MINUTES

PLEDGE OF ALLEGIANCE

Mayor Ross opened the meeting at 6:30 PM and led the assembly in the Pledge of Allegiance.

ROLL CALL

Present were Commissioners Mallozzi, Katzman, Shrouder, Green and Mayor Ross.

CHANGES TO AGENDA/EMERGENCY MATTERS

City Manager Napoli advised of an emergency procurement due to a water leak on Stirling Road. He will provide the details before the next Commission meeting.

PUBLIC SPEAKING

Open Public Meeting

Agenda Concerns

Joanne Barber, 8740 SW 52 St, President of the Timberlake Lake Maintenance Association spoke on her concerns on complaints she receives from wildlife feeding and spoke on disease rising from wildlife today.

Kristen Whiting, 8721 SW 21 Court, spoke in favor the City prohibiting wildlife feeding due to wildlife causing illness to her family.

Gina Chandler, 5108 SW 87 Terr, spoke in support of the Ordinance as she lives near a neighbor who feeds wildlife causing health issues in the area of Timberlake.

Doug Campbell, 10206 SW 58 St, does not want to include feral cats in the prohibition of feeding wildlife.

Evan Spigelman, 8949 SW 49 Ct, spoke on the feeding of feral cats causing issues.

David Wahl, 5225 SW 93 Ave, does not believe we need an ordinance for a few issues.

Natalie Mor, 3558 NW 87 Ave, spoke on an accident at the intersection of Estada and the need for a traffic control device.

PRESENTATIONS

1. Pet Adoption - **Commissioner Mallozzi**

Commissioner Mallozzi spoke on Lulu pet ID number 660787 who is need of adoption. Visit www.humanebroward.com or call 954-989-3977 Ext 6.

CONSENT AGENDA

Minutes

2. November 15, 2022 Commission Meeting Minutes

Motion to Approve

3. Motion to approve and authorize the reclassification of the position of Utilities Electrician to Utilities Electrician/Foreman from the existing Pay Grade of 16 to the proposed Pay Grade of 17, reflecting a higher level of job duties performed by the employee in the current position.
– **Utilities**

Commissioner Shrouder pulled item 3.

MOTION: Commissioner Green moved to approve the consent agenda with the exemption of item 3. Commissioner Mallozzi seconded the motion which prevailed by a unanimous roll call vote. (5-0)

Commissioner Green asked City Manager Napoli to explain the item. City Manager Napoli advised there is only one electrician in the Utilities Department and his duties far exceed his job description. This will ensure his duties are reflected in the job description and he will move to a pay grade 17. Commissioner Green asked the status of the pay study. City Manager Napoli answered they believe they will be able to present the study at the end of February.

Commissioner Mallozzi asked Utilities Director Raj Verma about the position change. Director Verma explained the individual is being moved to pay grade 17 to classify him to the job functions he performs.

Commissioner Shrouder asked why we are adjusting this position when we are in the middle of the pay study. He advised if this is a situation where the employee needs to be paid more and market conditions, indicate an increase and we need to act now so we don't lose the employee. He would rather approve a temporary increase pending the results of the study. Director Verma explained the individual is performing a two person job but losing this individual will result in more issues.

City Manager Napoli advised the individual is performing duties outside his job description and we do not want to lose the individual.

Commissioner Shrouder would like to remove the acknowledgment and the and/or in the last paragraph.

Commissioner Katzman is in support of the change as there is a major difference in what the individual does and his job description.

Commissioner Shrouder asked the Commission update date be revised.

Mayor Ross has no issue with the item and paying for the expertise the Utilities Department needs.

MOTION: Commissioner Green moved to and authorize the reclassification of the position of Utilities Electrician to Utilities Electrician/Foreman from the existing Pay Grade of 16 to the proposed Pay Grade of 17, reflecting a higher level of job duties performed by the employee in the current position. Commissioner Mallozzi seconded the motion which prevailed by a unanimous roll call vote. (5-0)

REGULAR AGENDA**4. Motion to approve first amendment with The Butler Group of South Florida, LLC D/B/A Nextaff for Crossing Guard services. Parks & Rec**

MOTION: Commissioner Green moved to approve first amendment with The Butler Group of South Florida, LLC D/B/A Nextaff for Crossing Guard service. Commissioner Shrouder seconded the motion which prevailed by a unanimous roll call vote. (5-0)

5. Motion to approve a temporary agreement with Westway Towing – Finance

Commissioner Mallozzi spoke on the company having major issues historically involving Department of Justice charges. She spoke on indiscrepancies in the memorandum provided.

Mayor Ross advised he met with the owner of the company along with lobbyist Vinnie Grande. He explained the individual charged criminally was charged individually, the company was not slated.

Commissioner Katzman advised BSO uses Westway so there will be a seamless transition and the lot is located locally in Davie.

Commissioner Shrouder asked if we have to have a temporary agreement on file.

City Attorney Horowitz advised the item presented tonight is an emergency procurement under our procurement code. This process requires your professional staff to reach out to multiple vendors to the extent that they are available who are able and willing to provide the service. My understanding from conversations with the manager and the finance director is that's occurred, and that your staff has recommended a contract with West Way that's presented this evening. To the extent that the city did not have coverage come the end of this year when our current contract expires, that that would clearly be an issue in the event that there was a need in the city at any point during the in which there was no contract that provided that a particular function. In the event there was a need for the service it would likely we would reach out to BSO and potentially their vendor in an effort to fill that gap. But the city would not be receiving the benefit of an agreement while it doesn't, necessarily provide the administrative fee, which is no longer an option under the statute. It does provide certain administrative charges which are permissible that being a 25% surcharge on top of any rates that are currently established by the Broward County Board of County Commissioners, which are the towing rates that apply throughout Broward County. So there is some benefit to having an agreement in place.

Commissioner Shrouder asked if we reached out to other vendors.

CFO Kendrick advised staff reached out to three or four additional towing companies and the issue was having a large enough lot to store vehicles. They looked at who bid in the previous RFP, reached out to Public Works and contacted BSO. He also advised Superior did contact him and would have been interested in the contract however, staff did perform due diligence.

Commissioner Shrouder cited local towing agencies.

Commissioner Green asked when the contract was put out. City Manager Napoli advised two years ago and two companies bid neither which was Superior Towing. He supports the item as they did bid the item two years ago.

City Manager Napoli advised this bid will go out within the next few weeks.

Commissioner Shrouder would support the item if we go out to bid immediately and no points are given to the incumbent.

Commissioner Mallozzi wants the agreement to prohibit soliciting of collision services.

Mayor Ross said enforcement is difficult and there is a statue that requires no solicitation. All he asks is that they follow the law.

Commissioner Green said its natural instinct to ask for recommendations.

City Attorney Horowitz will add the specific language prohibiting soliciting to the agreement and the solicitation.

MOTION: Commissioner Green moved to approve a temporary agreement with Westway Towing prohibiting the vendor soliciting towed customers for collision services either through itself or related entity. Commissioner Shrouder seconded the motion which prevailed by a unanimous roll call vote. (5-0)

6. Motion to approve adding LPR cameras to the remaining LPRs without cameras. – Commissioner Shrouder

Commissioner Shrouder said the cameras will be able to aid in locating vehicles.

Commissioner Katzman would like to add to the motion a friendly amendment of exploring adding a camera to the intersection of Estada.

Mayor Ross inquired about cost.

CFO Kendrick advised the funds will come from a budgeted line.

Mayor Ross asked Captain De Giovanni if these cameras are needed and if we will need any additional cameras. Captain De Giovanni believes this to be a prudent purchase. He also advised a site visit will determine if the City has a right-a-way located at the entrance of Estada or if the location is owned by the CDD, he will visit with the community for the camera addition.

MOTION: Commissioner Shrouder moved to approve adding cameras to the remaining LPRs without cameras and exploring adding a camera to the intersection of Estada. Commissioner Katzman seconded the motion which prevailed by a unanimous roll call vote. (5-0)

7. Discussion and possible action on using Public Safety Impact Fees to build-out the City's Emergency Operation Center (EOC) and adding a dedicated server for the Emergency Operation Center and Real Time Crime Center(RTCC). - Commissioner Shrouder

Commissioner Shrouder said he City's EOC is on BSO'S server. He would like to add a City server at the Police Station for City use and the Real Time Crime Center. He would like to use the public safety impact fees. CFO Kendrick advised we can include this item with the internet that will be connected at the Park.

Mayor Ross asked how much we have in public safety impact fees. CFO Kendrick advised \$150,000.

Mayor Ross asked Captain De Giovanni if this is needed. Captain De Giovanni advised it is a prudent purchase. He asked other cities with Real Time Crime Center's and they all indicated a dedicated server would be beneficial. He did not bring this item forth as he wanted to wait until the Real Time Crime Center was reviewed.

Consensus was reached to use Public Safety Impact Fees to build-out the City's Emergency Operation Center (EOC) and adding a dedicated server for the Emergency Operation Center and Real Time Crime Center(RTCC)

8. Discussion and possible action to direct the City Attorney's Office to draft an ordinance providing for the prohibition of feeding wild animals within the City, including, but not limited to, feral/stray cats and ducks. – Commissioner Mallozzi

Commissioner Mallozzi advised this issue has been ongoing for years. She spoke on the trap and release program but the issue is that some individuals do not want their animals trapped. She advised this ordinance will assist Code Enforcement with allowing for the cleanup of feces and food.

Commissioner Green supports the ordinance to address the feeding of the wildlife. He explained a situation in his HOA with an individual feeding ducks that has caused damages.

Commissioner Shrouder sees both sides. The real issue is a prohibition on feeding wild animals to a point where it's a public nuisance. Nuisance needs to be defined to allow for the feeding of neighborhood cats.

Commissioner Katzman said the outline issues of sickness need to be addressed. He spoke on the Broward County Code prohibiting the harboring of animals. He would like to address the major concerns without preventing the feeding of neighborhood cats.

Mayor Ross advised the issue is the manner in which the animals are getting feed. Mayor Ross asked Captain De Giovanni if we have looked at this issue from a public nuisance stand point. Captain De Giovanni advised it can be looked at as a public nuisance however, defining the issue may be a challenge. Mayor Ross also said one ordinance may not address all areas of concern.

City Attorney Horowitz will look at any tools currently in the code to assist.

Consensus was reached for the City Attorney to bring forth an ordinance addressing the issue.

9. Discussion and possible action regarding access to gated communities by non-essential personnel – Commissioner Mallozzi

Commissioner Mallozzi advised residents asked her about this item while she was campaigning. She does not believe Commission members or City personnel are essential.

Commissioner Shrouder explained the previous code allowed personnel to have access to private communities but did not define access. He explained in two communities the gate access system stopped working and emergency personnel could not enter. The Captain then advised these communities were using codes. The intent behind the ordinance change was to clarify the type of access so emergency personnel could access the neighborhoods. The City does not give access to neighborhoods with gate openers.

City Manager Napoli advised the only staff that have access to communities is Utilities, Police and Fire.

Commissioner Green does not believe the Commission needs gate clickers to access communities.

Commissioner Shrouder said the Commission has access to inspect all areas via the Charter. The functions of government need to access these communities.

Commissioner Mallozzi said if the Commission is allowed to have access a memorandum needs to be released citing the ordinance.

Commissioner Shrouder asked Captain De Giovanni if he has had any criminal complaints regarding the City Commission accessing communities. Captain De Giovanni answered he has not received complaints.

Captain De Giovanni explained he did advise the Commission the previous code did not clarify access. His professional opinion is that the updated ordinance streamlines the process.

Commissioner Shrouder said the code does state the access is for lawful necessity.

The Commission discussed the writing of a policy to clarify who has access.

10. Discussion and possible action regarding the spending or reallocation of a Commissioner's discretionary funds in the year in which the Commissioner is up for re-election. - Commissioner Mallozzi

Commissioner Mallozzi explained the previous District 2 Commissioner disbursed the discretionary funds for District 2 the morning of the Swearing In for her term. She explained the funds were for the rest of the fiscal year and she would like a policy written to avoid this issue in the future.

Commissioner Green said if it is an election year the funds should be replenished if used.

Commissioner Shrouder agrees the funds should be replenished for the newly elected individual.

Commissioner Katzman asked to create a newly elected official fund.

Commissioner Shrouder said the time to address this issue is during the budget season during an election year.

11. Discussion and possible action to amend the City's Administrative Procedures Resolution to provide for an 11:30pm end time for City Commission meetings and a 4-minute time limit on discussion by members of the City Commission. - Mayor Ross

Mayor Ross would like to add an additional item limiting agenda items by a Commission to three.

Commissioner Katzman said he wants to have meetings that are not going beyond normal hours to assure public attendance. He would like to limit the time each Commissioner speaks. He would also like to add a support and oppose box to the public speaking slips. He would also like to address advertised date certain items first before the meeting commences.

Commissioner Shrouder said he recommended the oppose and support sign in sheets but it was not implemented. He also recommended Special Recognition Meetings to remove recognition items from agendas and items are still added to regular agendas. He does not want to limit the conversation on the dais as it is the only time the Commission can lawfully discuss items. He also spoke on potentially starting meetings earlier.

Commissioner Green advised the meetings were scheduled at 6:30 PM to allow for residents to attend after work. He supports the four minute time limit. He also spoke on the lengthy meetings and the residents not being able to watch late hours into the night.

Commissioner Shrouder said the Commission needs to conduct business.

Commissioner Green said surrounding municipalities are able to conduct business within reasonable hours.

Commissioner Mallozzi said the only communication between the Commission has to be done in public. She recommended adding more items to consent agenda and trying an 11:30 PM end time. She asked City Manager Napoli if everyone has agenda reviews prior to the meeting. City Manager Napoli answered yes.

Mayor Ross said the Commissioners should be able to make points in a reasonable time.

Commissioner Katzman agrees with discussion but would support a time limit on the first go around.

Commissioner Shrouder does not agree to a three limit item restraint on Commissioners items.

MOTION: Commissioner Shrouder moved to approve an 11:30 PM end time for Commission Meeting. Commissioner Mallozzi seconded the motion which prevailed by a unanimous roll call vote. (5-0)

City Attorney Horowitz will bring forth a resolution to approve the 11:30 PM end time.

Mayor Ross has issue with a single Commissioner adding numerous items to the agenda and monopolizing the agenda.

Commissioner Shrouder stated he is an active elected official.

Commissioner Katzman asked to rotate items by Commissioners on the agenda by seniority.

Commissioner Green said he supports limiting the number of agenda items.

MOTION: Commissioner Katzman moved to approve agenda items being listed by seniority and then repeating again in seniority order. Commissioner Green seconded the motion which prevailed by a unanimous roll call vote. (5-0)

Commissioner Shrouder asked that the senior members of the Commission vote first.

Commissioner Green believes the senior members need to vote at the end.

ORDINANCES ON SECOND READING (Public Hearing)

12. Ordinance 22-26 (Community Development)

City Attorney Horowitz read "AN ORDINANCE OF THE CITY OF COOPER CITY, FLORIDA, AMENDING CHAPTER 25, ARTICLE II OF THE CITY'S CODE OF ORDINANCES, ENTITLED "SIGNS;" BY SPECIFICALLY AMENDING SECTION 25-26, ENTITLED "WINDOW SIGNS;" PERMITTING ALL COLORS TO BE ELIGIBLE FOR WINDOW SIGNS; LIMITING ALL PERMITTED TYPES OF LIT WINDOW SIGNAGE TO ONLY BE ILLUMINATED DURING BUSINESS HOURS; ELIMINATING THE "HOLIDAY SEASON" RESTRICTION OF OCTOBER 15 THROUGH JANUARY 5 FOR BOTH TEMPORARY WINDOW SIGNAGE AND WINDOW LIGHTING; PROVIDING FOR CONFLICTS; PROVIDING FOR CODIFICATION; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE" by title.

Commissioner Shrouder moved to approve the ordinance including a 36 inch setback for window lighting.

Commissioner Mallozzi wants to ensure the signage is viewable.

Commissioner Shrouder does not believe encased lights are aesthetically pleasing.

Commissioner Katzman spoke on the Business Advisory Boards recommendation.

Commissioner Shrouder spoke on businesses that have the incased flickering lighting in the window and how it is not aesthetically pleasing.

Community Development Director Carlos Vega said the pushback would have the lights hanging from the ceiling so it may add liability to the businesses.

MOTION: Commissioner Shrouder moved to approve Ordinance 22-26 including no window encasement lighting allowed. Commissioner Green seconded the motion which prevailed by a unanimous roll call vote. (5-0)

Mayor Ross opened the public hearing with no one wishing to speak. Mayor Ross closed the public hearing.

MOTION: Commissioner Shrouder moved to approve Ordinance 22-26 as amended. Commissioner Green seconded the motion which prevailed by a unanimous roll call vote. (5-0)

CITY MANAGER REPORT

13. Update on the Dog Park

Public Works Director Tom Good advised himself and the City Engineer identified a location inside Brian Piccolo Park. Broward County provided a cost estimate around \$1.4 million however, there were items included in the proposal the City would not be interested in.

Commissioner Green asked if we know what the City's portion would be. Director Good answered no.

Commissioner Katzman asked the next steps. Director Good said speaking with the County on a more realistic number.

Commissioner Mallozzi asked the amount for the park alone. Director Good said around \$314,000. Commissioner Mallozzi asked about a potential dog park location at Jerry Morgan Park. She did advise of a possible deed restriction.

Commissioner Shrouder recommended Flamingo Park.

Director Tom Good advised they did not explore Jerry Morgan Park as there is a deed restriction.

Mayor Ross does not support paying for an improvement to a county park.

Commissioner Shrouder suggested a feasibility study at these locations.

Director Tom Good clarified Broward County did not ask for any funds but they will ask them if they expect the City to share cost.

14. Legislative Update

City Manager Napoli advised the City plans on presenting to the legislature for funding this year. The items presented is the roundabout on Hiatus and North Lake Boulevard for approximately \$367,000 and the 49th Street Culvert between \$350,000 to \$500,000. He also advised Mayor Ross added the Florida League of Cities priority list. City Manager Napoli thanked staff for Light Up Cooper City as it was a great event. There will be a celebration at Memorial Park on December 18, 2022 for the first

night of Hanukkah at 5:30 PM. City Manager Napoli also advised the Collective Bargaining Agreement has been finalized and will be brought forth the first meeting in January. Lastly, he advised he has been with the City almost three years and believes it is time to move on. He is proud of the accomplishments the City has made in the past three years and deeply cares about the City and staff. He is committed to making sure there is a good transition for stability.

Commissioner Shrouder stated he spoke to the City Manager and he is willing to stay on during the transition and he would like Commission consensus on amending his contract to remove the provision on notifying the Commission if he applies within another entity and continuing the obligation on severance. He also stated the City has done tremendous under City Manager Napoli's leadership and he respects his decision.

Commissioner Green does not want City Manager Napoli to part ways with the City as he has moved the City forward in a way that has never been done. He spoke on the initiatives City Manager Napoli has implemented including the EOC SharePoint site and managing the CARES Act funding. He stated City Manager Napoli has been a phenomenal leader and if he has wronged him in any way he publicly apologizes as an elected official.

Commissioner Katzman advised he hasn't had the chance to work with City Manager Napoli for long but as a resident he was great. He was hoping to work with City Manager Napoli longer but he respects his decision and thanks him for willingness to serve during the transition and supports the addendum discussed.

Commissioner Mallozzi said she would like to see City Manager Napoli stay but the choice is his.

Mayor Ross thanked City Manager Napoli on behalf of the residents as he has worked endlessly for the residents including the strategic plan and ARPA funding. He thanked City Manager Napoli for assisting during the transition. He agrees with the removal of the provision on notifying the Commission if he applies within another entity and continuing the obligation on severance. Mayor Ross said he is proud of City Manager Napoli and his decisions.

Commissioner Shrouder made a motion to amend the City Managers contract to remove the provision on notifying the Commission if he applies within another entity and continuing the obligation on severance as identified in the contract contingent upon him staying for up to two months.

Commissioner Shrouder thanked City Manager Napoli for bringing a level of professionalism to the City that it did not have prior.

MOTION: Commissioner Shrouder moved to amend the City Managers contract to remove the provision on notifying the Commission if he applies within another entity and continuing the obligation on severance as identified in the contract contingent upon him staying for up to two months.

Commissioner Katzman seconded the motion which prevailed by the following roll call vote. (4-1)

YES: Commissioners Mallozzi, Katzman, Shrouder and Mayor Ross

NO: Commissioner Green

CITY ATTORNEY REPORT

City Attorney Horowitz advised he will bring forth an amendment to the City Managers contract pursuant to the last motion. He also advised the Broward County Commission adopted an ordinance amending the code of ethics for elected officials throughout Broward County. Starting on January 1, 2023 public officials, elected officials throughout the State of Florida are prohibited from lobbying for

compensation at the State, Local and Federal level. The other significant prohibition in the Constitution is when you leave public office there's a 6 year prohibition on lobbying the agency that you recently served.

POLICE CHIEF'S REPORT

15. Police Chief Report

Captain De Giovanni thanked City Manager Napoli for his support. He also spoke on the value of the license plate readers and how they aided in real time arrest of an individual with a felony arrest warrant entering Monterra at a late hour and was not a resident of the area. He also advised the Suellen Fardelmann smart camera system has been completed and the permitting process has begun on the Real Time Crime Center. He also thanked the COP's who give their own time to support the City's public safety mission. He also advised four local news stations covered the Santa Letters initiative. Lastly, he reminded the residents the Shred-A-Thon will be held on January 20, 2023 at 10:00 AM.

Commissioner Katzman asked about the holiday home watch program. Captain De Giovanni advised BSO District 16 has a home watch program to check on residents homes if they are away for the holidays.

FIRE CHIEF'S REPORT

16. Fire Chief Report

Chief Harrington advised he has no amendments to his report and thanked City Manager Napoli for his efforts.

Commissioner Shrouder asked if there is insurance coverage for the fire apparatus that caught fire. Chief Harrington advised the truck was a BSO vehicle and the vehicle will no longer be in service and they have a temporary replacement at District 28.

COMMISSIONERS' CONCERNS/REPORTS/ITEMS TO BE PLACED ON NEXT AGENDA

Commissioner Green apologized for missing Light Up Cooper City. He thanked the Recreation staff for their work on the event. He also asked to move the Walking Club to Mondays.

Commissioner Shrouder inquired about decorative coverings for the electric boxes. He also asked about the process for the City Manager search and how they should proceed.

Mayor Ross said they need to look at professional recruiting firms which can be difficult. Another option is having HR recruit individuals.

Commissioner Shrouder advised we need to use a professional company.

Consensus was reached to have the City Manager bring forth recruiting firms.

Commissioner Katzman asked if we would like to hold a Special Meeting to move the process forward as soon as possible.

Commissioner Shrouder said the objective is to settle on a company with price ranges.

Consensus was reached for a Special Meeting on December 21, 2022 at 7:15 AM.

Commissioner Katzman would like to update the code to adhere to the Charter with regard to election changes. City Attorney Horowitz advised he is working on the code in reference to the election changes.

Commissioner Shrouder would also like to look at the sign code in relation to elections. City Attorney Horowitz advised they are working on an update to the sign code as well.

Commissioner Mallozzi wished everyone a Happy Holiday.

Mayor Ross wished everyone a Happy Holiday.

ADDITIONAL PUBLIC COMMENTS (2 MINUTES)

Robin Morganstine, 2990 W Budd St, advised the emergency clickers are designed for emergency use alone not for city officials as it causes issues to the gate arm.

Commissioner Shrouder said when we adopt the administrative policy we can identify the use of the emergency lane to not cause issues with the gate.

Cooper City Hall: I pledge allegiance to the flag of the United States of America and to the Republic for which it stands. One nation under God indivisible with liberty and justice for all. Thank you.

3

00:00:29.570 --> 00:00:31.060

Cooper City Hall: Have roll call, please.

4

00:00:33.710 --> 00:00:46.369

Cooper City Hall: Commissioner Melody here, Commissioner Katzman. Here, Commissioner Schrodder. Here, Commissioner Green. Yeah, Mayor Ross, and I am here. Mr. City Manager, Are there any changes to the agenda or any emergency matters?

5

00:00:48.620 --> 00:00:51.199

Cooper City Hall: Well, Mr. Mayor? No, but

6

00:00:51.230 --> 00:00:53.470

Cooper City Hall: I was gonna bring it up in my report.

7

00:00:53.530 --> 00:00:57.059

Cooper City Hall: about an emergency purchase that we need to

8

00:00:57.150 --> 00:01:03.830

Cooper City Hall: to make a couple of days ago I sent out an email that they were doing an inspection on Sterling Road

9

00:01:03.890 --> 00:01:20.530

Cooper City Hall: and to check for a water leak. It's been determined. There is a water leak there. We're going to have to do an emergency procurement for that we would under our code. We did go out for 3 3 bids. we chose the the lowest bidder, and we're going to make that purchase. But i'll provide the

10

00:01:20.710 --> 00:01:29.340

Cooper City Hall: the detailed information before the next commission meeting, but I wanted everybody to be aware of that. Very good. I appreciate it. Any questions of the city manager on that

11

00:01:29.570 --> 00:01:32.800

Cooper City Hall: hearing none. We'll move on to public speaking.

12

00:01:32.970 --> 00:01:37.450

Cooper City Hall: We have 4 individuals who wish to speak on an agenda item.

13

00:01:37.560 --> 00:01:40.199

Cooper City Hall: Is there anyone wishing to speak on anything

14

00:01:40.330 --> 00:01:46.439

Cooper City Hall: other than the agenda item seeing done? We'll move on to the agenda concerns Joanne Bobber.

15

00:01:48.170 --> 00:01:49.000

Cooper City Hall: Come on up.

16

00:01:50.580 --> 00:01:53.999

Cooper City Hall: You're the You're the lucky one. You're number one.

17

00:01:54.590 --> 00:01:57.589

Cooper City Hall: and the mics are on. You don't have to do anything.

18

00:01:57.940 --> 00:02:03.270

Cooper City Hall: So My name is speaking to am. Barber, 87, 40, Southwest 50 s Street.

19

00:02:03.470 --> 00:02:19.159

Cooper City Hall: and I am the president of the Timber Lake Lake Maintenance Association, and although we are a charges associate, and can legally place leans on non-compliance of maintenance fees. No legal enforcement of authority do we have.

20

00:02:19.210 --> 00:02:24.880

Cooper City Hall: I am inundated with complaints right now for the wildlife feeding that is taking place in our lake.

21

00:02:25.070 --> 00:02:28.799

Cooper City Hall: and and it affected as having a quality of life.

22

00:02:30.130 --> 00:02:35.520

Cooper City Hall: on some of our lake neighbors. We have gone through the ranks of Bso Code Enforcement.

23

00:02:35.630 --> 00:02:42.060

Cooper City Hall: who asked us for proof. We gave them proof, as we have seen. As you have seen, I've sent you videos and pictures.

24

00:02:42.160 --> 00:02:45.679

Cooper City Hall: and they told us that we couldn't do anything without an ordinance.

25

00:02:45.790 --> 00:02:50.600

Cooper City Hall: Other cities have this ordinance, Hollywood, Pember Pines Boca. Return.

26

00:02:50.770 --> 00:02:54.299

Cooper City Hall: This has been brought to the attention of past commissioners.

27

00:02:54.480 --> 00:03:02.010

Cooper City Hall: I have an 84 year old Widow Lake resident that almost 30 geese land in her pool from one of the feeders.

28

00:03:02.260 --> 00:03:07.139

Cooper City Hall: and she could not sleep at night for the screaming that was happening. That was so bad.

29

00:03:07.630 --> 00:03:13.379

Cooper City Hall: We can hire as an association a Removal Company, which we have previously done.

30

00:03:13.550 --> 00:03:18.770

Cooper City Hall: But we all know that these are invasive species, and they're not getting relocated

31

00:03:19.100 --> 00:03:29.579

Cooper City Hall: on top of the green feces and all the diseases it poses in pools, sidewalks, etc. The avian flu virus is now documented in our area.

32

00:03:29.810 --> 00:03:35.919

Cooper City Hall: The Department of Agriculture has quarantined 350 chickens and Southless ranches.

33

00:03:36.000 --> 00:03:41.189

Cooper City Hall: The geese came from the West Coast during hurricane in and brought avian flu.

34

00:03:41.390 --> 00:03:45.779

Cooper City Hall: The Department of Agriculture has also requested limiting feeding

35

00:03:46.270 --> 00:03:52.630

Cooper City Hall: 50 ducks, squirrels, geese are feeding close to one another, and that's what starts to spread the disease.

36

00:03:52.860 --> 00:03:56.500

Cooper City Hall: We are not asking for bird feeders to be removed.

37

00:03:56.540 --> 00:04:08.269

Cooper City Hall: These are not children throwing bread we are talking about. We are talking about cases of, and hundreds of pounds of wildlife food being ordered from chewy

38

00:04:08.330 --> 00:04:10.260

Cooper City Hall: buffet trays of fruit.

39

00:04:10.740 --> 00:04:16.309

Cooper City Hall: All state. Our Lake Maintenance Company has warned us and removed 2 dead docs. Already

40

00:04:16.459 --> 00:04:20.229

Cooper City Hall: the balance of the healthy natural lake is very important.

41

00:04:20.290 --> 00:04:29.479

Cooper City Hall: It is a financial and ecological problem. We have a beautiful, healthy lake. The wildlife from the eagles, fish, iguana are plentiful and natural.

42

00:04:29.530 --> 00:04:33.480

Cooper City Hall: This mass feeding interferes in natural selection.

43

00:04:33.560 --> 00:04:39.279

Cooper City Hall: We love our lake and all the wildlife, and we asking you to protect the wildlife

44

00:04:39.300 --> 00:04:43.179

Cooper City Hall: and the people on in the neighborhoods. Thank you.

45

00:04:46.750 --> 00:04:47.530

Cooper City Hall: Thank you.

46

00:04:49.220 --> 00:04:50.819

Cooper City Hall: Christine Whiting.

47

00:04:56.120 --> 00:04:56.990

Cooper City Hall: Hello!

48

00:04:57.310 --> 00:05:03.750

Cooper City Hall: My name is Kristen Whiting, and I live at 87, 21 southwest, 50. First Court Timberlake.

49

00:05:03.840 --> 00:05:20.309

Cooper City Hall: Thank you for the opportunity to speak on the possibility of creating this ordinance. I would like to state that I am in favor of the city, creating this ordinance, not because i'm concerned about a parent occasionally feeding a duck at the Park, because I've done it with my children

50

00:05:20.320 --> 00:05:36.270

Cooper City Hall: or a neighbor attending to an abandoned cat, because I think that's just being kind. I am asking for the ordinance, so that when issues of extreme feeding arise which create unsafe health conditions, there is some form of recourse.

51

00:05:36.280 --> 00:05:52.480

Cooper City Hall: I grew up in Cooper City, and I am proud to be raising my 2 children here. I believe Cooper City is truly some place special as our mission states, until you live next to a neighbor who, through their actions, threatens the health of all residents.

52

00:05:52.520 --> 00:06:04.869

Cooper City Hall: For over 20 years I have lived next to a neighbor who feeds ducks, geese, iguana, pigeons, and ivis birds, all of which are capable of living naturally off the land.

53

00:06:04.880 --> 00:06:14.899

Cooper City Hall: She feeds them PET foods in high amounts daily, creating dependence and offsetting nature and creating dangerous health concerns.

54

00:06:14.960 --> 00:06:27.320

Cooper City Hall: because what goes in must come out. The 50 or so wild animals leave her yard and defecate on the sidewalks, patios, driveways, pools of all of our neighbors in the Cul-de-sac.

55

00:06:27.360 --> 00:06:44.749

Cooper City Hall: Every day you will find ducks swimming in our pools, and defecating all over our properties as kind neighbors. We have tried everything from fishing, wire to noise, maker, noise, makers, pinwheels, and even coyote urine which doesn't work by the way, but it's expensive.

56

00:06:45.530 --> 00:07:00.390

Cooper City Hall: This also brings in a large number of night time animals such as rats, possums, raccoons, who feed on the left over food, eggs, and even the ducks themselves. On occasion. We often wake up to dead animals in our cul-de-sac.

57

00:07:00.430 --> 00:07:18.889

Cooper City Hall: All of our neighbors have asked kindly for her to please stop. It gets better for a week than she returns to feeding. It should be noted that I have never had an ill word with this neighbor, and even after all these years, treat her with kindness and respect, bringing her food when her husband is sick.

58

00:07:18.900 --> 00:07:20.970

Cooper City Hall: and being there for her in general.

59

00:07:21.280 --> 00:07:39.610

Cooper City Hall: That is because it should be the city who steps in, not the residents. The city should protect the health of all residents. A year ago my son Joseph became ill with stomach, pain, nausea, and diarrhea. His symptoms became so severe. We ended up at Joe Dimaggio Children's Hospital

60

00:07:40.360 --> 00:07:50.080

Cooper City Hall: He spent 9 days battling salmonella that ravaged his body, resulting in him needing surgery to remove his appendix and part of an inflamed vow.

61

00:07:50.120 --> 00:07:52.479

Cooper City Hall: Infectious disease stepped in.

62

00:07:52.540 --> 00:07:59.309

Cooper City Hall: and when the Salmonella entered when the Salmonell entered his bloodstream. The pain he experienced was horrific

63

00:07:59.430 --> 00:08:09.800

Cooper City Hall: as his mother. I never left his side, including when my oldest son graduated from high School instead. My son Joseph and I watched his brother walk across the stage

64

00:08:09.830 --> 00:08:14.540

Cooper City Hall: of his high school graduation from a hospital bed while he was hooked up to morphine.

65

00:08:14.790 --> 00:08:26.630

Cooper City Hall: 3 weeks after my son was released from the hospital our dog became ill, and we had to admit her to the animal hospital. She spent 6 days being treated for Sam and Ella.

66

00:08:26.640 --> 00:08:38.730

Cooper City Hall: Both the infectious disease doctor and vet explain this type of severe salmonella comes from Feces mostly duck and iguana something we have in great abundance.

67

00:08:38.850 --> 00:08:44.450

Cooper City Hall: Of course we kindly asked our neighbor to stop again, and it was good for about 2 weeks.

68

00:08:44.510 --> 00:08:58.230

Cooper City Hall: We can't use our pool can't fish on our beautiful lake, and we have to take extra precautions when we go outside of our yard, especially with him, because once you've had Sam and Ella, you are predisposed to getting it again and again.

69

00:08:58.390 --> 00:09:14.600

Cooper City Hall: Time one should have to experience what we did or live like. We do I kindly ask that you write an ordinance that allows you to address extreme circumstances such as this? Thank you.

70

00:09:14.730 --> 00:09:15.590

Cooper City Hall: done.

71

00:09:15.690 --> 00:09:19.210

Cooper City Hall: or prepared any rules or ordinances of their own.

72

00:09:19.280 --> 00:09:32.470

Cooper City Hall: So Timberlake doesn't have an a homeowners association. We're like the original Cooper city, so we don't have a specific H. A. We do have a lake maintenance which I believe Joanne spoke to

73

00:09:32.480 --> 00:09:43.900

Cooper City Hall: and they collect a fee, and basically it applies chemical to the lake so that it doesn't get a large amount of weeds and things like that. and they report to us on the health of the lake.

74

00:09:43.950 --> 00:09:51.649

Cooper City Hall: you know I have tried going to code Enforcement. But again I I Sometimes

75

00:09:51.710 --> 00:09:56.459

Cooper City Hall: I just don't want to create a problem with my neighbor.

76

00:10:01.670 --> 00:10:03.120

Cooper City Hall: Gina Chandler.

77

00:10:08.280 --> 00:10:13.699

Cooper City Hall: Hi! Good evening. My name is Gina Chandler. I do live in the same community

78

00:10:13.830 --> 00:10:15.889

Cooper City Hall: with Joanne and Christine.

79

00:10:15.950 --> 00:10:22.609

Cooper City Hall: and I have been a member of Cooper, I mean. I've been a resident of Cooper City almost 20 years, and

80

00:10:22.790 --> 00:10:40.819

Cooper City Hall: you know an active member. I've never approached you for anything. This must be serious, so i'm not going to follow it up with the same thing that they've just said, I'm just here to support this ordinance only because we live directly across

81

00:10:40.830 --> 00:10:50.049

Cooper City Hall: from the woman that she is speaking of, and it is very difficult to watch her. The resident

82

00:10:50.130 --> 00:10:52.300

Cooper City Hall: take shovel falls

83

00:10:52.400 --> 00:10:56.310

Cooper City Hall: of food every single morning around 9 am.

84

00:10:56.440 --> 00:11:01.259

Cooper City Hall: And feed nearly a 100 animals on her property.

85

00:11:01.350 --> 00:11:04.439

Cooper City Hall: and not be able to do anything about it.

86

00:11:04.620 --> 00:11:10.990

Cooper City Hall: We have sent code enforcement over there. We have addressed the lake maintenance.

87

00:11:11.080 --> 00:11:12.860

Cooper City Hall: Our hands are tied.

88

00:11:13.010 --> 00:11:23.740

Cooper City Hall: We are not asking you to put an ordinance out for our ordinary feeding of of little ducks with. You know the little kids I mean. That's lovely.

89

00:11:23.930 --> 00:11:28.819

Cooper City Hall: We're talking about excessive meeting. It just produces

90

00:11:31.280 --> 00:11:44.099

Cooper City Hall: a a necessity for it again and again and again. They now have no other way of getting food. They've never learned how to get their own food. They rely on humans to feed them now.

91

00:11:44.140 --> 00:11:59.439

Cooper City Hall: and that is the problem. So we're asking for this ordinance, for, of course, the excessive feeding, not your general little things, and I appreciate your time tonight, and that's all I have to say.

92

00:11:59.510 --> 00:12:00.570

Cooper City Hall: Thank you.

93

00:12:02.850 --> 00:12:03.820

Cooper City Hall: Doug Campbell.

94

00:12:06.630 --> 00:12:09.419

Cooper City Hall: Pamela Campbell. Okay, thank you.

95

00:12:12.980 --> 00:12:23.459

Cooper City Hall: Good evening. My name is Doug Campbell, one of 206 Southwest, 50 Eighth Street, and my concern is also for Point Number 8 Mission meeting tonight.

96

00:12:23.560 --> 00:12:26.690

Cooper City Hall: I wasn't aware of it until last night.

97

00:12:27.650 --> 00:12:44.190

Cooper City Hall: and I was My only concern really is not regarding the cat. I mean the dogs. Listen to me not regarding the ducks, because I was not aware of the issues that these folks have been experiencing. I just wasn't aware of the fact that they're

98

00:12:44.200 --> 00:12:49.789

Cooper City Hall: including feral cats and things like that Within this request for a possible ordinance.

99

00:12:49.950 --> 00:12:54.269

Cooper City Hall: there was some way awarding the ordinance that would not include feeding feral cats.

100

00:12:54.360 --> 00:13:08.610

Cooper City Hall: I'd be most welcome to that, because most of the attachments that I saw for this particular part all involved barrel cats. Only one thing with even refer to dots themselves.

101

00:13:08.680 --> 00:13:13.019

Cooper City Hall: So I thought that was going to be the emphasis of what people were looking forward to

102

00:13:13.120 --> 00:13:16.869

Cooper City Hall: for this particular possible ordinance. They would want to create

103

00:13:17.070 --> 00:13:24.439

Cooper City Hall: barrel cats that the trap and release trap neuter release program has been very effective around the world.

104

00:13:24.500 --> 00:13:26.119

Cooper City Hall: also within

105

00:13:26.180 --> 00:13:38.100

Cooper City Hall: the state of Florida, and part of the concern was the report that was put into the attachments was from 2,003, and it was a very negative report regarding

106

00:13:38.180 --> 00:13:42.350

Cooper City Hall: the possibility of feeding feral cats and cat colonies, etc.

