effort now and that's going to continue, so I want the residents to know that and to the residents that are concerned about the continued.

1056

02:43:43.140 --> 02:43:50.760

Cooper City Hall: traffic congestion and lack of compliance and one of them also be reassured that we are following up on those concerns and will continue to do so.

1057

02:43:51.330 --> 02:43:59.430

Cooper City Hall: I want to remind the residents, that we are putting together a long term plan for the city manager that we were going to discuss and work together.

1058

02:43:59.820 --> 02:44:03.660

Cooper City Hall: For the city to look at each individual school in the present.

1059

02:44:04.200 --> 02:44:12.480

Cooper City Hall: Good solution meaningful solutions on what we believe would help alleviate some of these issues, so one of the residents to know that that is forthcoming.

1060

02:44:12.840 --> 02:44:16.590

Cooper City Hall: And they could just be patient with us as we work through those problems with the city.

1061

02:44:17.430 --> 02:44:33.540

Cooper City Hall: i'm in regards to code, I want to remind the residents of our beautification process i've also been getting a lot of complaints lately from residents were unhappy about citations that they've received for commercial vehicles parking restrictions and many other things.

1062

02:44:35.160 --> 02:44:42.030

Cooper City Hall: We are not at all doing any selective enforcement, we are not at all targeting any one individual or one community in this city.

1063

02:44:42.510 --> 02:44:54.630

Cooper City Hall: Collectively i've always stated that the city priorities are my team's priorities this Commission sets forth that vision, the city manager communicates that vision.

1064

02:44:54.990 --> 02:45:03.480

Cooper City Hall: regularly to us and I get behind him to support him to support you and to support the residents in that vision, so I want the residents to know.

1065

02:45:03.990 --> 02:45:13.950

Cooper City Hall: That those citations that we're issuing which by the way, the vast majority are warning citations to give them opportunity to to comply, are not meant to target anybody.

1066

02:45:14.430 --> 02:45:22.710

Cooper City Hall: But just to move forward the city has vision beautification and revitalization and they will continue and regards to the commercial plazas.

1067

02:45:23.310 --> 02:45:32.820

Cooper City Hall: I have good news for you in relation to the magistrate process, one of the main ones that I know that we've all been looking at timberlake Plaza.

1068

02:45:33.390 --> 02:45:38.070

Cooper City Hall: is scheduled for the November magistrate so November 2.

1069

02:45:38.670 --> 02:45:47.010

Cooper City Hall: timberlake Plaza will be gone before the magistrate whether they show or not I can't tell you, but the case will be going there and there's a slew of issues there that we will be addressing.

1070

02:45:47.520 --> 02:46:02.490

Cooper City Hall: Before the magistrates, we look forward to a productive magistrate on November 2. Lastly, I just want to let the Commission know that my team will be hosting another heroes day.

1071

02:46:02.970 --> 02:46:10.440

Cooper City Hall: This time at the pentecostals a Cooper city church their their academy there and we're going to be going out there showcasing on October 27.

1072

02:46:10.740 --> 02:46:15.390

Cooper City Hall: All the public safety offers just trying to you know, make an inroad to the.

1073

02:46:15.750 --> 02:46:24.330

Cooper City Hall: lives of these kids and to tell them a little bit about public safety, our fire partners are going to be assisting us with that, as I look forward to that being a great event.

1074

02:46:25.170 --> 02:46:30.780

Cooper City Hall: To those who have children that wants to join our explorer program want to remind them that the explorer program has.

1075

02:46:31.470 --> 02:46:37.860

Cooper City Hall: commands so 14 ages 14 to 21 please contact my team to join the please explorers Program.

1076

02:46:38.400 --> 02:46:46.560

Cooper City Hall: The co op program is active, we are looking for recruits those would like to deal with school traffic we're even looking for steel PS that help us with school traffic.

1077

02:46:47.130 --> 02:46:54.720

Cooper City Hall: So feel free to join the Co op program to our Jewish residents, I just want to just tell them that it doesn't fall.

1078

02:46:55.620 --> 02:47:03.660

Cooper City Hall: off on me that we just concluded sukkot last night, my team was out there monitoring all of our locations.

1079

02:47:04.020 --> 02:47:17.010

Cooper City Hall: Just for the safety and the enhancement, to make sure that everybody had a safe tabernacle and i'm very glad to know that we did have a safe religious season to conclude this wonderful time of year in Cooper shooting.

1080

02:47:18.240 --> 02:47:24.630

Cooper City Hall: The vacancies, we saw the Community involvement specialist vacancy like I shared before the interviews were held on September 8.

1081

02:47:24.990 --> 02:47:32.310

Cooper City Hall: And i'm conducting second interviews with the two candidates, I believe, would be do the very best here in Cooper city.

1082

02:47:33.150 --> 02:47:44.640

Cooper City Hall: I do have a announcement to make that the code team will have a upcoming vacancy I do have one of my code officers, that will be submitting a retirement paperwork.

