Dr. Howard Hepburn
Superintendent
600 SE 3rd Avenue
Fort Lauderdale, Fl. 33301

Dear Dr. Hepburn,

The City of Cooper City Commission is hereby requesting that the children residing in the Country Glen Development be given choice to attend Pioneer Middle School.

As you may know, they already have choice to attend Cooper City High School, and Griffin Elementary School has open enrollment. Granting families the choice to attend Pioneer Middle School will complete the feeder pattern.

We understand and appreciate that school boundaries are established with regard to student population with each school, and parents are expected to enroll their children at the school assigned to their residential area. In this case, we recognize that circumstances occasionally warrant an exception to the existing policy; therefore, we hope you can support this petition.

In closing, we appreciate the time and effort the school board puts into making the right choices for our children, and we hereby respectfully ask that you approve this request.

Thank you for your time, service, and consideration.

Mayor James Curran

Commissioner Ryan Shrouder

Commissioner Jeremy Katzman

Commissioner Lisa Mallozzi

Commissioner Jason Smith