107

00:13:42.520 --> 00:14:01.109

Cooper City Hall: I personally have dealt with them and done the trap neuter release it's been very effective. Their area that I have met. There are no more cats being born Occasionally there are people dumping their cats that they don't want any more, of course, which is very unable to.

108

00:14:01.120 --> 00:14:09.790

Cooper City Hall: because it's not fair. The cat. Okay, If you don't want them anymore, you gotta do something else with it. Don't just dump it out in the while because they can't take care of themselves.

109

00:14:10.020 --> 00:14:13.089

Cooper City Hall: I'll make this very brief now, because I,

110

00:14:13.220 --> 00:14:19.460

Cooper City Hall: if the emphasis is going to be on dealing with excessive feeding ducks and other wildlife.

111

00:14:19.500 --> 00:14:20.850

Cooper City Hall: I'm fine with that.

112

00:14:21.050 --> 00:14:24.069

Cooper City Hall: I just don't want to include feral cats

113

00:14:24.160 --> 00:14:28.449

Cooper City Hall: and no space because they're not out there on their own. They're born in the wild.

114

00:14:28.870 --> 00:14:32.049

Cooper City Hall: And if we do with a trap and release program which

115

00:14:32.120 --> 00:14:43.229

Cooper City Hall: other counties that actually done as a county, not as an individual city is proven very effective and stopping and slowing the growth of these wildcasts. And then you're not dealing with

116

00:14:44.400 --> 00:14:53.559

Cooper City Hall: them going on a tech killing birds, and all these other things that they were talking about within the attachments. That's all I really have to say, Thank you for your time.

117

00:14:53.580 --> 00:14:54.400

Cooper City Hall: Thank you.

118

00:14:57.610 --> 00:14:59.120

Cooper City Hall: Evan Spiegelman.

119

00:15:05.590 --> 00:15:17.429

Cooper City Hall: Hi! My name is Evan Spielman. I live on 89 48, southwest, 49 Court i'm also want to talk about the same thing. but i'd like to talk about the feral cats, and why it's important that we do something about it.

120

00:15:17.730 --> 00:15:18.959

Cooper City Hall: We have a neighbor.

121

00:15:19.160 --> 00:15:20.430

Cooper City Hall: who, is feeding

122

00:15:21.400 --> 00:15:24.940

Cooper City Hall: probably 25 feral cats all out in the front yard.

123

00:15:25.170 --> 00:15:32.309

Cooper City Hall: These feral cats they're feeding them. Their Their food is attracting rodents their food is attracting raccoons

124

00:15:32.550 --> 00:15:33.580

Cooper City Hall: there.

125

00:15:33.620 --> 00:15:38.729

Cooper City Hall: They're leaving feces all over all of the neighbors, how from yards.

126

00:15:38.910 --> 00:15:45.509

Cooper City Hall: and these cats are being run over left and right, and the they catch and release. Well, if the person who's feeding them

127

00:15:45.530 --> 00:15:49.380

Cooper City Hall: does not want you to do that, then it cannot be done.

128

00:15:49.520 --> 00:15:53.939

Cooper City Hall: Well, we have 20, some our cats living in our neighborhood.

129

00:15:54.010 --> 00:16:02.169

Cooper City Hall: There are dead cats getting run over all the time. There is cat feces everywhere. It is unhealthy. These cats all have fleas.

130

00:16:02.290 --> 00:16:09.360

Cooper City Hall: They are giving fleas to the neighbors pets because they are not just in their yard. They're in everyone else's yards.

131

00:16:09.600 --> 00:16:15.120

Cooper City Hall: and I understand that everybody likes a nice little Kitty cat kitten, but these, you know.

132

00:16:15.310 --> 00:16:17.560

Cooper City Hall: we have no recourses and neighbors

133

00:16:17.580 --> 00:16:34.890

Cooper City Hall: while these people are feeding them wet food, leaving them out front in front of their home. The wet food is smells. It's attracting so many other animals. So I guess I would have to disagree that the feral cats aren't a problem. They are killing the birds in the area.

134

00:16:34.950 --> 00:16:47.130

Cooper City Hall: and it is just. It's just unfortunate, and it's just not fair to the people that live on my street. The people live on the street behind us. Many of the neighbors have come and approach them about the catch and release.

135

00:16:47.330 --> 00:16:54.270

Cooper City Hall: but if the neighbor doesn't want to do that. We have no recourse, and that catch and release program does not work because

136

00:16:54.500 --> 00:16:59.750

Cooper City Hall: we can't have them neutered. They've probably had now 4 litters of cats over the last.

137

00:17:00.760 --> 00:17:03.720

Cooper City Hall: I hope you can sick. It's an option, maybe

138

00:17:04.220 --> 00:17:12.800

Cooper City Hall: appreciate it. I think one of the issues actually to the issues that we'll we'll be discussing will be the definition of excessive heating quote, Unquote

139

00:17:13.050 --> 00:17:14.540

Cooper City Hall: how you define that.

140

00:17:14.670 --> 00:17:16.930

Cooper City Hall: and the enforcement on how you catch that.

141

00:17:17.119 --> 00:17:18.669

Cooper City Hall: So we will.

142

00:17:18.710 --> 00:17:20.290

Cooper City Hall: We will be discussing that.

143

00:17:20.970 --> 00:17:21.720

Cooper City Hall: Thank you.

144

00:17:21.760 --> 00:17:23.430

Cooper City Hall: We've got Donald. Wall.

145

00:17:27.540 --> 00:17:32.759

Cooper City Hall: Hello! My name is Donald Wall. I live with 5 to 25, Southwest, 90 Third Avenue.

146

00:17:33.120 --> 00:17:34.170

Cooper City Hall: and

147

00:17:35.530 --> 00:17:40.739

Cooper City Hall: the duck issue is probably a a problem. But I don't know

148

00:17:42.380 --> 00:17:45.110

Cooper City Hall: if we need a city ordinance

149

00:17:45.290 --> 00:17:48.719

Cooper City Hall: for a couple people in our city.

150

00:17:49.430 --> 00:17:55.059

Cooper City Hall: If we keep doing that, we're gonna have so many ordinances that we're not going to be able to

151

00:17:55.550 --> 00:17:56.960

Cooper City Hall: do anything in the city.

152

00:17:57.350 --> 00:18:02.140

Cooper City Hall: I've worked in the city for 30 years. I've owned a home for I guess what 12 years on it.

153

00:18:03.240 --> 00:18:05.240

Cooper City Hall: I love the city.

154

00:18:05.480 --> 00:18:08.790

Cooper City Hall: I just don't want to see a bunch of ordinances over a couple of people.

155

00:18:08.870 --> 00:18:09.840

Cooper City Hall: It's just

156

00:18:10.050 --> 00:18:12.170

Cooper City Hall: keep making laws.

157

00:18:12.340 --> 00:18:14.269

Cooper City Hall: Soon. We're not going to be able to do anything

158

00:18:16.570 --> 00:18:18.210

Cooper City Hall: as far as the cats go.

159

00:18:19.090 --> 00:18:21.739

Cooper City Hall: we have a cat

160

00:18:22.170 --> 00:18:23.769

Cooper City Hall: that we feed out front.

161

00:18:23.790 --> 00:18:26.989

Cooper City Hall: and she comes by every day twice a day. We feed her.

162

00:18:28.200 --> 00:18:30.779

Cooper City Hall: The cat's a beautiful, nice cat.

163

00:18:31.830 --> 00:18:32.770

Cooper City Hall: So

164

00:18:33.880 --> 00:18:34.930

Cooper City Hall: how

165

00:18:37.650 --> 00:18:42.329

Cooper City Hall: How would that ordinance affect me if i'm feeding a cat out front of my house?

166

00:18:42.780 --> 00:18:49.430

Cooper City Hall: They see me feed my cat this cat out front of my house. They're gonna come. Do something to me. Take the cat away from me.

167

00:18:49.960 --> 00:18:51.689

Cooper City Hall: That'll that'll be a problem.

168

00:18:53.620 --> 00:18:57.680

Cooper City Hall: I just don't want to see us have a bunch of ordinances over a couple people. I'm sorry that

169

00:18:57.910 --> 00:19:01.900

Cooper City Hall: certain areas are having problems with certain people.

170

00:19:01.990 --> 00:19:05.299

Cooper City Hall: There's got to be another way to solve that issue.

171

00:19:05.410 --> 00:19:08.799

Cooper City Hall: Instead of creating new orderances for our city.

172

00:19:09.130 --> 00:19:11.019

Cooper City Hall: Let's keep it special here.

173

00:19:11.410 --> 00:19:16.980

Cooper City Hall: Let's not make a bunch of ordinances where we can't do anything. I I I don't know why I keep saying that. But

174

00:19:17.870 --> 00:19:18.750

Cooper City Hall: all right.

175

00:19:19.020 --> 00:19:21.670

Cooper City Hall: Thank you very much about it before we do anything now.

176

00:19:22.750 --> 00:19:23.500

Cooper City Hall: Thank you

177

00:19:24.120 --> 00:19:25.649

Cooper City Hall: anyone else watching to speak

178

00:19:25.840 --> 00:19:27.830

Cooper City Hall: open agenda or agenda item.

179

00:19:28.640 --> 00:19:30.499

Cooper City Hall: And who do we have on virtual

180

00:19:31.220 --> 00:19:32.510

Cooper City Hall: Natalie Moore?

181

00:19:33.430 --> 00:19:38.959

Natalie Mor: Hi, everybody, Natalie Moore, 3, 5, 5, 8, Northwest 80, Seventh Ab.

182

00:19:39.590 --> 00:19:40.649

Natalie Mor: Can you hear me?

183

00:19:40.810 --> 00:19:53.810

Natalie Mor: Absolutely

184

00:19:53.880 --> 00:19:56.810

Natalie Mor: right in between Montera and Stado?

185

00:19:57.160 --> 00:20:01.579

Natalie Mor: Now this intersection has 10 different directions of traffic at any given time?

186

00:20:02.000 --> 00:20:16.610

Natalie Mor: and today a lady heading northbound, which is a huge fear of me personally when I leave or enter the community, but especially that, knowing that she was at the intersection about to turn into Stata.

187

00:20:16.760 --> 00:20:17.680

Natalie Mor: and

188

00:20:17.710 --> 00:20:30.260

Natalie Mor: because of the amount of traffic that comes in from the intersection of Sterling and Pine Island, and the fact that you can make a right. It's such a busy street, plus the light changes very rapidly.

189

00:20:30.510 --> 00:20:36.300

Natalie Mor: There's not that much time that that leaves you to really make that turn right into the neighborhood.

190

00:20:36.760 --> 00:20:40.730

Natalie Mor: This person took the opportunity that she could, the first opportunity that she could

191

00:20:40.850 --> 00:20:42.350

Natalie Mor: sped through.

192

00:20:42.380 --> 00:20:51.619

Natalie Mor: which is normal, which we all do every day, and clipped. She miscalculated, apparently miscalculated the turn in, clipped the median, and flipped her card

193

00:20:52.170 --> 00:20:54.149

Natalie Mor: this morning at 8 am.

194

00:20:54.320 --> 00:20:58.739

Natalie Mor: That's just one of the examples of how dangerous this intersection is.

195

00:20:58.880 --> 00:21:01.550

Natalie Mor: There's been many accidents.

196

00:21:01.790 --> 00:21:08.139

Natalie Mor: Right beyond that on the right, across many, many, many accidents. There. There's been several deaths, I think.

197

00:21:08.370 --> 00:21:13.099

Natalie Mor: but not, I guess enough to where the county has made

198

00:21:13.140 --> 00:21:24.160

Natalie Mor: a move to put a traffic light there, so I've been trying to work with. hopefully. Some Commissioners I will with the Cdd. And I'm going to be talking hopefully to more people to see

199

00:21:24.250 --> 00:21:35.409

Natalie Mor: how we can move this forward, and maybe address, putting in a round about, if not a traffic, like, because I understood that that got turned down with the county several times before

200

00:21:36.260 --> 00:21:38.899

Natalie Mor: i'm trying to work on some other solution.

201

00:21:38.920 --> 00:21:44.760

Natalie Mor: so we can slow down traffic so that all of us can turn in safely into Stata and Montera.

202

00:21:47.230 --> 00:21:50.660

Cooper City Hall: Natalie, I thank you for your comments and your concerns.

203

00:21:52.790 --> 00:21:54.320

Cooper City Hall: anyone else watching to speak

204

00:21:59.580 --> 00:22:01.070

Cooper City Hall: anyone else on virtual.

205

00:22:02.000 --> 00:22:06.529

Cooper City Hall: Thank you very much. We'll go ahead and close that portion of the agenda.

206

00:22:06.630 --> 00:22:11.769

Cooper City Hall: Move on to presentations. PET. Adoption, Commissioner Melosi.

207

00:22:14.660 --> 00:22:16.940

Cooper City Hall: Look at this.

208

00:22:20.360 --> 00:22:24.790

Cooper City Hall: So we were going to put this on the screen. Someone. I guess not.

209

00:22:29.740 --> 00:22:41.169

Cooper City Hall: Well, you're not there. We go that way. I can read my thing here. So Lulu Id number 6 687 came from a shelter on the west coast.

210

00:22:41.180 --> 00:23:01.420

Cooper City Hall: After hurricane Ian left the facility without power. It has been several months, and Lulu is still patiently waiting for someone to adopt her this 6 year old. Beauty is sweet, and will smother you with kisses if you sit with her. She appears to be potty trained, and likes to go for walks.

211

00:23:01.430 --> 00:23:17.059

Cooper City Hall: A proper whaling harness is recommended. Lulu likes plush toys and soft blankets to curl up on. She may not be the youngest dog at the shelter, or the smallest dog, but she has a lot of love to share if you give her a chance.

212

00:23:17.070 --> 00:23:25.150

Cooper City Hall: Thanks to Dolly's dream, Lulu's adoption. Fee is sponsored, and she gets to go home with supplies to help her settle in

213

00:23:25.160 --> 00:23:52.740

Cooper City Hall: to meet Lulu or any PET at the Humane Society of Broward County, please complete the pre adoption application at [www. Dot you main broward.com](http://www.dotyoumainbroward.com) and if you have a question, call 963 8,

9, 3, 9, 7, 7 extension 6. The shelter opens jelly at 11 am. And is located at 2, 0, 7, 0 Griffin Road, Fort Lauderdale, and look at Lulu. Wouldn't Lulu make a wonderful addition to any home.

214

00:23:52.750 --> 00:23:55.140

Cooper City Hall: Thank you. Commission members for this

215

00:23:55.240 --> 00:23:59.079

Cooper City Hall: consent agenda. Do I have a motion? How you want to pull one of the items.

216

00:23:59.600 --> 00:24:00.970

Cooper City Hall: I'll pull

217

00:24:01.360 --> 00:24:02.760

Cooper City Hall: the job description.

218

00:24:03.940 --> 00:24:05.900

Cooper City Hall: So it's number 3.

219

00:24:08.790 --> 00:24:14.469

Cooper City Hall: Okay, that being pulled, do I have a motion so moved by Commission to Green Second by

220

00:24:17.850 --> 00:24:18.760

Cooper City Hall: call about

221

00:24:20.580 --> 00:24:21.870

Cooper City Hall: Commissioner Melody.

222

00:24:22.130 --> 00:24:38.550

Cooper City Hall: Yes, Commissioner Kasman. Yes, Commissioner Commissioner Green. Yes, yes. Moving on to item number 3. Do you have motion to approve and authorize the reclassification of the position of the utilities. Electrician to utilities. Electrician, slash foreman

223

00:24:38.560 --> 00:24:47.190

Cooper City Hall: from the existing pay grade of 16 to proposed pay grade of 17, reflecting a higher level of job duties formed by the employee in the current position.

224

00:24:48.430 --> 00:24:51.009

Cooper City Hall: motion by commission to Green, second by

225

00:24:51.450 --> 00:24:53.670

Cooper City Hall: Second

226

00:24:53.700 --> 00:24:58.820

Cooper City Hall: Regina Green. Thank you. Mayor Ross. Mr. Napley, could you provide us with the

227

00:25:00.990 --> 00:25:05.150

Cooper City Hall: An explanation as to what we're? What's going on here, please?

228

00:25:07.110 --> 00:25:09.100

Cooper City Hall: Yes, Commissioner, this individual.

229

00:25:09.510 --> 00:25:15.299

Cooper City Hall: it's currently in the an electrician in the in the utilities department of the only electrician.

230

00:25:15.460 --> 00:25:18.429

Cooper City Hall: and he's currently at a pay grade. 16

231

00:25:18.590 --> 00:25:19.410

Cooper City Hall: is

232

00:25:19.520 --> 00:25:24.549

Cooper City Hall: duties far exceed what his job description is.

233

00:25:24.850 --> 00:25:31.220

Cooper City Hall: And so this is ensuring that his duties reflect his actual job description

234

00:25:31.410 --> 00:25:38.790

Cooper City Hall: and based on the the duties that he has. we're proposing, or believe that he should be in pay grade 17

235

00:25:39.560 --> 00:25:58.479

Cooper City Hall: and I wanted to follow up with, Where are we with the current pace study, or the what we have been discussing for the last several commission meetings. Yes, Commissioner, the actually had a conference call with the

236

00:25:59.180 --> 00:26:05.959

Cooper City Hall: the lead of the contract last week, and he says that he thinks he'll be able to to present

237

00:26:06.220 --> 00:26:09.419

Cooper City Hall: to the commission at the end of February.

238

00:26:10.880 --> 00:26:15.130

Cooper City Hall: And the reason why I ask is because I know that we are.

239

00:26:15.710 --> 00:26:17.720

Cooper City Hall: Your recommendation is to

240

00:26:17.780 --> 00:26:22.019

Cooper City Hall: to move this individual to a a higher

241

00:26:22.820 --> 00:26:24.230

Cooper City Hall: the pay grade scale.

242

00:26:24.530 --> 00:26:26.689

Cooper City Hall: and I know that.

243

00:26:27.280 --> 00:26:28.400

Cooper City Hall: I know that

244

00:26:28.420 --> 00:26:30.700

Cooper City Hall: there's probably a number of positions

245

00:26:30.900 --> 00:26:32.940

Cooper City Hall: that

246

00:26:33.640 --> 00:26:35.880

Cooper City Hall: Once this pay study comes back

247

00:26:36.290 --> 00:26:37.790

Cooper City Hall: there are going to be other folk

248

00:26:38.050 --> 00:26:39.760

Cooper City Hall: in the same category.

249

00:26:40.060 --> 00:26:41.190

Cooper City Hall: And so.

250

00:26:44.140 --> 00:26:49.579

Cooper City Hall: you know I I I know that you said that we this is the only one that we have

251

00:26:49.770 --> 00:26:54.239

Cooper City Hall: and i'm sure that it's not lost on you about all of the other positions that we

252

00:26:54.310 --> 00:26:58.490

Cooper City Hall: that we have in place that are probably not all. But it may be some

253

00:26:58.710 --> 00:27:03.210

Cooper City Hall: that fit this a similar type of situation.

254

00:27:05.720 --> 00:27:13.309

Cooper City Hall: So this would, moving from 16 to 17. Do we have other employees.

255

00:27:13.480 --> 00:27:19.670

Cooper City Hall: or are there any other electricians in that in that? in that 17 category?

256

00:27:22.710 --> 00:27:26.409

Cooper City Hall: I I I don't know the answer to that commission you're talking about citywide.

257

00:27:26.690 --> 00:27:33.269

Cooper City Hall: Yes, sir. Yeah, I I I do not know the answer to that. Okay, that's all I have for now. Thank you, sir.

258

00:27:35.600 --> 00:27:38.199

Cooper City Hall: I believe I saw Raj here earlier.

259

00:27:38.650 --> 00:27:42.829

Cooper City Hall: Oh, sorry! So this is your department. Are there any

260

00:27:43.100 --> 00:27:44.650

Cooper City Hall: people in that category?

261

00:27:49.310 --> 00:27:50.500

Cooper City Hall: What do you think mayor

262

00:27:51.220 --> 00:27:53.310

Cooper City Hall: and members of the Commission?

263

00:27:53.870 --> 00:27:55.539

Cooper City Hall: no,

264

00:27:55.670 --> 00:28:01.400

Cooper City Hall: In response to your question, Commissioner Melody, we do not have any other electrician but this

265

00:28:01.420 --> 00:28:17.129

Cooper City Hall: this person and this individual fills that that need and fills that category and those requirements that are in that category. Yes, ma'am, okay. And there is no one else that is in there Currently, how long has this category been vacant?

266

00:28:17.810 --> 00:28:21.279

Cooper City Hall: So this category? We are just moving him to reflect.

267

00:28:21.440 --> 00:28:23.950

Cooper City Hall: Say that again, we are moving.

268

00:28:24.250 --> 00:28:27.740

Cooper City Hall: No, no, it's, it's it's me sorry

269

00:28:27.940 --> 00:28:30.260

Cooper City Hall: we are moving him in that role

270

00:28:30.290 --> 00:28:33.600

Cooper City Hall: to reflect what he is currently performing.

271

00:28:33.700 --> 00:28:39.590

Cooper City Hall: Correct? Okay. So so he is so we felt that you know that would be

272

00:28:39.640 --> 00:28:48.199

Cooper City Hall: the right classification for him based on the job duties he's performing. So he's the only person in that category. Okay, Thank you. Yep.

273

00:28:48.830 --> 00:28:49.960

Cooper City Hall: Commissioner Charter.

274

00:28:50.340 --> 00:28:56.320

Cooper City Hall: Yes. so I guess my my trouble with this is that we're

275

00:28:56.380 --> 00:29:00.999

Cooper City Hall: we're changing. We're creating job categories for individuals.

276

00:29:01.680 --> 00:29:04.019

Cooper City Hall: at a time when we were

277

00:29:05.180 --> 00:29:06.910

Cooper City Hall: currently studying

278

00:29:07.060 --> 00:29:26.739

Cooper City Hall: job categories. So my my first question would be, is this the employee which we really shouldn't be talking employee specific because we're basically approving a new position. But is this particular employee maxed out under his current pay scale 16 that he needs to go to 17 in order to be

279

00:29:26.750 --> 00:29:28.030

Cooper City Hall: paid correctly?

280

00:29:28.420 --> 00:29:38.419

Cooper City Hall: Or is this something that can wait? And we just temporarily give this employee additional pay that, you guys believe, represents what

281

00:29:38.490 --> 00:29:42.729

Cooper City Hall: he or she's doing until we come back with the actual pay study. So

282

00:29:42.750 --> 00:29:43.930

Cooper City Hall: I just

283

00:29:44.190 --> 00:29:49.980

Cooper City Hall: don't want to. I I think, in the past we've gotten to a a practice of anecdotally doing things.

284

00:29:50.060 --> 00:29:53.800

Cooper City Hall: and it's prevent us from having a uniform system.

285

00:29:54.180 --> 00:29:58.760

Cooper City Hall: Now we're we've employed a an outside consultant to look at our system.

286

00:29:58.810 --> 00:30:03.200

Cooper City Hall: Come, you know, make sure it's. It's, you know, uniform across the board.

287

00:30:03.680 --> 00:30:04.699

Cooper City Hall: I want to just

288

00:30:05.450 --> 00:30:08.569

Cooper City Hall: make sure we're not anecdotally changing these things.

289

00:30:09.020 --> 00:30:14.550

Cooper City Hall: because we everyone knows the reality. When we do have the consultant come back and say.

290

00:30:14.610 --> 00:30:20.129

Cooper City Hall: this job needs to be paid more. This job is being overpaid, we're most likely not going to lower anyone's pay.

291

00:30:20.300 --> 00:30:33.129

Cooper City Hall: So just to permanently change something while we're in the midst of actually undertaking a professional study is my concern, and and I trust I trust you and your judgment. I, just as you know i'm.

292

00:30:33.150 --> 00:30:37.249

Cooper City Hall: would like to get to a place where we're becoming more uniform in some of these policies. So

293

00:30:37.460 --> 00:30:38.190

Cooper City Hall: if

294

00:30:38.780 --> 00:30:50.199

Cooper City Hall: if this is a situation where the employee needs to be paid more and market conditions, you know, we better act fast, so we don't lose the employee. I'd rather temporarily approve

295

00:30:50.230 --> 00:30:52.080

Cooper City Hall: an increase in the pay

296

00:30:53.540 --> 00:30:57.140

Cooper City Hall: pending the results of the actual. You know, professional study

297

00:30:57.210 --> 00:31:00.779

Cooper City Hall: as opposed to anecdotally doing it. So

298

00:31:00.940 --> 00:31:06.049

Cooper City Hall: yeah, I mean. So I i'm not a opposed one or another. I'm just really trying to get into that uniform.

299

00:31:06.460 --> 00:31:15.319

Cooper City Hall: you know, because next thing, you know, is the same thing with the building department. When when they came up with the business tax received person. So Why, don't, we just make that a senior

300

00:31:15.560 --> 00:31:17.319

Cooper City Hall: admin spot? So

301

00:31:17.680 --> 00:31:21.500

Cooper City Hall: you know just that we're having uniform positions.

302

00:31:21.730 --> 00:31:22.590

Cooper City Hall: because

303

00:31:23.030 --> 00:31:27.589

Cooper City Hall: when we start having all these different job descriptions. It gets very hard to be consistent.

304

00:31:27.820 --> 00:31:33.729

Cooper City Hall: and you know. So that's only my my only concern. So is this something where we could temporarily approve

305

00:31:34.160 --> 00:31:39.719

Cooper City Hall: pay outside of what's otherwise authorized or is, and I'm going to really defer to you.

306

00:31:41.320 --> 00:31:43.000

Cooper City Hall: Commissioner.

307

00:31:44.110 --> 00:31:53.499

Cooper City Hall: This was not an easy decision, and clearly what you're suggesting. I think if that's what the majority of the Commission feels, then you know, we will go with it.

308

00:31:53.930 --> 00:31:57.210

Cooper City Hall: in my role as the Utilities director

309

00:32:00.140 --> 00:32:03.270

Cooper City Hall: and being a newest person news director on the block

310

00:32:03.960 --> 00:32:04.990

Cooper City Hall: and

311

00:32:05.580 --> 00:32:09.140

Cooper City Hall: running a 50 million dollar operation.

312

00:32:09.500 --> 00:32:13.379

Cooper City Hall: I have to look at the business aspect in addition to

313

00:32:13.470 --> 00:32:14.390

Cooper City Hall: the

314

00:32:14.950 --> 00:32:16.669

Cooper City Hall: the routine government thing.

315

00:32:17.120 --> 00:32:34.409

Cooper City Hall: and I am always weighing the consequences of what if this person leaves? If that person you know one it's, it's it's basically a two-person job which would have never had this situation. And that is something that we are trying to correct

316

00:32:34.540 --> 00:32:40.960

Cooper City Hall: so in order to make that person. I prolonged it as long as I could.

317

00:32:41.210 --> 00:32:59.160

Cooper City Hall: but I believe that you know a point has come where I have to do something in order to keep my operations going. The consequences of not doing are far damaging than than doing it now. Can it be temporary? Yes, I would. You know I I definitely take it, and then talk to that individual.

318

00:32:59.170 --> 00:33:16.950

Cooper City Hall: but that is, you know, definitely an option. But I was sensitive. I was very sensitive, and I am always sensitive about internally inequity, and all because I've been involved in pain. Classification studies all my 30 years of career in public sector, and I know what compression it creates internally.

319

00:33:16.960 --> 00:33:19.200

Cooper City Hall: So it was not an easy, easy decision.

320

00:33:19.410 --> 00:33:23.820

Cooper City Hall: I prolonged it as long as I could, at a point reach where I just could not.

321

00:33:23.940 --> 00:33:34.400

Cooper City Hall: And and and that's why I came up with this proposal. But clearly, if the Commission feels that in order looking at the

322

00:33:34.410 --> 00:33:44.859

Cooper City Hall: other departments and many other individuals. It can be subject to the completion of the pay and classification study. And you know we will take it.

323

00:33:44.880 --> 00:33:57.099

Cooper City Hall: Yeah, and if I may interject me so I you know. I tried to look at this from a an objective perspective, and I wanted to take the individual out of of of the equation. Because I understand what you're saying.

324

00:33:58.320 --> 00:34:00.250

Cooper City Hall: The reality is it?

325

00:34:00.330 --> 00:34:05.500

Cooper City Hall: Look, there's 2 realities: Number one. We're doing doing a job classification. I mean a job

326

00:34:05.680 --> 00:34:08.440

Cooper City Hall: a comp study right now, so that

327

00:34:08.570 --> 00:34:16.129

Cooper City Hall: that's a good thing, but it also kind of muddies the water on on trying to do things that need to be done now, because we have that.

328

00:34:16.310 --> 00:34:22.850

Cooper City Hall: I'm not saying this negatively, but hanging over us, because we know that that things will get corrected with the study.

329

00:34:22.949 --> 00:34:29.670

Cooper City Hall: so from the objective point of view, this individual is doing a lot of things that are out of his job classification.

330

00:34:29.710 --> 00:34:32.859

Cooper City Hall: And we need to ensure that.

331

00:34:33.199 --> 00:34:38.839

Cooper City Hall: like we're doing with the the com study. We need to ensure that he's being classified correctly.

332

00:34:39.570 --> 00:34:44.660

Cooper City Hall: The reality is, take away. The objectivity is that we do not want to lose this person.

333

00:34:45.489 --> 00:34:47.659

Cooper City Hall: so i'm. I'm.

334

00:34:49.480 --> 00:34:52.070

Cooper City Hall: Either way, I think, is is

335

00:34:52.130 --> 00:34:53.589

Cooper City Hall: reasonable, because

336

00:34:54.449 --> 00:34:58.799

Cooper City Hall: moving into that new job in this case is justified, but also

337

00:34:59.490 --> 00:35:01.890

Cooper City Hall: thinking, trying to do this more uniformly.

338

00:35:01.910 --> 00:35:07.290

Cooper City Hall: and and waiting, and and perhaps doing something temporary.

339

00:35:07.960 --> 00:35:11.609

Cooper City Hall: meets the objective of what we're trying to do with the with the with the comp study

340

00:35:11.930 --> 00:35:20.629

Cooper City Hall: and i'm satisfied with their explanations, and you know I i'll support it. It seems like you guys have

341

00:35:21.100 --> 00:35:25.120

Cooper City Hall: address or thought about. At least my concerns. I would just ask that.

342

00:35:25.850 --> 00:35:26.940

Cooper City Hall: If we do

343

00:35:27.200 --> 00:35:31.530

Cooper City Hall: passes. We just make this job description consistent with.

344

00:35:31.660 --> 00:35:37.739

Cooper City Hall: or what we said, and we remove the signatures we put on the bottom of it when it's approved by commission.

345

00:35:39.830 --> 00:35:45.750

Cooper City Hall: You guys have been talking about what? Yeah, Commissioner, the the signature part is, you know.

346

00:35:46.320 --> 00:35:48.829

Cooper City Hall: and I do not know how things they work around here.

347

00:35:49.050 --> 00:35:53.950

Cooper City Hall: But in my entire career. We have always any time of pain. Classification study is done.

348

00:35:54.210 --> 00:35:56.910

Cooper City Hall: You do want the employees to

349

00:35:57.420 --> 00:36:09.589

Cooper City Hall: sign as an acceptance that this is going to be the job description

350

00:36:09.890 --> 00:36:24.559

Cooper City Hall: in the questionnaire, and what the job description comes out as the final documents. Sometimes there is a mismatch, so they need to understand that the not what they responded. But this is the job description, and they are going to be held responsible

351

00:36:24.820 --> 00:36:40.930

Cooper City Hall: with those standards. So we'll take it. Anyway, Commissioner is comfortable, if you you know you definitely. you know you have got the right to look at the entire organization and make. Please make no mistake. I looked at the entire organization, but I reached a point where I could not defer it anymore.

352

00:36:41.000 --> 00:36:44.239

Cooper City Hall: and and I would ask that we remove the and or

353

00:36:45.230 --> 00:36:48.600

Cooper City Hall: conjunctive disjunctive. In the last paragraph

354

00:36:49.190 --> 00:36:57.240

Cooper City Hall: we'll remove the signature that the date of the Commission approval is on it. But in the future will certainly, and you know it says employees frequently exposed to what

355

00:36:57.330 --> 00:36:58.880

Cooper City Hall: you should just say wet, or

356

00:36:59.670 --> 00:37:04.589

Cooper City Hall: it's been a conjunctive.

357

00:37:04.750 --> 00:37:13.820

Cooper City Hall: Somehow I missed it, Commissioner. I was. I knew that trying to get those conjunctive disjunctives one at a time.

358

00:37:13.840 --> 00:37:18.320

Cooper City Hall: you know, when You' in the middle of the night. Sometimes you you know it. You miss it. So

359

00:37:18.340 --> 00:37:19.949

Cooper City Hall: you mentioned the catchment.

360

00:37:23.200 --> 00:37:25.049

Cooper City Hall: I have some comments and or

361

00:37:25.340 --> 00:37:33.380

Cooper City Hall: oh, yeah, no, Briefly I I gave my feedback at my agenda review on the job description, and it looks like this.

362

00:37:33.530 --> 00:37:49.789

Cooper City Hall: Comments were taken in. I do think that I mean this is clearly a you know, a highly skilled individual with 7 years of experience, who's doing supervision for over 5 years, and looking at the pay scale, I think it warrants the upgrade. I trust that

363

00:37:49.800 --> 00:37:56.820

Cooper City Hall: we you know that that Raj and and Joe have done their due diligence on that, and I i'm in support of the

364

00:37:58.100 --> 00:38:01.410

Cooper City Hall: the reclass. I think it's good if we reclassify it.

365

00:38:01.430 --> 00:38:03.249

Cooper City Hall: The job description now.

366

00:38:03.630 --> 00:38:07.129

Cooper City Hall: because it's clearly very different than what the person has been doing.

367

00:38:07.260 --> 00:38:08.889

Cooper City Hall: So.

368

00:38:10.180 --> 00:38:13.049

Cooper City Hall: There seems to be a stray animal in the in the room.

369

00:38:13.300 --> 00:38:25.949

Cooper City Hall: anyway. So if the you know I i'll go with whatever the majority goes with. But I do think we need to pay this individual more immediately and and ideally reclass

370

00:38:26.160 --> 00:38:30.219

Cooper City Hall: It's just one more grammatical thing. This is really more for hr

371

00:38:30.280 --> 00:38:31.319

Cooper City Hall: on the

372

00:38:31.700 --> 00:38:34.899

Cooper City Hall: pay plan. It says, Revise November

373

00:38:35.180 --> 00:38:38.230

Cooper City Hall: 21. Correct. It's we've actually had

374

00:38:38.810 --> 00:38:40.910

Cooper City Hall: multiple revisions since that.

375

00:38:42.940 --> 00:38:44.489

Cooper City Hall: So if we could just

376

00:38:45.120 --> 00:38:50.199

Cooper City Hall: put the correct date, because I have like 4 different revised November 2021 on there.

377

00:38:51.380 --> 00:38:58.380

Cooper City Hall: Yeah, I was just focusing on the pay grade numbers. So i'm sorry. I don't. Yeah, that was a

378

00:38:58.510 --> 00:39:03.550

Cooper City Hall: For example, the Assistant Utilities Director, which we just, I think it was last meeting adopted. That was

379

00:39:05.730 --> 00:39:09.999

Cooper City Hall: Yeah. So it'd be really revised November 2,022 right? That's correctly.

380

00:39:10.250 --> 00:39:14.979

Cooper City Hall: When you look at this not as a reclassification.

381

00:39:15.500 --> 00:39:17.500

Cooper City Hall: but as a retention issue.

382

00:39:18.530 --> 00:39:20.539

Cooper City Hall: then I have no difficulty with it.

383

00:39:22.590 --> 00:39:32.490

Cooper City Hall: and and on retention. If you wanted to bonus amount until we reclassify, i'd have no problem doing that. You want to do it this way and reclassify. I don't have a problem with that.

384

00:39:33.680 --> 00:39:36.769

Cooper City Hall: But the employee might, because here's a question I have.

385

00:39:36.970 --> 00:39:43.130

Cooper City Hall: So we reclassify from 16 to 17, and the study comes back at 18. Is he stuck at 17 now?

386

00:39:43.400 --> 00:39:43.970

Yeah.

387

00:39:44.050 --> 00:39:44.709

Cooper City Hall: no.

388

00:39:45.220 --> 00:40:00.059

Cooper City Hall: no. It comes back at 10. He's not stuck in it, and he's not to. Okay, just want to be clear. So it goes up. It goes down, whatever it goes. Yes, yes, yes, I I think I think this was this was something that was said during the presentation

389

00:40:00.070 --> 00:40:08.569

Cooper City Hall: that they are not going to lower any employee, and it is going to be only a higher. So they come higher, based on the prevailing market conditions. Then that's what it's going to be.

390

00:40:08.680 --> 00:40:27.690

Cooper City Hall: Thank you again. I I At the agenda Review. I I told you. I I back you on it because you have the pulse, if you will, of the utilities, and if we need him we need him. And I have no problem in paying more for the expertise that he brings with him. So

391

00:40:27.850 --> 00:40:30.620

Cooper City Hall: not a problem having keep doing the job, but now get paid for it

392

00:40:31.000 --> 00:40:32.899

Cooper City Hall: anything else from anyone.

393

00:40:33.940 --> 00:40:34.859

Cooper City Hall: Call the vote.

394

00:40:36.530 --> 00:40:37.169

Cooper City Hall: Okay.

395

00:40:38.070 --> 00:40:39.819

Cooper City Hall: Commissioner Melody. Yes.

396

00:40:39.940 --> 00:40:46.390

Cooper City Hall: Commissioner. Yes, Commissioner. Yes, Commissioner. Yes.

397

00:40:46.710 --> 00:40:47.550

Cooper City Hall: thank you.

398

00:40:50.800 --> 00:40:52.690

Cooper City Hall: We've got the regular agenda.

399

00:40:52.940 --> 00:41:01.589

Cooper City Hall: Do I have motion to prove the first amendment to, but the group of South Florida, Llc. Dba. Next. If for crossing Guards services

400

00:41:02.220 --> 00:41:08.890

Cooper City Hall: so moved

401

00:41:08.960 --> 00:41:10.189

Cooper City Hall: Joshua.

402

00:41:10.820 --> 00:41:12.079

Cooper City Hall: I got it.

403

00:41:12.660 --> 00:41:13.209

Okay.

404

00:41:13.400 --> 00:41:24.550

Cooper City Hall: now you gotta live up to it. I don't have any. We should maybe ask. If we have any questions for send out any questions, all right. Well, there's commission to Green of any questions. Commissioner's Router.

405

00:41:24.960 --> 00:41:26.429

Cooper City Hall: Commissioner Katzman.

406

00:41:26.800 --> 00:41:28.269

Cooper City Hall: Commissioner Melody.

407

00:41:28.410 --> 00:41:48.230

Cooper City Hall: No, but make him say something. No, no, he I could compliment him, and say he did a great job. Call the vote, please, Commissioner Melosey. Yes, Commissioner Katsman. Yes, Commissioner Schrodder. Yes, Commissioner Green. Yes, Mayor Ross. Yes, and I'll put in a good word with Stacey did a wonderful job. Thank you. Thank you.

408

00:41:50.820 --> 00:42:00.870

Cooper City Hall: Moving on to Item Number 5 to a motion to approve temporary agreement with West way toeing. So moved by commission to Green, Second Second by Commissioner Shrouder.

409

00:42:01.380 --> 00:42:02.700

Cooper City Hall: Commissioner Green.

410

00:42:02.890 --> 00:42:05.530

Cooper City Hall: I'm. Good sir, Thank you.

411

00:42:05.990 --> 00:42:07.490

Cooper City Hall: Commissioner Catsman.