1083

02:47:45.540 --> 02:47:53.550

Cooper City Hall: And I will I like to share a little bit more about that with you in the future, but I just wanted to know that vacancy will be forthcoming and I have an exact date yet.

1084

02:47:53.970 --> 02:48:00.720

Cooper City Hall: But once I do i'll make sure the city manager knows that concludes my report this evening, thank you anything of the captain.

1085

02:48:02.220 --> 02:48:10.560

Cooper City Hall: Captain your breath of fresh air, thank you for everything you do every time I need something contact you respond immediately.

1086

02:48:11.370 --> 02:48:25.470

Cooper City Hall: Any resident the needs you your you and your team is immediately there I couldn't ask for any better service from you know from the men and women phobia so thank you for everything you guys do thank you, Commission.

1087

02:48:27.210 --> 02:48:31.860

Cooper City Hall: anyone else, no, I just want to echo Commissioner pulcini sentiments.

1088

02:48:32.910 --> 02:48:44.400

Cooper City Hall: and specifically the letter that mayor Ross read earlier from miss Brzezinski she was beyond thrilled how quickly you responded went to her home you walked with her.

1089

02:48:45.450 --> 02:48:58.620

Cooper City Hall: And you know it's you're a solution, conscious person and you that trickles down to your staff, and I was over there, last week the deputies how and.

1090

02:49:01.440 --> 02:49:10.110

Cooper City Hall: Pay Maggie Maggie just had a brain fart but anyway uh you know received another letter of recommendation for for those two and.

1091

02:49:11.040 --> 02:49:20.550

Cooper City Hall: It was my pleasure to come over and and to speak with them for a few minutes, but just want to thank you and your staff for everything you do you really do keeps Cooper city someplace special.

1092

02:49:21.000 --> 02:49:25.980

Cooper City Hall: And, Commissioner, thank you actually for taking the time to do that, I know that that was very impactful and I meant a lot to the team.

1093

02:49:26.580 --> 02:49:36.180

Cooper City Hall: How you address them and just took time out of your busy day to thank you, thank means a lot to me this is, this is what this is, this is what I was elected to do, and thank you.

1094

02:49:38.010 --> 02:49:39.240

Cooper City Hall: I do you sleep.

1095

02:49:41.010 --> 02:49:46.710

Cooper City Hall: I try, Sir, but I got six kids so they keep me out, I am not sure you get everything done in a single day.

1096

02:49:50.190 --> 02:49:53.970

Cooper City Hall: Echoing what everyone else says, every time I send something over to you, I mean.

1097

02:49:55.980 --> 02:50:04.560

Cooper City Hall: When I record a residence thing I know the next thing you know the captain call me right, you know call me right away it's it's incredible really is.

1098

02:50:05.850 --> 02:50:13.170

Cooper City Hall: I one thing I wanted to bring up, I think you were on the email from Carl from our creek he had some concerns.

1099

02:50:14.190 --> 02:50:19.440

Cooper City Hall: I guess, I think it has increased, I mean it has gotten better and.

1100

02:50:20.550 --> 02:50:26.910

Cooper City Hall: figure on that email just said, I just told him I would bring it up tonight that was regarding the traffic at westlake.

1101

02:50:27.630 --> 02:50:39.540

Cooper City Hall: With Franklin I know it's not exactly what he you know he the officer detail officer can't really run across and stop you know they can only be one one person at one time.

1102

02:50:40.800 --> 02:50:44.910

Cooper City Hall: But if you could just do your best with that, and then I also.

1103

02:50:46.230 --> 02:50:51.480

Cooper City Hall: got a email from a resident by Griffin elementary and.

1104

02:50:53.310 --> 02:50:59.280

Cooper City Hall: You know this is literally like playing the hedgehog game, you know one bounces up he was hoping that maybe.

1105

02:51:00.630 --> 02:51:07.470

Cooper City Hall: They wouldn't park on on his swell or and the city swell he maintains so.

1106

02:51:08.700 --> 02:51:12.420

Cooper City Hall: You know I told him I would just mention it to you and.

1107

02:51:15.300 --> 02:51:21.900

Cooper City Hall: Commissioner, so you so you know the rock creek concern I did address already with Mr rosen dorf.

1108

02:51:23.400 --> 02:51:25.680

Cooper City Hall: You probably didn't see yeah because I think I hit the send button.

1109

02:51:27.240 --> 02:51:35.640

Cooper City Hall: And right before I rushed over here going to speed course, but the signage that he pointed out in the email.

1110

02:51:36.360 --> 02:51:44.460

Cooper City Hall: it's actually showing the direction the schools on now I wasn't sure what you want to use the study, because he took a picture of the STOP whatever one and also had you.

1111

02:51:45.240 --> 02:51:48.600

Cooper City Hall: Know straight I think what he's referring to as I know, through.

1112

02:51:48.990 --> 02:51:58.590

Cooper City Hall: And I think he was under the assumption, because the arrows for the schools on point the left, the right that it meant, you can only turn left to right, but what that meant was the schools on continues left or right.

