The surcharge must be a separate line item apart from the equipment total. In the event that Executive Orders relating to Tariffs are rescinded, surcharges will no longer be allows on new orders received.

Setup Fees:

Toro's authorized distributors/dealers may include setup fees – not to exceed 5% of the total product cost, plus up to an additional 5% for cab-unit setups. Setup fees must be identified as a separate line-item on the quotation.

Delivery:

In addition, authorized distributors/dealers may include delivery fees – not to exceed 5% of the total product cost, which must be identified as a separate line-item on the quotation.

Installation:

Toro's authorized distributors may include installation fees for autonomous solutions – not to exceed 10% of the total product cost, which must be identified as a separate line-item on the quotation.

Smart Value Program:

In addition to the discount off of Toro's Commercial list price, this agreement offers the Smart Value Program, a volume incentive program. This program provides the customer with a level of dollars available to be used to purchase additional whole goods, accessories, attachments, parts or extended warranty based on the volume of purchase.