412

00:42:11.990 --> 00:42:12.569

i'm. Good

413

00:42:13.120 --> 00:42:15.839

Cooper City Hall: and Commissioner Melody. Oh, I've got a lot.

414

00:42:16.990 --> 00:42:18.240

Cooper City Hall: So

415

00:42:18.800 --> 00:42:24.760

Cooper City Hall: let's start with historically, because i'm old and I've been around here when we started this

416

00:42:24.800 --> 00:42:26.199

Cooper City Hall: way back, when

417

00:42:26.260 --> 00:42:32.279

Cooper City Hall: so way back, when we were doing an agreement, and because several towing companies

418

00:42:32.500 --> 00:42:34.389

Cooper City Hall: did not have

419

00:42:35.810 --> 00:42:40.440

Cooper City Hall: good reputations, and we wanted to avoid having issues.

420

00:42:40.460 --> 00:42:42.810

Cooper City Hall: we made sure that

421

00:42:43.000 --> 00:42:44.709

Cooper City Hall: we avoided

422

00:42:44.780 --> 00:42:49.849

Cooper City Hall: towing companies that had collision as part of their

423

00:42:50.500 --> 00:42:57.989

Cooper City Hall: services that way. We did not have issues, so we just allowed towing companies in the city that would tow a car

424

00:42:58.160 --> 00:43:04.729

Cooper City Hall: because to a lot of towing companies would tow cars, and then, when they had people there that were

425

00:43:05.010 --> 00:43:10.279

Cooper City Hall: that had accidents, they would potentially take advantage of them, and there were issues.

426

00:43:10.390 --> 00:43:12.049

Cooper City Hall: So we have that

427

00:43:13.230 --> 00:43:14.259

Cooper City Hall: then.

428

00:43:15.540 --> 00:43:16.709

Cooper City Hall: Somehow

429

00:43:17.300 --> 00:43:19.870

Cooper City Hall: that ended. And now

430

00:43:19.940 --> 00:43:23.699

Cooper City Hall: a and B is going out of business, and now we are having

431

00:43:24.310 --> 00:43:28.219

Cooper City Hall: this company. So let me go to my notes. Here.

432

00:43:28.560 --> 00:43:31.400

Cooper City Hall: I have major issues

433

00:43:31.590 --> 00:43:33.530

Cooper City Hall: with this company on

434

00:43:33.730 --> 00:43:35.270

Cooper City Hall: many levels.

435

00:43:37.360 --> 00:43:38.330

Cooper City Hall: one.

436

00:43:39.150 --> 00:43:41.220

Cooper City Hall: The company does not have.

437

00:43:41.530 --> 00:43:45.249

Cooper City Hall: in my opinion, a very good reputation. Historically.

438

00:43:46.600 --> 00:43:47.959

Cooper City Hall: the company

439

00:43:48.610 --> 00:43:51.870

Cooper City Hall: has had major issues. Historically.

440

00:43:54.090 --> 00:43:58.720

Cooper City Hall: I don't like the fact whether we this is a temporary contract or not.

441

00:43:59.510 --> 00:44:01.170

Cooper City Hall: I don't think it's a good idea

442

00:44:01.400 --> 00:44:03.369

Cooper City Hall: in any way, shape or form

443

00:44:05.360 --> 00:44:06.470

Cooper City Hall: this.

444

00:44:07.340 --> 00:44:09.870

Cooper City Hall: The previous person that was in this company

445

00:44:10.510 --> 00:44:11.820

Cooper City Hall: had to leave.

446

00:44:11.860 --> 00:44:16.200

Cooper City Hall: I'm not even going to get into that. If anyone has a question on that, I can get into that.

447

00:44:16.670 --> 00:44:18.760

Cooper City Hall: I can list to you

448

00:44:19.300 --> 00:44:20.560

Cooper City Hall: charges

449

00:44:21.440 --> 00:44:23.089

Cooper City Hall: that were brought about

450

00:44:23.170 --> 00:44:25.240

Cooper City Hall: by the Department of Justice

451

00:44:26.190 --> 00:44:27.330

Cooper City Hall: over

452

00:44:27.930 --> 00:44:32.110

Cooper City Hall: various dealings that happened with this company.

453

00:44:32.620 --> 00:44:35.969

Cooper City Hall: So it's the appearance of impropriety.

454

00:44:36.610 --> 00:44:40.930

Cooper City Hall: and I have major problems with the appearance of impropriety.

455

00:44:42.640 --> 00:44:48.969

Cooper City Hall: Now there was a Memo Mayor. There was a memo sitting on top of that. Actually you have it right there

456

00:44:49.140 --> 00:44:50.850

Cooper City Hall: who generated that memo

457

00:44:50.920 --> 00:44:52.490

Cooper City Hall: was that you?

458

00:44:52.510 --> 00:44:53.569

Cooper City Hall: I was curious.

459

00:44:54.080 --> 00:44:55.529

Cooper City Hall: I don't answer

460

00:44:55.560 --> 00:45:03.710

Cooper City Hall: your questions. I will discuss this when it comes to my turn. It's your turn now you go forward. Okay? Well, then, let me go to that memo.

461

00:45:04.510 --> 00:45:06.979

Cooper City Hall: because in that memo

462

00:45:08.080 --> 00:45:09.740

Cooper City Hall: there is

463

00:45:10.250 --> 00:45:13.010

Cooper City Hall: several things that I had issues with.

464

00:45:13.440 --> 00:45:16.580

Cooper City Hall: That memo states that they are

465

00:45:16.970 --> 00:45:21.170

Cooper City Hall: one of the closest. That's not true. They're not one of the closest.

466

00:45:21.280 --> 00:45:23.509

Cooper City Hall: They've never lost a client

467

00:45:23.560 --> 00:45:29.480

Cooper City Hall: I called around. They've lost towns before they don't supply the turnpike.

468

00:45:32.020 --> 00:45:34.069

Cooper City Hall: They're not one of the largest.

469

00:45:35.370 --> 00:45:38.779

Cooper City Hall: They let's see. What else have they done?

470

00:45:41.720 --> 00:45:56.290

Cooper City Hall: this thing here, contracting with West way and midterm of current contract allows the city to continue collecting the current franchise fee. I understand our contract does not say that. But the fact that that was even tried

471

00:45:56.960 --> 00:45:59.459

Cooper City Hall: also just shows me that

472

00:45:59.700 --> 00:46:03.760

Cooper City Hall: we have possible shenanigans that are still potentially going on.

473

00:46:04.310 --> 00:46:05.540

Cooper City Hall: There are

474

00:46:06.150 --> 00:46:09.470

Cooper City Hall: other qualified towing companies

475

00:46:09.840 --> 00:46:11.910

Cooper City Hall: that can do the work

476

00:46:12.090 --> 00:46:14.109

Cooper City Hall: that have just as many

477

00:46:14.360 --> 00:46:17.539

Cooper City Hall: are they called trucks. I'm. Not sure toeing

478

00:46:17.910 --> 00:46:21.260

Cooper City Hall: vehicles. Sorry if I don't know the proper terminology

479

00:46:21.850 --> 00:46:22.970

Cooper City Hall: that

480

00:46:23.410 --> 00:46:24.569

Cooper City Hall: have

481

00:46:25.030 --> 00:46:30.559

Cooper City Hall: stellar reputations as far as towing companies that have not had any issues.

482

00:46:30.770 --> 00:46:35.659

Cooper City Hall: Now I know that a comeback is going to be the person that was

483

00:46:36.050 --> 00:46:45.410

Cooper City Hall: arrested, for tax evasion is no longer part of the company. I will tell you that upon researching that person

484

00:46:45.510 --> 00:46:50.819

Cooper City Hall: now owns another company right next to this company.

485

00:46:51.940 --> 00:46:54.399

Cooper City Hall: and they're right next to each other.

486

00:46:54.880 --> 00:46:58.450

Cooper City Hall: So again, the appearance of impropriety

487

00:46:59.780 --> 00:47:03.520

Cooper City Hall: in in this Lisa 2, and being nice.

488

00:47:05.160 --> 00:47:06.729

Cooper City Hall: I have issues.

489

00:47:06.980 --> 00:47:15.829

Cooper City Hall: I have major issues. There was a reason Again we left out, and if anyone would like me to read the charges.

490

00:47:16.970 --> 00:47:21.050

Cooper City Hall: the reason that we had no one that involved collision

491

00:47:21.480 --> 00:47:25.090

Cooper City Hall: was the reason that half of the charges came about.

492

00:47:25.800 --> 00:47:28.019

Cooper City Hall: and when one partner

493

00:47:28.940 --> 00:47:35.349

Cooper City Hall: is going is is being arrested for all of these charges, how does another partner not know about it.

494

00:47:35.800 --> 00:47:38.100

Cooper City Hall: And again, that's my opinion.

495

00:47:39.440 --> 00:47:47.060

Cooper City Hall: And but I have. I have a problem with. We're potentially subjecting our residents

496

00:47:47.180 --> 00:47:48.299

Cooper City Hall: to

497

00:47:48.360 --> 00:47:54.319

Cooper City Hall: something that could be an issue, even if it's temporary. I don't want that temporarily or not.

498

00:47:56.580 --> 00:47:58.290

Cooper City Hall: i'd like to hear what you have to say.

499

00:48:01.190 --> 00:48:04.069

Cooper City Hall: I become educated when I don't know something.

500

00:48:04.200 --> 00:48:07.160

Cooper City Hall: and the best way to become educated is to talk

501

00:48:07.400 --> 00:48:11.630

Cooper City Hall: to the owner of Westway. So I met with Brett Holcomb.

502

00:48:11.830 --> 00:48:18.920

Cooper City Hall: I met with the and and with him was the lobbyist Vinnie, who I happen to know, for

503

00:48:18.990 --> 00:48:21.820

Cooper City Hall: I don't know 20 years through the Broward League of Cities.

504

00:48:22.230 --> 00:48:26.350

Cooper City Hall: and I got educated because I had concerns as well.

505

00:48:27.270 --> 00:48:32.120

Cooper City Hall: and the the biggest concern was not this

506

00:48:32.190 --> 00:48:33.240

Cooper City Hall: Brett Holcomb

507

00:48:33.450 --> 00:48:35.019

Cooper City Hall: now prison donor?

508

00:48:35.300 --> 00:48:41.189

Cooper City Hall: But it was, and and we talked about it. One of the first things was the prior owner.

509

00:48:42.300 --> 00:48:45.450

Cooper City Hall: and ultimately he was charged

510

00:48:45.780 --> 00:48:46.759

Cooper City Hall: federally

511

00:48:46.800 --> 00:48:48.179

Cooper City Hall: with tax evasion.

512

00:48:48.340 --> 00:48:48.970

Cool

513

00:48:49.210 --> 00:48:50.389

Cooper City Hall: the great thing

514

00:48:50.540 --> 00:48:54.000

Cooper City Hall: he's only he was charged, and he was charged personally.

515

00:48:54.290 --> 00:48:56.189

Cooper City Hall: not corporately.

516

00:48:56.880 --> 00:49:02.959

Cooper City Hall: The Federal Government went through the corporation. Federal Government went through with Mr. Holcomb

517

00:49:03.160 --> 00:49:07.679

Cooper City Hall: and, Believe me, being a defense lawyer for 42 years. I know what they put you through.

518

00:49:08.420 --> 00:49:12.199

Cooper City Hall: and they determined no charges.

519

00:49:12.610 --> 00:49:16.759

Cooper City Hall: He made a solid. If you will purchase

520

00:49:17.290 --> 00:49:18.359

Cooper City Hall: arm's length

521

00:49:18.900 --> 00:49:20.250

Cooper City Hall: of the business

522

00:49:20.370 --> 00:49:21.700

Cooper City Hall: has now been

523

00:49:22.050 --> 00:49:24.319

Cooper City Hall: working the business for quite a while

524

00:49:24.680 --> 00:49:26.660

Cooper City Hall: has the necessary

525

00:49:27.220 --> 00:49:30.759

Cooper City Hall: class D. 60 rotating records

526

00:49:30.790 --> 00:49:36.209

Cooper City Hall: which a lot of, and there are the class 3 and a lot of the toyards. Don't even have that.

527

00:49:36.450 --> 00:49:45.840

Cooper City Hall: we are doing this on an emergency basis, and I explain to them that in 6 months we're going to put this out for a

528

00:49:46.030 --> 00:49:47.740

Cooper City Hall: procurement process.

529

00:49:48.560 --> 00:49:50.980

Cooper City Hall: and in doing so he can apply

530

00:49:51.130 --> 00:49:52.960

Cooper City Hall: as can everyone else.

531

00:49:53.070 --> 00:49:55.970

Cooper City Hall: And if it comes out that he's the best. Then we keep them.

532

00:49:56.190 --> 00:50:02.419

Cooper City Hall: and if it comes out that someone else comes in with better numbers and or service

533

00:50:02.490 --> 00:50:03.639

Cooper City Hall: like the and or

534

00:50:04.240 --> 00:50:06.620

Cooper City Hall: then we will hire them.

535

00:50:07.000 --> 00:50:07.830

Cooper City Hall: But

536

00:50:07.960 --> 00:50:09.250

Cooper City Hall: right now.

537

00:50:09.580 --> 00:50:17.599

Cooper City Hall: I don't do things on, on assumptions, on it smells what it is, what it may look like. I look at the facts

538

00:50:18.210 --> 00:50:19.580

Cooper City Hall: and the facts are.

539

00:50:19.610 --> 00:50:28.749

Cooper City Hall: we've got a business who's able to do it? Works for quite a number of different cities able to afford us the coverage that we need.

540

00:50:29.400 --> 00:50:32.219

Cooper City Hall: I have no difficulty, and I think they came in

541

00:50:32.330 --> 00:50:37.360

Cooper City Hall: Number 2. The the last time that we put the procurement process out was, I am I correct?

542

00:50:38.130 --> 00:50:40.439

Cooper City Hall: They did. I believe there were only 2.

543

00:50:40.640 --> 00:50:44.410

Cooper City Hall: Okay, so, but they were. They were number 2.

544

00:50:44.580 --> 00:50:57.969

Cooper City Hall: So I it for the 6 months. I don't have a problem with giving them that that opportunity, and I thank you for the opportunity that you gave to me to be educated and come in and and speak about it.

545

00:50:58.730 --> 00:50:59.860

Cooper City Hall: having said that

546

00:50:59.950 --> 00:51:01.069

Cooper City Hall: anyone else.

547

00:51:01.330 --> 00:51:02.009

Yeah.

548

00:51:06.500 --> 00:51:13.839

Cooper City Hall: that'll be quick. the 2 things that that I discussed in my meeting with the staff.

549

00:51:13.920 --> 00:51:14.939

Cooper City Hall: that I

550

00:51:15.040 --> 00:51:19.319

Cooper City Hall: I think we're relevant to this, as Bso. Uses west way. Is that correct?

551

00:51:19.550 --> 00:51:24.359

Cooper City Hall: and and that was the reason that the staff brought it to our attention.

552

00:51:24.430 --> 00:51:30.839

Cooper City Hall: to make it a a seamless transition, because a lot of the time the towing in Cooper City occurs

553

00:51:30.910 --> 00:51:31.920

Cooper City Hall: at

554

00:51:32.300 --> 00:51:33.930

Cooper City Hall: traffic incidents.

555

00:51:34.030 --> 00:51:36.070

Cooper City Hall: so they would have a

556

00:51:36.980 --> 00:51:47.649

Cooper City Hall: an easier way of communicating with them. And the second thing that I I know that we were talking about location. I did ask where the lot is located, and it's in Davy. So

557

00:51:48.310 --> 00:51:59.299

Cooper City Hall: that that's relevant, because if a a resident or somebody driving through Cooper City needs to use the services they don't have to drive all the way north or east to retrieve their vehicle.

558

00:51:59.500 --> 00:52:03.659

Cooper City Hall: The the other issues, you know. You all brought up already, but

559

00:52:03.940 --> 00:52:05.330

Cooper City Hall: just wanted to bring those out.

560

00:52:05.380 --> 00:52:07.419

Cooper City Hall: Thank you.

561

00:52:07.630 --> 00:52:14.419

Cooper City Hall: Yes, I obviously do not know nearly enough about toeing as Commissioner Melody and Mayor Ross do

562

00:52:14.510 --> 00:52:15.879

Cooper City Hall: but

563

00:52:15.980 --> 00:52:24.490

Cooper City Hall: So I found out about this from represented from the company calling me, and telling me that essentially the current

564

00:52:24.710 --> 00:52:29.200

Cooper City Hall: franchise contract we had with us stop performing

565

00:52:29.610 --> 00:52:33.249

Cooper City Hall: something to that effect, and and we need an in from.

566

00:52:33.790 --> 00:52:35.700

Cooper City Hall: I guess agreement to to vehicles.

567

00:52:35.760 --> 00:52:37.750

Cooper City Hall: One of my questions would be.

568

00:52:38.090 --> 00:52:39.980

Cooper City Hall: And so, when I was thinking, without

569

00:52:40.270 --> 00:52:52.979

Cooper City Hall: knowing about collision and like that, I was kind of thinking what Commissioner Catsman said. Well, Pso uses them, and I think they only use them, for they use them for their regional stuff. So like, yeah, not the districts, I think each city uses their own.

570

00:52:53.170 --> 00:52:56.589

Cooper City Hall: but how many do we know any vehicles we're talking because I was

571

00:52:56.640 --> 00:52:59.930

Cooper City Hall: 587 last year.

572

00:53:00.110 --> 00:53:01.909

Cooper City Hall: So yeah, I

573

00:53:03.880 --> 00:53:06.099

Cooper City Hall: i'm not as prepared.

574

00:53:06.420 --> 00:53:13.519

Cooper City Hall: Whereas versus is you guys, I mean, guess. What are there alternatives, do we?

575

00:53:13.730 --> 00:53:17.699

Cooper City Hall: Okay? So my my thing would be.

576

00:53:18.530 --> 00:53:25.460

Cooper City Hall: there's not a temporary agreement. What what happens if somebody gets in an accident? Who do they?

577

00:53:26.860 --> 00:53:28.680

Cooper City Hall: Who who to the vehicle

578

00:53:29.230 --> 00:53:34.610

Cooper City Hall: does? And I. Maybe this is more question for the the police chief.

579

00:53:35.240 --> 00:53:40.280

Cooper City Hall: do they do we have? Or the city attorney? Do we have to have a temporary agreement on file.

580

00:53:40.840 --> 00:53:43.260

Cooper City Hall: Can we just have them? I mean.

581

00:53:43.340 --> 00:54:00.109

Cooper City Hall: because certainly there's some issues that I I sound like need to go through the procurement process. Just a couple of comments by make Commissioner and Mayor Commission, and observations as well. The the item before you is presented tonight as an emergency procurement under our procurement code. What that process does. It requires a few things.

582

00:54:00.120 --> 00:54:14.980

Cooper City Hall: It requires your professional staff to reach out to multiple vendors to the extent that they are available who are able and willing to provide the service. My understanding from conversations with the manager and the finance director is that's occurred, and that your staff has recommended a contract with West Way that's presented this evening.

583

00:54:15.190 --> 00:54:30.869

Cooper City Hall: To the extent that the city did not have coverage come the end of this year when our current contract expires, that that would clearly be an issue in the event that there was a need in the city at any point during the in which there was no contract that provided that a particular function.

584

00:54:30.880 --> 00:55:00.860

Cooper City Hall: I would agree, Commissioner, that in the event there was a need for it To be so would likely be our first call, and we would use the relationships with Bso. And potentially their vendor in an effort to fill that gap. But again, the city would not be receiving the benefit of an agreement such as the one before you, which, while it doesn't, necessarily provide the administrative fee, which is no longer an option under the statute. It does provide certain administrative charges which are permissible that being a 25% surcharge on top of any rates that are currently established by the Browser

585

00:55:00.870 --> 00:55:16.830

Cooper City Hall: County Board of County Commissioners, which are the toing rates that apply throughout Broward County. So there is some benefit to having an agreement in place doesn't necessarily have to be this agreement. But there is some specific value to the city to having that particular agreement in place, even for a limited period of time. So so to break that down is.

586

00:55:16.910 --> 00:55:23.660

Cooper City Hall: and years past, a towing company would be selected by the city, and they would give the city money a franchise fee that's no longer allowed

587

00:55:23.950 --> 00:55:39.429

Cooper City Hall: so anybody could toe. And this is not going to get money unless they have an agreement like this that says they can share in 25% of the administrative costs which which is what the new statute permits. So my question would be staff. I mean, I don't know that it's an emergency, because really it's a financial situation.

588

00:55:39.580 --> 00:55:59.559

Cooper City Hall: But my! My! It just to clarify the emergency is a and B towing stops at the end of December. Yeah, but that's the in a car. Accident. Vso. Just tells you the dispatcher, which is on the info channel. Can you send somebody? And i'm sure any telling company to be happy to come?

589

00:55:59.710 --> 00:56:04.900

Cooper City Hall: But my question would be if, in this procurement process, if we reached out.

590

00:56:05.030 --> 00:56:07.289

Cooper City Hall: did the other to the other

591

00:56:08.230 --> 00:56:10.150

Cooper City Hall: telling companies. We reached out to

592

00:56:10.270 --> 00:56:13.029

Cooper City Hall: not. Were there no other ones that wanted to do it.

593

00:56:13.400 --> 00:56:14.410

Cooper City Hall: or

594

00:56:14.490 --> 00:56:15.959

Cooper City Hall: I guess that that's my

595

00:56:20.040 --> 00:56:22.979

Cooper City Hall: Commissioner. We we reached out to, you know.

596

00:56:23.250 --> 00:56:25.700

Cooper City Hall: and the my closer Sorry.

597

00:56:25.950 --> 00:56:26.910

Cooper City Hall: Thank you.

598

00:56:27.850 --> 00:56:34.790

Cooper City Hall: Is that better, ma'am? Yes, okay. Thank you. we did. Reached out to 3 or 4 additional toing companies.

599

00:56:34.820 --> 00:56:41.579

Cooper City Hall: The biggest issue that we ran into was companies having a lot big enough to

600

00:56:41.750 --> 00:56:51.250

Cooper City Hall: take the vehicles to and storm, therefore, and so West way does have a lot, and that's why they kind of rose to the top. We looked at

601

00:56:51.310 --> 00:56:52.129

Cooper City Hall: what we

602

00:56:52.490 --> 00:56:55.449

Cooper City Hall: I am like you, sir, in the in the sense that

603

00:56:55.610 --> 00:56:59.549

Cooper City Hall: i'm not a toing expert. And so what I did was, I said, okay, look.

604

00:56:59.600 --> 00:57:12.639

Cooper City Hall: let's look at our Rfp. Who else bid on it previously? Let's see. You know, who that is, and as indicated, there was only 2 that did it. we checked with public works to see if they were familiar with any particular

605

00:57:12.650 --> 00:57:21.200

Cooper City Hall: lots. And I, you know, any particular toing groups in our area that we might be able to reach out to actually the feedback that I got that we received from that is that you're probably

606

00:57:21.620 --> 00:57:35.389

Cooper City Hall: that the reason that you only had to was because there's probably only 2 that really have the kind of facilities. Now, that's not necessarily. I found out later that there are additional ones. and so essentially what we did was we knew about West way.

607

00:57:35.400 --> 00:57:43.060

Cooper City Hall: We reach out to the so they indicated. That's what they were using. They were pleased with their services. They don't have any issues concerns with them.

608

00:57:43.800 --> 00:58:02.270

Cooper City Hall: And so my my my third lot, my third, for Ray was: okay, Guys Google Google Toine agencies in our area. So we can find out in our vicinity, you know, who's out there who might be able to do it, and that's why we reached out to the other 3 or 4 that we reached out to and right into the issues with the lots

609

00:58:02.280 --> 00:58:03.999

Cooper City Hall: I I have

610

00:58:04.240 --> 00:58:12.789

Cooper City Hall: receive a phone call subsequently to all of the decisions being made, and and another individual did let me know that

611

00:58:13.150 --> 00:58:19.880

Cooper City Hall: They're in our facility per se, and they've got a lot, and they would like to participate in the

612

00:58:20.940 --> 00:58:22.100

Cooper City Hall: upcoming

613

00:58:24.160 --> 00:58:38.029

Cooper City Hall: solicitation when we do it. And what's actually disappointed that they didn't get a call on this. but we we we did what we considered to be the due diligence. There's no way for us to potentially hit everybody that was going to be interested.

614

00:58:38.040 --> 00:58:50.350

Cooper City Hall: that we're doing this on an emergency basis which for us means that we needed to expedite it. Otherwise it's not, an it's not an emergency. If this doesn't require an expeditious movement on our behalf. And so

615

00:58:50.360 --> 00:59:04.149

Cooper City Hall: that's that's sort of where we are and sort of how we put our thought process that we kind of went through. Yeah, I mean, like, I said, I don't know who you guys reached out. I know when I think of towing companies, governmental phone companies, you got superior Max thing, Max, as Daniel

616

00:59:04.270 --> 00:59:14.379

Cooper City Hall: West way, is a very big one. I know they do a a lot and I know when you get towards like Northern broward, there's a I think, a boca, one that

617

00:59:14.480 --> 00:59:18.440

Cooper City Hall: that goes in. So I mean, if there's only one that's responsive, then.

618

00:59:18.550 --> 00:59:21.319

Cooper City Hall: or one that's willing to do it.

619

00:59:21.490 --> 00:59:31.769

Cooper City Hall: And as I in the right, and as I indicated subsequently to that, I was made aware that, I got a phone call from Superior, indicating that they would like to have been called on it.

620

00:59:32.190 --> 00:59:33.819

Cooper City Hall: As I indicated.

621

00:59:33.890 --> 00:59:38.680

Cooper City Hall: we went through what we considered to be an appropriate due diligence, and reaching out

622

00:59:39.890 --> 00:59:53.710

Cooper City Hall: I would imagine as people other than superior. Who or what would be disappointed, that they didn't get a call from us but we knew that we needed to at least try to make an effort. we felt that with the appropriate thing to do, we did that, and they just

623

00:59:54.020 --> 00:59:56.399

Cooper City Hall: They didn't pop up on our radar

624

00:59:58.760 --> 00:59:59.520

Cooper City Hall: arrows

625

00:59:59.930 --> 01:00:00.949

Cooper City Hall: permission to Green.

626

01:00:01.330 --> 01:00:06.549

Cooper City Hall: Thank you. And I wasn't gonna say anything. But i'm here in the conversation that's that's ongoing. Now.

627

01:00:07.650 --> 01:00:10.799

Cooper City Hall: when this when this contract was.

628

01:00:10.880 --> 01:00:12.119

Cooper City Hall: put out

629

01:00:12.380 --> 01:00:13.509

Cooper City Hall: to bid

630

01:00:14.200 --> 01:00:15.700

Cooper City Hall: Christian aptly

631

01:00:15.760 --> 01:00:17.059

Cooper City Hall: several years ago.

632

01:00:18.140 --> 01:00:21.539

Cooper City Hall: 2 years ago, 2 years ago, and

633

01:00:21.900 --> 01:00:23.259

Cooper City Hall: only 2

634

01:00:23.380 --> 01:00:26.330

Cooper City Hall: companies had submitted or had

635

01:00:26.440 --> 01:00:30.759

Cooper City Hall: gone through the process. And so there were 2 correct. That's correct.

636

01:00:31.670 --> 01:00:38.909

Cooper City Hall: So was so. So i'm guessing that Superior was not one of those companies. that's also correct, sir.

637

01:00:39.240 --> 01:00:42.599

Cooper City Hall: Okay. So it was West way, and it was a and B

638

01:00:42.770 --> 01:00:44.570

Cooper City Hall: toing of am I correct?

639

01:00:44.890 --> 01:00:45.600

Cooper City Hall: All right.

640

01:00:45.790 --> 01:00:52.620

Cooper City Hall: So. And I hear what Commissioner Melosi is saying, and I hear what Mr. Kendrick is saying with regards to

641

01:00:52.650 --> 01:00:54.949

Cooper City Hall: Superior and other

642

01:00:55.090 --> 01:01:00.599

Cooper City Hall: toeing companies, would like to have that opportunity to to bid on that contract.

643

01:01:00.700 --> 01:01:04.059

Cooper City Hall: A. And I certainly understand that I and I certainly respect that

644

01:01:04.400 --> 01:01:09.139

Cooper City Hall: The question that I have is when the opportunity presented itself

645

01:01:09.520 --> 01:01:12.570

Cooper City Hall: for Superior and others to

646

01:01:12.790 --> 01:01:14.960

Cooper City Hall: come in to the city

647

01:01:15.550 --> 01:01:17.109

Cooper City Hall: with their proposal.

648

01:01:18.040 --> 01:01:19.379

Cooper City Hall: That didn't happen.

649

01:01:20.630 --> 01:01:26.749

Cooper City Hall: I think. But the time before that I think it was just superior, and it was I I recall I was on the day is

650

01:01:26.780 --> 01:01:31.909

Cooper City Hall: when when that happened.

651

01:01:31.930 --> 01:01:49.539

Cooper City Hall: Well, I think we went with a and B, because if I recall correctly, a. And B. Had was providing more of a franchise. Fee was was more money. Yeah, and they were. They were Cooper City, and they were Cooper City residents. So I do. I do recall I was. I was up here when it when it took place.

652

01:01:50.790 --> 01:01:52.050

Cooper City Hall: That was.

653

01:01:52.070 --> 01:01:59.059

Cooper City Hall: that was more than beyond the 2 years when this contract proposal came up correct, and so my concern is

654

01:02:01.030 --> 01:02:03.679

Cooper City Hall: Companies had an opportunity to present

655

01:02:03.860 --> 01:02:05.709

Cooper City Hall: to bid for that proposal.

656

01:02:06.160 --> 01:02:08.959

Cooper City Hall: This is a this is an emergency

657

01:02:10.240 --> 01:02:12.780

Cooper City Hall: recommendation. I'm going to support this

658

01:02:13.070 --> 01:02:30.649

Cooper City Hall: because it's. I believe it's the right thing to do. I believe that the right thing to do Moving forward is after 6 months. If we're going to. If this Commission says that we're going to open, we're going to put it out to bid and allow for other folks to submit big proposals. I'm good with that.

659

01:02:30.740 --> 01:02:36.909

Cooper City Hall: My concern is that when the opportunity presented itself to submit something 2 years ago

660

01:02:36.950 --> 01:02:38.620

Cooper City Hall: that didn't take place.

661

01:02:38.740 --> 01:02:40.209

Cooper City Hall: so i'm sorry

662

01:02:42.100 --> 01:02:43.739

Cooper City Hall: the company that did

663

01:02:43.760 --> 01:02:47.370

Cooper City Hall: that. That was not awarded ended up being the second.

664

01:02:47.500 --> 01:02:48.660

Cooper City Hall: and I think it

665

01:02:49.310 --> 01:02:50.279

Cooper City Hall: just my

666

01:02:50.530 --> 01:03:07.259

Cooper City Hall: my brothers, is to to give that individual or that company an opportunity to to work in the city for 6 months, and if I If I could just mention something, we we aren't going to wait for 6 months. We're gonna we're gonna put this out to bid, probably within the next couple of weeks.

667

01:03:09.230 --> 01:03:21.020

Cooper City Hall: And if I may just offer to that effect, the agreement that's presented for the Commission this evening has a 30 day termination for convenience provision that can be implemented by the city and its discretion at any time.

668

01:03:21.200 --> 01:03:34.859

Cooper City Hall: I would. I would be okay with this. If one we're going to put it out right away into the one we put out should not have any benefits or points. If you, if you know to the if you're the present one, because

669

01:03:34.950 --> 01:03:38.810

Cooper City Hall: and fairness, you know. So, Karen, we should put it out as fast as they can.

670

01:03:39.180 --> 01:03:42.189

Cooper City Hall: and investigate these.

671

01:03:42.310 --> 01:03:49.049

Cooper City Hall: you know, if i'm going to lose this, then I want no collision to be attached to it, because that's where all the issues came from.

672

01:03:49.830 --> 01:03:53.410

Cooper City Hall: What does that mean? That they can be. All the issues, historically

673

01:03:53.660 --> 01:03:57.140

Cooper City Hall: have been with the not the towing service

674

01:03:57.560 --> 01:04:01.730

Cooper City Hall: have been with add ons for lack of a better word.

675

01:04:02.180 --> 01:04:09.910

Cooper City Hall: and that's Why, way back when we took out, like I said earlier, we took out because I didn't want our residents to get

676

01:04:11.440 --> 01:04:15.039

Cooper City Hall: harmed or taken advantage of for lack of a better phrase.

677

01:04:16.550 --> 01:04:35.059

Cooper City Hall: I'm trying to think of how to phrase this.

678

01:04:35.070 --> 01:04:38.269

Cooper City Hall: because that is where all the problems have arisen.

679

01:04:38.390 --> 01:04:39.990

Cooper City Hall: and historically

680

01:04:40.240 --> 01:04:42.629

Cooper City Hall: with showing contracts in general.

681

01:04:43.700 --> 01:04:45.850

Cooper City Hall: So if if that can be added.

682

01:04:46.010 --> 01:04:53.200

Cooper City Hall: that will make me feel because I don't want our residents that have gotten into a car accident that are now all discombobulated.

683

01:04:53.290 --> 01:04:59.810

Cooper City Hall: that you know their world is collapsed because this is a car. This is, you know, everyone's second major purchase.

684

01:05:00.030 --> 01:05:08.690

Cooper City Hall: and then now they're going to have potentially an issue with now, people taking advantage of that, I I don't want to see anyone being taken advantage of.

685

01:05:08.930 --> 01:05:12.070

Cooper City Hall: so I guess that's a Mr. Horowitz question.

686

01:05:12.960 --> 01:05:28.550

Cooper City Hall: So I understand correctly, Commissioner, are you referring to the solicitation that the professional staff intends to put out on the street in January? I'm sorry to right now, if you're going to give an emergency contract to Westway towing

687

01:05:29.880 --> 01:05:33.170

Cooper City Hall: that they be allowed to tow

688

01:05:33.340 --> 01:05:41.780

Cooper City Hall: the vehicles. Only I not a related nothing other than towing the residence vehicles I do not want to see.

689

01:05:41.790 --> 01:05:56.249

Cooper City Hall: or here, or I want. I do not want any solicitation for any other services other than to from a to B or B to C, and that is it they cannot perform collision services. They cannot recommend collision services, have a nice day.

690

01:05:57.830 --> 01:06:04.739

Cooper City Hall: If that's the direction of the Commission. I have no problem incorporated that into the

691

01:06:05.130 --> 01:06:10.109

Cooper City Hall: that I know that my residents are not being taken advantage of. I do not want to see that happen.

692

01:06:10.210 --> 01:06:16.360

Cooper City Hall: not saying that that's going to happen, but that would make me feel because that has happened in the past with

693

01:06:18.550 --> 01:06:24.010

Cooper City Hall: entities. The difficulty I find with that is, assume for a moment that they have a

694

01:06:24.120 --> 01:06:30.450

Cooper City Hall: showing place, and right next door they have a collision body. They have a collision body shop.

695

01:06:30.700 --> 01:06:41.749

Cooper City Hall: Now they may not solicit, they may not even recommend, but it's very likely that the people, when they go to see their car, looks at it, and says, let me go next door and handle that.

696

01:06:41.860 --> 01:06:44.509

Cooper City Hall: and they do that on their own. So

697

01:06:44.530 --> 01:06:58.000

Cooper City Hall: while it's admirable of what you're saying. I think the Enforcement is difficult, because now anytime that a car has dual membership in the towing and in the body shop.

698

01:06:58.570 --> 01:07:18.159

Cooper City Hall: who's going to be looking into and questioning the people of where you solicited. Did you go on your own, etc., etc.? That's not for us to determine. There is a statute presently that requires no solicitation from a toe for personal injury, body work, etc. So

699

01:07:18.210 --> 01:07:21.510

Cooper City Hall: again, all I ask is that they follow

700

01:07:21.610 --> 01:07:23.500

Cooper City Hall: the law. It's that simple.

701

01:07:23.900 --> 01:07:30.269

Cooper City Hall: but it's up to commission to Green at this point, because it's his motion. You accept that friendly amendment.

702

01:07:35.640 --> 01:07:40.379

Cooper City Hall: I I don't have a problem with the I don't have a problem with the friendly amendment.

703

01:07:40.470 --> 01:07:45.000

Cooper City Hall: I want to caution the Commission, as the mayor had already alluded to.

704

01:07:47.310 --> 01:07:49.529

Cooper City Hall: pursuant to the State statutes

705

01:07:49.940 --> 01:07:52.360

Cooper City Hall: the towing companies.

706

01:07:52.960 --> 01:07:54.779

Cooper City Hall: I already know that

707

01:07:54.900 --> 01:07:56.669

Cooper City Hall: I guess they're prohibited from

708

01:07:56.750 --> 01:07:58.459

Cooper City Hall: from from doing that.

709

01:07:58.510 --> 01:08:06.219

Cooper City Hall: I think what I'm hearing Commissioner Melosie the the friendly amendment is she wants. She wants it to say it.

710

01:08:06.230 --> 01:08:19.650

Cooper City Hall: She wants you want to spell it out in our agreement as well. I just want to make sure that I I think the statute only references, personal injury. So maybe just what she's trying to say is similar, tracking the language of personal injury.

711

01:08:19.899 --> 01:08:21.100

Cooper City Hall: Same with collision.

712

01:08:21.630 --> 01:08:27.579

Cooper City Hall: because I don't think there's a state statute prohibiting solicitation of collision. Just so

713

01:08:27.939 --> 01:08:33.800

Cooper City Hall: okay along those along those lines. If there is not a State statute as to what you just said.

714

01:08:34.930 --> 01:08:42.040

Cooper City Hall: You know, Commissioner Melody, you bring up an excellent point when you have residents that may have gotten into an accident.

715

01:08:42.149 --> 01:08:47.199

Cooper City Hall: and they're frazzled, and the towing company comes and picks up their car, and they to

716

01:08:47.240 --> 01:08:50.309

Cooper City Hall: they pick. They tell the the the car

717

01:08:50.920 --> 01:08:52.689

Cooper City Hall: some place.

718

01:08:53.520 --> 01:08:56.130

Cooper City Hall: I think it's just a natural thing, for

719

01:08:56.970 --> 01:08:59.659

Cooper City Hall: if i'm if i'm solic if I am

720

01:08:59.779 --> 01:09:04.359

Cooper City Hall: the injured, the person who's got the accident the the damaged vehicle

721

01:09:04.840 --> 01:09:09.780

Cooper City Hall: I'm naturally gonna say, can you refer me? Do you know of any reputable?

722

01:09:10.000 --> 01:09:12.380

Cooper City Hall: I mean, that's just a natural.

723

01:09:12.510 --> 01:09:26.269

Cooper City Hall: because I've been in that situation. I've been in that situation, and that's exactly what I did. Can you refer me to someone that can provide services for damaged property?

724

01:09:26.390 --> 01:09:27.740

Cooper City Hall: That's just.

725

01:09:27.910 --> 01:09:29.490

Cooper City Hall: It would have been odd

726

01:09:29.750 --> 01:09:30.969

Cooper City Hall: if the person

727

01:09:31.220 --> 01:09:35.819

Cooper City Hall: didn't say Well, I can't, you know i'm pretty, but if i'm saying that you know when i'm looking for.

728

01:09:36.319 --> 01:09:47.739

Cooper City Hall: I need some help here, and I don't know where to go, and Commissioner can comment into that is the issue of getting that car out of the toyard because they get to charge a daily to fee.