1113

02:51:59.580 --> 02:52:07.980

Cooper City Hall: But city manager is aware, we had already discussed a process where you would need to do an MOT so a modification of traffic.

1114

02:52:08.370 --> 02:52:22.980

Cooper City Hall: And there's a specific process that the ot requires for that and we were trying to get the school to have somebody who was trained in that process to where we can have the school be responsible for setting up tone edge that was pre.

1115

02:52:24.390 --> 02:52:28.800

Cooper City Hall: That was already approved by FDA It that they could do, but they didn't do an empty process so.

1116

02:52:29.640 --> 02:52:35.820

Cooper City Hall: A lot of these things are already in the works, but they take time they take partnerships with strategic partners and Mr rosen dorf.

1117

02:52:36.240 --> 02:52:45.450

Cooper City Hall: Probably gets a lot of complaints and concerns from his residence and he's just coming to us, so I did explain that to them, and hopefully that addresses concern and Griffin elementary the swale thing is.

1118

02:52:45.900 --> 02:53:01.260

Cooper City Hall: A little tricky, but I would like to talk to a city manager city attorney about that later on and come up the solution because that's so that's a difficult situation to handle i'll forward you that one if you if you look at the one food gardens it's probably.

1119

02:53:03.330 --> 02:53:08.520

Cooper City Hall: it's probably one where they don't need to it, you know it's not like pioneer where you have to kind of get off.

1120

02:53:08.850 --> 02:53:20.130

Cooper City Hall: And I told the resin I said well you know the captain probably told all of his deputies about school zones and then the zone deputy here, probably, you know went by and that's when he made them on the radio get off and then.

1121

02:53:20.760 --> 02:53:32.160

Cooper City Hall: You know that that you know the guy says, well, can I get sign and I said well it's not getting the signs and swales maybe they just this little area is not that busy so i'll try to point out to you, and maybe absolutely.

1122

02:53:33.390 --> 02:53:45.840

Cooper City Hall: I do want to say thank you, every time I get a resident asking for some assistance regarding either the school traffic or that they got a citation because of our beautification Program.

1123

02:53:46.410 --> 02:54:06.690

Cooper City Hall: I do send them to you and without question, I always respond to the resident that the captain will be contacting you shortly and and by the time they get that you're on it, and so I appreciate that I did get two separate complaints, because you are enforcing the parking.

1124

02:54:09.600 --> 02:54:18.750

Cooper City Hall: One of them was not so nice the other understood and everyone has to understand that, in order to beautify and revitalize Cooper city.

1125

02:54:19.110 --> 02:54:26.160

Cooper City Hall: everyone's got to do their part and it comes down to whether you're going to be asked to clean the front pressure clean the front.

1126

02:54:26.970 --> 02:54:42.840

Cooper City Hall: sidewalk of your home or not to park over the sidewalk of your home, we all, we all got to take some responsibility so just want to say it's working, because if i'm not getting the phone calls you're not doing the job, so thank you very much, our pleasure.

1127

02:54:43.950 --> 02:54:45.690

Cooper City Hall: Having said that our jobs report.

1128

02:54:55.050 --> 02:54:57.720

Cooper City Hall: Anything there Commission city manager.

1129

02:54:58.920 --> 02:55:06.570

Cooper City Hall: Just a couple things I wanted to point out, we did have a retirement, one of our lieutenants had retired.

1130

02:55:08.100 --> 02:55:21.090

Cooper City Hall: John Money did 32 years with the organization, so he retired, we are working on our hydrant program out doing that our inspections.

1131

02:55:22.200 --> 02:55:32.820

Cooper City Hall: Our fire Marshal section bureaus out actively doing that and we should be finishing up with 100% compliance here by the end of the year.

1132

02:55:34.560 --> 02:55:52.590

Cooper City Hall: Obviously next month October fire prevention month our life safety educators are out with our schools number of them are set up so we'll be assisting them with educating the public on fire prevention.

1133

02:55:54.000 --> 02:55:54.870

Cooper City Hall: Call volume.

1134

02:55:56.490 --> 02:56:02.130

Cooper City Hall: Up probably eight and a half percent over this same time frame from last year.

1135

02:56:03.810 --> 02:56:04.290

Cooper City Hall: and

1136

02:56:05.760 --> 02:56:21.570

Cooper City Hall: I do want to point out a couple of things our platform is out of service due to mechanical, but I do want to point out a couple of things and Mary you made some excellent points that she should always leave your predecessor with something to do.

1137

02:56:23.100 --> 02:56:26.220

Cooper City Hall: So my predecessor left me with something to do.

1138

02:56:27.810 --> 02:56:33.960

Cooper City Hall: I have been telling you since February that our fleet is aging.

1139

02:56:35.280 --> 02:56:38.910

Cooper City Hall: I propose you dispose I have no problem with that.

1140

02:56:40.410 --> 02:56:47.040

Cooper City Hall: But I just want to make it clear that our fleet our fire apparatus.

1141

02:56:48.150 --> 02:57:00.720

Cooper City Hall: I put a plan together the Senate to the city manager, we need to start replacing fire apparatus and we need to start looking at replacing rescues in 2022 or the beginning of.

