CITY MANAGER RECOMMENDATION:

The City Manager recommends approval of Resolution 22-2 a Memorandum of Understanding.

BACKGROUND OF ITEM:

On July 16, 2019 the City Commission approved a Memorandum of Understanding for the Collaborative Study and Subsequent Development of Integrated Solid Waste and Recycling System. By action of the Broward County Board of County Commissioners on June 15, 2021, the County has agreed to contribute financially up to fifty percent (50%) of the total cost of the Study, with the remainder to be paid by Study Participants. The First Amendment to the MOU will further the SWWG's goals by contributing funds to procure the Study, which will provide the SWWG with information critical to the process of establishing a regional solid waste management system.