729

01:09:48.020 --> 01:09:51.479

Cooper City Hall: And so now you're getting it to a repair shop

730

01:09:51.550 --> 01:10:01.750

Cooper City Hall: quicker, and that's better for the residents. I I I don't know about that guys. Well, no, no, i'm just there's I don't think the law prevents you from the

731

01:10:01.800 --> 01:10:03.519

Cooper City Hall: I just want to make sure that

732

01:10:04.000 --> 01:10:10.240

Cooper City Hall: it's a toe company, because again, historically, we had toe companies

733

01:10:10.690 --> 01:10:13.690

Cooper City Hall: that went to toe companies that just toed.

734

01:10:14.280 --> 01:10:15.450

Cooper City Hall: this is not

735

01:10:15.560 --> 01:10:17.000

Cooper City Hall: so. That's the issue.

736

01:10:17.390 --> 01:10:32.729

Cooper City Hall: Okay, but if we're and I hear you and I respect that. So since this is there's already starting a procurement. It's not going to be a long process in in theory. Hopefully. So then let's but if we're holding, if we're going to hold a company to a standard

737

01:10:32.840 --> 01:10:35.030

Cooper City Hall: that the State doesn't hold them to.

738

01:10:35.540 --> 01:10:36.509

Cooper City Hall: I mean, I we

739

01:10:36.700 --> 01:10:39.509

Cooper City Hall: it we we had

740

01:10:40.430 --> 01:10:44.519

Cooper City Hall: when we put this out to bid 2 years ago only 2

741

01:10:44.890 --> 01:10:47.410

Cooper City Hall: companies submitted proposals.

742

01:10:47.550 --> 01:10:56.229

Cooper City Hall: Yeah, but our but our thing also says we get preference to local business, and a and B was a local business. So I mean, I don't know that you can. You can, you know, punish somebody for not

743

01:10:56.330 --> 01:10:57.760

Cooper City Hall: applying back then?

744

01:10:58.250 --> 01:11:09.880

Cooper City Hall: Yeah, I mean, they're both in. They're both in Davey. They both have big trucks. And what have you

745

01:11:10.130 --> 01:11:15.780

Cooper City Hall: and I have a problem with that. I what i'm having a problem with is, or some difficulties with, is

746

01:11:17.890 --> 01:11:20.679

Cooper City Hall: holding companies a company

747

01:11:20.930 --> 01:11:31.179

Cooper City Hall: to an unfair standard, and my a higher standard, and my humble opinion well, it wasn't a higher standard historically, in Cooper City until

748

01:11:31.260 --> 01:11:32.500

Cooper City Hall: 2 years ago.

749

01:11:32.840 --> 01:11:34.650

Cooper City Hall: because we, in

750

01:11:34.740 --> 01:11:36.670

Cooper City Hall: what we have done in the past.

751

01:11:36.750 --> 01:11:56.389

Cooper City Hall: I don't see it commission, but i'm just telling you in the past. We did not allow people we had it. We are in in the present. You're not living in the past. We're happy to please towards looking at the future. Oh, in the future I still don't want to see our residents. It's not. I'll accept the friendly amendment that we can, and we can move. I mean.

752

01:11:56.400 --> 01:12:01.939

Cooper City Hall: let we can accept a friendly amendment when we put it out to to bid

753

01:12:02.080 --> 01:12:17.950

Cooper City Hall: you know, I would imagine we'll have like Mr. Or was. I would like to know what, if I May. If If this amendment and motion were to pass this evening, we would incorporate Commissioner le the Melody's comments into the agreement that's in the backup, and that'd be presented to the vendor for re-execution.

754

01:12:17.970 --> 01:12:34.800

Cooper City Hall: and then, when it came time for your staff to put a solicitation on the street, similar language would be included that any prospective vendor would then be able to review and bid on in accordance with that that specific language do we have the past contracts that we can review to corroborate what commission melody has indicated.

755

01:12:34.840 --> 01:12:39.449

Cooper City Hall: I don't have this evening. I'm sure that we do. Okay, Can we put that in the backup

756

01:12:40.000 --> 01:12:42.200

Cooper City Hall: and make this vote contingent on that.

757

01:12:42.470 --> 01:12:43.150

Cooper City Hall: But

758

01:12:43.270 --> 01:12:44.920

Cooper City Hall: then we wouldn't be voting

759

01:12:45.620 --> 01:12:47.849

Cooper City Hall: what you said. You want to delay it.

760

01:12:47.910 --> 01:13:00.390

Cooper City Hall: I'm not looking to delay, because it's not in the best interest of the Resident. Let's stack up for what? Well, I I if Commission melody is indicating that the history requires X Y. And Z. The backup does not have it.

761

01:13:00.540 --> 01:13:07.830

Cooper City Hall: If If i'm to follow what we have done in the past, I need the backup

762

01:13:08.110 --> 01:13:25.929

Cooper City Hall: we can have for a period of, and i'm figuring it's going to be 3 to 6 months, because procurement process will proceed, is not have the friendly amendment. Do what we have indicated in the agreement that we all have, and we all have the backup on. And then, if you want for the procurement

763

01:13:25.940 --> 01:13:28.620

Cooper City Hall: absolutely, you can put that in there, but

764

01:13:28.850 --> 01:13:31.090

Cooper City Hall: and and it's again.

765

01:13:31.270 --> 01:13:39.600

Cooper City Hall: The friendly amendment right now is up to Commissioner Green, and do I have the second on that Commissioner?

766

01:13:39.730 --> 01:13:47.750

Cooper City Hall: on the on the amendment. Yes. So. Secondly, all right. Anything else. Yeah, To clarify what the government is. I just wanted to say

767

01:13:47.800 --> 01:13:54.359

Cooper City Hall: that the vendor may not solicit toed customers for collusion services either through itself or related entity.

768

01:13:54.810 --> 01:14:02.880

Cooper City Hall: And and again, solicitation requires a definition. I'll ask that, as defined by State law under the pip rules.

769

01:14:03.300 --> 01:14:23.049

Cooper City Hall: I don't think I have to put that, but you know. But i'm i'm happy that verbiage not the pip rules, but the same. So you know, if they, if you ask, they can tell you, but they can't give your information like with the at least with lawyers. You can't give the personal. And you're like, hey? Just to this person, You know they you know it's kind of car accident. So the personal injury that yeah.

770

01:14:24.660 --> 01:14:25.480

Cooper City Hall: right? Right.

771

01:14:25.760 --> 01:14:28.660

Cooper City Hall: I'm sure the the vendor is fine with it, too.

772

01:14:28.700 --> 01:14:30.220

Cooper City Hall: Call about.

773

01:14:30.650 --> 01:14:33.529

Cooper City Hall: This is on the motion as amended. Right.

774

01:14:35.300 --> 01:14:49.580

Cooper City Hall: Commissioner Melody. Yes, Commissioner Casman. Yes, Commissioner Schrodder. Yes, Commissioner Green. Yes, Mayor Ross. Yes, moving on to the motion to approve, adding Lpr cameras to the remaining Ops without Cameras commission and charter.

775

01:14:49.680 --> 01:15:07.319

Cooper City Hall: Yeah, I just probably should have said, adding cameras to the raining Lprs without cameras. So yeah. So basically, you know, for those of you who are not from, you know. Familiar the Lp. Are the license plate Reader zooms in and just captures the license plate, and it runs the license plate.

776

01:15:07.330 --> 01:15:11.160

Cooper City Hall: But it doesn't have necessarily a

777

01:15:11.240 --> 01:15:30.239

Cooper City Hall: you know footage of of what's going on. So if you have a stolen tag that you know is on a car, it's just going to detect a stolen tag went down the road. Doesn't show that it's attached to a red

car or a blue car. That's what you're doing. Those cameras are going to be able to do and show which way. And so initially, we had less

778

01:15:30.400 --> 01:15:47.739

Cooper City Hall: of these cameras budgeted because we had less locations when we were going with Fdot, but as a result of us having to change, because f 2 wouldn't cooperate. We now have like 13 Lprs, and I think we should have the cameras on all the Lpr's. It's not a significant amount of money, but

779

01:15:47.750 --> 01:15:57.639

Cooper City Hall: this basically allows them. These cameras are pretty neat. If you Guys haven't seen them yet. I'd go go by the police form and check it out. They can literally say, show me every red car that went by.

780

01:15:57.820 --> 01:15:59.940

Cooper City Hall: They could do facial recognition.

781

01:15:59.960 --> 01:16:03.959

Cooper City Hall: for criminals. And so that's really what it is.

782

01:16:07.710 --> 01:16:08.740

Cooper City Hall: Commissioner Green.

783

01:16:08.830 --> 01:16:13.819

Cooper City Hall: No, I motion I perfect. Okay, I have motion. Do I have a second second second by Commissioner Kathryn.

784

01:16:13.850 --> 01:16:17.230

Cooper City Hall: Then you, Commissioner Charter, you're done commission catching.

785

01:16:18.370 --> 01:16:29.649

Cooper City Hall: Yeah, I think this is a great idea. I just wanted to bring something up. we all heard in the public comment at the beginning of the meeting from Natalie Moore. There was an accident today,

786

01:16:30.060 --> 01:16:32.190

Cooper City Hall: and on Pine Island in the median

787

01:16:32.280 --> 01:16:40.850

Cooper City Hall: there are. There have been multiple crashes and and situations there incidents over the past few years have been fatalities.

788

01:16:40.880 --> 01:16:52.919

Cooper City Hall: I've spoken with both Mr. Good and Captain di Giovanni today about this issue that is recurring issue. you know I know we've spoken with the county. We're trying to get a traffic

789

01:16:53.020 --> 01:17:04.759

Cooper City Hall: meeting to discuss moving forward on whether we can do a round about or some sort of support. And what i'd like to ask Commissioner shrouded is to add a friendly amendment to

790

01:17:04.840 --> 01:17:06.269

Cooper City Hall: explore

791

01:17:06.320 --> 01:17:08.609

Cooper City Hall: adding another camera

792

01:17:09.350 --> 01:17:10.279

Cooper City Hall: At that

793

01:17:10.380 --> 01:17:14.390

Cooper City Hall: intersection it might be a little more complicated because of the

794

01:17:14.460 --> 01:17:18.170

Cooper City Hall: we would have to determine power. And

795

01:17:18.620 --> 01:17:20.930

Cooper City Hall: if the city has any sort of right away

796

01:17:20.950 --> 01:17:24.910

Cooper City Hall: in that area. But i'd like to add that to this motion.

797

01:17:25.050 --> 01:17:25.710

Yeah.

798

01:17:25.960 --> 01:17:31.970

Cooper City Hall: yeah, I mean, I'm: I'm: okay, with that, I think there you're talking about is is the Monterey gates. And

799

01:17:32.280 --> 01:17:41.360

Cooper City Hall: I think Monterey is putting in license plate readers, so maybe it would be as easy as adding a camera to their license plate Readers, I don't know. But yeah, I don't

800

01:17:41.410 --> 01:17:43.709

Cooper City Hall: mind if they explore. I don't know

801

01:17:44.320 --> 01:17:46.550

Cooper City Hall: commission of Green.

802

01:17:48.460 --> 01:17:49.360

I have not

803

01:17:50.300 --> 01:17:51.900

Cooper City Hall: you, Mr. Melosey?

804

01:17:52.490 --> 01:18:01.620

Cooper City Hall: I've got questions because no one's asked the pertinent question, and and that is the cost, and how we paying for it, and the fact that it's not in the budget

805

01:18:02.500 --> 01:18:06.359

Cooper City Hall: it's in there it costs to 26,400

806

01:18:06.760 --> 01:18:08.339

Cooper City Hall: \$33. Yeah.

807

01:18:08.810 --> 01:18:14.350

Cooper City Hall: and that's the the cost i'm saying it's not in the budget. It was not budgeted for

808

01:18:14.450 --> 01:18:18.240

Cooper City Hall: it's in the things it's budgeted amount 700,000.

809

01:18:18.510 --> 01:18:22.970

Cooper City Hall: Yeah, it's from account 100, 1,100, 6,503,

810

01:18:23.920 --> 01:18:43.839

Cooper City Hall: 1, 90, 5, 2, one, so that those are fonts coming out of the what was previously the exploration money for B so potentially doing. V. As our police here police state our own police force. Essentially, we had 2.1 million dollars in the opera

811

01:18:43.910 --> 01:18:45.300

Cooper City Hall: budget for that.

812

01:18:45.320 --> 01:18:48.939

Cooper City Hall: that is kind of going by the wayside over time, and so

813

01:18:49.030 --> 01:18:52.990

Cooper City Hall: this would These would be dollars that would be transferred from that account, sir.

814

01:18:53.460 --> 01:18:56.279

Cooper City Hall: Thank you. I I I have another question, Captain.

815

01:19:05.950 --> 01:19:09.190

Cooper City Hall: I guess my question really is.

816

01:19:09.470 --> 01:19:10.800

Cooper City Hall: Are these

817

01:19:10.820 --> 01:19:12.960

Cooper City Hall: needed at this time?

818

01:19:13.100 --> 01:19:15.759

Cooper City Hall: If so, how come you didn't recommend them.

819

01:19:16.400 --> 01:19:19.659

Cooper City Hall: and do we need any additional ones.

820

01:19:20.870 --> 01:19:26.669

Cooper City Hall: Well, good evening, Mayor Commissioners same, and your staff residents that are with us. Mayor. Good questions.

821

01:19:26.740 --> 01:19:35.380

Cooper City Hall: I do believe that it would be a prudent purchase. the question of why I did not bring it to the city manager and the Commission

822

01:19:35.450 --> 01:19:38.160

Cooper City Hall: besides Commissioner Schrodinger bringing it up

823

01:19:38.250 --> 01:19:57.309

Cooper City Hall: was because the original plan that I had proposed to this commission, which was, I believe, for a total of around 321,000 for all of the equipment was for equipment that was going to be, including locations assigned to fdot right away on polls that the city owns and maintains

824

01:19:57.320 --> 01:20:06.869

Cooper City Hall: Which we believe, because other areas in the State actually district 4 is the only area that has taken a different stance has allowed those types of insulations.

825

01:20:06.960 --> 01:20:10.440

Cooper City Hall: When f. was giving us a difficult

826

01:20:10.840 --> 01:20:23.500

Cooper City Hall: path forward on installing that we repurpose the equipment actually got better coverage for the city because we're able to redistribute those cameras. But then we lacked multi sensors for all of those intersections.

827

01:20:23.510 --> 01:20:37.450

Cooper City Hall: So my original intent was we were going to build out the real-time Crime center, which i'm excited to let you know is we're moving forward on that now and then, assess our blind spots, and once we saw our blind spots go to the same man with recommendations.

828

01:20:38.010 --> 01:20:42.960

Cooper City Hall: Commissioner Shrouder just was being, I guess, off for impatient.

829

01:20:43.060 --> 01:20:46.470

Cooper City Hall: Not you. I didn't use that word. But

830

01:20:46.940 --> 01:21:05.270

Cooper City Hall: But he he saw the common I think goal and objective what we would most likely recommend. I was just trying to assess once a real time cramped, and I was was up, but I do believe it's a

prudent purchase, and your thoughts on the amendment to include the intersection where the accident occurred.

831

01:21:05.600 --> 01:21:16.720

Cooper City Hall: So I by. I did speak with Commissioner Catsman today. He called me with a concern about the intersection. I know this entire commission has shared similar concerns with that location.

832

01:21:17.500 --> 01:21:30.279

Cooper City Hall: I agree that I think that it would be something that we can go out there and do a site visit to Assess. Whether I don't know if that's going to be CD property where there's going to be there right away, and that's some of those areas that I was

833

01:21:30.370 --> 01:21:49.770

Cooper City Hall: explain the pressure, Catherine that we would want to identify if the city has it right away there, and if so, if there's electric that we could tap into, and we'd want to kind of assess that i'm happy to do that footwork. I'm happy to also if we find out that it's the Cdd's property, and that there's no other way to accomplish it to go to the CD meetings and to

834

01:21:49.780 --> 01:22:06.089

Cooper City Hall: advocate, for I have attended with my staff CD meetings to advocate for Lpr's inside of their property they did purchase, and from which i'm very grateful for their support for them. but it is important to note that the ones that they did fund.

835

01:22:06.100 --> 01:22:11.669

Cooper City Hall: You cannot add these types of camera systems to them. It would have to be a dedicated power source, not solar.

836

01:22:12.750 --> 01:22:21.060

Cooper City Hall: And if we pass that tonight, and believe me, i'm i'm in favor of it. But it's not in the fiscal impact backup.

837

01:22:21.230 --> 01:22:28.880

Cooper City Hall: So we don't know. No, they're just going to find out what the prices right, if if that's what the motion is, and I don't have that my my

838

01:22:28.900 --> 01:22:38.060

Cooper City Hall: friendly was to assess the possibility we would have to come back with a price that's fine. I I have no difficulty with that. Anything else from anyone. I have the follow up to what he said.

839

01:22:39.540 --> 01:22:47.120

Cooper City Hall: Why would a license plate read or not be able to had it have a camera added on some room or solar, and it doesn't.

840

01:22:47.370 --> 01:22:53.590

Cooper City Hall: Oh, because it's a solar correct. So the solar powered license by readers.

841

01:22:53.670 --> 01:23:09.949

Cooper City Hall: are not able to maintain constant power to, but they're not recording all the time. They're just taking snap patches versus a camera which is always your You would need a dedicated power source in order to accomplish that. We only have one location for the cities. That would be a solar location.

842

01:23:09.960 --> 01:23:20.599

Cooper City Hall: but the CD. These ones that they purchase, which are the ones they should purchase are solar powered ones

843

01:23:20.830 --> 01:23:24.770

Cooper City Hall: a power source near there, or they would have not.

844

01:23:24.950 --> 01:23:30.650

Cooper City Hall: But a solar there logically, but it just costs a lot of it. And also there's the solar option as a much

845

01:23:30.740 --> 01:23:33.539

Cooper City Hall: cheaper option for Hoa communities.

846

01:23:34.000 --> 01:23:53.730

Cooper City Hall: Yeah, because so essentially to go into it, the what they purchase like an I 5 queue it's able to take photos of the license plates and upload in the system for speeds that are less than 45 miles per hour. Typically, when you're in an area and they h away. You have. You have you have lower speeds

847

01:23:53.740 --> 01:24:02.230

Cooper City Hall: private rows, so you would not need the high capacity cameras that we have installed elsewhere in the city where you're going to have speeds that are higher than that.

848

01:24:02.280 --> 01:24:19.359

Cooper City Hall: Okay, yeah, it's like it's like a hunting camera. It's the price difference. They're a lot cheaper, but you can only use them on like slow roads like we have one going into fling a West Park, but you couldn't do it on a bigger where the car is going by fast. But what's the price difference. So once the contract that Cdd entered into Commissioner Melody, I believe, was 8,000 per unit.

849

01:24:19.630 --> 01:24:21.399

Cooper City Hall: That's a price difference.

850

01:24:21.470 --> 01:24:24.210

Cooper City Hall: no. That was the total price on it

851

01:24:24.420 --> 01:24:36.949

Cooper City Hall: versus some of the installations that we're doing. You know. I've been \$2030,000 to trench the actual infrastructure. Oh, that's a big difference. Yes, ma'am, thank you.

852

01:24:38.380 --> 01:24:39.710

Cooper City Hall: Commissioner Melody.

853

01:24:39.780 --> 01:24:45.979

Cooper City Hall: Yes, Commissioner Catsman. Yes, Commissioner Commissioner Green. Yes, Mayor Ross. Yes.

854

01:24:46.170 --> 01:24:49.880

Cooper City Hall: moving on to. And this is really what I was looking at.

855

01:24:49.890 --> 01:25:19.839

Cooper City Hall: I got a funding source for this. Yeah, okay, we' item Number 7 Discussion: Possible action on Public safety impact fees to build up the city's emergency Operations center and adding a dedicated server for the emergency operations. Center and real-time Crime Center Commissioner Sharda: yeah. So basically a couple of things. Our eoc or City eoc is over at the police department, but it's on Dso. Service, so like. Say we had an issue. We can't go over there with our city laptops and get on. We have to try to Wi-fi in, or whatever

856

01:25:20.270 --> 01:25:21.670

Cooper City Hall: on that same

857

01:25:21.700 --> 01:25:23.940

Cooper City Hall: issue

858

01:25:24.440 --> 01:25:36.679

Cooper City Hall: the other real-time crime centers like Deerfield and Pomp, and I've said that their biggest issue is being on Bso. Server, because obviously, there's a lot of protective information, so their staff can't just add cameras or add people on.

859

01:25:36.750 --> 01:25:49.330

Cooper City Hall: and it's just a it's a lot more red tape because they're protecting obviously significant infrastructure. So I wanted to discuss using as a impact feed money that we have set aside for public safety.

860

01:25:49.520 --> 01:25:54.629

Cooper City Hall: that we currently have to put a a city server

861

01:25:54.650 --> 01:26:10.109

Cooper City Hall: over at the police department, where we'd run the real time crime center off of that and our eoc, so that if there was a hurricane or something, and we end up over there. We're we're on our own network versus having to remote into City Hall, which could be down, or whatever.

862

01:26:10.140 --> 01:26:15.950

Cooper City Hall: And my, you know i'm not asking for anything other than the the assessment of what what it would cost to do. That

863

01:26:16.120 --> 01:26:19.459

Cooper City Hall: and the funding source I would, I would propose is the

864

01:26:19.620 --> 01:26:23.489

Cooper City Hall: public safety impact fees which we currently have, I think.

865

01:26:23.530 --> 01:26:27.680

Cooper City Hall: maybe almost 170 or 100 to 100 5,170

866

01:26:28.150 --> 01:26:33.780

Cooper City Hall: \$1,000, and the preliminarily this might cost less than \$25,000 to do.

867

01:26:33.900 --> 01:26:46.639

Cooper City Hall: yes, actually the probably a lot less than that with us, if we're able to capitalize the wi-fi that we are currently already in the process of looking at in terms of Wi-fi and the bar

868

01:26:46.800 --> 01:26:58.840

Cooper City Hall: that is the most expensive part of this this process here, which is about \$17,000. But we're gonna do that anyway. If we move to the Wi-fi and the Park. So to add on the additional piece that the Commissioner is talking about

869

01:26:58.850 --> 01:27:08.449

Cooper City Hall: is what makes it goes up to the 25. So we're really on talking about a spread of, you know, 7 to \$8,000. So the reoccurring cost is having our own Internet. Into the police department.

870

01:27:08.550 --> 01:27:17.939

Cooper City Hall: And so the the thing we would want to look at is since we are looking at putting our our own Internet into Sue Ellen. Maybe there could be a reconfiguration where we're just putting it into

871

01:27:19.010 --> 01:27:24.339

Cooper City Hall: the police department, or you know whatever, and on the same thing. So we're not having to, you know, pay twice.

872

01:27:24.680 --> 01:27:32.639

Cooper City Hall: But essentially, if we had an issue and we had to go use our city eoc, we don't have Internet, we can't get on bs as servers.

873

01:27:32.790 --> 01:27:39.850

Cooper City Hall: our our public work staff and everything would have to basically use right now. They're paying for a a low speed Wi-fi connection

874

01:27:39.920 --> 01:27:41.730

Cooper City Hall: to be almost like a hotspot

875

01:27:42.070 --> 01:27:44.570

Cooper City Hall: to be able to get on. And

876

01:27:45.060 --> 01:27:48.479

Cooper City Hall: be like using your cell phone hotspot versus actually having

877

01:27:48.870 --> 01:28:05.460

Cooper City Hall: you know a and in that and the Wi-fi. That they're currently is not what we would consider to be a guarantee. Great. And so theoretically, you would be trying to tap into this in a time of some type of natural dis, you know disaster hurricane

878

01:28:05.660 --> 01:28:15.569

Cooper City Hall: that Wi-fi is there's no guarantee that it's going to be up and running. What we would be putting in would be a more heart and type of Wi-fi system that would be guaranteed

879

01:28:15.650 --> 01:28:18.030

Cooper City Hall: underneath those types of conditions as well.

880

01:28:19.450 --> 01:28:20.500

Cooper City Hall: Questions

881

01:28:22.100 --> 01:28:28.000

Cooper City Hall: Aaron. What the public safety impact fees! How much do we have in there now?

882

01:28:28.590 --> 01:28:36.200

Cooper City Hall: But there's a minimum of \$150,000 in there, and we're actually we're looking at that when we when we settle up this year

883

01:28:36.210 --> 01:28:53.030

Cooper City Hall: that, we're currently in that number is going to go up a little bit more as well. But As the Commissioner said, I would imagine at this point it's going to be between 150 and 170. That's sitting there in that account for this for this purposes. And you're asking for the assessment, because we don't know how much impact fees would be.

884

01:28:53.040 --> 01:29:01.610

Cooper City Hall: No, we have the money. I'm. Looking to see what it costs, but the build out right. That's what i'm what i'm referring to. So, chief, I would. Same questions, if you would please.

885

01:29:05.450 --> 01:29:09.690

Cooper City Hall: Well, why didn't he bring it to you? Right? He didn't find the money like I found the money.

886

01:29:11.460 --> 01:29:14.789

Cooper City Hall: Good Evening Mayor, commissioner, city manager, staff presenter with us

887

01:29:15.010 --> 01:29:27.630

Cooper City Hall: Mayor

888

01:29:27.670 --> 01:29:34.460

Cooper City Hall: to run its Rtcc. And or potentially it's Ellc. Would be a a good idea.

889

01:29:34.570 --> 01:29:47.620

Cooper City Hall: I have spoken to other police departments and districts that have a real time crime Center and i've tried to as we work to build out the best real-time Crime Center in the county for the city

890

01:29:47.640 --> 01:29:56.350

Cooper City Hall: to learn from their experiences. I've asked them if you could do it all over again, what would you do differently in hindsight? Right? And so one

891

01:29:56.410 --> 01:30:07.919

Cooper City Hall: resounding recommendation was, they wish they had a separate dedicated server that was not tied down to firewalls and other types of traffic.

892

01:30:07.990 --> 01:30:11.660

Cooper City Hall: So I think it's a prudent purchase. As for

893

01:30:11.670 --> 01:30:32.499

Cooper City Hall: why this was a recommendation I did not bring forward to you. and it would be the same answer as before. my my golden objective was to build out the real-time crime center assess our blind spots and in holistically, and then bring back a recommendation to the city manager of all of our blind spots.

894

01:30:32.510 --> 01:30:50.039

Cooper City Hall: and then see if there was a path forward for that Commissioner Shrouder is very passionate about public safety, and I I think he used the word I won't put words in his mouth, but I think he got ahead of me on what my objective was, but I do support the concept.

895

01:30:50.050 --> 01:30:55.150

Cooper City Hall: I guess I just don't want to be premature. Do it, and then come back and say

896

01:30:55.450 --> 01:31:01.450

Cooper City Hall: when we are asked by another city, hey, what would have you done in hindsight? I don't want to say we should have waited.

897

01:31:03.240 --> 01:31:04.320

Cooper City Hall: Should we wait?

898

01:31:06.480 --> 01:31:09.260

Cooper City Hall: I don't think there is a harm. And

899

01:31:09.510 --> 01:31:12.089

Cooper City Hall: I think this is a minimal cost.

900

01:31:12.260 --> 01:31:16.839

Cooper City Hall: This is probably more minimal than the last item we just discussed.

901

01:31:16.870 --> 01:31:28.129

Cooper City Hall: I'm not an IT expert, but I believe Mr. Ern has spoken to Kobe, who is the city's IT expert, and the cost was probably a third of the cost of the last agenda item.

902

01:31:28.500 --> 01:31:46.119

Cooper City Hall: A. And the major cost is the reoccurring one, so it's not like we could just turn off the Internet. If we don't, if it works out like it's just there's no point. We're just stop paying for it, and every month and go back to the Bs away. So we're not the upfront cost. The actual physical equipment is very, is not a lot.

903

01:31:46.130 --> 01:31:51.659

Cooper City Hall: and the reality is the reason why he didn't probably bring it forward is because he's probably conscientious of

904

01:31:51.960 --> 01:31:52.980

Cooper City Hall: of our money.

905

01:31:53.140 --> 01:31:54.120

Cooper City Hall: and

906

01:31:54.580 --> 01:31:57.530

Cooper City Hall: you know I don't know that he, you know. So

907

01:31:57.830 --> 01:32:00.199

Cooper City Hall: naturally I found

908

01:32:01.360 --> 01:32:07.280

Cooper City Hall: what I believe was some funds we could use, and we have to. Only we can only use that money on public safety. So

909

01:32:07.590 --> 01:32:09.080

Cooper City Hall: is impact fee. So

910

01:32:09.980 --> 01:32:10.740

Cooper City Hall: okay.

911

01:32:11.030 --> 01:32:14.779

Cooper City Hall: and he's correct. I am conscience of the finance.

912

01:32:15.440 --> 01:32:23.989

Cooper City Hall: but but it's always you come up here with, you know, wonderful ideas, and i'm getting wonderful ideas from the Creator. I'm saying.

913

01:32:24.160 --> 01:32:27.640

Cooper City Hall: don't say that in front of a cop

914

01:32:28.700 --> 01:32:31.139

Cooper City Hall: anything further from the Commission

915

01:32:31.170 --> 01:32:32.029

Cooper City Hall: call work.

916

01:32:32.600 --> 01:32:34.909

Cooper City Hall: Wait, we didn't. Have we didn't?

917

01:32:35.020 --> 01:32:36.830

Cooper City Hall: Yes, we're in discussion.

918

01:32:37.000 --> 01:32:42.309

Cooper City Hall: We did not have a motion. so do I have a consensus, and to go ahead, and

919

01:32:42.570 --> 01:32:44.420

Cooper City Hall: I see the head shaking.

920

01:32:44.450 --> 01:32:45.690

Cooper City Hall: You have direction.

921

01:32:45.860 --> 01:32:47.230

Cooper City Hall: Thank you very much.

922

01:32:47.350 --> 01:32:52.779

Cooper City Hall: Moving on time. Number 8. Motion to proof switching to fiber Internet for the city's new cameras. Commissioner Schrodinger.

923

01:32:52.960 --> 01:33:01.119

Cooper City Hall: I think that one came on. Oh, okay, wow, I'm reading. Yeah, that that turned out to be kind of a merger of the other one. Okay, not a problem, not a problem

924

01:33:01.530 --> 01:33:20.349

Cooper City Hall: discussion and possible action to direct city attorney's office, to draft an ordinance providing for the provision of feeding wild animals within the city, including, but not limited to feral and or straight cats and or ducks. I just had a backslash, so you know, no indoors.

925

01:33:21.900 --> 01:33:30.959

Cooper City Hall: Okay. So I brought this for a multitude of reason, so not to stop you from feeding the cat in your in your yard, not in any way, shape or form.

926

01:33:31.400 --> 01:33:33.900

Cooper City Hall: This is not one

927

01:33:33.970 --> 01:33:35.380

Cooper City Hall: one house.

928

01:33:35.400 --> 01:33:40.410

Cooper City Hall: This is not a current problem. This has been a problem

929

01:33:40.490 --> 01:33:42.200

Cooper City Hall: for years.

930

01:33:42.400 --> 01:33:45.059

Cooper City Hall: and that in and of itself

931

01:33:45.340 --> 01:33:46.559

Cooper City Hall: is the problem.

932

01:33:46.600 --> 01:33:52.209

Cooper City Hall: But I have. Since this has been publicized people. Have. You're doing this?

933

01:33:52.280 --> 01:33:58.800

Cooper City Hall: So let me get some things out on the record, so that you all know. I understand trap release neuter

934

01:33:58.850 --> 01:34:01.119

Cooper City Hall: totally 100%

935

01:34:01.220 --> 01:34:03.180

Cooper City Hall: for it. Love it.

936

01:34:03.850 --> 01:34:11.080

Cooper City Hall: Problem with trap release. Neuter, in some instances, is it works if

937

01:34:11.780 --> 01:34:14.729

Cooper City Hall: the person allows you

938

01:34:15.250 --> 01:34:19.799

Cooper City Hall: to take the animals. Some people do not.

939

01:34:20.140 --> 01:34:22.929

Cooper City Hall: So you have people that are responsible.

940

01:34:23.010 --> 01:34:30.150

Cooper City Hall: that that for the colonies you have people. There are some people that are awesome, that care for cat colonies.

941

01:34:30.210 --> 01:34:37.610

Cooper City Hall: and they do. They trap them. There's a program in Broward County that will spay neuter for free.

942

01:34:37.670 --> 01:34:40.329

Cooper City Hall: You have to get the animals to them.

943

01:34:40.810 --> 01:34:42.509

Cooper City Hall: They will take care of.

944

01:34:42.980 --> 01:34:55.599

Cooper City Hall: They're reproducing parts. Give them their shots, and they will return them. And the theory behind that is, if everybody is fixed, then the colony will eventually just dissipate.

945

01:34:55.670 --> 01:35:01.000

Cooper City Hall: Unfortunately, people see a colony. More cats tend to get dumped there, etc.

946

01:35:01.250 --> 01:35:07.219

Cooper City Hall: But in theory that does work. The problem is, you have people

947

01:35:07.540 --> 01:35:09.519

Cooper City Hall: that don't want

948

01:35:09.910 --> 01:35:15.440

Cooper City Hall: their kittens and their cats to be trapped or neutered.

949

01:35:15.690 --> 01:35:18.020

Cooper City Hall: Those are the people that are not

950

01:35:18.240 --> 01:35:23.210

Cooper City Hall: that that we're trying to target, because those are the people that are causing an issue.

951

01:35:23.850 --> 01:35:38.430

Cooper City Hall: It's not just one street. It's not just one P. One person I will tell you as far as i'll take it. I'll take 2 prongs ducks. There's a person in Rock Creek that feeds ducks. There's no grass.

952

01:35:38.470 --> 01:35:46.550

Cooper City Hall: There's duck poop everywhere. There's a person off of 1 18 that sorry for touching it. I'm Italian that feeds ducks.

953

01:35:47.140 --> 01:35:57.500

Cooper City Hall: issues like ducks are getting hit left and right leaving food out neighbors are not coming to blows. But there's there's major issues over there

954

01:35:57.520 --> 01:36:01.789

Cooper City Hall: Rock Creek. I did. I already say that creek. Sorry

955

01:36:02.610 --> 01:36:04.860

Cooper City Hall: Embassy cats

956

01:36:04.950 --> 01:36:17.339

Cooper City Hall: huge area. There's a woman a person that feeds cats over an embassy, and she's got like 20 cats, and the neighbors are up in arms over there

957

01:36:17.380 --> 01:36:22.190

Cooper City Hall: just to name a few. This person 40 ninth cats, ducks, timberlake.

958

01:36:22.220 --> 01:36:25.590

Cooper City Hall: ducks summertime.

959

01:36:26.410 --> 01:36:44.490

Cooper City Hall: So there's cats and ducks. Apparently there was also a rabbit issue. Those gravity issues. We like our rabbits. We like our rabbits, so it's not the person that's even though you're not

supposed to feed bread to ducks because it kills them. It's not the person, because I actually have a very good friend of mine that I've known since the Mom's club.

960

01:36:44.500 --> 01:36:48.509

Cooper City Hall: She has her husband. Call me you. We Lisa. We have 2 feral cats.

961

01:36:49.530 --> 01:36:56.390

Cooper City Hall: We we take them well that they don't. They don't. They're not. They don't touch them because they're feral. They don't want to be touched, but they put food out.

962

01:36:56.460 --> 01:37:00.760

Cooper City Hall: The cats come. The cats know when the food comes they feed them.

963

01:37:00.830 --> 01:37:02.540

Cooper City Hall: and then the food gets put away.

964

01:37:02.580 --> 01:37:04.670

Cooper City Hall: That is not a problem.

965

01:37:04.690 --> 01:37:20.549

Cooper City Hall: The problem is, and they and the cat, those cats actually have a litter box. The problem is, the people that are not cleaning up the poop. The people that are leaving food out, the people that are allowing the ducks and the cats

966

01:37:20.560 --> 01:37:27.300

Cooper City Hall: to Rome, to reproduce, to poop everywhere, to cause other

967

01:37:27.370 --> 01:37:29.220

Cooper City Hall: entities to get sick.

968

01:37:29.580 --> 01:37:32.889

Cooper City Hall: If you look at some of the backup that I had.

969

01:37:33.650 --> 01:37:38.770

Cooper City Hall: They're asking for to to provide shelters for these animals because of heat.

970

01:37:39.020 --> 01:37:44.890

Cooper City Hall: and back up that I didn't have, because there's a ton of backup out there. One cat

971

01:37:45.110 --> 01:37:47.380

Cooper City Hall: can kill a 100 birds a year.

972

01:37:47.640 --> 01:38:06.740

Cooper City Hall: which I had no idea, and cats are very odd in the fact that, and I. I used to have cats until my children decided that they were never going to clean a litter box, and then, once those cats passed away, I swore i'd never get another cat because i'm done cleaning litter boxes. That's besides the point. I do love them just now. I love them from afar.

973

01:38:06.840 --> 01:38:07.580

Cooper City Hall: but

974

01:38:07.610 --> 01:38:19.290

Cooper City Hall: Cats don't kill to eat. Cats kill because it's just they like to play with these things, and I don't think they mean it. It's just they just kill. So it's it's things like that.

975

01:38:19.310 --> 01:38:24.499

Cooper City Hall: If you go to the areas with the cap population you will see that there are

976

01:38:24.580 --> 01:38:31.560

Cooper City Hall: enormous amount of rats. You will see that there are dead animals, you will see an increased

977

01:38:31.760 --> 01:38:35.849

Cooper City Hall: a number of dead birds. You will see raccoons.

978

01:38:36.260 --> 01:38:43.349

Cooper City Hall: The people that live there are now dealing with that the the gentleman that spoke he lives like 2 blocks from my house

979

01:38:43.790 --> 01:38:45.019

Cooper City Hall: across

980

01:38:45.260 --> 01:38:52.080

Cooper City Hall: on the next block. People are finding cats in their cars that are from that colony.

981

01:38:52.290 --> 01:39:03.379

Cooper City Hall: They're causing damage in cars, dead cats in the road that the kids are now finding. Kids are hysterical, etc. So what this is trying to do

982

01:39:03.670 --> 01:39:17.999

Cooper City Hall: is to when you call code. Code has no resource that they can fall back on to say, hey, you need to pick up that food, hey? You need to clean up the duck poop. You can't do this

983

01:39:18.310 --> 01:39:25.410

Cooper City Hall: because there's nothing out there in our code. So what code is trying to do is, or what we are trying to do is

984

01:39:25.490 --> 01:39:31.730

Cooper City Hall: create something that way when the people get out of control, which unfortunately, they are.

985

01:39:32.140 --> 01:39:37.379

Cooper City Hall: And again this has been going on for 10 years, so it's not something that's just happening

986

01:39:37.620 --> 01:39:42.799

Cooper City Hall: now. Code has an arm that can say, this needs to end.

987

01:39:42.900 --> 01:39:54.960

Cooper City Hall: and we're going to make sure that the food, if it's going to go out, it's going to go out from, you know, 5 to 6. Then the food gets brought in the duck poop has to end Something's got to get done

988

01:39:55.560 --> 01:39:56.650

Cooper City Hall: to where

989

01:39:56.920 --> 01:40:05.149

Cooper City Hall: it's not creating a hazard to the neighbors. We I don't want to see a kid get sick. I don't want to see a dog get sick. I don't want to see anyone get sick.

990

01:40:05.360 --> 01:40:10.740

Cooper City Hall: I don't want to see animals, because I will tell you the animals that are in these environments.

991

01:40:10.830 --> 01:40:29.640

Cooper City Hall: It's not healthy for them they are. I had one person come to me to tell me that they had taken a kitten, because these cats are reproducing as far as the cats the cats are reproducing, and the kittens are feline leukemia.

992

01:40:30.900 --> 01:40:33.589

Cooper City Hall: They're not healthy. They're in greeting.