1142

02:57:02.520 --> 02:57:03.810

Cooper City Hall: they're coming up on that.

1143

02:57:05.640 --> 02:57:14.250

Cooper City Hall: There are certainly other options out there, but, in my experience 34 years in the fire service.

1144

02:57:16.410 --> 02:57:29.490

Cooper City Hall: buying a used piece of fire apparatus is probably not the best thing to do, but I have no problem that is your call I will whatever you want, I just want you to know.

1145

02:57:30.540 --> 02:57:32.640

Cooper City Hall: That you have an aging fleet.

1146

02:57:34.710 --> 02:57:43.140

Cooper City Hall: that's going to need to be constantly be repaired, the platform is out of service, the engine it's in its place.

1147

02:57:44.250 --> 02:57:51.300

Cooper City Hall: Is the same year as the engine that we have in front line, and the reason that we don't have our Quint.

1148

02:57:52.500 --> 02:57:57.210

Cooper City Hall: Is the fact that it is in service, we only have one.

1149

02:57:58.740 --> 02:58:08.490

Cooper City Hall: That Quint goes in place when another aerial apparatus goes at a service another aerial apparatus went out of service.

1150

02:58:09.870 --> 02:58:28.260

Cooper City Hall: It is in its place, so we have nothing else to do so, we have to use an engine and you made a statement that we don't We only need an aerial truck for bathie woods that's not 100% true Oh, I said warehouses also warehouses also a single family home.

1151

02:58:29.310 --> 02:58:40.110

Cooper City Hall: When that fire vince through the roof, I need an elevated master stream to put the fire out, we saw that on 89th back in January.

1152

02:58:41.640 --> 02:58:54.090

Cooper City Hall: So there are other uses maybe not for a bucket truck or a platform with a bucket on it, but we do need something with an elevated master stream.

1153

02:58:55.230 --> 02:58:57.660

Cooper City Hall: A Quint, is a ladder truck.

1154

02:58:58.830 --> 02:59:09.930

Cooper City Hall: It just has 300 gallons of water at five feet of ground ladders and another of other options, the platform that we're in right now has 150 gallons of water.

1155

02:59:11.070 --> 02:59:16.680

Cooper City Hall: That truck was designed and bought as a backup to the technical rescue team.

1156

02:59:19.290 --> 02:59:27.120

Cooper City Hall: What other what other elevated water sources are there is there, like you to get a straight stick in 1987.

1157

02:59:28.320 --> 02:59:36.990

Cooper City Hall: When the developers of embassy lakes bought us a ladder truck it's a straight stick has an elevated master stream What are those costs.

1158

02:59:38.040 --> 02:59:47.880

Cooper City Hall: 1.2 that's the same as a slant acquit is a ladder truck that's just has an accomplished of ground ladders 300 gallon tank.

1159

02:59:48.270 --> 03:00:03.330

Cooper City Hall: it'll pump 1000 gallons a minute all of that, they just call it a Quint, you can buy a ladder truck that may not have 85 feet of ground ladders on it and it's not a quick it's a ladder truck you buy a ladder truck that doesn't have a pump on it it's a ladder truck.

1160

03:00:04.590 --> 03:00:09.690

Cooper City Hall: A Quint will pump and do the ladder you get a better bang, for your buck with acquaint.

1161

03:00:11.730 --> 03:00:24.360

Cooper City Hall: i'm definitely confused so bear with me I just don't know everything, so please educate me the engine that is now in place of our platform which was in place of our when.

1162

03:00:25.410 --> 03:00:47.850

Cooper City Hall: Does it have capability and how much water does it has 750 gallons to pump 1200 gallons a minute does carry ladders that carries ground ladders it carries a 2428 foot round ladder 16 foot extension ladder, so it does not, it is not the equivalent to a platform, let alone acquaint.

1163

03:00:49.590 --> 03:01:01.080

Cooper City Hall: It an engine operates does different things right, so it is not the equivalent ladders are for lovers for what love elaborate ladders.

1164

03:01:02.160 --> 03:01:10.140

Cooper City Hall: ladders are for lovers they ladder they overhauled a ventilate they extricate they rescue.

1165

03:01:11.310 --> 03:01:24.180

Cooper City Hall: And they do salvage load i'm trying to figure out chief is you have replaced our Quint, with a platform now have replaced the platform with an engine, as I.

1166

03:01:24.600 --> 03:01:36.090

Cooper City Hall: just see it it's getting from the largest down to the middle down to the smallest, the only thing I can tell you on that, no, no, no, I just need to understand Am I correct in that I don't know.

1167

03:01:36.660 --> 03:01:59.070

Cooper City Hall: I can tell you that when I got there in February, your front line aerial piece of apparatus was 105 foot bucket truck right that's the replacement or substitute that was given to us for our Quint now i'm told that we have how big is the engine.

1168

03:02:00.840 --> 03:02:02.970

Cooper City Hall: That you've replaced the platform with.

