## Hold Harmless Agreement for Privacy Screening

I \_\_\_\_\_ am the owner/authorized representative of the property located  
(Print Name)

at \_\_\_\_\_ with folio number \_\_\_\_\_ in the City of Cooper City.  
(Property Address) (Folio Number)

I have a new or existing \_\_\_\_\_ fence constructed based on the code  
(circle one) (ie: Wood, Chain link, PVC, Metal)

prescriptive engineering plans for wood or chain link provided by the Florida Building Code or specific signed and sealed plans for all other fence types designed by a Florida Licensed Architect/Engineer.

I understand that adding temporary privacy screening not included in the approved engineering plans will interfere with the unrestricted airflow requirement in the approved plans effecting the structural integrity of the fence.

I understand that any adverse effects that adding the temporary privacy screening may cause to the integrity of the fence will remain the sole responsibility of the property owner/authorized representative.

I understand that under any circumstances where there is a named storm or anticipated winds of 35mph or more, the property owner/authorized representative will be responsible for removing the temporary privacy screening immediately until such conditions have ceased.