993

01:40:34.740 --> 01:40:38.249

Cooper City Hall: so it's not a healthy environment for the animals.

994

01:40:38.530 --> 01:40:51.019

Cooper City Hall: and the ducks are not healthy as well. And then also let's also take into account in one of the the photos that I put in there that maybe 3 or 4 months ago they had a rabies alert.

995

01:40:51.510 --> 01:40:53.430

Cooper City Hall: and it's in

996

01:40:53.840 --> 01:40:57.039

Cooper City Hall: 2, 3 blocks from my house.

997

01:40:57.440 --> 01:41:00.689

Cooper City Hall: So it's. Ha! It happens it's here

998

01:41:00.990 --> 01:41:08.619

Cooper City Hall: we want to avoid that. Do I want a cat getting near a duck, and you know the duck pooping, and then the

999

01:41:08.810 --> 01:41:12.269

Cooper City Hall: I want to avoid that. We do have to define

1000

01:41:12.310 --> 01:41:17.210

Cooper City Hall: things. So that's why I need to see if my commission members agree with me.

1001

01:41:18.260 --> 01:41:20.400

Cooper City Hall: and we'll take you from there.

1002

01:41:20.420 --> 01:41:21.380

Cooper City Hall: How did I do

1003

01:41:22.100 --> 01:41:24.399

Cooper City Hall: way over time? But

1004

01:41:24.700 --> 01:41:27.429

Cooper City Hall: you that because of your item.

1005

01:41:28.870 --> 01:41:31.400

Cooper City Hall: Yep, I won't go over time.

1006

01:41:31.610 --> 01:41:35.970

Cooper City Hall: I am going to support this. I think this an ordinance is long overdue.

1007

01:41:36.020 --> 01:41:50.759

Cooper City Hall: and it's not it in. I know that we have responsible citizens here in our community, but I know that we have. It seems like we may have far more irresponsible citizens in our community than we'd like.

1008

01:41:51.020 --> 01:41:53.200

Cooper City Hall: Maybe we'd like to believe that we do.

1009

01:41:53.230 --> 01:41:58.120

Cooper City Hall: It is a problem. It has been a problem with the feeding of the

1010

01:41:58.460 --> 01:41:59.599

Cooper City Hall: of the ducks

1011

01:42:00.310 --> 01:42:08.020

Cooper City Hall: of the I. I know that in Rock Creek I know Commissioner Melosi had alluded to it. There are stray Faro cats

1012

01:42:10.050 --> 01:42:15.859

Cooper City Hall: that are going in and out of Rock Creek. the ducks are everywhere.

1013

01:42:16.180 --> 01:42:19.880

Cooper City Hall: and I and I hear I hear your concerns

1014

01:42:19.930 --> 01:42:22.360

Cooper City Hall: so I am going to be supporting

1015

01:42:24.010 --> 01:42:42.820

Cooper City Hall: in an ordinance. Coming back to the city, i'll give an example. We have an an issue in in our in my hoa! We've had an individual that has been feeding the ducks, and I and he educated me. He says, you don't, you're not supposed, and I and I told this gentleman like, hey, you really shouldn't be feeding the ducks.

1016

01:42:43.540 --> 01:42:45.820

Cooper City Hall: and I got cursed from a to z

1017

01:42:46.510 --> 01:42:49.419

Cooper City Hall: on. Why, he believes that is his right

1018

01:42:49.520 --> 01:42:54.819

Cooper City Hall: to feed the ducks. Now forget that the ducks have destroyed the common area

1019

01:42:54.880 --> 01:42:59.560

Cooper City Hall: and the Hoa. My fees are going to have to replace it, and has replaced

1020

01:42:59.610 --> 01:43:05.869

Cooper City Hall: my fees along with all of the other residents that live in this community has had to replace that

1021

01:43:07.410 --> 01:43:14.549

Cooper City Hall: and to approach someone to say, hey? Look! You know what you're doing our entire community a disservice by doing this

1022

01:43:14.770 --> 01:43:25.919

Cooper City Hall: and to be met with the you know. Unfortunately, with the vitro, I don't think it's fair to to residents. and I hear you and I am going to support this

1023

01:43:26.020 --> 01:43:28.499

Cooper City Hall: as the mayor had alluded to earlier.

1024

01:43:29.040 --> 01:43:32.459

Cooper City Hall: You know. I think it's going to be very difficult

1025

01:43:32.600 --> 01:43:35.810

Cooper City Hall: to define what excessive is

1026

01:43:36.040 --> 01:43:46.190

Cooper City Hall: right, because one person's excessive feeding may be someone else, as you know what that's just how it is. you know I would support

1027

01:43:46.540 --> 01:43:50.369

Cooper City Hall: if you if we're going to do an ordinance, you don't feed, You don't feed them period.

1028

01:43:52.590 --> 01:43:53.740

Cooper City Hall: And then.

1029

01:43:54.310 --> 01:43:57.609

Cooper City Hall: at the at the very least, we have an ordinance in place.

1030

01:43:57.880 --> 01:44:00.690

Cooper City Hall: We do understand that there are going to be people.

1031

01:44:00.940 --> 01:44:04.160

Cooper City Hall: There may be small children that feed the ducks in.

1032

01:44:05.070 --> 01:44:07.800

Cooper City Hall: You're never going to be able to police all of that.

1033

01:44:07.890 --> 01:44:12.329

Cooper City Hall: But if you have yeah, that's not the intent. But if you have something in place

1034

01:44:12.690 --> 01:44:19.929

Cooper City Hall: that people know that it's a problem, and I believe that it that we need to do something. That's all. I have. Mayor. Thank you, Commissioner.

1035

01:44:20.980 --> 01:44:27.349

Cooper City Hall: Yeah, I I I see both sides. I mean, I don't support a a ban on feeding wildlife outright. I think

1036

01:44:27.400 --> 01:44:28.360

Cooper City Hall: if I

1037

01:44:28.980 --> 01:44:36.329

Cooper City Hall: try to listen to everyone. What the real issue is is a prohibition on feeding

1038

01:44:36.490 --> 01:44:38.090

Cooper City Hall: wild animals

1039

01:44:38.210 --> 01:44:40.750

Cooper City Hall: to the point where it's creating a new sense. So

1040

01:44:40.780 --> 01:44:54.279

Cooper City Hall: and you know that was what I was looking at. Is it public service, you know, for example, feeding a neighborhood cat? I I don't think that that creates a nuisance at the county. The county has an organs already. They have an ordinance to discuss cat colonies

1041

01:44:54.290 --> 01:45:11.040

Cooper City Hall: and and have the feet. You know your feeder needs to be where it's. Only you know, 1 one meal or one portion, and all this, and I live with male gardens. We have. We have rabbits, and I think the neighborhood loves the rabbits, and and somebody feeds them, and it's great, You know. We take the kids by to see them.

1042

01:45:11.470 --> 01:45:20.139

Cooper City Hall: But then again, I had one of those Canadian geese that landed on my neighbor's roof, and I was gonna, you know, shoot it because it makes noises every morning.

1043

01:45:20.240 --> 01:45:35.939

Cooper City Hall: and and it like, you know, they and we also had those were those things we had over attack on the cars, the peacocks that were damaging the course. So I I think really what the issue. We should try to very be very limited.

1044

01:45:35.950 --> 01:45:40.350

Cooper City Hall: and we should say you're not allowed to feed wild animals.

1045

01:45:40.440 --> 01:45:43.810

Cooper City Hall: where it creates a nuisance, and then we should define nuisance as

1046

01:45:43.870 --> 01:45:57.499

Cooper City Hall: situation where the congregation of so many animals is resulting in the death or resulting in you know, amounts of feces, or whatever it was. You just spend some time and really narrow

1047

01:45:57.520 --> 01:45:59.820

Cooper City Hall: what the definition of that nuisance is.

1048

01:45:59.950 --> 01:46:17.000

Cooper City Hall: so that in this situation they have, which I don't think's appropriate someone shoveling food, and they got a 100, you know a gathering of 100 ducks that's not appropriate, but the you know the couple over here feeds the the neighbored cat that is appropriate in my opinion, and the gentleman who catches and and spades and neuters that's

1049

01:46:17.010 --> 01:46:20.340

Cooper City Hall: that's definitely appropriate, and the county addresses that with the cat colonies.

1050

01:46:20.490 --> 01:46:22.549

Cooper City Hall: So it's just

1051

01:46:23.010 --> 01:46:28.809

Cooper City Hall: we. Just, I think we have to prohibit the nuisance feeding of animals, and we have to define it very well.

1052

01:46:29.280 --> 01:46:31.130

Cooper City Hall: I think it's going to be the

1053

01:46:31.150 --> 01:46:34.190

Cooper City Hall: the issue and the Difficulty Commission catch me.

1054

01:46:35.990 --> 01:46:39.969

Cooper City Hall: I think my colleagues said a lot of the things that I was thinking, which is

1055

01:46:40.020 --> 01:46:44.420

Cooper City Hall: good to hear that we're on the same page. I didn't want to say this miswitting.

1056

01:46:44.520 --> 01:46:45.519

Cooper City Hall: They say it right

1057

01:46:45.870 --> 01:47:00.110

Cooper City Hall: whiting I'm really sorry about your son and i'm glad he's doing. Okay now. And the
These are the situations we're trying to avoid. Are these outlying issues without it becoming? You know

1058

01:47:00.320 --> 01:47:02.769

what Commissioner Shrouder said, where where these

1059

01:47:02.790 --> 01:47:04.099

folks have neighborhood

1060

01:47:04.600 --> 01:47:15.050

Cooper City Hall: pets. Basically I was also researching the Broward County code. I was corresponding with our city attorney about a little bit as well. they do have a section 426

1061

01:47:15.170 --> 01:47:23.820

Cooper City Hall: ownership of wild animals is prohibited, and it says no person shall own or harbor any wild animal as a PET without the appropriate state permits.

1062

01:47:23.960 --> 01:47:26.989

Cooper City Hall: provided for Yadda yadda

1063

01:47:27.530 --> 01:47:29.380

Cooper City Hall: So I think that could

1064

01:47:29.700 --> 01:47:36.509

Cooper City Hall: partially cover what we're looking to do, because harboring would be considered feeding and and for it to be coming back

1065

01:47:37.850 --> 01:47:39.320

Cooper City Hall: home, if you will.

1066

01:47:39.440 --> 01:47:44.059

Cooper City Hall: and in Broward County could enforce that now.

1067

01:47:45.490 --> 01:47:50.029

Cooper City Hall: it doesn't work.

1068

01:47:50.330 --> 01:48:00.390

Cooper City Hall: I so okay. So if that doesn't work I would be comfortable with a very narrow and specific

1069

01:48:00.490 --> 01:48:18.100

Cooper City Hall: ordinance related to new sense the large proportions of nu nuisance. And I guess we we have a great city city attorney who we can ask to come up with something. but I just want to be very clear to the residents in the room, all watching this, hearing about this, that we're not looking to

1070

01:48:18.110 --> 01:48:22.779

Cooper City Hall: in any way, shape or form. Prevent people from having a cat that

1071

01:48:22.960 --> 01:48:30.089

Cooper City Hall: you know One or 2 cats that live outside that come to your home for a daily meal. is totally appropriate, and we're not looking to prevent that.

1072

01:48:30.290 --> 01:48:34.519

Cooper City Hall: We're preventing the health hazards that that folks here are describing. So thank you

1073

01:48:35.650 --> 01:48:36.690

Cooper City Hall: initially.

1074

01:48:36.950 --> 01:48:39.359

Cooper City Hall: Let me say I want to compliment

1075

01:48:39.540 --> 01:48:40.569

Cooper City Hall: all of you

1076

01:48:41.140 --> 01:48:42.719

Cooper City Hall: for your efforts.

1077

01:48:42.990 --> 01:48:51.449

Cooper City Hall: More so for talking and communicating with the individual, trying to rectify this issue.

1078

01:48:51.470 --> 01:48:52.500

Cooper City Hall: because

1079

01:48:52.580 --> 01:48:54.929

Cooper City Hall: unless we communicate, we're not going to get it rectified.

1080

01:48:55.230 --> 01:49:05.760

Cooper City Hall: we can make this ordinance. It's not to be a hill of beans not going to make any difference, because, candidly, a a. As an attorney, and as good as Jacob is

1081

01:49:05.770 --> 01:49:16.529

Cooper City Hall: it's going to be mighty difficult, because let me argue both sides, if you will, and and I really can. And you've heard me say this before it. It depends, and I can argue both sides, and

1082

01:49:16.810 --> 01:49:17.889

Cooper City Hall: candidly.

1083

01:49:17.940 --> 01:49:28.540

Cooper City Hall: Doing. This punishes good-hearted people who want to go out and take care of the animals. Why did we do this because we encroached on their territory? We built

1084

01:49:28.900 --> 01:49:31.709

Cooper City Hall: all around, and now they are looking

1085

01:49:31.730 --> 01:49:33.689

Cooper City Hall: where they can forge for food.

1086

01:49:33.830 --> 01:49:36.610

Cooper City Hall: It's not their fault. It's us.

1087

01:49:37.040 --> 01:49:37.900

Cooper City Hall: So

1088

01:49:38.000 --> 01:49:42.790

Cooper City Hall: now we we recognize we are the problem. Let's rectify it. I'll feed them.

1089

01:49:43.180 --> 01:49:44.600

Cooper City Hall: Some people overdo it.

1090

01:49:45.240 --> 01:49:46.080

Cooper City Hall: and

1091

01:49:46.280 --> 01:49:51.390

Cooper City Hall: and here's the issue. I'm sure you're not opposed to all 100 ducks

1092

01:49:51.600 --> 01:49:52.980

Cooper City Hall: getting fed.

1093

01:49:53.210 --> 01:49:54.800

Cooper City Hall: It's the manner.

1094

01:49:54.950 --> 01:49:57.429

Cooper City Hall: and I don't want to 100 at one time

1095

01:49:58.340 --> 01:49:59.760

Cooper City Hall: if they fed them

1096

01:50:00.500 --> 01:50:04.569

Cooper City Hall: on a staggered basis terrific. But that's not life.

1097

01:50:05.000 --> 01:50:06.560

Cooper City Hall: That's not how it's done.

1098

01:50:06.600 --> 01:50:09.940

Cooper City Hall: So now we have to determine. It's one shovel too much.

1099

01:50:10.950 --> 01:50:12.839

Cooper City Hall: Well, who's going to determine that?

1100

01:50:12.860 --> 01:50:17.140

Cooper City Hall: And is one shovel too much at that point in time.

1101

01:50:17.480 --> 01:50:21.199

Cooper City Hall: meaning there can only be 50 ducks, and one trouble is too much.

1102

01:50:21.440 --> 01:50:24.419

Cooper City Hall: But if there are 101 shovel is exactly right.

1103

01:50:25.180 --> 01:50:26.260

Cooper City Hall: So

1104

01:50:26.350 --> 01:50:30.800

Cooper City Hall: now we're looking, and and I I wonder, chief, your night tonight.

1105

01:50:32.790 --> 01:50:41.989

Cooper City Hall: you know. Have we looked at this from a public nuisance aspect, because it's and and Commissioner, that's what I was looking at of.

1106

01:50:42.410 --> 01:50:49.129

Cooper City Hall: I understand we don't have an ordinance, and where you you come out there and say I can't enforce anything. What about a public nuisance?

1107

01:50:50.020 --> 01:51:04.369

Cooper City Hall: Good evening again I Mayor. So i'm intrigued by the conversation. I think there seems to be consensus on that concept. I think that that may be a a way that can be approached by looking at it from a public nuisance standpoint

1108

01:51:04.440 --> 01:51:10.699

Cooper City Hall: defining that is going to be, I think, the challenge of Mr. Horowitz and myself and our teams.

1109

01:51:10.740 --> 01:51:25.639

Cooper City Hall: but I think that we could probably look for some examples to see how we can do that whenever it comes to code enforcement, you know it's important to to remember for the public that and for us to actually enforce it. We're going to need to, be there present and to witness it.

1110

01:51:25.650 --> 01:51:44.909

Cooper City Hall: it's kind of like the the dog and the dog Park, or the the feces that's not picked up in the park. but it doesn't mean that it's impossible. It just may become a little bit more difficult. but that's okay. We can work through that. And i'm sure we can work to define something that will satisfy the consensus at the dais.

1111

01:51:44.920 --> 01:51:49.560

Cooper City Hall: I I appreciate that, and and concomitantly. I I need to say that

1112

01:51:49.620 --> 01:51:52.329

Cooper City Hall: one ordinance cannot fit all

1113

01:51:52.370 --> 01:52:01.189

Cooper City Hall: meaning. We can address ducks in one. We can, if address thorough cats in another, because we cannot do it all in one.

1114

01:52:01.290 --> 01:52:11.739

Cooper City Hall: Yeah, you could certainly say, and i'm off the cuff. No one's feeding of invasive species. Maybe I don't know if the ducks invasive

1115

01:52:12.020 --> 01:52:24.040

Cooper City Hall: and the the ducks, and and you know sometimes you have to. You know how they got Al Capone on tax evasion. So now let's take a look at what is the problem? Problem is the feeding.

1116

01:52:24.880 --> 01:52:31.750

Cooper City Hall: Let's get the ducks on public nuisance when they all come out at 5 in the morning and wake everybody up because they congregate.

1117

01:52:32.690 --> 01:52:33.980

Cooper City Hall: Well, we can't

1118

01:52:34.260 --> 01:52:35.620

Cooper City Hall: unfortunately

1119

01:52:35.960 --> 01:52:39.240

Cooper City Hall: file against the ducks, but if they're on

1120

01:52:39.360 --> 01:52:44.029

Cooper City Hall: private property and they're drawn there because of the food.

1121

01:52:44.240 --> 01:52:46.490

Cooper City Hall: then we have a good case.

1122

01:52:46.730 --> 01:52:58.999

Cooper City Hall: so I think the good point to that mayor is that historically I can think of one such example. on the west side of the city that's come forward where a particular individual feeds the miscovi ducks

1123

01:52:59.010 --> 01:53:09.280

Cooper City Hall: where they conjugate on the roadway and actually create a traffic hazard. I think we can actually articulate that as being some type of nuisance that we could address.

1124

01:53:10.450 --> 01:53:12.130

Cooper City Hall: I I appreciate it.

1125

01:53:12.620 --> 01:53:24.649

Cooper City Hall: Thank you. Yeah, I think the nuisance to start with would be related to one health with the feces or 2. Maybe the actual animals getting, you know, killed because there's a bunch running across, or whatever.

1126

01:53:25.300 --> 01:53:35.059

Cooper City Hall: and maybe we could just baby steps. Well, I mean, if it's happening over and over, and my question. But Why? Because people have called code

1127

01:53:35.350 --> 01:53:37.790

Cooper City Hall: repeatedly over the years

1128

01:53:38.210 --> 01:53:43.189

Cooper City Hall: and it that's never happened. So why, historically, has

1129

01:53:43.360 --> 01:54:03.940

Cooper City Hall: I the nuisance? Never? No, it's not now not illegal we're talking about, Commissioner Molosi to actually define a nuisance where we could enforce. Oh, I see. So you want us to define nuisance and use that use it that way. Oh, okay. So i'm having a moment, and I could have made mistaken. But I think, Commissioner Melody, that's where you were trying to go. I just want to make it so that way. We don't have it. Okay, then i'm good

1130

01:54:03.950 --> 01:54:33.359

Cooper City Hall: like right. Now the State law on nuisances and have anything with animals. It's it's so many calls to a house, and different things like that. So we would like a kind of an animal nuisance, and If I may just add, Mayor Commission, we do have a nuisance ordinance currently in our code, but it speaks primarily to overgrowth and situations that draw in vermin and rodents. I don't know that it would fit squarely within the discussion this evening, but we'll certainly look at that to see whether there are any tools currently in our code that might away some benefit to this discussion.

1131

01:54:33.550 --> 01:54:43.119

Cooper City Hall: I'm seeing, shaking the page. Yes, okay, we will. We will draft an ordinance back to the next meeting in January.

1132

01:54:43.890 --> 01:54:46.219

Cooper City Hall: moving on to

1133

01:54:47.820 --> 01:54:48.940

Cooper City Hall: item number

1134

01:54:50.290 --> 01:54:55.049

Cooper City Hall: No? Well actually discussion and possible action. No excuse me

1135

01:54:55.440 --> 01:55:01.119

Cooper City Hall: discussion and possible action regarding access to gated communities by non essential personnel

1136

01:55:01.620 --> 01:55:02.860

Cooper City Hall: commission melody.

1137

01:55:03.430 --> 01:55:07.870

Cooper City Hall: Okay, so not to make enemies. Don't hate me.

1138

01:55:10.270 --> 01:55:11.800

Cooper City Hall: There is.

1139

01:55:12.900 --> 01:55:20.180

Cooper City Hall: I had to several people while out campaigning that did ask me about this, Believe it or not. So

1140

01:55:20.430 --> 01:55:22.230

Cooper City Hall: people are confused.

1141

01:55:23.210 --> 01:55:27.929

Cooper City Hall: And then I also have some issues in reference to

1142

01:55:28.420 --> 01:55:32.069

Cooper City Hall: Okay. I'm: trying to figure out how to phrase this nicely. So there's 2 things.

1143

01:55:33.210 --> 01:55:37.630

Cooper City Hall: one in reference to essential and non-essential. So

1144

01:55:38.380 --> 01:55:39.540

Cooper City Hall: I know that

1145

01:55:39.800 --> 01:55:47.840

Cooper City Hall: when I got elected they. I was asked if I wanted a clicker, and I I turned it down, because if I need access I can very easily

1146

01:55:47.860 --> 01:55:48.800

Cooper City Hall: ask

1147

01:55:49.080 --> 01:55:55.589

Cooper City Hall: any of the gated communities to let me in, because the resident wants me to see a, B or C, so that that's fine.

1148

01:55:57.290 --> 01:55:59.980

Cooper City Hall: I don't understand how we

1149

01:56:00.190 --> 01:56:03.040

Cooper City Hall: as commission members are

1150

01:56:03.120 --> 01:56:10.220

Cooper City Hall: essential, and this is this is what scares me, and not just us, but all of our personnel.

1151

01:56:10.470 --> 01:56:11.889

Cooper City Hall: Because

1152

01:56:12.010 --> 01:56:13.460

Cooper City Hall: if God forbid.

1153

01:56:14.280 --> 01:56:17.499

Cooper City Hall: all of a sudden we have robberies, or what have you?

1154

01:56:17.870 --> 01:56:24.310

Cooper City Hall: Police and fire have extra background Checks have extra psychological, etc.

1155

01:56:24.680 --> 01:56:27.750

Cooper City Hall: If anything happens in gated communities.

1156

01:56:28.350 --> 01:56:30.889

Cooper City Hall: our people have clickers.

1157

01:56:31.260 --> 01:56:33.010

Cooper City Hall: There's no

1158

01:56:33.110 --> 01:56:34.830

Cooper City Hall: all this happened.

1159

01:56:34.860 --> 01:56:37.659

Cooper City Hall: Our people could potentially be

1160

01:56:37.700 --> 01:56:39.690

Cooper City Hall: looked at for things.

1161

01:56:40.370 --> 01:56:47.190

Cooper City Hall: and I don't want to see that happen to our personnel or anyone up here that has a clicker.

1162

01:56:47.410 --> 01:57:02.999

Cooper City Hall: So did you indulge me on this and all so you could You could have. You could have a mess. You could have people commit murders now, all of a sudden, I mean. And while that's that's that, you the background on this on the thing. Oh, i'll indulge you as in Utah. Yeah, sure. I'm sorry. Go.

1163

01:57:03.010 --> 01:57:08.559

Cooper City Hall: So what what happened was traditionally under our our ordinances? It

1164

01:57:08.830 --> 01:57:13.569

Cooper City Hall: in order to be able to have a private street. You had to allow city personnel access, Whatever

1165

01:57:13.660 --> 01:57:28.849

Cooper City Hall: the issue was, it didn't define what that access was, because the ordinance was not updated, and the issue came up when, now the city, although the ordinance did not dictate the the system that was used, the click, the the linear clicker, that's what everyone had

1166

01:57:28.930 --> 01:57:46.070

Cooper City Hall: installed in their in their communities. So there was one association or 2. It was Darlington and Indian Pond, where, when they had their gates updated, the clicker stopped working for fire and police personnel. Okay? And so when I, when I

1167

01:57:46.170 --> 01:57:50.759

Cooper City Hall: asked Darlington, the Fire department and police probably weren't able to get in

1168

01:57:50.890 --> 01:58:04.910

Cooper City Hall: when there was a fire call, and in Indian Pond we brought the issue up, and the H always didn't even know that that it would stop working, and when we said, Why, don't you have Code? Go over there and tell them they need to hook the clicker system back up.

1169

01:58:04.920 --> 01:58:11.819

Cooper City Hall: and the captain said. I can't, because they're giving us a code. Now they're saying, here's a code in the All it says is

1170

01:58:11.840 --> 01:58:15.070

Cooper City Hall: that they have to give us access it doesn't type of access.

1171

01:58:15.480 --> 01:58:20.340

Cooper City Hall: So my my my intent behind it was to

1172

01:58:20.770 --> 01:58:29.579

Cooper City Hall: set out the specific type of access and adopt the system that was already being used, so there was almost no cost. associated with with with this system.

1173

01:58:29.610 --> 01:58:41.139

Cooper City Hall: every other city had these things. Now, now Davey has a lot more sophisticated mandated system that they use. But it would cost all these associations money to to implement them. Somehow

1174

01:58:41.150 --> 01:58:49.930

Cooper City Hall: it got it. The the redefining of of these things got changed into granting the City Commission access. The Commission already had the access

1175

01:58:50.780 --> 01:58:53.439

Cooper City Hall: they they already had by law the right

1176

01:58:53.600 --> 01:58:59.310

Cooper City Hall: to be, you know to to access. If you read the opinion from Weiss Saroda at the time the Matthew, whatever

1177

01:58:59.480 --> 01:59:07.179

Cooper City Hall: you know, he he defined it as you know. you can't mandate it that it's a clicker system because it didn't call for a specific system.

1178

01:59:07.330 --> 01:59:11.749

Cooper City Hall: It just said you have to provide city personnel with access for their their lawful duties.

1179

01:59:11.800 --> 01:59:30.149

Cooper City Hall: Now the people who would need to go in are not just essential and not essential, and that words not used in there, because these garbage essential is water central. The water meter, reader, you know. So it it it defines for their lawful duty. So if you're a water meter, reader, you shouldn't be going in whatever.

1180

01:59:30.160 --> 01:59:39.690

Cooper City Hall: So although the the city mandated now with the new ordinance that they use a certain type of access system, the city doesn't give out the clickers to all the employees.

1181

01:59:40.120 --> 01:59:46.439

Cooper City Hall: So it was just a misconception that that all of our employees have access to all these neighborhoods. That's it. They really don't

1182

01:59:46.950 --> 01:59:52.889

Cooper City Hall: They They may have them through. I think. What departments at them, you know,

1183

01:59:53.120 --> 02:00:02.869

Cooper City Hall: currently just utilities uses, and they've had them for for 1520 years.

1184

02:00:03.110 --> 02:00:05.859

Cooper City Hall: Really, what this did was

1185

02:00:06.210 --> 02:00:15.990

Cooper City Hall: it got spawned into. We're now granting access to people, and and that's really not what happened. We're just defining the access as the specific system that they already had in place

1186

02:00:16.340 --> 02:00:33.839

Cooper City Hall: and mandating that they have a uniform. So, for example, one neighborhood there's a key pad there, so if there's an issue, and it's not just the clickers when they have the the resident and the captain will come up when they have the residential burglaries in occupy burglary and hits grove.

1187

02:00:33.850 --> 02:00:38.929

Cooper City Hall: Davey came over to enter with their canine, but they don't have a clicker right? So how are they going to get in?

1188

02:00:38.990 --> 02:00:40.860

Cooper City Hall: So they have no way to get in there

1189

02:00:40.940 --> 02:00:45.500

Cooper City Hall: and and do that, or if they have, they had to set up a potential burglary at the

1190

02:00:45.750 --> 02:00:48.269

Cooper City Hall: The storage facility. They can't get in there

1191

02:00:48.340 --> 02:00:53.560

Cooper City Hall: because they have quickly that they don't have that system. They didn't have the system on there. They only gave the cards to the sergeants.

1192

02:00:53.590 --> 02:00:54.550

Cooper City Hall: so

1193

02:00:54.610 --> 02:01:10.459

Cooper City Hall: at each different neighborhood was using different codes for these systems like you know, over a montero they were using. I'm not going to say the codes, but they were using a 4 digit code. Some are using a fu, so the dispatcher could even get on and say, You use this.

1194

02:01:10.470 --> 02:01:18.779

Cooper City Hall: and the system also needs to work in the event of a power failure, and he's override it. And also you know how you have the the daisy chain. Like some neighborhoods like

1195

02:01:19.030 --> 02:01:35.290

Cooper City Hall: that. The police should be able to push the clicker, and they all open, because, say they're trying to or fire trying to get through their own Thanksgiving, they can just open them all and push the cars through what they're trying to get, instead of going up, down, up, down, all the all the cars in front of them. So that's really how it started, but it got spawn into this.

1196

02:01:35.300 --> 02:01:40.099

Cooper City Hall: plus granting access to all city employees, and not knowing who who goes and whatnot.

1197

02:01:40.210 --> 02:01:44.989

Cooper City Hall: and so what I really think, what to satisfy your intention, and what I really think needs to happen is

1198

02:01:45.570 --> 02:01:48.669

Cooper City Hall: at the city level. We should adopt a policy on

1199

02:01:48.930 --> 02:01:54.570

Cooper City Hall: how or when, or how we're going to give out. You know, this access. Okay, but from an ordinance standpoint

1200

02:01:54.610 --> 02:02:14.380

Cooper City Hall: we have to have the right to demand that they give us the access. Otherwise we can't make the neighborhood do it without a doubt, because we want to be able. We want them to be able to respond. Yeah, and they need to. And now some neighborhoods have said, oh, well, how do we know who's going to go in there? And who's not? Well, They have options with a camera in. They have an option to make this system alert. You could put a light if it goes off.

1201

02:02:14.390 --> 02:02:25.419

Cooper City Hall: or we could use a system like Davey, but it's a what we'd be mandating such a you know, and so that's where I didn't want to. You know. Do it now for the a few amount of people that we have

1202

02:02:25.510 --> 02:02:27.550

Cooper City Hall: in our city that have access to utilities.

1203

02:02:27.720 --> 02:02:35.630

Cooper City Hall: if they think it's that important that they know every time they go in we could discuss mandating the the more important system.

1204

02:02:35.790 --> 02:02:36.550

Cooper City Hall: but

1205

02:02:36.790 --> 02:02:45.809

Cooper City Hall: it's really not a lot when you compare it to the people going in for the garbage, for the Amazon, for the you know every process ever has access, you know. So that's really what it is.

1206

02:02:46.270 --> 02:02:47.389

Cooper City Hall: And

1207

02:02:47.500 --> 02:02:53.740

Cooper City Hall: you know my mouse getting you right here, but essentially and another example. This is the residential community

1208

02:02:55.280 --> 02:02:57.109

Cooper City Hall: in Monterey, the 55 and older

1209

02:02:57.890 --> 02:03:01.419

Cooper City Hall: the person who determined that the police and fire had no access. The neighborhood is me.

1210

02:03:02.020 --> 02:03:09.639

Cooper City Hall: and so they have gates close to 55 and older, and I called the the the manager and the and the captain, I said, Can you open the gate

1211

02:03:09.760 --> 02:03:14.559

Cooper City Hall: and you cannot get in there, and you can even get into the doors If someone has an act without without

1212

02:03:14.630 --> 02:03:17.289

Cooper City Hall: the system, and they didn't have it.

1213

02:03:18.110 --> 02:03:22.130

Cooper City Hall: And and so this was a way to have a uniform system adopted

1214

02:03:22.360 --> 02:03:24.059

Cooper City Hall: to where you know

1215

02:03:24.130 --> 02:03:29.489

Cooper City Hall: this is the system. Now, if if there's an overwhelming desire to to have a better system.

1216

02:03:30.270 --> 02:03:39.590

Cooper City Hall: i'm. Okay, with that. But I think that our neighborhoods would get upset. Yeah. Well, I mean, I was just curious about the price of the RFID if we had multiple

1217

02:03:39.740 --> 02:03:52.210

Cooper City Hall: people having the clickers. But you're telling me only public works as well. Only utilities. I'm. I'm sorry I meant you currently. The only clickers that are that are used in the for the staff.

1218

02:03:52.330 --> 02:03:59.330

Cooper City Hall: Our utilities.

1219

02:04:00.350 --> 02:04:04.370

Cooper City Hall: I think, Commissioner Melody, I think you

1220

02:04:04.440 --> 02:04:10.509

Cooper City Hall: are referring to elected officials having collectors. Well, we just were told that they don't.

1221

02:04:10.600 --> 02:04:14.530

Cooper City Hall: No, no, no, no, we're not. I'm sorry there's there's

1222

02:04:14.890 --> 02:04:15.559

Cooper City Hall: to

1223

02:04:15.870 --> 02:04:17.370

Cooper City Hall: city staff

1224

02:04:17.460 --> 02:04:25.230

Cooper City Hall: only utilities uses clickers, and then there's 2 I will on the commission that have one have clickers.

1225

02:04:25.800 --> 02:04:31.960

Cooper City Hall: and I and I don't have a clicker, and I don't see the need for elected officials having clickers to

1226

02:04:32.040 --> 02:04:41.880

Cooper City Hall: probably me to H. O. 2 gated communities, because so in 12 years of not having a clicker, I've never had an issue with gaining access to

1227

02:04:42.180 --> 02:04:44.280

Cooper City Hall: a gated community by

1228

02:04:44.940 --> 02:04:49.260

Cooper City Hall: simply going up and showing my Commissioner Green card.

1229

02:04:49.320 --> 02:04:56.259

Cooper City Hall: But who do you? Who do you show it to the guard gate? There's only 2 that are man so

1230

02:04:56.430 --> 02:05:04.349

Cooper City Hall: or 3 that are man. The the 30 of them are not man

1231

02:05:04.480 --> 02:05:17.339

Cooper City Hall: prior to going there that I'm going to be coming there, and that they're going to be expecting me. And so when I push the the I know the non gate it when I push the the the little keypad, i'm going to have access to it.

1232

02:05:18.060 --> 02:05:20.019

Cooper City Hall: So

1233

02:05:20.050 --> 02:05:22.790

Cooper City Hall: you know, for for again

1234

02:05:23.350 --> 02:05:32.849

Cooper City Hall: I understand the need for public safety having access to it for utilities having access personnel within the utilities department and or public works, for that matter.

1235

02:05:32.870 --> 02:05:34.099

Cooper City Hall: but

1236

02:05:34.450 --> 02:05:37.460

Cooper City Hall: you know, as an elected official, I don't see the need, for

1237

02:05:37.580 --> 02:05:38.650

Cooper City Hall: I don't need it

1238

02:05:38.800 --> 02:05:40.530

Cooper City Hall: so. Why do we have it?

1239

02:05:40.770 --> 02:05:59.460

Cooper City Hall: Well, that's his opinion. My My opinion is, we're entitled by the Charter to inspect, inquire about every aspect of government, and I and I do do that. I mean the fact that we had a what we had, a manual water meter hooked up to a fire hydrant in a neighborhood only was known because I went in and said, Why is this fire, heck? There I go in and ask, is is code doing? Their job?

1240

02:05:59.470 --> 02:06:01.370

Cooper City Hall: Is is.

1241

02:06:01.720 --> 02:06:09.529

Cooper City Hall: you know, like you know, it's doing the job, you know you know is is is like it waste management complaints all the time.

1242

02:06:09.630 --> 02:06:14.869

Cooper City Hall: i'm going to start looking at water meters soon, because apparently we have watermeters not working.

1243

02:06:15.020 --> 02:06:17.240

Cooper City Hall: so you know it. That's

1244

02:06:17.440 --> 02:06:24.389

Cooper City Hall: if Commissioner Green Doesn't want to go into a neighborhood. That's certainly his prerogative. Half of my district's neighborhood.

1245

02:06:24.550 --> 02:06:29.429

Cooper City Hall: and and I go into every single one of them same thing I do when i'm. When i'm out with.

1246

02:06:29.490 --> 02:06:31.360

Cooper City Hall: You know I go into every single one of them.

1247

02:06:31.780 --> 02:06:37.519

Cooper City Hall: So that's that's up to them, you know. I mean, we have that new neighborhood over

1248

02:06:37.660 --> 02:06:49.270

Cooper City Hall: over being built Arbor reserve, and Carlos could tell you. I'm asking him, Carlos, what's going on? Why, Why, that the house on a construction and went from 2 garages down to one garage, and it looks like the you know.

1249

02:06:49.280 --> 02:07:08.560

Cooper City Hall: And he, Carlos, came back. Oh, hey! They didn't do the the cut in there correctly now they're having to modify. So I I happen to be very hands on, and I and I agree on looking at every aspect of it. If there's a abandoned house is supposed to be on a registry, and it's not i'm going to come up with that. And if there's a neighborhood where police can't get access to it. I'm going to tell. I'm usually the one that tells the captain

1250

02:07:08.570 --> 02:07:10.639

Cooper City Hall: when they can't get a new neighborhood.

1251

02:07:11.090 --> 02:07:23.070

Cooper City Hall: and when I go on a clp control I check them, and I give them a list back and everything. So that's up to each one of us. But I don't believe I I believe our charter allows us to inquire each and every aspect of government, and that includes the services

1252

02:07:23.080 --> 02:07:32.220

Cooper City Hall: that are provided by the staff under us.

1253

02:07:32.740 --> 02:07:34.050

Cooper City Hall: So.

1254

02:07:34.870 --> 02:07:37.439

Cooper City Hall: But how do we explain that to the residents? Then

1255

02:07:37.680 --> 02:07:49.120

Cooper City Hall: it's been that way for twenty- since 1,987, or something like that. But you're saying that an opinion is just given by we, Saroda. No, that opinion said you couldn't mandate, it being clickers right

1256

02:07:49.670 --> 02:07:54.479

Cooper City Hall: because we didn't have an ordinance requiring it to be a clicker. But you are going to give me a code instead. You can give me a code.

1257

02:07:55.430 --> 02:08:02.850

Cooper City Hall: But now now you're getting down to the point where you're going to have a list of codes, and that's fine, or you could have it. You can have a City staff, month person drive you around.

1258

02:08:02.890 --> 02:08:06.910

Cooper City Hall: You know that it's just it's really it's a silly

1259

02:08:07.010 --> 02:08:14.050

Cooper City Hall: solution. If people are worried about city officials breaking in, they're probably going to be the most recognizable people

1260

02:08:14.430 --> 02:08:20.470

Cooper City Hall: you know. I mean, I don't think that that that that so, if that's what we're trying to prohibit, we probably have bigger problems with

1261

02:08:20.990 --> 02:08:37.039

Cooper City Hall: a lot of the other ones. And and maybe I mean, I imagine Commissioner Green is complete a background check with his, you know Agency. I'm sure that that's fine, because you probably background checks. I know that the captain completed background checks on us for Co. And we can get in the clp car and get into the neighborhood right.

1262

02:08:37.070 --> 02:08:42.769

Cooper City Hall: So to think that as a elected official, we're not allowed to look into every. And as but every

1263

02:08:43.350 --> 02:08:46.880

Cooper City Hall: aspect of of government services were provided. I mean.

1264

02:08:46.930 --> 02:08:51.289

Cooper City Hall: are we going to say code Enforcement can't go in? We say the building department can't go in.

1265

02:08:51.520 --> 02:08:57.090

Cooper City Hall: We say the water department can't come in. These are these are functions of government which we oversee.