1169

03:02:04.740 --> 03:02:13.260

Cooper City Hall: And how and compare lengthwise ladder wise it's smaller than the platform it doesn't even have a bucket.

1170

03:02:14.400 --> 03:02:27.660

Cooper City Hall: Correct it's used for different purpose, no, no it's yes or no correct or not i'm not asking what purpose it's used for I don't think I understand your question Okay, let me take it really slow for event.

1171

03:02:28.710 --> 03:02:31.350

Cooper City Hall: A platform truck is how big.

1172

03:02:33.060 --> 03:02:42.630

Cooper City Hall: How big you order it let's not get cute because i'll really get down i'm being serious okay order my 75 he had replaced.

1173

03:02:43.830 --> 03:02:46.080

Cooper City Hall: With the engine how big is that.

1174

03:02:48.090 --> 03:02:53.250

Cooper City Hall: How big is the engine know i'm going slow, for he follow me now.

1175

03:02:54.450 --> 03:02:55.110

Cooper City Hall: platform.

1176

03:02:56.250 --> 03:03:01.980

Cooper City Hall: The platform that we have the type of service right now right okay how big.

1177

03:03:03.030 --> 03:03:15.420

Cooper City Hall: it's 105 a big the engine that you replaced it with doesn't have a ladder an aerial device on it okay didn't asset yet simple question how big is it.

1178

03:03:17.670 --> 03:03:24.810

Cooper City Hall: it's 33 feet long eight and a half feet wide, so I agree with me, then, that it's smaller than the platform.

1179

03:03:27.240 --> 03:03:39.570

Cooper City Hall: Sure Okay, and it does not do what the platform can do no and yet you thought it sufficient to have that piece of equipment replaced and you approved it with a mirror engine.

1180

03:03:40.770 --> 03:03:41.040

Cooper City Hall: I.

1181

03:03:42.270 --> 03:03:59.820

Cooper City Hall: When I don't have an aerial device to go into I don't have an aerial device to go into her if I had to go in that often Thank you what I understand is you do have an aerial device, you have our Quint that you chose, I guess, to give to someone else because they're out an aerial.

1182

03:04:01.110 --> 03:04:01.950

Cooper City Hall: piece of equipment.

1183

03:04:02.970 --> 03:04:20.250

Cooper City Hall: I will say that that is be so spare aerial device to go in place of any other city deerfield Dania beach West and when we're there aerial device goes down that's the spare aerial device they switch into.

1184

03:04:21.270 --> 03:04:35.370

Cooper City Hall: So, so I just want to clear it up because i'm a little confused, when you say that piece of equipment that's used as a reserve was that our quickbooks now being used as a reserve or is that a different piece of equipment.

1185

03:04:37.110 --> 03:04:42.900

Cooper City Hall: I don't know that it was ever yours Okay, so what you're saying is our Quint.

1186

03:04:44.040 --> 03:04:50.790

Cooper City Hall: is being utilized in other cities and not given back to us where we originally had our Quint.

1187

03:04:54.120 --> 03:05:10.110

Cooper City Hall: that's incorrect all right and correct me Okay, so in 1987 you had a 80 foot he one hurricane Ariel truck single axle drove it for 15 years beautiful truck.

1188

03:05:10.980 --> 03:05:25.080

Cooper City Hall: When that truck went out of service in 2008 it was replaced by 105 foot straight stick Quint that was used to be in western what year was that.

1189

03:05:25.560 --> 03:05:38.220

Cooper City Hall: That was a 2000 and what you will get replaced 2008 an eight year old truck OK OK, so that truck had was an austere it was the first year that all steer.

1190

03:05:39.030 --> 03:06:05.310

Cooper City Hall: had some problems had some issues with the austere had electrical problems caught fire on a call so that truck went out of service, you can buy that truck I believe it's on sale on full 41 at the dealership I saw it, the other day that was replaced and 2019 with a.

1191

03:06:07.230 --> 03:06:13.770

Cooper City Hall: bucket truck so 11 years later, so that truck is was 20 years old, when was put out the best.

1192

03:06:16.620 --> 03:06:17.070

Cooper City Hall: Correct.

1193

03:06:20.280 --> 03:06:23.850

Cooper City Hall: And now it was replaced with a 2001 for.

1194

03:06:25.050 --> 03:06:25.770

Cooper City Hall: platform.

1195

03:06:28.410 --> 03:06:34.230

Cooper City Hall: And that's now it's has mechanical problems and they're working on it.

1196

03:06:35.850 --> 03:06:50.910

Cooper City Hall: But the one thing for sure is that you continue to maintain these trucks, so that they can be used by your contract cities that you care so very much about over 18 to 20 years.

1197

03:06:53.970 --> 03:07:14.310

Cooper City Hall: The contract cities by their apparatus and then generally, they will take what they had in that would become our reserve trucks, so the question like cities would buy their you may not know this, but what do you what kind of trucks do y'all habit seaport in the airport.

1198

03:07:16.920 --> 03:07:23.160

Cooper City Hall: crash trucks at the airport industrial bumpers at the seaport just out of curiosity what years at a.