1266

02:08:58.080 --> 02:09:08.050

Cooper City Hall: So then, I think, then, then, that the city manager needs to go and put out a for lack of a better word, a memo letting people know why, because people are asking.

1267

02:09:08.240 --> 02:09:09.510

Cooper City Hall: and I don't.

1268

02:09:09.600 --> 02:09:10.930

Cooper City Hall: I don't agree.

1269

02:09:11.340 --> 02:09:12.519

Cooper City Hall: But apparently i'm

1270

02:09:13.410 --> 02:09:14.530

Cooper City Hall: you're allowed

1271

02:09:15.160 --> 02:09:18.570

Cooper City Hall: so. But so I can't really fight that. But

1272

02:09:18.690 --> 02:09:21.160

Cooper City Hall: there are people that don't agree.

1273

02:09:21.280 --> 02:09:25.810

Cooper City Hall: And so then you need to somehow let them know that this is allowed.

1274

02:09:26.290 --> 02:09:35.919

Cooper City Hall: because if it's allowed, then it's allowed. If it's been in place, it's been in place, then quote and let you know, quote the area of the charter

1275

02:09:35.950 --> 02:09:44.810

Cooper City Hall: or the ordinance that allows it. I'm not. I don't necessarily need to do it now. But and but let people that are in the gated communities.

1276

02:09:44.890 --> 02:09:46.349

Cooper City Hall: No, this

1277

02:09:46.430 --> 02:09:49.339

Cooper City Hall: and know that you 2 are allowed

1278

02:09:49.490 --> 02:09:51.980

Cooper City Hall: to have the clickers and use them.

1279

02:09:52.420 --> 02:10:08.839

Cooper City Hall: So I think the Commission is allowed. The entire mission is allowed to have that access to us. But you 2 are the 2 that chose to. We are more hands on than others. The only one. Well, you don't have to be hands on, because I can get into there, Ross. I respectfully disagree with that.

1280

02:10:08.850 --> 02:10:14.519

Cooper City Hall: but we like to go in. We like to check certain things. I go all around. Have I used it

1281

02:10:14.670 --> 02:10:23.430

Cooper City Hall: excessively? No. Have I used it rightfully? Yes, the only the main one that complains me was Robin from Mc Lakes.

1282

02:10:23.440 --> 02:10:41.539

Cooper City Hall: and my thing to rob was Robin. You've had this system in NBC Lakes. Now Robin claims that it. It breaks the system if you use the clicker or something, and I told Robin and I'll go through the guard here. I don't care and and and show them. My, I'd it's okay with me. But then there's a record of you. Yeah. But there's really not. They don't really write it down. They open it.

1283

02:10:41.550 --> 02:10:55.599

Cooper City Hall: you know she could say they do. They don't, I mean, if you ask for a copy of every every processor and briar kind of entered every Amazon person. They they open the gate. The record is, they got cameras, but she says it breaks the gate school. How come it has been breaking the gates. For 20 years

1284

02:10:55.730 --> 02:11:00.989

Cooper City Hall: 20 years it's been this has been going on with the police and fire. Go in there, and it doesn't it doesn't. Break anyone else's gate.

1285

02:11:01.200 --> 02:11:19.909

Cooper City Hall: And and if you show cable, and why did why do Mand Gates need to have this? Well, I would say, talk to Andrew Gross about this because they had a guard at country Glen. And then all of a sudden, there was a line, you know, backing up. Nobody could get in, and he went up there. He thought maybe the guy had a heart attack, and there's a sign on things as I quit.

1286

02:11:20.290 --> 02:11:24.009

Cooper City Hall: you know. So you know the guard walked off the job and quit.

1287

02:11:24.270 --> 02:11:32.079

Cooper City Hall: And this is this is we actually narrow, limited ours. Davies is a lot more an invasive, so to say.

1288

02:11:32.110 --> 02:11:35.410

Cooper City Hall: and I would ask the captain, have you Have you ever had any concerns with.

1289

02:11:35.740 --> 02:11:37.789

Cooper City Hall: or or any

1290

02:11:37.890 --> 02:11:38.730

Cooper City Hall: I mean

1291

02:11:38.890 --> 02:11:46.750

Cooper City Hall: the most recognized people are our City commission. Everybody's got ring cameras. If the your city commissioners are in your neighborhood stealing your your mail, it's a problem.

1292

02:11:47.240 --> 02:11:50.879

Cooper City Hall: What was the question? Have you had any concerns about

1293

02:11:51.220 --> 02:11:53.040

Cooper City Hall: the people who have access

1294

02:11:53.520 --> 02:11:54.929

Cooper City Hall: any complaints

1295

02:11:55.000 --> 02:12:10.780

Cooper City Hall: like from a crime standpoint.

1296

02:12:10.790 --> 02:12:38.980

Cooper City Hall: Well, I don't think Greg uses his for his neighborhood exactly right, and I don't use it either, because I want to guess list, but that pays 25 each community that have that our also but our law said you're right, but our law say, since, like the sixties, you are not allowed to have a private street unless this this and this so it's not our private private street. No, we we will grant you the right to have this only if this isn't this it even says, if we want to take over those private streets. We could take it over

1297

02:12:38.990 --> 02:12:39.889

Cooper City Hall: at any time.

1298

02:12:39.920 --> 02:12:54.620

Cooper City Hall: They have to record an option in our favor for \$1, so I I didn't come and create this access thing where it says you got all that city personnel, and all I did was say, instead of saying the word access. If you could come back up. Remember, I asked how you could make them

1299

02:12:55.360 --> 02:13:02.380

Cooper City Hall: use a specific one, and you said Code could not tell them, and had to be the clicker. They could give you a code instead, because the ordinance was outdated

1300

02:13:02.760 --> 02:13:20.310

Cooper City Hall: the way the ordinance read. When I came in this conversation first was coming up. I did advise this commission, and the manager that we cannot dictate what system, as long as we have access, the ordinance had required access, and codes would satisfy that access.

1301

02:13:20.370 --> 02:13:33.190

Cooper City Hall: And and so now would you say with this ordinance, which is a lot more work on him? Do you think it's more? It's better. Say I mean, what would you? What your professional opinion on the on the implementation of the ordinance for the way it is.

1302

02:13:34.110 --> 02:13:35.899

Cooper City Hall: I believe, now that we're

1303

02:13:36.270 --> 02:13:40.739

Cooper City Hall: working towards compliance with the majority of the H ways that it streamlines a process.

1304

02:13:43.640 --> 02:13:50.139

Cooper City Hall: I know that there's other cities that have a similar system to us. I can think of the city of Weston, for example.

1305

02:13:50.200 --> 02:13:51.720

Cooper City Hall: Very similar system.

1306

02:13:51.960 --> 02:13:58.420

Cooper City Hall: Are you already cited city of Davey? I believe they have a very similar system, except there is a little bit more expensive.

1307

02:14:00.060 --> 02:14:01.550

Cooper City Hall: What about the people that

1308

02:14:01.890 --> 02:14:05.370

Cooper City Hall: pay to have a gated community? That is the only thing like, how do we tell them

1309

02:14:05.380 --> 02:14:26.939

Cooper City Hall: you pay to not allow anyone to through. It's always with an exception. So you pay not to allow anyone to accept State law. You have to let process service through except you gotta let Amazon through. You know it's limited. So you're You're looking at the vast majority of people you don't want to let through, but you can't say we can't let the building official through, you know. So if you live behind a gated community you could build without a permit, because they can't come. Check!

1310

02:14:26.950 --> 02:14:30.099

Cooper City Hall: No, they're allowed to check it's. You know they

1311

02:14:30.240 --> 02:14:41.879

Cooper City Hall: through and is calling you or go. No, but guard No, but that's only if you get a permit. What if you just want to build an addition and not tell you the code comes by and sees you. You're going to get sighted. You get a red tag for building without a permit.

1312

02:14:41.910 --> 02:14:47.179

Cooper City Hall: These are, you know, functions of government. What we do so at the end of the day

1313

02:14:47.220 --> 02:14:58.339

Cooper City Hall: we have. The city has got to be able to get in to these communities to function it, and that's Why, it says that you have to give them access for all lawful purposes. Now somebody's entering for an unlawful purpose.

1314

02:14:58.400 --> 02:15:06.280

Cooper City Hall: Well, then, then, they should be dealt with, but it does limit it. It doesn't say you could just come in if your utilities worker to go swim with the Embassy like pool.

1315

02:15:06.380 --> 02:15:14.170

Cooper City Hall: you know it's if your utilities you're coming in for utilities. If your public works, I mean we have an ordinance that says, If you have an abandoned house.

1316

02:15:14.190 --> 02:15:15.410

Cooper City Hall: you have to register it.

1317

02:15:15.620 --> 02:15:26.399

Cooper City Hall: We also have an audience that says, If you, if you have a pool, you got to drain it if it's abandoned right Well, how's that? Get done? The city drains it if it's if they, if it's a ban well, how are we going to drain it?

1318

02:15:27.100 --> 02:15:37.139

Cooper City Hall: We we have to by law have a way to get in and do these functions. So this is this is more a pr thing, and and then it is a a practicality.

1319

02:15:37.220 --> 02:15:39.499

Cooper City Hall: At the end of the day.

1320

02:15:39.870 --> 02:15:54.970

Cooper City Hall: if you're saying okay, everything's good except the Commission. Well, that's kind of a weird thing. But we're elected by the residents if they they think that you know. I I believe my job is very serious to look at all all aspects. The manager could tell you. The cap can tell you I will. I will call

1321

02:15:55.400 --> 02:16:09.730

Cooper City Hall: randomly. Say, why is this? Why, you know? Why is that I was driving around, and I saw a pipe, the the pipe leaking over. Well, you didn't get that one? He got that one the the pipe leaking over by the new construction site. Hey? Why is this pipe leaking?

1322

02:16:10.170 --> 02:16:24.950

Cooper City Hall: Oh, you said, hey, hey, Captain? The gates torn off here at the thing he he sends a cost by the check all it might have on that. So you know I mean I i'm always looking. I drive around. Hey? Why, the streets light out. You know these are things that i'm constantly doing, and I take it very serious.

1323

02:16:25.500 --> 02:16:42.250

Cooper City Hall: When I first asked I go. Well, how do you guys do your to the month? Oh, we go there and show them our Id Well, you know, just District Jeff's got like 7 or 8 unmanned gates right? How do you do? Yard of the month. Oh, we don't go in those. So that's what was happening before the city didn't go in it. We didn't do code enforcement in there before either. Now

1324

02:16:42.260 --> 02:16:46.320

Cooper City Hall: we have a code Enforcement officer. It does commercial plazas in Hos.

1325

02:16:46.530 --> 02:16:56.779

Cooper City Hall: but these were the things that just. They were. Just look past, and and your district. The only one you have it is is Darlington. But Darlington was the one with the fire department showed up, and there was no they couldn't get in.

1326

02:16:57.590 --> 02:17:12.000

Cooper City Hall: So these are the things that you know it's just not like at given the City Commission keys to the knock boxes outside, you know, the school or or places, you know. Even the police don't have keys to that that. Get you actually into into somebody's residence.

1327

02:17:12.010 --> 02:17:19.709

Cooper City Hall: These are public roads where our staff goes through our vendors, go through our police services. The services we provide are going through these areas.

1328

02:17:20.540 --> 02:17:21.760

Cooper City Hall: Thank you.

1329

02:17:21.990 --> 02:17:26.149

Cooper City Hall: Moving on to Item Number 10 discussion possible action regarding the spending

1330

02:17:26.309 --> 02:17:39.650

Cooper City Hall: for re-allocation of a Commissioner's discretionary Funds in the year, in which the Commissioner is up for re-election. Again, Commissioner Melody point of order. I just want to mention that I wasn't recognized the entire conversation.

1331

02:17:39.690 --> 02:17:47.419

Cooper City Hall: My apologies No, no, hold on before we go to Item number 10.

1332

02:17:48.260 --> 02:17:54.580

Cooper City Hall: He's killing me. Do you wish to speak on the item prior, which was item number 9

1333

02:17:54.830 --> 02:17:57.580

Cooper City Hall: I was going to, but it's fine. We can go. We can move on.

1334

02:17:57.920 --> 02:18:02.519

Cooper City Hall: No, I really don't need to. But I did want to recognize that I wasn't. I appreciate that.

1335

02:18:03.120 --> 02:18:06.280

Cooper City Hall: Thank you. Item Number 10

1336

02:18:08.730 --> 02:18:13.850

Cooper City Hall: so I don't know if you all saw the backup. But the

1337

02:18:13.920 --> 02:18:20.149

Cooper City Hall: morning of the swearing in at 8 15 in the morning

1338

02:18:20.850 --> 02:18:28.780

Cooper City Hall: then Commissioner Meltzer sent a email to the city manager

1339

02:18:29.100 --> 02:18:32.349

Cooper City Hall: asking the city manager to disperse

1340

02:18:32.500 --> 02:18:36.749

Cooper City Hall: the discretionary funds at of commission of

1341

02:18:38.150 --> 02:18:57.870

Cooper City Hall: District 2 which is \$6,000 Each district gets \$6,000, and there's the discretionary funds are. A commissioner can use it to Go attend committee meetings and things like that. So this Commissioner at the time, who had 6 h left of being a commissioner.

1342

02:18:57.879 --> 02:19:03.650

Cooper City Hall: decided to disperse those funds which were for the entire year

1343

02:19:04.500 --> 02:19:06.640

Cooper City Hall: of my being elected

1344

02:19:08.629 --> 02:19:13.610

Cooper City Hall: to different advisory boards and police explorers.

1345

02:19:13.730 --> 02:19:21.690

Cooper City Hall: and that, each of those liaisons and chairs shouldn't be notified of that budget increase.

1346

02:19:21.920 --> 02:19:23.070

Cooper City Hall: so

1347

02:19:23.410 --> 02:19:29.379

Cooper City Hall: that, in my opinion is not the intent. Well, that was not illegal. I want to point that out.

1348

02:19:29.480 --> 02:19:31.099

Cooper City Hall: It's completely within

1349

02:19:31.219 --> 02:19:35.539

Cooper City Hall: his realm of the extra 6 h that he had of being a commissioner.

1350

02:19:35.680 --> 02:19:37.969

Cooper City Hall: before I was sworn in

1351

02:19:40.879 --> 02:19:53.099

Cooper City Hall: I don't know Petty comes to mind, and it should not have happened, and it's not the intent of the discretionary funds which are from October first to October first.

1352

02:19:53.320 --> 02:19:54.430

Cooper City Hall: and

1353

02:19:54.730 --> 02:19:57.499

Cooper City Hall: this should not happen in the future.

1354

02:19:58.200 --> 02:20:02.999

Cooper City Hall: So, in order to make sure that something like this does not happen in the future.

1355

02:20:03.300 --> 02:20:04.999

Cooper City Hall: I thought that's

1356

02:20:05.390 --> 02:20:08.450

Cooper City Hall: we should have a discussion, and then potentially

1357

02:20:08.600 --> 02:20:10.950

Cooper City Hall: direct the city attorney

1358

02:20:11.170 --> 02:20:17.459

Cooper City Hall: to write something into the procedures so that way. Something like this

1359

02:20:17.530 --> 02:20:21.119

Cooper City Hall: cannot occur in the future, because, unfortunately.

1360

02:20:21.740 --> 02:20:23.430

Cooper City Hall: a month

1361

02:20:23.750 --> 02:20:26.500

Cooper City Hall: before you have October.

1362

02:20:27.210 --> 02:20:29.210

Cooper City Hall: you then you have

1363

02:20:29.520 --> 02:20:35.430

Cooper City Hall: is when the new budget starts. So a new \$6,000 is allocated October.

1364

02:20:35.490 --> 02:20:40.850

Cooper City Hall: and then you have an election that occurs the first week in November, and then

1365

02:20:41.040 --> 02:20:48.070

Cooper City Hall: like on our election. It took the Supervisor a while. We were not sworn in until the 20 third.

1366

02:20:48.270 --> 02:20:51.590

Cooper City Hall: so there were several days like 17 days

1367

02:20:51.760 --> 02:20:56.789

Cooper City Hall: or 15 days until we were official. So in that time

1368

02:20:57.140 --> 02:21:03.149

Cooper City Hall: the people that were currently holding office knew that they were no longer there. They could do whatever they wanted.

1369

02:21:03.260 --> 02:21:10.190

Cooper City Hall: and reallocate money that they knew they would not be using for the rest of the year, because they were no longer an office.

1370

02:21:10.440 --> 02:21:12.440

Cooper City Hall: again.

1371

02:21:13.500 --> 02:21:14.690

Cooper City Hall: Nothing that

1372

02:21:15.360 --> 02:21:22.400

Cooper City Hall: I would think in general people would do, but I never thought that I would have this conversation. So

1373

02:21:22.530 --> 02:21:24.930

Cooper City Hall: you need to moving forward.

1374

02:21:25.190 --> 02:21:42.689

Cooper City Hall: know that I would like to see this not happen. There's going to be another election in 2 years, not saying that you're going to do it. But, oh, you would do it. Okay. So so that we ensure that Commissioner, shrouded if he loses in 2 years, does not do the same exact thing.

1375

02:21:44.880 --> 02:21:53.100

Cooper City Hall: there's got to be a way to write something to where you know, Seeing is this is for the whole entire year, maybe allocate one over 12

1376

02:21:53.200 --> 02:21:57.730

Cooper City Hall: of the funds that way that Commissioner can use from October

1377

02:21:57.750 --> 02:22:03.490

Cooper City Hall: to November, one twelfth of the \$6,000, and then the rest

1378

02:22:03.610 --> 02:22:04.600

Cooper City Hall: could be

1379

02:22:04.840 --> 02:22:06.010

Cooper City Hall: held

1380

02:22:06.140 --> 02:22:10.720

Cooper City Hall: until the result of the election is in. I think that would be a fair

1381

02:22:11.160 --> 02:22:14.559

Cooper City Hall: way to ensure that this does not happen again.

1382

02:22:14.740 --> 02:22:17.270

Cooper City Hall: and i'd like to hear what my colleagues have to say.

1383

02:22:18.490 --> 02:22:19.390

Cooper City Hall: Richard, a great

1384

02:22:20.080 --> 02:22:32.790

Cooper City Hall: thank you, Mayor Ross. I I hear what Commissioner Melody says. I actually agree with it. I I would just I would offer if there is an elected official, and they are in place.

1385

02:22:33.660 --> 02:22:39.520

Cooper City Hall: until the election is certified. They do have. They? Do have access to

1386

02:22:39.640 --> 02:22:44.270

Cooper City Hall: to whatever is in their discretionary fund, albeit

1387

02:22:44.940 --> 02:22:45.789

it it

1388

02:22:47.330 --> 02:22:49.410

Cooper City Hall: there. If they don't get re-elected.

1389

02:22:49.490 --> 02:22:50.210

Cooper City Hall: they

1390

02:22:52.160 --> 02:22:54.300

Cooper City Hall: let me back up.

1391

02:22:54.640 --> 02:23:08.739

Cooper City Hall: If there's this, if there's money during an election year. So next in 2,024, there, there'll be an election, and so if sitting commissioners have discretionary funds in their account.

1392

02:23:09.670 --> 02:23:12.419

Cooper City Hall: they're going to use it up until the time that

1393

02:23:12.450 --> 02:23:27.160

Cooper City Hall: the election is certified. I don't believe that that should have any bearing on the incoming commission, because if the Commission changes, then there should be funds those funds if if their predecessor had

1394

02:23:27.220 --> 02:23:32.520

Cooper City Hall: use those obligated those prior to them prior to the election being certified.

1395

02:23:32.560 --> 02:23:36.919

Cooper City Hall: then the incoming Commission should have those funds replenished.

1396

02:23:37.420 --> 02:23:46.960

Cooper City Hall: Commissioner I. I only bring up 1 point you're using word obligated. These funds were obligated, but they were not spent. I think that's the issue.

1397

02:23:47.550 --> 02:23:48.600

Cooper City Hall: If i'm correct.

1398

02:23:49.110 --> 02:23:56.509

Cooper City Hall: these these funds were okay. So to your point, Mayor Ross. These funds are obligated for the the current

1399

02:23:56.740 --> 02:23:58.920

Cooper City Hall: for the current budget cycle.

1400

02:23:59.350 --> 02:24:04.950

Cooper City Hall: Yes, right, which was whenever it began October first through

1401

02:24:05.210 --> 02:24:08.119

Cooper City Hall: During that election site during the election time.

1402

02:24:08.250 --> 02:24:11.780

Cooper City Hall: The Commission, the then Commission was not re-elected

1403

02:24:12.160 --> 02:24:13.920

Cooper City Hall: within his right to

1404

02:24:14.030 --> 02:24:18.789

Cooper City Hall: use those funds or designate that they go obligate them.

1405

02:24:18.870 --> 02:24:26.509

Cooper City Hall: but that shouldn't there should be a mechanism in place that says, okay? Well, what about the incoming commission?

1406

02:24:26.590 --> 02:24:33.220

Cooper City Hall: I don't believe that it's. I believe that it's the fair, and the right thing to do is to

1407

02:24:33.530 --> 02:24:41.180

Cooper City Hall: replenish that that discretionary fund. For if there is an incoming, if there are new elected officials.

1408

02:24:41.280 --> 02:24:59.460

Cooper City Hall: I mean it's not a big deal. It's \$6,000 that can be re that can be obligated. I don't think it. It creates. If we don't do anything. Then it creates in a situation for Commissioner Melosie, and if it had happened in the district, one race.

1409

02:24:59.470 --> 02:25:14.140

Cooper City Hall: it would have created a situation where 2 incoming elected officials would not have a discretionary fund, and so hypothetical. I know you don't really can be 3. I know you don't like hypotheticals. But let's say, Commissioner Melosie wants to go to

1410

02:25:14.250 --> 02:25:24.049

Cooper City Hall: DC. Or or Brower leagues of Florida leagues or cities and she's going to use that money she was going to use the money in in that expense account, or that account.

1411

02:25:24.100 --> 02:25:36.969

Cooper City Hall: Those phones are no longer there. So what is she going to do? She's going to have to come before the Commission. Is the Commission not going to grant that? Yeah, they've done it in the past? No, no, they they have to grant it. I mean, I agree with Commissioner Green.

1412

02:25:37.340 --> 02:25:38.520

Cooper City Hall: It's

1413

02:25:39.030 --> 02:25:46.449

Cooper City Hall: so. This is such a rare thing that if we want to, it's, and it's 3,000, not 6,000, because 3,000. It was a roll over

1414

02:25:46.510 --> 02:25:47.760

Cooper City Hall: from the prior year.

1415

02:25:47.790 --> 02:26:02.889

Cooper City Hall: and it was every year 3,000 is. But if it was rolling over then in my right. But but in in 12 years I haven't spent the whole lot on traveling. So if it was a roll over. So technically I should have \$30,000

1416

02:26:02.900 --> 02:26:12.209

Cooper City Hall: \$30,000, and that's that I haven't. I mean, technically, if we're talking about is rolling over then that my account my Wasn't: Virtual active.

1417

02:26:12.240 --> 02:26:22.089

Cooper City Hall: Yeah, we didn't. We're at retroactively. Say it's rolling you. You're right. Okay, this is a common alright, so technically I should have what Mr. Napoli.

1418

02:26:23.100 --> 02:26:51.819

Cooper City Hall: since this was the recently, is to do. You have the 3,000 from this year, and whatever you did. It's not automatic. 3,000. The world rolls over what rolls over the amount of money that you did not spend the prior year. So you have. I believe you have 6,000 in your account now, because you didn't spend any so in the next. During the next Budget cycle. If I don't spend it, you would have 9 to. I would have 9,000, providing that that's what the Commission agrees to dollars. Okay, so let's say, this commission

1419

02:26:51.830 --> 02:26:56.330

Cooper City Hall: adopt that right? So when I when i'm out in 2,024

1420

02:26:56.710 --> 02:26:57.460

Cooper City Hall: right

1421

02:26:57.690 --> 02:27:01.270

Cooper City Hall: right before I leave, I can say, oh, you know what

1422

02:27:01.750 --> 02:27:02.640

Cooper City Hall: I've got

1423

02:27:03.100 --> 02:27:05.139

Cooper City Hall: \$12,000

1424

02:27:05.190 --> 02:27:13.549

Cooper City Hall: in my account, and i'm about to go, and i'm going to obligate those. And so the incoming the new person they come in with 0.

1425

02:27:13.820 --> 02:27:15.750

Cooper City Hall: No, we'd have to find the money for them.

1426

02:27:15.940 --> 02:27:31.929

Cooper City Hall: and that's my point. We should find the money that we required. There was \$6,000 in there that rolled over so it it. There was 3,000 in there, but they rolled over according to the new policy, so there was 6,000 total.

1427

02:27:31.940 --> 02:27:39.649

Cooper City Hall: so I don't know. I don't know, understand the difficulties of replenishing the 6,000, the 3,000 that was rolled over.

1428

02:27:40.450 --> 02:27:43.529

Cooper City Hall: What what was ended in that count was \$6,000.

1429

02:27:44.210 --> 02:27:53.169

Cooper City Hall: Yeah, I mean, look, this happens all the time. Well, not here, but in in government. So, like, you know, most of the time

1430

02:27:53.190 --> 02:28:08.709

Cooper City Hall: you have that people will win or lose in November, and they don't take office till January. So every single time it happens with Sheriff, what happens? The ones that were there. They authorized payouts and and things, and and look, it's it's up to the the elected official, but rather than not, they do something that

1431

02:28:09.170 --> 02:28:17.549

Cooper City Hall: you know. They got to be policed by the people and by the news, and whatever. And and I know with the sheriff's level under Lambda and under Israel it happened a little times.

1432

02:28:17.670 --> 02:28:23.470

Cooper City Hall: and and what similar situation under Israel he authorized the payout of the high-ranking members

1433

02:28:23.720 --> 02:28:37.080

Cooper City Hall: payroll did not process until Sheriff Tony was in Sheriff Tony denied it. They followed a lawsuit in the court, ruled in favor of the people under Sheriff Israel, saying that they were the dual elected person, although they were on the way out that they had to pay it

1434

02:28:37.190 --> 02:28:39.370

Cooper City Hall: and and so

1435

02:28:39.440 --> 02:28:41.349

Cooper City Hall: at the end of the day. If

1436

02:28:41.530 --> 02:28:43.490

Cooper City Hall: if a commissioner is going to travel.

1437

02:28:43.840 --> 02:28:45.970

Cooper City Hall: then we're going to have to authorize it

1438

02:28:46.100 --> 02:28:48.279

Cooper City Hall: it especially so

1439

02:28:49.050 --> 02:28:52.360

Cooper City Hall: i'm willing to authorize my to to get my money over.

1440

02:28:53.340 --> 02:28:56.339

Cooper City Hall: you know it's not that big of a deal.

1441

02:28:56.480 --> 02:28:57.209

Cooper City Hall: I just

1442

02:28:57.860 --> 02:29:05.320

Cooper City Hall: we. We're going to make a rule that could change a rule so we could change the rule every single time. So it's like almost useless to make the rule, because it could change the rule.

1443

02:29:05.490 --> 02:29:10.170

Cooper City Hall: You know the the difficulties are. This rules only as good as so the new commission comes on right.

1444

02:29:10.610 --> 02:29:14.569

Cooper City Hall: you know, or or the next 3.

1445

02:29:15.100 --> 02:29:22.060

Cooper City Hall: I think the safeguard is the cap that they that you can't spend more than 60. You know the cap is 6,000 3,000 a year.

1446

02:29:22.300 --> 02:29:41.730

Cooper City Hall: In my opinion it should be that if you're going to spend it. You should spend the the the, the the amount for that one month. Okay. But but then you're right. But then, now we're coming up with rules on when we can on, and it's just going to lead down a slippery slope on. When could be authorizing a lot, because the Mayor went over. Some have a one over budget last year.

1447

02:29:41.750 --> 02:29:45.869

Cooper City Hall: and he end up with \$7,500 this year, although he had no roll over money.

1448

02:29:46.220 --> 02:30:03.249

Cooper City Hall: But you know I don't know, he said. He got it from Commissioner Green. So you're not I. Didn't obligate that I don't know right didn't approve any of my 6 and 1,000. If you're right, we should be taking money out of the city budget, because some because of previous commission, it decided to be charitable

1449

02:30:03.420 --> 02:30:04.999

Cooper City Hall: that you for the election.

1450

02:30:05.450 --> 02:30:21.279

Cooper City Hall: Yeah. But we we When they knew that they were out of office, i'm not saying that you're not look. It's it's not a policeable issue, and, like like the my preference would have been for you not to know.

1451

02:30:21.820 --> 02:30:37.199

Cooper City Hall: so that there wouldn't be any drama. When you want to go on a trip we find the money because the realities, these organizations, probably Aren't going to spend it, and it's going to go back because it it went back because I the money's debt back in my discretionary fund. How could it? Because I wrote a memo saying that it it was.

1452

02:30:37.270 --> 02:30:46.230

Cooper City Hall: Jacob told me how I could do it, and we put it back. It goes back to what I said when Commissioner Green said, obligated, and I say, spent

1453

02:30:46.350 --> 02:30:50.059

Cooper City Hall: it was not spent, and and that's the issue. If it's not spent.

1454

02:30:50.090 --> 02:30:52.400

Cooper City Hall: then the Commissioner now

1455

02:30:52.470 --> 02:30:53.959

Cooper City Hall: can do what she did.

1456

02:30:54.970 --> 02:30:58.519

Cooper City Hall: The Commissioner then was rightful in what he did.

1457

02:30:59.630 --> 02:31:02.950

Cooper City Hall: There lies in the problem, because now, if we start

1458

02:31:03.090 --> 02:31:05.269

Cooper City Hall: making the rules.

1459

02:31:05.420 --> 02:31:06.340

Cooper City Hall: then

1460

02:31:06.530 --> 02:31:09.160

Cooper City Hall: go back and say what he did

1461

02:31:09.220 --> 02:31:10.460

Cooper City Hall: was valid.

1462

02:31:10.540 --> 02:31:13.319

Cooper City Hall: Then give the money, and then give her another

1463

02:31:14.140 --> 02:31:16.460

Cooper City Hall: 3,000 shouldn't. Be 6,

1464

02:31:16.500 --> 02:31:23.599

Cooper City Hall: because she's just started. She gets what? Nobody in there, but no. But then you have to refer back to the policy

1465

02:31:23.640 --> 02:31:38.599

Cooper City Hall: that the that the Commission had codified where it says if there was money, if it was going to be money. If you didn't spend it in a in a budget year, it would roll over. So I agree. I I don't disagree with that, and and I guess the definition is

1466

02:31:38.940 --> 02:31:41.769

Cooper City Hall: yours of obligated verse

1467

02:31:42.450 --> 02:31:56.700

Cooper City Hall: that you you know what we're probably. Excuse me, can I? Can I please China in the last i'm just I I know we're talking about how the meetings run in the next item, and I have an issue with the way the meetings run. So

1468

02:31:56.710 --> 02:32:07.769

Cooper City Hall: you know. I'm trying to be the first to discuss it. Thank you. Can we just create a new commissioner fund, and that's separate, and when somebody's elected. There's already a fund for more apparel.

1469

02:32:07.780 --> 02:32:20.319

Cooper City Hall: then a normal commissioner would get in their second year 30 or fourth year, because they obviously have the shirts from your, you know. Can we just create a \$3,000, or whatever the amount is for when the new person comes in? And then.

1470

02:32:20.430 --> 02:32:23.650

Cooper City Hall: you know, because you, because I do agree that if

1471

02:32:23.710 --> 02:32:31.129

Cooper City Hall: the former Commissioner and really it shouldn't be tied to a specific commissioner, especially in the new election.

1472

02:32:31.960 --> 02:32:41.069

Cooper City Hall: we're not going to have districts anymore. So it's just going to be seat, one, c, 2, c, 3, c. 4. Why should the just? Because someone said in c. One.

1473

02:32:42.010 --> 02:32:46.960

Cooper City Hall: If they decided to spend the money and see 2 didn't spend the money it shouldn't Reflect on the previous Commissioner.

1474

02:32:47.010 --> 02:32:50.110

Cooper City Hall: but it might want to get a legal opinion on that one. Okay.

1475

02:32:50.280 --> 02:33:01.989

Cooper City Hall: legal opinion on that. I was telling the Mayor that that the money is allocated previously to the district, and the future will be to the seat, not to the individual, but it's allocated to the position itself, not to any particular individual.

1476

02:33:02.700 --> 02:33:18.380

Cooper City Hall: Okay. So going back to what I said, though I think if we just have a new Commissioner fund that starts on day one of the new Commissioner, and you know, going forward. I don't think we're going to have this issue, because I do think it's hard to say what if a commissioner decides? You know they've been saving up

1477

02:33:18.680 --> 02:33:20.390

Cooper City Hall: all year to

1478

02:33:20.880 --> 02:33:24.220

Cooper City Hall: have, you know, a celebration on November

1479

02:33:24.320 --> 02:33:25.260

Cooper City Hall: twentieth.

1480

02:33:25.580 --> 02:33:29.629

Cooper City Hall: and they thought they were going to get reelected. They didn't get elected.

1481

02:33:30.070 --> 02:33:30.789

Cooper City Hall: Well.

1482

02:33:30.990 --> 02:33:40.789

Cooper City Hall: I know what you're saying so, but like something appropriate to to the expense. Let's say that they let's just say hypothetically that the previous Commissioner had a trip

1483

02:33:40.980 --> 02:33:45.699

Cooper City Hall: scheduled on November twentieth to go to a League of Cities event in Tallahassee.

1484

02:33:47.340 --> 02:33:51.770

Cooper City Hall: Would it have been appropriate for them to spend? I mean they were still the Commissioner. That would have been so

1485

02:33:52.130 --> 02:33:55.669

Cooper City Hall: technically. It's the discretion of the Commissioner on where the money is going

1486

02:33:55.690 --> 02:33:57.169

Cooper City Hall: within reason.

1487

02:33:57.210 --> 02:34:04.670

Cooper City Hall: So I i'm not saying what what was done was right or wrong. I'm just saying we can clean this up by just giving a new budget item to

1488

02:34:05.400 --> 02:34:06.740

Cooper City Hall: new commissioners.

1489

02:34:06.880 --> 02:34:13.289

Cooper City Hall: and and in doing so that would mean that Commissioner Melody does not get 6,000. She's just 3,000.

1490

02:34:14.850 --> 02:34:19.779

Cooper City Hall: So what we're saying is what happened before we're going to totally disregard.

1491

02:34:20.600 --> 02:34:32.110

Cooper City Hall: and then move forward, changing the policy. I don't agree with that opinion that it wasn't that it wasn't spent. I believe it's spent. I'm not disagreeing with you whether you know, but I I do believe it was spent.

1492

02:34:32.300 --> 02:34:40.209

Cooper City Hall: and so I mean, and I think that so I don't know how we we could go back. I don't agree with that, but that's just my my personal opinion.

1493

02:34:40.280 --> 02:34:49.509

Cooper City Hall: I don't see how it could go back. I really don't. But you know we're really talking about some of this nonsense. I mean, if you want to travel, you use my my 6,000.

1494

02:34:50.390 --> 02:34:55.989

Cooper City Hall: I mean, we're going to make rules that that aren't really real rules, because the next group to change the rules or we could change at any point in time.

1495

02:34:56.050 --> 02:34:59.259

Cooper City Hall: It's not a question of the rules. It's a question of

1496

02:35:01.220 --> 02:35:03.479

Cooper City Hall: what's right and what's wrong.

1497

02:35:03.890 --> 02:35:08.250

Cooper City Hall: and the the intentions of doing something

1498

02:35:10.000 --> 02:35:16.009

Cooper City Hall: It it might have been distasteful. I think it was legally right if that makes sense.

1499

02:35:16.580 --> 02:35:26.339

Cooper City Hall: meaning it was technically right, but it it was probably distasteful.

1500

02:35:26.580 --> 02:35:29.270

Cooper City Hall: This commission has to determine.

1501

02:35:29.690 --> 02:35:35.109

Cooper City Hall: Are we going to adhere to the current policy that allows for funding to roll over?

1502

02:35:35.160 --> 02:35:38.640

Cooper City Hall: Which that is, that's the current policy. Right, Mr. Napoli.

1503

02:35:39.070 --> 02:35:45.599

Cooper City Hall: Yeah, I I roll over is probably not a good word. What we do is we appropriate

1504

02:35:45.770 --> 02:35:56.340

Cooper City Hall: what? Well, the Commission appropriates what was left over in the from the previous year. Okay, so because roll over is technically we have

1505

02:35:56.380 --> 02:36:02.109

Cooper City Hall: purchase orders. But we created funds that come into a new budget cycle.

1506

02:36:02.500 --> 02:36:04.889

Cooper City Hall: a a new new fiscal year.

1507

02:36:06.010 --> 02:36:07.930

Cooper City Hall: What I'm hearing is

1508

02:36:08.420 --> 02:36:12.540

Cooper City Hall: that policy is going to be come null and void.

1509

02:36:13.150 --> 02:36:20.850

Cooper City Hall: and a new policy is going to be adopted where it's where we say, okay, if there is a change in the Commission.

1510

02:36:21.120 --> 02:36:26.800

Cooper City Hall: there's a change on the Commission. Then the newly sworn newly elected commission

1511

02:36:26.890 --> 02:36:29.560

Cooper City Hall: will have X amount of dollars

1512

02:36:30.200 --> 02:36:37.729

Cooper City Hall: appropriated X amount of dollars that he or she will be able to work with in the in that fiscal year.

1513

02:36:39.510 --> 02:36:41.689

Cooper City Hall: Say that again, please. I'm sorry

1514

02:36:42.140 --> 02:36:46.600

Cooper City Hall: the current policy allows for appropriated funds

1515

02:36:47.340 --> 02:36:50.550

Cooper City Hall: to come into a new budget year. Correct?

1516

02:36:51.060 --> 02:36:52.520

Cooper City Hall: Yeah. Okay.

1517

02:36:53.330 --> 02:36:56.050

Cooper City Hall: If we stay with that policy.

1518

02:36:56.340 --> 02:37:00.670

Cooper City Hall: then technic, then technically the appropriated funds

1519

02:37:00.870 --> 02:37:02.340

Cooper City Hall: moving forward

1520

02:37:02.470 --> 02:37:07.889

Cooper City Hall: right moving forward the appropriated funds in district and district. 3 coffers.

1521

02:37:08.470 --> 02:37:14.449

Cooper City Hall: Those were those appropriate, appropriated funds which is now \$6,000

1522

02:37:15.170 --> 02:37:17.660

Cooper City Hall: they would be appropriated.

1523

02:37:18.620 --> 02:37:28.929

Cooper City Hall: If the Commission adopts the new budget, those will come. They will be appropriated into the new Budget cycle, which would give me \$9,000, right? Hypothetically.

1524

02:37:29.220 --> 02:37:35.030

Cooper City Hall: What I'm: what I'm hearing the Commission say is okay, Moving forward as a policy.

1525

02:37:35.060 --> 02:37:39.880

Cooper City Hall: we say, okay, Each elected official, we're gonna have \$3,000

1526

02:37:39.980 --> 02:37:44.109

Cooper City Hall: \$3,000 in of appropriated monies

1527

02:37:44.760 --> 02:37:51.590

Cooper City Hall: in our account moving forward, and if there is a change in the the Commission on this on the day is

1528

02:37:51.800 --> 02:37:54.319

Cooper City Hall: they're going to have \$3,000.

1529

02:37:55.150 --> 02:37:58.140

Cooper City Hall: Yeah, that sounds like it. The only caveat to that is that

1530

02:37:58.350 --> 02:38:13.789

Cooper City Hall: a policy we we we're going to adopt is done each year at the Budget, so there's no point now, and I get to No, I hear what you're saying. We could we could say whatever we want right now, it means nothing. It's at the May of the blind. You're right. Yeah, yeah. How often do you get to hear that.