1199

03:07:25.170 --> 03:07:30.630

Cooper City Hall: Time, can you find that out, please they're probably fairly new because they purchased them right.

1200

03:07:32.400 --> 03:07:49.560

Cooper City Hall: So I guess again for the contract cities, they can take the old stuff that you maintain it's good enough for them, but for seaport and airport, the only two things and the courthouse the only three things that the Sheriff is actually responsible for.

1201

03:07:50.670 --> 03:08:00.090

Cooper City Hall: he's got brand new things, all the taxpayers expense, because he refuses to have anything a little older, I think the airport.

1202

03:08:00.750 --> 03:08:09.120

Cooper City Hall: purchases there's and I believe that the seaport purchases there's tax dollars enterprise fun okay.

1203

03:08:10.050 --> 03:08:27.360

Cooper City Hall: yeah but the thing is the why don't we get the point when our aerial does out that's we did the last time it went out of service we we did we were in the Quinn, but this time we're not it's being used to another Quint went out of service, before I hearst it.

1204

03:08:29.130 --> 03:08:36.270

Cooper City Hall: So I guess it's good that when something goes at it service he goes out early because that's how it's determine who gets when.

1205

03:08:37.590 --> 03:08:45.870

Cooper City Hall: We don't know when they're going to break down no but you've shown us and I really do appreciate the education you've shown us how much.

1206

03:08:46.740 --> 03:09:03.630

Cooper City Hall: A truck and last, and how long a truck and last, and the fact that you indicate not to purchase anything us yet after five years you come in and give us a five year old truck that was that was older than that it was an old for 19 we got it so.

1207

03:09:05.340 --> 03:09:05.550

Cooper City Hall: But.

1208

03:09:06.960 --> 03:09:10.590

Cooper City Hall: Because we have learned what we can do to extend that dollar.

1209

03:09:11.670 --> 03:09:17.340

Cooper City Hall: So I thank you for an assessor had to leave me something to do, yes, Sir you've got a lot of head of you to good.

1210

03:09:19.530 --> 03:09:23.910

Cooper City Hall: Thank you, any other questions at the chief so.

1211

03:09:24.930 --> 03:09:35.520

Cooper City Hall: I guess we pay the overhead and it says i'm just talking, because I know you don't have any say in this, but we there's a certain portion of our payments of fire that goes to this overhead cost allocation.

1212

03:09:36.030 --> 03:09:39.600

Cooper City Hall: But we don't get it returned through anything so it means i'm buying anything.

1213

03:09:40.230 --> 03:09:48.990

Cooper City Hall: That we get and now we bought all new trucks are they going to lower our line item for the maintenance of the vehicles we parent now, I can tell you that in the budget.

1214

03:09:49.770 --> 03:10:04.200

Cooper City Hall: A budget that hundred and \$73,800 for repair and maintenance on a Ariel truck an engine to rescues my vehicle and my inspectors vehicle is that lower high.

1215

03:10:05.790 --> 03:10:14.280

Cooper City Hall: Like CD that I went over it by 12% oh that's yeah but you know, at the end of the at the end of the day that the.

1216

03:10:14.640 --> 03:10:20.730

Cooper City Hall: And I looked at how much money was being transferred back to the county on the fireside through contracts is it's like they have.

1217

03:10:21.540 --> 03:10:33.930

Cooper City Hall: 10s of million dollars in reserves on the fireside for apparatus and they have one queen backup and that's really not sufficient, especially when they're adding all these extra cities.

1218

03:10:34.410 --> 03:10:44.940

Cooper City Hall: So they added Allendale they added deerfield that it dangerous it's we signed up with with be so now they want to add margate and lauder Hill and they're going to just that, so I guess when we used to get this.

1219

03:10:45.810 --> 03:10:56.100

Cooper City Hall: You know thing would come here now we really don't get it, and now the extra vehicles that are used that the Sheriff got the bio for Western now to share it gets to go give it to all those other cities.

1220

03:10:56.550 --> 03:11:11.130

Cooper City Hall: You know so it's it's the intimacy of the relationships really changed they shifted over these vehicles to us, but we didn't see a major decreasing and other line items like maintenance and repair.

1221

03:11:12.690 --> 03:11:15.900

Cooper City Hall: I don't know why I want to buy the police cars, why can't we buy the police cars.

1222

03:11:18.390 --> 03:11:26.730

Cooper City Hall: They won't, let us do that they won't, let us the cars we pay for will own and will will own them by the fire up for us, while we have to now.

1223

03:11:27.450 --> 03:11:34.170

Cooper City Hall: And we have been right I think rescue two to eight as a city tag on it rescue two to eight has a city tag yes yeah.

1224

03:11:34.560 --> 03:11:41.460

Cooper City Hall: And and and the other one they put in they added that additional consideration in the lease payments amount, so why can we do the fight.

1225

03:11:42.060 --> 03:11:51.150

Cooper City Hall: I don't understand it's like you could do it sometimes but not i'd like to do with the police cars, I let him drive around and broward shares with a city tag on it, then, if we want to leave we just.