1531

02:38:13.800 --> 02:38:34.689

Cooper City Hall: So? You know we could. So the the time to talk about this is is the budget here right before the next. No, before the next election. So, not even because yeah, right, right? And so that's the time, because every put a post. No, no, just it's like this one that we exempted the the churches and stuff we got to. We adopt that every year.

1532

02:38:34.760 --> 02:38:37.939

Cooper City Hall: agreed that point of Order commission and catch them in anything further.

1533

02:38:39.830 --> 02:38:58.440

Cooper City Hall: Thank you. Thank you. I appreciate it. Moving on. We have item number 11 discussion and possible action to me in the city's administrative procedures. Resolution. Provide for an 1130 and time for City Commission meetings and a 4 min time limit on discussion by members of the City Commission, and, in fact, I will add a an additional one.

1534

02:38:58.450 --> 02:39:02.889

Cooper City Hall: so that the number of items on the agenda for any

1535

02:39:04.040 --> 02:39:06.550

Cooper City Hall: commission meeting be limited to 3

1536

02:39:06.610 --> 02:39:07.940

Cooper City Hall: per Commissioner.

1537

02:39:07.990 --> 02:39:11.950

Cooper City Hall: Having said that I offered to Commissioner catsman.

1538

02:39:12.060 --> 02:39:18.950

Cooper City Hall: because he indicated he did not like how the meetings are being run. Thank you very much. I take no offense to that.

1539

02:39:19.390 --> 02:39:26.150

Cooper City Hall: You're on. Thank you I I should have said I got back away. This particular meeting

1540

02:39:26.450 --> 02:39:43.210

Cooper City Hall: was ignoring my comments. But not you. Just be yeah, no, I appreciate it. yeah, I I think we all agree that there are. There's some work we can do on on the way that the meet. Maybe I don't know if we can all agree, but I I think I could agree that we could do some work on the way. We

1541

02:39:43.220 --> 02:39:48.639

Cooper City Hall: We run the meetings to be a little more efficient to allow residents to partake

1542

02:39:48.660 --> 02:39:56.359

Cooper City Hall: you know, in in in normal hours, you know, going to 3 o'clock in the morning. Most people

1543

02:39:56.780 --> 02:40:14.809

Cooper City Hall: are not a available to participate. and I think that's part of our job. I also think part of the part of it is us. You know what we put on the agenda. I understand 3 items on on the agenda, her Commissioner, that could still be a lot. I mean, that's 15 items. I I was talking to one city today. The

1544

02:40:15.170 --> 02:40:20.590

Cooper City Hall: they can't put anything on the agenda without more than one commissioner agreeing to put it on the agenda.

1545

02:40:20.740 --> 02:40:23.210

Cooper City Hall: I'm not saying we're there yet, but that's something

1546

02:40:23.240 --> 02:40:24.310

Cooper City Hall: that did come up.

1547

02:40:26.070 --> 02:40:27.180

Cooper City Hall: I think

1548

02:40:27.870 --> 02:40:32.689

Cooper City Hall: it's important to rotate. I like the idea of a specific amount of minutes.

1549

02:40:32.840 --> 02:40:48.300

Cooper City Hall: and going in order. That's where I was having an issue tonight, is we weren't necessarily going in order. and you know, limiting the amount of time we're taking. So i'm i'm watching my time. we do it to the residents. We should do it to ourselves. And

1550

02:40:48.440 --> 02:40:50.999

Cooper City Hall: you know Robert's rules. Actually.

1551

02:40:51.490 --> 02:41:00.619

Cooper City Hall: I don't know if we want to go there, but we're supposed to only address the mayor in the meeting. The chair of the meeting, and and you know not really have dialogue back and forth. That's just

1552

02:41:00.750 --> 02:41:19.069

Cooper City Hall: That was one of the ones we changed where we could have dialogue, and and that that was one of the ones we okay, specifically changed. And I, you know I I was against that. I was against the the item before about the role. I know he's not here to roll over the money. I was against that, too. But

1553

02:41:19.560 --> 02:41:22.770

Cooper City Hall: I think because I see what is happening.

1554

02:41:22.810 --> 02:41:26.330

Cooper City Hall: That's why I put this on the agenda so that we all can discuss it.

1555

02:41:26.420 --> 02:41:27.250

Cooper City Hall: Yeah, and

1556

02:41:27.340 --> 02:41:39.480

Cooper City Hall: thank you and and one other item. I was going to bring up is, you know, even with public comment. a lot of times we recognize that some of our residents have. They want to agree or disagree with something, but they don't necessarily want to give a whole

1557

02:41:39.620 --> 02:41:58.430

Cooper City Hall: speech. They're entitled to the 4 min typically but I know that in the Legislature. They have a box that you can check, that says, you know, wave and support wave against, or something like that. And I think if you. If we implemented something like that on the public comment, it would be very simple for them. Then you would just read, You know.

1558

02:41:59.410 --> 02:42:13.510

Cooper City Hall: Joe, from the Humane Society waves and support, and then they don't have to. I like that. I do so that that will say residents. So at at at the last meeting with. I suggested it, and and the first gentleman actually utilized it.

1559

02:42:13.520 --> 02:42:37.609

Cooper City Hall: and then it went down. Bill, after that you in between date. So I I like the idea of just taking paper and check it off. It's an inefficient way of handling, and then the last. There are a couple of

things I wanted to add to this, and then I will. I will try to limit my to my 4 min, because we're not timed right now. anything. And I had spoken with the city attorney about this, too, but anything that's an advertised

1560

02:42:37.650 --> 02:42:51.709

Cooper City Hall: date certain, I think we need to have if if we're going to end the meeting at a certain time. We need to either have the timed items at the beginning, or do something to ensure that, and and make sure we cannot end a meeting until all the time date. Certain items are

1561

02:42:52.100 --> 02:43:06.629

Cooper City Hall: gone through. and then the there may need to be, even if it's a super majority a way to to extend the meeting past 1130 in emergency case right

1562

02:43:06.640 --> 02:43:19.520

Cooper City Hall: but even if it's a four-person vote, whatever it is, i'm just saying there has to be some sort of fail safe, I think, to avoid those types of what the alternative, instead of extending, you can indicate that within the next week, if you will, 150

1563

02:43:19.800 --> 02:43:21.430

Cooper City Hall: pain of the hearing will be held

1564

02:43:21.820 --> 02:43:23.589

Cooper City Hall: to finish it up period.

1565

02:43:23.710 --> 02:43:32.810

Cooper City Hall: So you know that if we're going to finish at 1130 that following week, there's going to be a night that you're going to have to uncalled for. If you will not plan.

1566

02:43:33.080 --> 02:43:43.010

Cooper City Hall: Be here. Yeah, and finish it up and and it. And is there. The last question I have for the for the group is really just. Is there a way to

1567

02:43:43.960 --> 02:43:48.970

Cooper City Hall: You know, when we have a major item like we knew the the hearing last time was going to

1568

02:43:49.070 --> 02:43:52.440

Cooper City Hall: take up, you know. Go to 1130, approximately.

1569

02:43:53.030 --> 02:43:54.630

Cooper City Hall: Is there a way to have a separate

1570

02:43:55.090 --> 02:44:01.809

Cooper City Hall: meeting, you know, just for something I mean in and they're I don't know what the process is, but that might be something we want to.

1571

02:44:01.920 --> 02:44:08.789

Cooper City Hall: So the let's talk about the last meeting. We didn't start until 1130, right, so that that was the major issue.

1572

02:44:09.000 --> 02:44:11.159

Cooper City Hall: we should add a separate meeting

1573

02:44:11.490 --> 02:44:16.880

Cooper City Hall: that that wasn't on honest, that was on staff that did that. I recommended this. The thing you said with the legislature.

1574

02:44:17.080 --> 02:44:23.539

Cooper City Hall: fill out the thing and say you check you support or not, and it was not done. Staff should have printed up and did that. They didn't do that

1575

02:44:23.590 --> 02:44:33.530

Cooper City Hall: so you can't, you know, limit the amount of meetings we're going to have, and then try to stifle our conversation. We we're required to meet in public, we're required to.

1576

02:44:33.590 --> 02:44:35.069

Cooper City Hall: We could start earlier.

1577

02:44:35.210 --> 02:44:50.149

Cooper City Hall: We could add times like like other commissions. Do we? So? People don't have to sit through the whole thing. But if you're going to start at 6, 30, and you're going to do resolutions and hand out resolutions. My one suggestion was, let's not have resolutions and meetings. Let's with these, you know awards. Let's do that. They

1578

02:44:50.160 --> 02:44:59.629

Cooper City Hall: and that's why we start doing these quarterly Awards meetings, but we still have them. So how do those items still get on there? How do we recognize Rick Case outside of the special special meeting.

1579

02:44:59.660 --> 02:45:00.570

Cooper City Hall: So

1580

02:45:00.650 --> 02:45:17.989

Cooper City Hall: you know, I thought that was because that was a time certain. But why? Why is it time? Sure, You know that Ryan case is like 300 of those things, you know. I mean they they get them from 31 cities, and every single year. So no. But you know these are the things that we try putting in, I said. Let's add more things to the consent.

1581

02:45:18.080 --> 02:45:23.299

Cooper City Hall: So it's it, you know, to try to stifle Commissioner's input, or the amount of time we have

1582

02:45:23.830 --> 02:45:39.810

Cooper City Hall: to me. That's just trying to control what we have to say once again. None of these rules matter, because it's up to 3 people, so you could say we end at 10 o'clock. But if 3 of us say no, then we don't end at 10 o'clock, right? So there's you know. It's more of a trying to find a way that we want to work with each other

1583

02:45:39.820 --> 02:45:44.039

Cooper City Hall: than than than than trying to mandate rules.

1584

02:45:44.190 --> 02:45:50.269

Cooper City Hall: The 4 min thing i'm opposed to what is happening is, you talk your whole 4 min, and the next person the next person.

1585

02:45:50.520 --> 02:45:53.729

Cooper City Hall: But maybe we should just try to move on some of the things like.

1586

02:45:53.960 --> 02:45:59.310

Cooper City Hall: Why, when we gonna call something to vote, why do we go through everyone? If you want anything to say, Why, don't, you know?

1587

02:45:59.790 --> 02:46:04.490

Cooper City Hall: Well, we've we've done that. I mean, you did that with a wreck, Exactly.

1588

02:46:04.770 --> 02:46:10.050

Cooper City Hall: you know. So do you guys want to start earlier, do you? But the only.

1589

02:46:10.140 --> 02:46:26.399

Cooper City Hall: and that is time you put certain times on the kind of commission as times you know. You don't have to show up at 4 o'clock. Actually, we start. We used to start the commission earlier, and then we pushed it back because the residents were complaining. Hey, you! The commission meetings are too early. I'm still getting off work.

1590

02:46:26.410 --> 02:46:31.780

Cooper City Hall: Can you? Can the Commission push it back so that's why we pushed it back to to 6, 30,

1591

02:46:31.810 --> 02:46:37.180

Cooper City Hall: but the expect. But the expectation is we can't. If if the residents said

1592

02:46:37.280 --> 02:46:38.460

Cooper City Hall: initially.

1593

02:46:38.680 --> 02:46:43.590

Cooper City Hall: push the meetings back so that we can get there right, and we push the meetings back.

1594

02:46:43.750 --> 02:46:44.500

Cooper City Hall: Right?

1595

02:46:45.990 --> 02:47:01.910

Cooper City Hall: That's a good thing. I don't have a problem with that, because it allows for folks right, because there are a number of people that may not have access to zoom or may not have access to a computer. So I like the fact that they can. They can come here. I think that this it the the commission I like the 4 min

1596

02:47:02.140 --> 02:47:13.549

Cooper City Hall: time limit, because it i'm just going to speak for me. It will limit. It will make sure that I only speak if i'm if i'm if i'm speaking about a particular agenda agenda item.

1597

02:47:13.790 --> 02:47:29.369

Cooper City Hall: I know I got 4 min just like the residents. I think that if the expectation, if we have the residents and we're holding them to a certain standard, I believe that the Commission should be held to the same standard. But we're the the the residents are not

1598

02:47:29.380 --> 02:47:39.129

Cooper City Hall: deliberating. I I certainly. I I understand that Commissioner shrouded but a city our size. quite honestly to Commissioner Clattsman's Point.

1599

02:47:39.220 --> 02:47:42.809

Cooper City Hall: you know meetings that go on

1600

02:47:43.730 --> 02:47:47.600

Cooper City Hall: past 1130 past 12 past 2 past 3, 30,

1601

02:47:48.010 --> 02:48:02.420

Cooper City Hall: 4, 30 in the morning. I don't believe that the expectation I don't believe any residents sitting at home is expecting to watch a commission meeting until 12 o 1, 2, 3, o'clock in the morning. That's just not the expectation

1602

02:48:02.430 --> 02:48:12.770

Cooper City Hall: that the residents have. I don't think they they. They're expecting these meetings to go on that long, you know. You can't have a cake, and you it, too. We went to 1130. We didn't start a meeting until 1130

1603

02:48:12.780 --> 02:48:42.769

Cooper City Hall: last time, because we gave 4 min of speech to plenty of, you know. Actually, I limited it to 2. Alright, so if you're welcome if you look at the County Commission. When you have. When you have an issue, it gets it goes down to 1 min. Yeah, you have a certain amount of people there. Yeah, so you can't have your kick in. You need to. Oh, we want to start the meeting where everyone can come. Show up. We want everyone to be able to speak, but we want to be out by a certain time. But you know what. Let's cancel meetings during the summer, because we'll take the summer schedule, and also during Christmas will cancel some. Me.

1604

02:48:42.780 --> 02:49:02.069

Cooper City Hall: So you guys want to get business done or not. But the Commissioner Commissioner Schrodder, we can get business done. But i'm sorry if you're trying to convince me that it's going to take into the we hours of the morning to try to get business done, when I know that we have surrounding communities surrounding cities that are 3 times 4 times our size, and they're able to get their business done

1605

02:49:02.080 --> 02:49:04.300

Cooper City Hall: with before

1606

02:49:04.610 --> 02:49:14.740

Cooper City Hall: midnight, and we're a city our size, and we can't. That's it. That says something about this commission. That okay, we have a public hearing. So 1130 at night.

1607

02:49:14.790 --> 02:49:19.589

1613

02:49:57.800 --> 02:50:10.360

Cooper City Hall: to to suggest that there to suggest that we as a commission, we can't become more efficient, and it's going to take an absorbing amount of time in order for us to be efficient. I just

1614

02:50:10.590 --> 02:50:11.340

Cooper City Hall: back.

1615

02:50:12.000 --> 02:50:14.039

Cooper City Hall: I respectfully disagree.

1616

02:50:14.410 --> 02:50:15.289

Cooper City Hall: Can I

1617

02:50:15.630 --> 02:50:21.030

Cooper City Hall: say something? Sure you can? Okay. So I understand what everyone's saying.

1618

02:50:21.220 --> 02:50:22.350

Cooper City Hall: Here's

1619

02:50:22.870 --> 02:50:24.220

Cooper City Hall: my issues.

1620

02:50:24.400 --> 02:50:33.320

Cooper City Hall: One prior to this meeting everybody had no time limit. I'm kind of feeling like the redheaded stepchild here

1621

02:50:33.420 --> 02:50:50.090

Cooper City Hall: that now, all of a sudden, you want a time time sound no point of information that that's incorrect. We all had 4 min initially. We go around once, then the role was after that. It's total discussion. There is no timeline. It was a waste because we went through the whole 4 min, and then we started this right?

1622

02:50:50.460 --> 02:50:51.460

Cooper City Hall: So.

1623

02:50:51.680 --> 02:50:57.390

Cooper City Hall: this is what I like. I like that. If I have a question to you.

1624

02:50:57.800 --> 02:51:03.759

Cooper City Hall: I can say I don't understand what you mean by whatever statement you just gave.

1625

02:51:04.270 --> 02:51:07.660

Cooper City Hall: you can politely interject

1626

02:51:07.700 --> 02:51:11.350

Cooper City Hall: and ask a question. We can't communicate

1627

02:51:11.770 --> 02:51:18.800

Cooper City Hall: other than here. And therein lies the problem, and that's been a problem for

1628

02:51:18.900 --> 02:51:20.050

Cooper City Hall: years.

1629

02:51:20.330 --> 02:51:23.040

Cooper City Hall: So if he brings up a point

1630

02:51:23.150 --> 02:51:26.000

Cooper City Hall: that leads me to think of a question.

1631

02:51:26.270 --> 02:51:36.409

Cooper City Hall: Then I want to ask him that question. But if I have to, then wait till everybody has 1 min. So when I get that, but then do it through, do it through the chair. That's the only thing it it.

1632

02:51:36.580 --> 02:51:46.599

Cooper City Hall: But then the chair is in a cranky mood, said with said with love, If the chair and this is, think, think back! The chair has been in in

1633

02:51:46.690 --> 02:51:47.760

Cooper City Hall: not

1634

02:51:48.370 --> 02:51:49.320

Cooper City Hall: the best

1635

02:51:50.420 --> 02:51:52.250

Cooper City Hall: giving of

1636

02:51:52.350 --> 02:52:10.449

Cooper City Hall: things. This chair has okay, or or or if the chair is thinking that one is pontificating more than the other, right, so therein becomes the challenge, and that's where the discussion. Excuse me, but that's where the discussion can be a problem.

1637

02:52:10.710 --> 02:52:14.059

Cooper City Hall: So and that's why so? Why Don't? We do

1638

02:52:14.140 --> 02:52:16.159

Cooper City Hall: a compromise to start.

1639

02:52:16.260 --> 02:52:17.769

Cooper City Hall: and let's see

1640

02:52:19.010 --> 02:52:20.390

Cooper City Hall: if it comes from

1641

02:52:20.440 --> 02:52:23.970

Cooper City Hall: Ashbecca. Let's see if we can.

1642

02:52:24.280 --> 02:52:27.719

Cooper City Hall: and at 1130 make an 1130 end time.

1643

02:52:29.300 --> 02:52:37.639

Cooper City Hall: and try and put more things on consent. The problem is is, I've seen agendas where there's just 50 things pulled

1644

02:52:37.810 --> 02:52:53.229

Cooper City Hall: because everybody has issues, and then that that. And again, we're putting anything on consent, and I pushed majorly for things. I consent to that. So. But let's see if we can put thing more things on a consent agenda.

1645

02:52:53.430 --> 02:52:56.580

Cooper City Hall: and then that would lead to less discussion.

1646

02:52:56.850 --> 02:52:58.390

Cooper City Hall: But there's also

1647

02:52:58.810 --> 02:53:01.239

Cooper City Hall: it. Does everybody meet with staff?

1648

02:53:01.540 --> 02:53:02.920

Cooper City Hall: My question

1649

02:53:03.210 --> 02:53:13.889

Cooper City Hall: I don't know Mr. Napoli Does everybody have the I don't even recall what you call agenda agenda reviews right? So everybody asks questions. And what have you prior to

1650

02:53:14.110 --> 02:53:19.309

Cooper City Hall: this commission? This commission? Yes, okay, so that should be good. So if we can start

1651

02:53:19.330 --> 02:53:21.159

Cooper City Hall: with an eleven-thirty

1652

02:53:21.220 --> 02:53:31.009

Cooper City Hall: and time and more things on consent and then if that works going forward, then we know that we won't necessarily need the 4 min.

1653

02:53:31.130 --> 02:53:36.840

1660

02:54:23.830 --> 02:54:36.039

Cooper City Hall: as is one of my friends, say, the Getty Burg address was done in less than 2 min we should be able to make our point succinctly, not repetitively. Yeah. But the issue is, we don't get. They get to delivery

1661

02:54:36.050 --> 02:54:45.739

Cooper City Hall: amongst each other. In with us. We don't get to do that because of the floor to sunshine. Well, so I I I had no clue about collision issues until I heard it for the first time, year.

1662

02:54:45.980 --> 02:54:52.100

Cooper City Hall: right? And I had a lot of information on that, so you know, not in backup. And that was one of the problems

1663

02:54:52.400 --> 02:54:56.270

Cooper City Hall: So we need, and we need to agree when we put an item on

1664

02:54:56.320 --> 02:54:58.659

Cooper City Hall: good to back up.

1665

02:54:58.680 --> 02:55:00.060

Cooper City Hall: I'm not saying you did.

1666

02:55:00.320 --> 02:55:02.780

Cooper City Hall: I'm just saying, Look the backup.

1667

02:55:03.260 --> 02:55:04.310

Cooper City Hall: It's

1668

02:55:04.450 --> 02:55:07.419

Cooper City Hall: Wait commission or cats.

1669

02:55:08.330 --> 02:55:14.910

Cooper City Hall: Yeah, what was I going to say? No, I like I wait for 15 min. I was just getting ready with my microphone.

1670

02:55:14.970 --> 02:55:24.990

Cooper City Hall: no, I but I do like the fact, the rotation at the beginning, and then the discussion. And because I that's what we were getting away from earlier, because I think

1671

02:55:25.220 --> 02:55:38.669

Cooper City Hall: that at least gets everybody's ideas out there, and then we can start with the questions. Now, if you have a point of information like I, I actually whispered to Ryan, because when you're talking about collision, I was like, is she talking about car repairs? I've never heard of call collision before, so

1672

02:55:38.730 --> 02:55:45.099

Cooper City Hall: you know. No, it's okay. But I like I guess I would. I could have also said point of information. What are you talking about?

1673

02:55:45.480 --> 02:55:47.930

Cooper City Hall: So my point is, I I would like.

1674

02:55:48.250 --> 02:55:51.829

Cooper City Hall: I like the dialogue. I understand what you're saying. We can't talk to each other

1675

02:55:52.210 --> 02:55:53.490

Cooper City Hall: about anything

1676

02:55:53.530 --> 02:55:55.189

Cooper City Hall: relevant to the city

1677

02:55:55.360 --> 02:56:07.430

Cooper City Hall: other than at these meetings. But I also like at least give everybody a chance to give that. Get that first round out.

1678

02:56:07.640 --> 02:56:09.599

Cooper City Hall: Why don't we wait and see.

1679

02:56:09.930 --> 02:56:15.409

Cooper City Hall: and we just get into a groove together, Guys, this is our second meeting, and you guys want to mandate rules.

1680

02:56:15.840 --> 02:56:27.109

Cooper City Hall: Well, I can't stop and talking, so you're gonna have to turn off a mic every time or something, I I think obviously the initial go around is a 4 min. I don't think anyone here has difficulty with that after that.

1681

02:56:27.120 --> 02:56:45.869

Cooper City Hall: if I find as no, what do you submit? Fine, I don't know If If Commissioner Green, and indicated that some will pontificate longer than others, then it is incumbent to all the meeting like it should be held, and that is to remind the speaker, there are others.

1682

02:56:45.940 --> 02:56:49.109

Cooper City Hall: and it's better to listen sometimes than to speak.

1683

02:56:50.140 --> 02:56:51.960

Cooper City Hall: We learn a whole lot more that way.

1684

02:56:53.040 --> 02:56:57.379

Cooper City Hall: Having said that the 1130 we need a motion to that, do we not

1685

02:56:57.540 --> 02:57:02.709

Cooper City Hall: for what? What do we have? A solution for? The to the 1130 and the

1686

02:57:04.110 --> 02:57:08.269

Cooper City Hall: and we haven't really discussed the 3. Item agenda. Oh, that's absurd.

1687

02:57:08.280 --> 02:57:27.220

Cooper City Hall: You the reason why is it is okay, let me calm down. Because because here's the one thing I put things I I once put some stuff on, and what you did was you move my items to the end on the budget hearing? So you went with the budget hearing, and then you guys left and adjourned because you didn't want to talk about about my items. That yeah, Carlos, You remember that right?

1688

02:57:27.350 --> 02:57:38.369

Cooper City Hall: Yeah. And and and so does Jacob and Joe, You guys move my items into you because you couldn't leave the meeting without voting on the budget. So you move the budget as ahead of my items, and then you guys left on me.

1689

02:57:38.660 --> 02:57:46.500

Cooper City Hall: But you you know it's primary. We had to pass the but so you're getting extra benefits over there. I'm not agreeing to the 3 things if I have.

1690

02:57:46.690 --> 02:57:47.699

Cooper City Hall: If If

1691

02:57:48.130 --> 02:57:49.600

Cooper City Hall: if a member

1692

02:57:49.960 --> 02:57:56.189

Cooper City Hall: this commission has a concern, it should go on there, you guys, could you guys could call vote or move it along at any point in time?

1693

02:57:56.640 --> 02:58:01.749

Cooper City Hall: I'll make a motion to do the 1130, and I think we should start with that. That's a compromise

1694

02:58:02.020 --> 02:58:04.350

Cooper City Hall: that, Did you? Second that?

1695

02:58:04.440 --> 02:58:07.490

Cooper City Hall: Oh, sorry I didn't hear it.

1696

02:58:07.640 --> 02:58:16.730

Cooper City Hall: I got it with that direction. Assuming this item passes we'll bring back our resolution at the next commission amending the administrative procedures to a brace in 1130. Stop time.

1697

02:58:16.880 --> 02:58:17.560

Yeah.

1698

02:58:17.700 --> 02:58:19.490

Cooper City Hall: Any further discussion on that

1699

02:58:19.900 --> 02:58:21.349

Cooper City Hall: hearing none call to vote.

1700

02:58:22.430 --> 02:58:30.180

Cooper City Hall: Commissioner Melody. Yes, Commissioner, Commissioner, Commissioner, Commissioner Green. Yes, Mayor Ross. Yes.

1701

02:58:32.100 --> 02:58:33.610

Cooper City Hall: any of the motions on there.

1702

02:58:34.550 --> 02:58:40.080

Cooper City Hall: We're going to wait and see how that one goes. We said, right? Yeah, and they will try that out. I I don't have a problem.

1703

02:58:40.140 --> 02:58:51.150

Cooper City Hall: The the difficulty i'm having with the 3. Item: agenda is, if we don't do that, and and Ryan you have

1704

02:58:51.860 --> 02:58:53.760

Cooper City Hall: on numerous occasions.

1705

02:58:53.850 --> 02:58:57.230

Cooper City Hall: Excuse me, Commissioner, you have on numerous occasions

1706

02:58:57.340 --> 02:59:00.240

Cooper City Hall: listed. I don't know 10 to 12 items

1707

02:59:00.300 --> 02:59:02.389

Cooper City Hall: essentially monopolizing

1708

02:59:02.630 --> 02:59:15.520

Cooper City Hall: the agenda. No, because the Commission at any point in time could it could table the items they have the power to do. But now we have to go through each one of them. Yeah, but the the thing is, if so, if you have, and I want this to be positive.

1709

02:59:15.600 --> 02:59:21.740

But if you are wearing a king hat and you have staff doing what you want, you don't have to put any item on the agenda

1710

02:59:22.380 --> 02:59:31.469

Cooper City Hall: hypothetically. Not that not that that would happen, but hypothetically, as opposed to somebody who's only redress is to bring the things up.

1711

02:59:31.810 --> 02:59:34.570

Cooper City Hall: And another thing is I happen to be more active.

1712

02:59:35.420 --> 02:59:38.249

Cooper City Hall: I happen to look into things more like

1713

02:59:38.630 --> 02:59:46.089

Cooper City Hall: people being overpaid, and things like that. I don't expect everyone to look into these things, but as a result I'm going to have more items to place on there.

1714

02:59:46.140 --> 02:59:50.030

Cooper City Hall: I understand that I first have Commissioner Katsman and then Commissioner Green.

1715

02:59:50.550 --> 02:59:51.499

Cooper City Hall: No, no, no.

1716

02:59:51.520 --> 02:59:56.839

Cooper City Hall: I'm not sensitive about this. I You are okay. I just want a chance. So

1717

02:59:58.920 --> 03:00:02.279

Cooper City Hall: What if who decides the order of the agenda?

1718

03:00:03.300 --> 03:00:05.269

Cooper City Hall: I'm from when you submit them.

1719

03:00:05.500 --> 03:00:16.229

Cooper City Hall: Okay. So if I send it to the now it goes on first, right? I'm kidding

1720

03:00:16.870 --> 03:00:20.569

Cooper City Hall: to group together. For instance, if the Commissioner

1721

03:00:20.630 --> 03:00:32.220

Cooper City Hall: as it as discussion items that are similar. Then we we try to group them together, but it's the General is what one the order that the received so just a suggestion. What if we rotate

1722

03:00:32.670 --> 03:00:35.579

Cooper City Hall: commissioners like seniority like we do now

1723

03:00:35.890 --> 03:00:40.619

Cooper City Hall: for talking? But you know so hypothetically, if Commissioner Green had an item.

1724

03:00:41.090 --> 03:00:42.970

Cooper City Hall: and Commissioner Shrouder had an item.

1725

03:00:43.020 --> 03:00:43.879

Cooper City Hall: It would be

1726

03:00:44.020 --> 03:00:46.500

Cooper City Hall: Commissioner Green's item, Commissioner shrouder's. Item.

1727

03:00:46.520 --> 03:00:47.470

Cooper City Hall: Then, if

1728

03:00:48.210 --> 03:00:49.289

Cooper City Hall: you know, if

1729

03:00:49.620 --> 03:00:57.739

Cooper City Hall: Commissioner Green had another item, he would be after Commissioner shrouded that way. It would rotate in order, so that

1730

03:00:57.850 --> 03:01:07.070

Cooper City Hall: in in the sense if you had an item, and it would, it would be based on the I guess, the the vote order, the reverse vote, order, or the seniority order. So if you had something, you'd go first

1731

03:01:07.240 --> 03:01:08.140

Cooper City Hall: as the mayor.

1732

03:01:08.370 --> 03:01:09.670

Cooper City Hall: but then it would

1733

03:01:09.910 --> 03:01:29.060

Cooper City Hall: the sixth light you couldn't be If we each had an item. You would be 6. You'd be first and then 6 that way. You nobody can monopolize the agenda, but you really not monopolizing it, because if you put too many things on there, you just vote to table them, or you go, or he changes him around. He changed him around. Anyway, I do have as the chair.

1734

03:01:29.100 --> 03:01:39.489

Cooper City Hall: the luxury, if you will, of looking at something and saying, we need to get through this like the budget. We need it to get a vote on that. And then everything else false.

1735

03:01:39.540 --> 03:01:45.250

Cooper City Hall: Secondary. Yeah, I understand that that's right. Commissioner Green Doesn't put items on as much as me.

1736

03:01:45.290 --> 03:01:47.409

Cooper City Hall: The Mayor rarely puts items on.

1737

03:01:47.770 --> 03:01:49.590

Cooper City Hall: I'm talking about the one now.

1738

03:01:49.710 --> 03:02:01.540

Cooper City Hall: because he wants more power.

1739

03:02:02.160 --> 03:02:05.999

Cooper City Hall: It's it's it's it.

1740

03:02:06.320 --> 03:02:13.509

Cooper City Hall: I think we should have a a a number of limited limit, the commission to a number of items. I don't believe that we should have

1741

03:02:14.870 --> 03:02:27.689

Cooper City Hall: by 1015 items on on the agenda. Because if we're if we say that we're gonna okay? Well, as a Commissioner, I can. I should have 15 items. Oh, but if we want to table them we can. Well, no, I I I should have the.

1742

03:02:28.190 --> 03:02:30.340

Cooper City Hall: I should be thinking, okay, wait a minute.

1743

03:02:30.490 --> 03:02:37.679

Cooper City Hall: If I have 15 items on the agenda, the the the likelihood is that it's going to take up a considerable amount of time.

1744

03:02:39.780 --> 03:02:41.180

Cooper City Hall: again.

1745

03:02:41.360 --> 03:02:51.790

Cooper City Hall: if we're talking about getting out of here at 1130, which this commission has just approved. Hey, we want to be out of here at 1130. I don't, and I don't see why we can't limit ourselves to

1746

03:02:52.510 --> 03:02:53.900

Cooper City Hall: a number of

1747

03:02:53.930 --> 03:02:59.819

Cooper City Hall: agenda items. Commissioner Charter. You are correct, Commissioner. Shrouder is passionate about the city

1748

03:02:59.940 --> 03:03:10.389

Cooper City Hall: likes to get involved, and likes to be involved in in in aspects, and I respect that, and as such he will put more things on the on, on the on the agenda.

1749

03:03:11.710 --> 03:03:14.310

Cooper City Hall: I don't think everything needs to be on the agenda

1750

03:03:14.340 --> 03:03:21.690

Cooper City Hall: at every LED. I don't think 15 items should be on the on one agenda. I know that I I think we can. I think that we can.

1751

03:03:22.580 --> 03:03:29.670

Cooper City Hall: There's a you can do. You can get what you need to get accomplished. But not having to put everything on the agenda.

1752

03:03:30.490 --> 03:03:33.969

Cooper City Hall: and knowing that it's going to take up some time. That's all

1753

03:03:34.080 --> 03:03:35.140

Cooper City Hall: I I

1754

03:03:35.320 --> 03:03:45.030

Cooper City Hall: and I think a lot of the things. If you want to put on the agenda. If you speak with the city manager initially, a lot of it can be cut through with a lot of red tape, and he can take care of it.

1755

03:03:45.040 --> 03:03:59.810

Cooper City Hall: So again, the owners should be on the Commission to figure out priorities which 3 are most important to you. And and again, 15 items will take an entire night. I I don't believe, under State law. You guys could prohibit me.

1756

03:04:00.300 --> 03:04:12.819

Cooper City Hall: I'm required to discuss things with you up here. So under State law, I do not believe you could prohibit me from giving notice to the public about what I want to talk to you about. Now Jacob could take a different position, but I would say that by State law. I'm prohibited

1757

03:04:12.830 --> 03:04:33.630

Cooper City Hall: from bringing things up, unless I let the residents know in the in the interest of transparency we are being paid by the taxpayers, so I know it's it's nice to come here and get it in and out in 10 min. But that's not what we're saying. I'm going to comply, and i'm going to put the items on. If

you guys don't notice it, You're fine by stay low, but I am not going to have a conversation right. And you rising notice.

1758

03:04:33.640 --> 03:04:36.550

Cooper City Hall: Commissioner, you're right again. So

1759

03:04:37.310 --> 03:04:38.300

Cooper City Hall: assume

1760

03:04:38.520 --> 03:04:40.440

Cooper City Hall: that you put 15 items on.

1761

03:04:40.800 --> 03:04:44.860

Cooper City Hall: and everyone and everyone else puts a bunch of items on

1762

03:04:45.080 --> 03:04:46.909

Cooper City Hall: 1130 comes

1763

03:04:47.070 --> 03:04:48.030

Cooper City Hall: we're done

1764

03:04:48.580 --> 03:05:00.860

Cooper City Hall: unless the majority vote to continue that wasn't in the resolution was it?

1765

03:05:01.230 --> 03:05:04.350

Cooper City Hall: Oh, can 3 of us just for arguments like the 3 of us

1766

03:05:04.510 --> 03:05:08.449

Cooper City Hall: vote right now to take away Greg's gavel and give it to Jeremy.

1767

03:05:09.410 --> 03:05:24.139

Cooper City Hall: No; but but but on any one particular item of order a majority can override the chair. Why couldn't we? Why couldn't we change? Who who's in his in his job description? But who who interprets the charter? It's in the tool. It's in the charter, but who interpret it

1768

03:05:24.210 --> 03:05:46.190

Cooper City Hall: hypothetically. Just the question interprets what you want. That's the answer. No, no, no, no, Jacob. The Commission interpret so we could. We could interpret that he gets to hold the gavel. So we're just well. I like Jeff better. Jeff get some commission agreeing. How about this, my my heart? We're brand new together. Let's try to. I'll try not to put as many items on let's

1769

03:05:46.200 --> 03:05:47.499

Cooper City Hall: will be more collegiate.

1770

03:05:47.560 --> 03:05:49.780

Cooper City Hall: Please you go.

1771

03:05:50.920 --> 03:05:52.789

Cooper City Hall: and why don't we just see how it works.

1772

03:05:53.070 --> 03:06:01.970

Cooper City Hall: Commissioner. Not a problem, Jeff. Did you have any? No, no, no, no, no, I don't want the No, no, no, no, no! Don't want it. Don't need don't want it. Don't need it.

1773

03:06:03.020 --> 03:06:05.939

Cooper City Hall: I have no problem with what Commissioner shrouded said.

1774

03:06:06.800 --> 03:06:10.670

Cooper City Hall: Right. Let's try it out. There you go. Let's try that. But

1775

03:06:11.260 --> 03:06:13.020

Cooper City Hall: i'm I'm saying publicly.

1776

03:06:13.310 --> 03:06:20.549

Cooper City Hall: you know, if we have a let's not even if Commissioner Melosie, or if the mayor or or Commissioner Katzman.

1777

03:06:21.230 --> 03:06:26.700

Cooper City Hall: you put 15 items on the agenda. Then you know what I don't First of all

1778

03:06:27.090 --> 03:06:28.630

Cooper City Hall: that's going to be an issue

1779

03:06:28.700 --> 03:06:36.070

Cooper City Hall: right, because I think I think we're look at least for me. I'm looking for equity across, and fairness

1780

03:06:36.930 --> 03:06:41.289

Cooper City Hall: fairness, not only to each other, but fairness to the residents

1781

03:06:41.300 --> 03:06:57.039

Cooper City Hall: the expectation that they have. I'm sure that these young ladies that are still here now they're probably thinking, When is this commission meeting going to end, or this is more enjoyable than I thought right.

1782

03:06:57.050 --> 03:07:04.430

Cooper City Hall: I want to make sure that things not not only that we're respecting one another, but that we're respecting the folks that we

1783

03:07:04.480 --> 03:07:15.720

Cooper City Hall: are here to serve. Thank Commissioner in regards to that. And going back to what Commissioner Katsman said, do you not want to agree that the items should be alternated

1784

03:07:15.850 --> 03:07:17.360

Cooper City Hall: Seniority wise.

1785

03:07:17.400 --> 03:07:19.519

Cooper City Hall: I don't have a problem with that. I don't either.

1786

03:07:19.660 --> 03:07:30.579

Cooper City Hall: Commissioner. It's not an issue, but it's not an issue, because well, it it keeps. It keeps a lot of the items, if you will centered.

1787

03:07:31.190 --> 03:07:36.780

Cooper City Hall: and but you don't put items on you and put items on, then then it's going to go really quick. So would have on me and her.

1788

03:07:37.050 --> 03:07:40.869

Cooper City Hall: Okay.

1789

03:07:41.370 --> 03:07:54.849

Cooper City Hall: you need to do that. Do you not need me clarification, creating a policy that doesn't make sense. I'm sorry the poor clerk is going to have to play, you know, t tech toll with the items. Oh, it's just on seniority

1790

03:07:55.240 --> 03:07:58.009

Cooper City Hall: based on seniority. Done all right. That's follow me.

1791

03:07:58.450 --> 03:08:01.650

Cooper City Hall: Then do I have a motion to that effect, and i'll need a second

1792

03:08:01.950 --> 03:08:02.670

motion

1793

03:08:02.710 --> 03:08:04.969

Cooper City Hall: motion made second second call the Vote

1794

03:08:09.060 --> 03:08:10.400

Cooper City Hall: Commissioner Melody.

1795

03:08:11.420 --> 03:08:12.090

Yes.

1796

03:08:12.190 --> 03:08:16.989

Cooper City Hall: Commissioner, Commissioner, Commissioner.