1226

03:11:51.660 --> 03:12:00.780

Cooper City Hall: repaint and we don't have to go to this process, but we spent 300,000 a year and police vehicles which we lose all that money we don't get anything back, they give us the option to sell them back to us it's kind of like a.

1227

03:12:01.950 --> 03:12:02.610

Cooper City Hall: Ponzi scheme.

1228

03:12:04.380 --> 03:12:05.610

Cooper City Hall: You know I know.

1229

03:12:07.140 --> 03:12:08.580

Cooper City Hall: You just have to come, take the hits.

1230

03:12:10.740 --> 03:12:11.580

Cooper City Hall: got thick skin.

1231

03:12:13.140 --> 03:12:14.700

Cooper City Hall: Anything else will be cheap.

1232

03:12:15.780 --> 03:12:16.110

To.

1233

03:12:19.020 --> 03:12:22.770

Cooper City Hall: bring back a message to the men and women, they were appreciate what to do when.

1234

03:12:24.360 --> 03:12:35.040

Cooper City Hall: Regardless this is has nothing to do with with the troops that serve us every day and serve the Community and put their lives on the line for us, and thank you for everything they do, thank you.

1235

03:12:39.720 --> 03:12:40.290

I achieve.

1236

03:12:42.000 --> 03:12:46.500

Cooper City Hall: Thank you for everything you and your men and women do it's not it doesn't go unnoticed.

1237

03:12:47.520 --> 03:12:55.710

Cooper City Hall: And thank you for for cleaning up the hydrogen fifth court today, I have to be honest with you as long as i've been living there was a hydrant there.

1238

03:12:57.420 --> 03:12:58.020

Cooper City Hall: So thank you.

1239

03:12:59.250 --> 03:13:01.860

Cooper City Hall: My predecessor had to leave me some have to eat something.

1240

03:13:04.920 --> 03:13:09.000

Cooper City Hall: Anything else, thank you very much Jeff always a pleasure, thank you.

1241

03:13:11.130 --> 03:13:14.700

Cooper City Hall: Christina concerns Commissioner pull jeannie.

1242

03:13:19.290 --> 03:13:21.900

Cooper City Hall: Thank you for the meeting, thank you for residents.

1243

03:13:23.880 --> 03:13:31.440

Cooper City Hall: See you next time, Commissioner Meltzer Thank you mayor Ross no, I just wanted to thank city manager and.

1244

03:13:32.820 --> 03:13:41.280

Cooper City Hall: Jeanette and staff, I was, I had the honor to be here on Saturday, for the tree workshop and.

1245

03:13:42.660 --> 03:13:58.830

Cooper City Hall: We have about 75 residents very, very engaged residents in fact of the 29th edition of the workshop and they had some very, very riveting speakers, in fact, one of which i'm going to go visit tomorrow the tree Amigos over here at the old glenn's greenery on 49th.

1246

03:14:00.090 --> 03:14:05.250

Cooper City Hall: Residents really enjoyed it and it was a first class event, I want to thank you for that.

1247

03:14:08.070 --> 03:14:10.290

Cooper City Hall: raiders 31 dolphins 28 and over time.

1248

03:14:11.610 --> 03:14:17.970

Cooper City Hall: You had to go in there and for those of you that read Dr w magazine there's a very nice article.

1249

03:14:20.310 --> 03:14:25.650

Cooper City Hall: Two of our residents re in it Nice, who are vault they volunteer all over the place, and that is a kernel.

1250

03:14:26.400 --> 03:14:33.360

Cooper City Hall: For the corp team and they both volunteer for COPD and certainly do have a myriad of other things in the city.

1251

03:14:33.630 --> 03:14:41.910

Cooper City Hall: So if you get a chance, take a look at the rw and introduce yourselves the nieces they're terrific people and if anybody in out there in TV land or in the audience.

1252

03:14:42.780 --> 03:14:57.810

Cooper City Hall: would like to volunteer in the city, you can contact marcia more in at 954434 4300 extension 260 that's all I have mayor and wish everybody a happy safe evening, thank you, Commission shredder.

1253

03:14:58.590 --> 03:15:03.300

Cooper City Hall: No nothing Thank you and in conjunction with what Commission and culture were saying.

1254

03:15:03.780 --> 03:15:14.340

Cooper City Hall: You can put in a citizen resource sheet, so that you can be placed on a board and advisory board, you can join the corp or the search team and it's matter of fact, a net.

1255

03:15:14.700 --> 03:15:27.180

Cooper City Hall: In about a month ago, went up to the State search conference and was the recipient of the volunteer of the year award so and she always says she couldn't do it without Ray her husband.

1256

03:15:28.230 --> 03:15:36.570

Cooper City Hall: They really are a great team and great residents and do a lot for the city and the i'm glad that they were recognized, I really am.

1257

03:15:39.540 --> 03:15:48.180

Cooper City Hall: I think everyone seen my frustration with be so we will continue until be so answers the hard and tough questions.

1258

03:15:48.690 --> 03:16:01.380

Cooper City Hall: But they need to answer them, and the only way is for a sheriff to come here as he was invited once and failed to show, as he has been invited, again, hopefully, this time, he will show when the 13 contract cities are here.

1259

03:16:01.980 --> 03:16:09.810

Cooper City Hall: Because we all have something in common and it's called to share I think he needs to understand what customer services, and we are the customer.

1260

03:16:11.010 --> 03:16:24.480

Cooper City Hall: I have asked you, I have asked the captain to reach out I have gotten nowhere now i'm reaching out to him again, please come we don't fight hard.

1261

03:16:25.890 --> 03:16:35.370

Cooper City Hall: But you do have to answer the hard questions come prepared, thank you, I have one thing from there, I want to ask if you're getting the manager.

1262

03:16:36.450 --> 03:16:50.790

Cooper City Hall: The employees in those two full time positions, if there are other vacant open full time positions that asks if they meet the qualifications that you consider them first like the park ranger position or whatever else you come up with.

1263

03:16:51.690 --> 03:16:54.720

Cooper City Hall: Certainly, someone doesn't meet you know you can't put a.

1264

03:16:57.210 --> 03:17:02.280

Cooper City Hall: lawyer, as a doctor, so to say, but I would ask that they get kind of parks preference.

1265

03:17:03.300 --> 03:17:04.680

Cooper City Hall: If they meet this qualifications.

1266

03:17:05.880 --> 03:17:07.080

Cooper City Hall: yeah we plan on doing that.

1267

03:17:08.550 --> 03:17:11.220

Cooper City Hall: And, in fact, if you can just keep us apprised of.

1268

03:17:12.270 --> 03:17:12.840

Cooper City Hall: what's going on.

1269

03:17:13.920 --> 03:17:16.980

Cooper City Hall: Because we do have some ideas, thank you.

1270

03:17:18.120 --> 03:17:21.990

Cooper City Hall: And lastly, we have open rebuttals Stan Roman.

1271

03:17:29.310 --> 03:17:31.170

Cooper City Hall: hi Mera, thank you for letting me talk.

1272

03:17:32.460 --> 03:17:37.980

Cooper City Hall: I i'm sorry I didn't get here earlier for for, I guess, one of the initial agendas, but the.

1273

03:17:38.580 --> 03:17:47.220

Cooper City Hall: Reason i'm here is to go to bat for a couple individuals, I know they're going to be subject to some personnel changes may in maintenance up at the.

1274

03:17:48.030 --> 03:17:56.520

Cooper City Hall: fitness Center Cooper city fitness Center name, we bill and Jim who I first met up there, I know he's working in some other arenas.

1275

03:17:57.090 --> 03:18:04.680

Cooper City Hall: Of the Center up there is excellent i've been a resident for 28 years and I don't know how long it's been upper but i've used it for.

1276

03:18:05.070 --> 03:18:18.690

Cooper City Hall: At least two decades staffs cheerful courteous helpful just wonderful I can name you all the personnel, but in addition to that, besides being you know for recreation, he also have some pretty.

1277

03:18:19.350 --> 03:18:29.730

Cooper City Hall: Nice ambassadors who work in maintenance and I understand it, you know that they're going to be they're going to be let go now I just learned that earlier today and.

1278

03:18:30.180 --> 03:18:42.150

Cooper City Hall: Although i'm semi retired has done a little work I just felt compelled to least let you guys know that one resident really cares about these individuals and.

1279

03:18:42.810 --> 03:18:51.120

Cooper City Hall: and putting them out to pasture you know I it's just not part of my nature to see something like that, without me at least speaking up.

1280

03:18:51.450 --> 03:19:00.060

Cooper City Hall: i've seen are these guys work I see him get ready for the hurricanes, putting up all and that's the tennis i'm there a lot nice I watched him I know.

1281

03:19:00.840 --> 03:19:06.630

Cooper City Hall: i've watched you know I watched some dude all lot of maintenance, I even saw how hard they work.

1282

03:19:07.350 --> 03:19:23.970

Cooper City Hall: to impress your clinic a pressure clean the whole place all the tennis courts, the basketball courts and everywhere else, I mean these guys busted their hides you know they're out there in the sun, I mean it's you know pretty pretty strenuous, so I would implore I would grow it ask.

1283

03:19:25.200 --> 03:19:34.560

Cooper City Hall: Mer and everybody else to maybe reconsider you know, keeping these guys on because, like I said they're really great ambassadors so.

1284

03:19:36.090 --> 03:19:50.580

Cooper City Hall: For whatever it's worth, thank you for listening to me it's worth a lot and the at least one of the gentlemen is wives a here and i'm sure she was grateful to hear that as well, so thank you very much of you, your words, thank you.

1285

03:19:51.660 --> 03:19:53.310

Cooper City Hall: Having said that anyone on virtual.

1286

03:19:57.750 --> 03:20:00.570

Cooper City Hall: motion to adjourn we are adjourned.