1797

03:08:17.000 --> 03:08:36.769

Cooper City Hall: Yes, if I could. Yeah. You don't know what we Well, I I I think that I do if I could just clarify. So my understanding is, you've done 2 things: Commission adopted, one motion that would require us to bring back your resolution providing for an 1130 stop time. The second part of that action was that items placed on the agenda by members of the Commission

1798

03:08:36.780 --> 03:08:50.969

Cooper City Hall: shall be alternated on the agenda by seniority of the member who placed that item on the agenda. Right? Is that correct? And I I have one more thing on this? No, no, no! Another motion. So when I got on it, what happened is the the newest person had vote first.

1799

03:08:50.980 --> 03:09:07.559

Cooper City Hall: which is odd because because they have the least amount of experience, and and to me I would want to see the the members with the most experience. See how they vote first. So I think we should. We should switch it to the most senior person Votes for that to charter change? No, it's not. Yeah, it doesn't say in the charter or back. J.

1800

03:09:07.940 --> 03:09:15.639

Cooper City Hall: It is. Is that absurd? It's not in the charter how we, I believe it is it's not folks we are saying, i'm right.

1801

03:09:15.650 --> 03:09:29.980

Cooper City Hall: I promise you it's not it. I I will have to check the charter. It is in our it is in our administrative procedures, resolution, and the one we're adjusting right now. Correct, and what the resolution says that the vote upon any ordinance, resolution, motion, or other matter show you a roll call

1802

03:09:30.110 --> 03:09:47.790

Cooper City Hall: upon every roll call vote the names the Commissioner shall be called in a reverse order of seniority, provided, however, the mayor shall always cast his or her vote. Last. Yeah. So what i'm recommending is provided i'm. Right, which I know it's not in the charter of that thing that's just on who takes office in in the in the event of the the May or not being there.

1803

03:09:47.800 --> 03:10:09.229

Cooper City Hall: and who runs a meeting that's the part in the but not how we that that is correct. So I knew there was something that what i'm i'm proposing is, we be leaders and us with more seniority. We go first to help out the ones without. So the Mayor, as our leader leads and says us, how's going to vote, then, Commissioner Green and and thank you, Commissioner Sher. But I respectfully disagree, because

1804

03:10:09.510 --> 03:10:37.300

Cooper City Hall: we as leaders, you want to make sure that if you have new new people, new commission coming on the board, and they are inexperienced, and they don't, and they don't have the full knowledge of, or or have the perspective of being in it in an office for a while, and don't understand some things. You want to make sure that those folks are voting at first, because you want you want your leaders to make to make sure at the end that okay, I agree with that young person or I disagree. And here's how it's going to happen.

1805

03:10:37.310 --> 03:10:57.699

Cooper City Hall: But they did with me as as because, thank you very much. The first voter for me. I was the first voter not too long ago, and I just found I was often looking to your advice and your advice, but I didn't get to hear it. I had to vote you did. You did. Why would you heard the discussions? I was? You just didn't like what I was saying.

1806

03:10:57.710 --> 03:11:04.170

Cooper City Hall: So I want you guys to go first, and and so I think that Lisa and Jeremy should go last.

1807

03:11:04.310 --> 03:11:08.280

Cooper City Hall: I know why and I I agree with Commissioner Green, and so do I

1808

03:11:08.570 --> 03:11:11.740

Cooper City Hall: thank you anything further on this issue.

1809

03:11:11.920 --> 03:11:13.509

Cooper City Hall: Hearing none, we'll move on

1810

03:11:14.430 --> 03:11:42.710

Cooper City Hall: and that is ordinances, Jacob 2226. Thank you, Mayor. Our commission. The item is an ordinance of the city of Cooper City, Florida, mending chapter 25 article 2 of the city's code of audiences entitled Signs by specifically Amending Section 2526 entitled window signs permitting all colors to be eligible for window signs limiting all permitted types of lit windows signage to be only illuminated during business hours, eliminating the holiday season. Restriction of October fifteenth, through January fifth

1811

03:11:42.820 --> 03:11:56.790

Cooper City Hall: for both temporary windows signage and window lighting, and for the reference that provision is actually been eliminated, the th that that, correct as it and it should not be on the agenda provided for conflicts kind of a codification, severability and fighting for an effective date. Right? We we did.

1812

03:11:57.210 --> 03:12:03.650

Cooper City Hall: and and and and for reference, the holiday signage. Time period is not included in the backup.

1813

03:12:04.330 --> 03:12:09.039

Cooper City Hall: that change was removed right? A motion approved, subject to revision.

1814

03:12:10.050 --> 03:12:18.439

Just tell us now just that that, that any any lights or limited signs have to be 36 inches from the window.

1815

03:12:18.470 --> 03:12:19.510

Cooper City Hall: Which way?

1816

03:12:19.640 --> 03:12:35.310

Cooper City Hall: Top bottom way. Yeah. Way so like kind of like the exit sign there, set back. Well, I mean that's what i'm in as far as what you purpose. The tall one, so that you can't have all the flashing lights around the window, and that's how the old code used to be 40

1817

03:12:35.320 --> 03:12:50.100

Cooper City Hall: about 48 inches. So if you wanted to have a sign you you can, but you can't have all the pawn shop looking stuff. So when I was on P. And C. I remember this, and what the difficulty was, people were literally having signs hanging over

1818

03:12:50.340 --> 03:12:52.729

Cooper City Hall: where, and i'm not talking an exit sign

1819

03:12:52.910 --> 03:12:55.819

Cooper City Hall: hanging over where the tables were. They didn't feel comfortable.

1820

03:12:56.740 --> 03:12:59.289

Cooper City Hall: oh, you mean like in a

1821

03:13:00.400 --> 03:13:13.880

Cooper City Hall: I I mean, maybe that could be an issue. But I i'm just saying we have it's typically within the window and casement, I believe, is what Commissioner Shotter is. Yeah, not within. I I don't think it should be within the window and casement because we're we're getting this pawn shop looking.

1822

03:13:14.060 --> 03:13:15.739

Cooper City Hall: So then I thought, we

1823

03:13:16.020 --> 03:13:17.659

Cooper City Hall: can. I ask you a question?

1824

03:13:18.190 --> 03:13:21.850

Cooper City Hall: I thought at the last meeting we were talking about getting rid of the

1825

03:13:22.510 --> 03:13:41.129

Cooper City Hall: on shop. Look yeah, that's where we were talking about that or someone was bringing that up. Yeah, but we said we would bring it up. Now we would do it here correct, but that wouldn't necessarily mean moving a sign back because you have to look at it from a business owner's point of view, so they're going to use the windows

1826

03:13:41.640 --> 03:13:46.689

Cooper City Hall: to try and solicit business. Not the blinky lights. We don't want them to look like a pawn shop.

1827

03:13:46.920 --> 03:13:49.400

Cooper City Hall: and they don't want to look like a

1828

03:13:49.570 --> 03:13:51.640

Cooper City Hall: a pawn shop, but

1829

03:13:51.690 --> 03:13:57.919

Cooper City Hall: they do want to be able for people to see when they're driving by. So if you put things

1830

03:13:58.390 --> 03:14:17.759

Cooper City Hall: 4 feet back. You're ruining the chances of people passing by seeing any kind of window display. Traditionally, the only things, the only electric lights that you have in the windows exit and open and closed, you open and closed, which look fine when they're set back. Or now, because we got rid of that rule, we're having the encased

1831

03:14:18.110 --> 03:14:31.520

Cooper City Hall: lights that are encasing the so yeah, how does it? Yeah, it looks? Yeah, I'm: sorry. What is that? All the gas station looks tacky. So we have the gas station. We have all the smoke shops now that have totally in case lights.

1832

03:14:31.810 --> 03:14:39.859

Cooper City Hall: and it's not it's not like they have writing in case they're just trying to, you know. It looks stacky, so I don't think you should be able to have in case lights.

1833

03:14:40.240 --> 03:14:44.279

Cooper City Hall: and it's not regular, but it's not like you're signed

1834

03:14:44.670 --> 03:14:57.420

Cooper City Hall: in there. Be better than the 36 inches. We're not supposed to well but 36 inches. Let you put your open sign but you can't in case 36 inches off, because you're You're off the you know. You're off the encasing.

1835

03:14:57.790 --> 03:15:00.199

Cooper City Hall: I just don't want to stop someone from putting

1836

03:15:00.430 --> 03:15:02.699

Cooper City Hall: like a an advertisement

1837

03:15:03.190 --> 03:15:08.190

Cooper City Hall: like like I'm just gonna use like jam our jewelers, let's say, there Pandora is having a sale.

1838

03:15:08.640 --> 03:15:13.610

Cooper City Hall: They're going to throw a a pretty bracelet in the window

1839

03:15:13.720 --> 03:15:19.559

Cooper City Hall: I mean a picture of a of a bracelet. It's Mother's day and it's a the mother's day charm or whatever.

1840

03:15:19.950 --> 03:15:31.639

Cooper City Hall: and they're going to put a picture like that in the window to try and get you into the store to say this is the promotion we're having. But if it's 3, 4 feet 3 feet behind it. I put the picture that you can't put

1841

03:15:31.790 --> 03:15:33.349

Cooper City Hall: lighting by lighting

1842

03:15:33.550 --> 03:15:38.500

Cooper City Hall: It's the lighting. That's the so at night they won't. See it

1843

03:15:38.560 --> 03:15:43.400

Cooper City Hall: so. Is that going to hurt the business? No, I mean the only ones I really know that do it are.

1844

03:15:43.480 --> 03:15:48.609

Cooper City Hall: And we don't have any phone

1845

03:15:49.210 --> 03:15:56.010

Cooper City Hall: that. Actually, that exact example came up at the Business Advisory Board. Carlos will probably remember the the Jmr.

1846

03:15:56.250 --> 03:16:07.120

Cooper City Hall: Owner was talking about the Pandora light lighted sign. No joke. Yeah. And because he's on the Business Advisory Board right? And then

1847

03:16:07.940 --> 03:16:13.010

Cooper City Hall: he did have an issue with even regulating the hours of business hours because he was saying that his

1848

03:16:13.160 --> 03:16:27.419

Cooper City Hall: he's technically open online all the time. So how do you regulate this hours? And you know, I know we talked about storefront. I'm just saying that that that example did come up. And you know, he said, it helps spring in business. So i'm just bringing that up to. That's a light that a blinky light, though. Yeah.

1849

03:16:27.500 --> 03:16:45.679

Cooper City Hall: yeah, it's just like a like a a blinky light. Let me show you. And and and while you're doing that. Well, I believe we are addressing that. And in the in the window Sign Code section that we're addressing. Now that's being addressed to being restricted to business hours only.

1850

03:16:45.690 --> 03:16:49.679

Cooper City Hall: But Commissioner Shrouder is alluding to is just the window. K. Smith lighting

1851

03:16:49.720 --> 03:16:58.939

Cooper City Hall: I don't know. Does it display anything? It's not a logo. It's not a P. Or assign it's literally just with no encasement lining

1852

03:16:58.950 --> 03:17:11.770

Cooper City Hall: being the gas is my, and just from the one that I went to the P. And Z. Or business discuss the item that Commissioner shredder is indicating to pull it. 36 inches away. No.

1853

03:17:11.870 --> 03:17:17.120

Cooper City Hall: and they're all doing it. What are your thoughts on that?

1854

03:17:17.580 --> 03:17:19.909

Cooper City Hall: It comes difficult to hang them?

1855

03:17:20.230 --> 03:17:22.730

Cooper City Hall: is now you're not.

1856

03:17:23.540 --> 03:17:25.690

Cooper City Hall: That's the gas station. Now

1857

03:17:27.660 --> 03:17:30.149

Cooper City Hall: Zoom, You can zoom out. That's the gas station by Wendy's.

1858

03:17:31.640 --> 03:17:32.380

Cooper City Hall: You kidding?

1859

03:17:32.510 --> 03:17:33.180

Cooper City Hall: No.

1860

03:17:35.700 --> 03:17:42.580

Cooper City Hall: I don't want that.

1861

03:17:43.740 --> 03:17:47.450

Cooper City Hall: I guess you need to show it to the camera, too, so everybody knows what you're talking about.

1862

03:17:49.390 --> 03:17:51.959

Cooper City Hall: you know, to track more and select all the smoke shopping

1863

03:17:52.130 --> 03:17:52.720

that out here

1864

03:17:54.830 --> 03:18:10.020

Cooper City Hall: and there's a smoke shop right on there so you could. They could still have lighting. I don't know if there's profit, but not in, you know. Okay. So show the camera so that the camera can see sooner or that way. I'm not going to be able to see and to doubt that they'll see it. But give the location of that.

1865

03:18:10.210 --> 03:18:14.129

Cooper City Hall: This one is on sterling across from the police and fire station. But

1866

03:18:14.300 --> 03:18:26.949

Cooper City Hall: over by Walmart Plaza there's a smoke shop now that has it's fully encased, and then over by havana's there's another smoke there, I said. There's one right there, and and the plaza across Cooper Square has one.

1867

03:18:27.430 --> 03:18:35.830

Cooper City Hall: But Jerry didn't the Jeremiah is yeah and a smoke shop for convenient store. So Mr. Vega so all right, so based on what Commissioner shrouded, saying.

1868

03:18:35.850 --> 03:18:37.889

Cooper City Hall: if he so

1869

03:18:37.970 --> 03:18:41.249

Cooper City Hall: if we include that amendment.

1870

03:18:41.510 --> 03:18:51.400

Cooper City Hall: or that yeah, that amendment to what's on on the second reading the gas station he would be prohibited from those lights right out front like that.

1871

03:18:51.490 --> 03:18:52.570

Cooper City Hall: Correct

1872

03:18:53.100 --> 03:18:55.810

Cooper City Hall: just that. Not like their shopping legs on their way.

1873

03:18:57.250 --> 03:19:10.769

Cooper City Hall: Okay, and so to Commissioner Melosi's Point, the Jmr. Jeweler, if he has a if he wants to advertise a pandora bracelet, and it's a lit Pandora bracelet

1874

03:19:10.930 --> 03:19:18.580

Cooper City Hall: advertisement inside of his location that would have to be 36 or 36 inches away from the window

1875

03:19:19.610 --> 03:19:33.180

Cooper City Hall: that that's the Commissioner Charlotte, is proposing our code in Section D, one of the city code of 2526 for window signage, lighting it specifically says that it shall be permitted to mount these

1876

03:19:33.190 --> 03:19:39.680

Cooper City Hall: within an attached window casement as a border provided as absent of any logo, graphic, or signage

1877

03:19:42.160 --> 03:19:46.389

Cooper City Hall: that's our current. But the one we had before was 40,

1878

03:19:46.590 --> 03:19:49.839

Cooper City Hall: 48. This is this is still. This is

1879

03:19:51.170 --> 03:19:52.450

Cooper City Hall: from where from?

1880

03:19:52.800 --> 03:20:00.430

Cooper City Hall: This is 15 feet 12.

1881

03:20:00.470 --> 03:20:09.249

Cooper City Hall: Okay. So you're proposing is from a window. I'm proposing to go one foot less than you had the majority of time. No, I understand that. But i'm just saying it's right.

1882

03:20:09.450 --> 03:20:21.090

Cooper City Hall: I'm not saying it's right. I'm saying, this still is not business friendly, but I don't I think it's anecdotal to think that somebody's back in account that I agree with you on that.

1883

03:20:21.380 --> 03:20:23.289

Cooper City Hall: I don't care

1884

03:20:23.600 --> 03:20:27.969

Cooper City Hall: I want. I want to. I know that businesses are struggling. I want to be able to

1885

03:20:28.050 --> 03:20:29.139

Cooper City Hall: let them

1886

03:20:29.270 --> 03:20:33.269

Cooper City Hall: promote a a bracelet. I don't want a blinky light

1887

03:20:33.900 --> 03:20:40.190

Cooper City Hall: that that doesn't look good. I agree with you that that Blinky like totally does look tacky. But if

1888

03:20:40.440 --> 03:21:00.049

Cooper City Hall: someone. If you know the taste of the city's got a a lunch special or something, and they want to put that up, or I don't. I don't. You know I don't want to prohibit someone, but I mean it's not. It's not saying they can't have soft lighting to make their profit. How are you going to be able to see what you're showing me. No, not not These are loud. Those are loud, right.

1889

03:21:00.340 --> 03:21:12.009

Cooper City Hall: Those are allowed it's just this around here, so you can have your whole front of your building lit up. You don't have to be in the dark, but you just can't in case it like this. But what i'm saying is inside your building inside.

1890

03:21:12.580 --> 03:21:14.090

Cooper City Hall: But she's Jane Marcus

1891

03:21:14.140 --> 03:21:20.380

Cooper City Hall: sometimes go in there inside. Jmr. Do they have a spotlight potentially on

1892

03:21:20.430 --> 03:21:21.539

Cooper City Hall: something.

1893

03:21:21.960 --> 03:21:25.729

Cooper City Hall: and if they do, is that does that have to be 3 feedback?

1894

03:21:25.980 --> 03:21:26.840

Cooper City Hall: Good question.

1895

03:21:29.280 --> 03:21:30.340

Cooper City Hall: I guess.

1896

03:21:30.600 --> 03:21:46.360

Cooper City Hall: I mean, if they want to put a sticker in the window. They could put a sticker in the window. If they want to have their their storefront lit up, they can have their storefront lit up. You just can't put lights like that. Yeah, in great or against it, or against the window like here. Here's their other one

1897

03:21:46.700 --> 03:21:59.440

Cooper City Hall: delta, 8. That's a weed or something. So if they had a if they had a for Jmr. J. L. Since we're talking about that if they had a a pitch as a not not necessarily spot

1898

03:21:59.550 --> 03:22:01.520

Cooper City Hall: something blown up

1899

03:22:01.760 --> 03:22:03.500

Cooper City Hall: right, and they have it on the window.

1900

03:22:03.930 --> 03:22:07.769

Cooper City Hall: That's permissible, like if they're advertising the Pandora bracelet.

1901

03:22:07.990 --> 03:22:10.890

Cooper City Hall: it's a temporary signage.

1902

03:22:10.950 --> 03:22:15.820

Cooper City Hall: but the lighting around it. They would be okay with the lighting on the window or

1903

03:22:16.050 --> 03:22:19.909

Cooper City Hall: for our code. Right now they can have window casement lighting

1904

03:22:20.670 --> 03:22:24.829

Cooper City Hall: what Commissioner Schrodder is proposing is to move it back

1905

03:22:24.920 --> 03:22:35.659

Cooper City Hall: 36 inches, but they don't have to move the sign. They don't have to move the temporary sign. No, okay, I see what you can. Yeah, You also need the temporary sign. You just

1906

03:22:35.830 --> 03:22:37.319

Cooper City Hall: can. I ask you your

1907

03:22:37.390 --> 03:22:38.440

Cooper City Hall: recommendation?

1908

03:22:39.820 --> 03:22:43.959

Cooper City Hall: we discussed it. The only thing I I would add to that is.

1909

03:22:44.430 --> 03:22:46.970

Cooper City Hall: and the installation obviously

1910

03:22:47.040 --> 03:22:52.659

Cooper City Hall: doing the window Casement lighting is a lot easier to install than having it 36 inches off. Now you're

1911

03:22:52.750 --> 03:22:57.739

Cooper City Hall: broadly attaching into the ceiling grids. You gotta hang these lights. They're hanging.

1912

03:22:57.800 --> 03:23:04.409

Cooper City Hall: so there's potential that could fall those those kind of things that the business owners may

1913

03:23:04.520 --> 03:23:08.289

Cooper City Hall: incur with hanging these lights from the ceiling

1914

03:23:11.520 --> 03:23:12.580

Cooper City Hall: anything further?

1915

03:23:13.400 --> 03:23:16.140

Cooper City Hall: What! What? What? You, what was your opinion?

1916

03:23:16.770 --> 03:23:30.140

Cooper City Hall: Your suggestion obviously installing it up against a window casement is a lot safer. It's easier for the installation purposes. You're hanging these lights now, probably from your ceiling grid, or from the so it's

1917

03:23:31.880 --> 03:23:33.079

Cooper City Hall: you know. Now you're

1918

03:23:33.160 --> 03:23:35.820

Cooper City Hall: the business Owners have some more liability

1919

03:23:37.720 --> 03:23:39.450

Cooper City Hall: on the wrong way of the

1920

03:23:43.860 --> 03:24:00.390

Cooper City Hall: up to you. Commission charter. What are you? I mean, if you guys want to allow it, it's okay. I'm just saying we've gotten 3, and they're going to keep popping up and they look really tacky. But if you guys are going to do No, no, no, no, I I I think we all agree that that look is not what we want.

1921

03:24:00.720 --> 03:24:02.920

Cooper City Hall: The question is, how do we get

1922

03:24:03.180 --> 03:24:04.260

Cooper City Hall: to where

1923

03:24:04.330 --> 03:24:05.660

Cooper City Hall: and and again

1924

03:24:06.570 --> 03:24:07.619

Cooper City Hall: yours is?

1925

03:24:07.710 --> 03:24:10.209

Cooper City Hall: I'll I'll use your drastic method

1926

03:24:10.270 --> 03:24:26.319

Cooper City Hall: to avoid that. Is there not another way. Verbage wise. You have to have something that has it off the case, so you could say 12 inches. You could say 24 inches just has to be off the you know. So it's not it within the case, because you're not going to hang it like a framed, you know.

1927

03:24:26.330 --> 03:24:38.410

Cooper City Hall: Yeah, so I could we could do 24 inches? I don't care what about size. Yeah, like what if it doesn't have to be set back? To? What if it's size? Well, I mean, because otherwise you're going to have hard because you have when you're going to measure going and measure light bulbs.

1928

03:24:39.220 --> 03:24:42.419

Cooper City Hall: No, no, it's length. And the

1929

03:24:42.630 --> 03:24:45.639

Cooper City Hall: how many linear. Feet would that be a lot.

1930

03:24:45.800 --> 03:24:50.059

Cooper City Hall: you know. Yeah, that might be hard, because you're gonna have different size storefront. So

1931

03:24:50.250 --> 03:24:50.929

Cooper City Hall: from a

1932

03:24:50.980 --> 03:24:53.739

Cooper City Hall: I think you have to. You have to come off the window.

1933

03:24:53.780 --> 03:25:01.249

Cooper City Hall: but most signs are, you know, if if you have the Pandora, we're talking about Pandora, you know it's probably about 2 feet wide. Give or take.

1934

03:25:01.990 --> 03:25:03.340

Cooper City Hall: So if you limit

1935

03:25:04.270 --> 03:25:09.559

Cooper City Hall: well, the lid signs have a criteria. They have to be no greater than 3 square feet in area.

1936

03:25:09.790 --> 03:25:11.350

Cooper City Hall: so no no lit.

1937

03:25:12.400 --> 03:25:22.030

Cooper City Hall: Something can be more than 3 square feet in area, but it's not the sign i'm worried about. I'm worried about the window and casement. Yeah, no, I get it. I Commissioner.

1938

03:25:22.140 --> 03:25:28.289

Cooper City Hall: So are you asking, or you am I'm sorry. How about I say no window and casement lights.

1939

03:25:28.330 --> 03:25:32.169

Cooper City Hall: and then we don't

1940

03:25:32.630 --> 03:25:52.239

Cooper City Hall: All right. Are you? Make the motion to include that in the motion in the ordinance? Yeah, there's no window in casement lighting allowed. Do I have a second second? Okay. It will be a D. One, Yako? Well, just to the window and casement. All right. We have the motion. We have a second.

1941

03:25:53.400 --> 03:26:02.550

Cooper City Hall: Sure, I was going to do that before, because can I say something before I open it up to the public here. Oh, well, here, because i'm going back to his his photo.

1942

03:26:03.290 --> 03:26:03.949

And

1943

03:26:04.120 --> 03:26:05.270

Cooper City Hall: so these are

1944

03:26:05.460 --> 03:26:06.949

Cooper City Hall: neon signs.

1945

03:26:07.840 --> 03:26:08.789

Cooper City Hall: Now

1946

03:26:09.980 --> 03:26:13.010

Cooper City Hall: the neon signs i'm going. This is his phone. Sorry.

1947

03:26:13.230 --> 03:26:15.289

Cooper City Hall: how far back are they? Currently.

1948

03:26:15.920 --> 03:26:26.330

Cooper City Hall: you're saying that they're They're 3 feet back. They can put it up to the looking together right on there, currently up to the window. The old rules 4 feet right so now it's whatever

1949

03:26:26.530 --> 03:26:30.059

Cooper City Hall: you can see. I know when i'm driving down Griffin Road

1950

03:26:31.930 --> 03:26:36.689

Cooper City Hall: and the the vape shop. That's that's there. I can see their stuff.

1951

03:26:36.910 --> 03:26:41.539

Cooper City Hall: I'd say loud and clear, but that's not the proper term, but I could see it very clearly

1952

03:26:42.530 --> 03:26:43.430

Cooper City Hall: so.

1953

03:26:43.460 --> 03:26:48.449

Cooper City Hall: even if you were to put this 2 feet into the wind into the the storefront.

1954

03:26:48.540 --> 03:27:04.450

Cooper City Hall: you're going to see this, which one, these, these, this Delta whatever. And whatever the heck, that circle thing is, i'm not really sure what that is. So I think the direction that you guys are going in is either prohibited or or allow it. I I don't think

1955

03:27:04.550 --> 03:27:11.619

Cooper City Hall: setting it back is the right answer. This is more. Oh, look, see, they can zoom in, because this is more.

1956

03:27:13.140 --> 03:27:21.770

Cooper City Hall: Oh, okay, so I'll i'm going to make it smaller. So here I move move wrong way, so I am not good with this.

1957

03:27:21.820 --> 03:27:22.940

Cooper City Hall: This

1958

03:27:23.030 --> 03:27:26.490

Cooper City Hall: is the encasement windows in case anyone is

1959

03:27:27.280 --> 03:27:32.860

Cooper City Hall: questioning, and then I will never make it on. Qvc. This is

1960

03:27:33.030 --> 03:27:35.609

Cooper City Hall: God. How do they do that? These are.

1961

03:27:35.760 --> 03:27:38.529

Cooper City Hall: I am horrible. These I give up.

1962

03:27:38.600 --> 03:27:50.230

Cooper City Hall: and the other 2 things to the next to the doors are the the the lights that i'm talking about. So, no matter how far back you were to put those lights, you're still going to see them.

1963

03:27:50.300 --> 03:27:51.560

Cooper City Hall: and

1964

03:27:51.910 --> 03:27:55.629

Cooper City Hall: there's no I don't know of anything

1965

03:27:56.530 --> 03:27:59.890

Cooper City Hall: or any business that has these lights

1966

03:27:59.970 --> 03:28:07.460

Cooper City Hall: other than just lost it. Oh, there we go! Thank you other than those types of shops at night

1967

03:28:08.600 --> 03:28:11.800

Cooper City Hall: I do see the 7 11.

1968

03:28:11.910 --> 03:28:14.359

Cooper City Hall: We'll have the the lotto numbers.

1969

03:28:15.260 --> 03:28:17.919

Cooper City Hall: But that's that. I think that's really it

1970

03:28:18.050 --> 03:28:36.599

Cooper City Hall: all right. So I think if we start with the window and casing. Right, then we'll. We'll see the motion has been made, and the it has been seconded to include in ordinance 22 des 26 that there's a prohibition of encasement lighting yeah, window engagement line. And that's what we're voting on. Call the vote. Okay.

1971

03:28:40.220 --> 03:28:45.290

Cooper City Hall: Oh, I'm: Sorry.

1972

03:28:46.620 --> 03:28:47.900

Cooper City Hall: Commissioner Kasman

1973

03:28:47.970 --> 03:28:49.699

Cooper City Hall: Commissioner

1974

03:28:49.820 --> 03:28:51.140

Cooper City Hall: Commissioner Green.

1975

03:28:51.650 --> 03:28:55.569

Cooper City Hall: Yes. Yes. Now i'm going to open it up for public hearing

1976

03:28:55.800 --> 03:29:07.099

Cooper City Hall: anyone watching to speak on this matter, please, in City Hall. Step to the podium. Anyone on virtual close public hearing call. Vote on the amended Motion

1977

03:29:07.610 --> 03:29:15.839

Cooper City Hall: Commissioner Molosi. Yes, Commissioner Katsman. Yes, Commissioner Shrouder
Commissioner Green. Yes, Mayor Ross. Yes.

1978

03:29:16.050 --> 03:29:18.590

Cooper City Hall: moving on to the city managers report.

1979

03:29:22.170 --> 03:29:26.910

Cooper City Hall: yes, Mr. Mayor. the first thing we're going to do is give an update on the dog part,
coming as time

1980

03:29:27.040 --> 03:29:28.850

Cooper City Hall: to to do that.

1981

03:29:35.690 --> 03:29:38.410

Cooper City Hall: Good evening, Mr. Mayor, and

1982

03:29:38.890 --> 03:29:39.800

Cooper City Hall: commission.

1983

03:29:40.210 --> 03:29:43.420

Cooper City Hall: So a couple of months back we

1984

03:29:44.140 --> 03:29:48.630

Cooper City Hall: I brought before the commission. You know, a series of locations that

1985

03:29:49.100 --> 03:29:50.470

Cooper City Hall: we thought it might be

1986

03:29:51.150 --> 03:29:58.540

Cooper City Hall: potential candidates for a dog park and things. And so we gave the pros and the cons for each of those locations.

1987

03:29:59.400 --> 03:30:08.970

Cooper City Hall: the Commission gave us a direction at the most preferred choice to further explore, which was the Dog Park location

1988

03:30:09.470 --> 03:30:11.409

Cooper City Hall: potential location at the

1989

03:30:11.890 --> 03:30:14.019

Cooper City Hall: Brian Piclow Park.

1990

03:30:14.280 --> 03:30:25.410

Cooper City Hall: So myself and the city engineer. We did meet with Briar County staff. We did meet on site. We identified a particular location. We identified some particular

1991

03:30:26.000 --> 03:30:29.150

Cooper City Hall: needs, amenities

1992

03:30:29.930 --> 03:30:33.309

Cooper City Hall: and other type of infrastructure that would be necessary in order for

1993

03:30:33.380 --> 03:30:36.629

Cooper City Hall: a dog park to be adequately located there

1994

03:30:37.790 --> 03:30:39.650

Cooper City Hall: for our county staff.

1995

03:30:39.960 --> 03:30:45.569

Cooper City Hall: provided us with several conceptual ideas, but

1996

03:30:45.750 --> 03:30:50.440

Cooper City Hall: a large and a small dog park would look like on their property.

1997

03:30:50.870 --> 03:30:53.850

Cooper City Hall: They also did provide us with some

1998

03:30:53.950 --> 03:30:59.989

Cooper City Hall: cost estimates. I will say that their cost estimate for everything that they wanted.

1999

03:31:00.190 --> 03:31:04.130

Cooper City Hall: was up and around about 1.4 million dollars.

2000

03:31:04.900 --> 03:31:06.419

Cooper City Hall: That was for everything

2001

03:31:06.570 --> 03:31:16.490

Cooper City Hall: we we certainly, you know, believe that some of the things that they were asking for were not necessarily relevant for the city. And so, you know, there are certain things that we

2002

03:31:17.190 --> 03:31:18.230

Cooper City Hall: you will

2003

03:31:18.350 --> 03:31:19.640

Cooper City Hall: indicate that

2004

03:31:19.730 --> 03:31:24.849

Cooper City Hall: we don't believe that we should be participating in. We're just interested in the small and the large dog part.

2005

03:31:25.140 --> 03:31:29.569

Cooper City Hall: so we have yet to go back to them with some sort of

2006

03:31:29.840 --> 03:31:36.080

Cooper City Hall: of of what the city would be willing to participate in terms of a cost share for

2007

03:31:36.260 --> 03:31:49.740

Cooper City Hall: installing that dog park, and that's about where we are today. We haven't gone back to them. They've just given us the conceptals a general idea of what it would cost them, and and we have yet to

2008

03:31:49.880 --> 03:31:53.860

Cooper City Hall: engage them in terms of what we would participate in terms of financial

2009

03:31:55.060 --> 03:31:56.899

Cooper City Hall: and some financial participation.

2010

03:31:57.300 --> 03:31:59.749

Cooper City Hall: Questions of Tom Good Commissioner Green.

2011

03:31:59.780 --> 03:32:07.410

Cooper City Hall: Thank you, Mayor Ross. Mr. Good. So I know what, when you just said that they were coming back with what it would cost them roughly

2012

03:32:07.450 --> 03:32:10.050

Cooper City Hall: a 1 million and a half. 1.2 million dollars

2013

03:32:10.170 --> 03:32:13.190

Cooper City Hall: at. Did they intimate to you

2014

03:32:13.360 --> 03:32:16.140

Cooper City Hall: their expectations of what the cities

2015

03:32:16.320 --> 03:32:18.179

Cooper City Hall: portion would be.

2016

03:32:18.490 --> 03:32:19.220

Cooper City Hall: No.

2017

03:32:19.400 --> 03:32:30.349

Cooper City Hall: no, it's. It was just, you know we've been, you know we've been working together with them, You know. I I do suspect that that's something that they do want to have a debt park

2018

03:32:31.580 --> 03:32:34.259

Cooper City Hall: you know, but it's not on their priority list.

2019

03:32:34.750 --> 03:32:43.399

Cooper City Hall: this may be an opportunity for them to find a way to get it on their priority list, so to say, just giving you my interpretation of

2020

03:32:43.630 --> 03:32:46.149

Cooper City Hall: of what I may read in that conversation.

2021

03:32:46.480 --> 03:32:47.970

Cooper City Hall: so

2022

03:32:48.540 --> 03:33:04.320

Cooper City Hall: we didn't. We didn't promise anything, and they didn't ask us anything

2023

03:33:04.420 --> 03:33:06.770

Cooper City Hall: for a dog dog park

2024

03:33:07.480 --> 03:33:17.420

Cooper City Hall: i'm certain that they are looking for Grant funding. I I can tell you that the city manager has also tasked us with looking for Grant funding as well.

2025

03:33:19.260 --> 03:33:21.720

Cooper City Hall: Commissioner Charter.

2026

03:33:23.600 --> 03:33:24.400

Cooper City Hall: Wow.

2027

03:33:24.810 --> 03:33:25.600

Cooper City Hall: wow.

2028

03:33:28.110 --> 03:33:31.420

Cooper City Hall: you're going to

2029

03:33:31.480 --> 03:33:43.239

Cooper City Hall: so yeah, thank you for bringing this manager and and Mr. Good, we've spoken about this on I know that you mentioned the the 1.4 is there. Ha! Sort of there.

2030

03:33:43.340 --> 03:33:56.649

Cooper City Hall: They're high end of the the cost was, and you've You've come up with some solutions to lower the cost or where they would if they want the extra bells and whistles, mostly parking spot related traffic. Nothing that would benefit.

2031

03:33:57.200 --> 03:33:58.369

Cooper City Hall: You know nothing that would

2032

03:33:58.750 --> 03:34:04.180

Cooper City Hall: sacrifice the actual dog Park. that, you know. Maybe they would cover the part that

2033

03:34:04.550 --> 03:34:07.519

Cooper City Hall: their bills and whistles and we would cover the part. That's not

2034

03:34:08.990 --> 03:34:15.209

Cooper City Hall: And I just you know I appreciate the city pushing this forward. I know that the this is a priority to the residents.

2035

03:34:15.280 --> 03:34:34.600

Cooper City Hall: it comes up regularly I don't know about to all, but it comes up to me regularly, and I know that this is a need. I also wanted to mention. We had talked about this, but the cost there would be. We would work something out with the county if this was to move forward where the residents of Cooper City would not have to pay admission to the park on weekends. Where.

2036

03:34:34.610 --> 03:34:37.500

Cooper City Hall: if they're going to the Dog Park, and that would be.

2037

03:34:37.850 --> 03:34:44.960

Cooper City Hall: I don't know where the logistics are, but I just want the residents to understand that that that's being discussed, and there would not be a charge for residents

2038

03:34:46.190 --> 03:34:52.280

Cooper City Hall: at least based on our conversation. the last question I had for you is, what would be the timeline? And what are the next steps

2039

03:34:53.290 --> 03:34:59.730

Cooper City Hall: the next steps is for us to re-engage the county, and you know.

2040

03:35:00.030 --> 03:35:02.899

Cooper City Hall: ask them that question. What are

2041

03:35:03.130 --> 03:35:06.829

Cooper City Hall: their thoughts in terms of what we should participate at.

2042

03:35:07.170 --> 03:35:10.090

Cooper City Hall: and then negotiate with them. You know

2043

03:35:10.310 --> 03:35:19.559

Cooper City Hall: something that would be more realistic for the city, of course, that would be brought back to this commission for additional discussions and or direction, and or approvals.

2044

03:35:20.440 --> 03:35:21.030

Thank you.

2045

03:35:21.240 --> 03:35:22.400

Cooper City Hall: Commission, Melody.

2046

03:35:24.030 --> 03:35:28.970

Cooper City Hall: Mr. Good. When we had our conversation, even if you take out the parking?

2047

03:35:29.330 --> 03:35:32.840

Cooper City Hall: it was still several \$100,000.

2048

03:35:33.250 --> 03:35:38.669

Cooper City Hall: I believe we were looking at between 3 and \$400,000, with just

2049

03:35:38.760 --> 03:35:40.429

Cooper City Hall: the dog park

2050

03:35:40.560 --> 03:35:42.880

Cooper City Hall: parts per se

2051

03:35:43.020 --> 03:35:43.900

Cooper City Hall: correct.

2052

03:35:44.210 --> 03:35:48.839

Cooper City Hall: So when we extrapolate what

2053

03:35:49.210 --> 03:35:52.159

Cooper City Hall: potentially would be impact

2054

03:35:53.490 --> 03:35:54.460

Cooper City Hall: the city

2055

03:35:56.060 --> 03:36:06.940

Cooper City Hall: we had maximized it at about the low end of the 300. It's about 315. So between 3 and 400,000 is a good test. Right? Okay? So

2056

03:36:07.190 --> 03:36:11.079

Cooper City Hall: I had had a conversation with the city manager

2057

03:36:11.280 --> 03:36:16.919

Cooper City Hall: about looking at Jerry Morgan Park, and I had had this conversation with you as well.

2058

03:36:17.080 --> 03:36:20.439

Cooper City Hall: i'd like to see what the Commission

2059

03:36:20.540 --> 03:36:22.259

Cooper City Hall: has to say about it.

2060

03:36:22.440 --> 03:36:27.879

Cooper City Hall: it is. I don't know if you all are familiar with where it is, but it's on Palm Avenue.

2061

03:36:27.900 --> 03:36:30.260

Cooper City Hall: where there's a nice water

2062

03:36:30.310 --> 03:36:32.150

Cooper City Hall: retention area

2063

03:36:32.350 --> 03:36:34.659

Cooper City Hall: there is. We call that a swamp in Florida.

2064

03:36:34.820 --> 03:36:37.830

Cooper City Hall: Okay, there's a swamp per Ryan

2065

03:36:37.900 --> 03:36:55.479

Cooper City Hall: there's 5 houses down a side street, but there is a very large piece of land between. I was looking at it right on Palm Avenue, and then there's the back end of dawn homes where there would be approximately 5 homes

2066

03:36:55.930 --> 03:36:59.910

Cooper City Hall: that in their backyards that would potentially

2067

03:37:00.450 --> 03:37:04.169

Cooper City Hall: here. But again very far away.

2068

03:37:06.260 --> 03:37:10.509

Cooper City Hall: There's parking on the side. There's also parking on Palm Avenue.

2069

03:37:11.010 --> 03:37:16.659

Cooper City Hall: This is there are. There is a deed restriction

2070

03:37:17.180 --> 03:37:20.390

Cooper City Hall: that we would need to research.

2071

03:37:20.950 --> 03:37:26.200

Cooper City Hall: but no one is going to research that without the Commission

2072

03:37:26.490 --> 03:37:33.300

Cooper City Hall: saying yay or need to move forward, I will say that we have the equipment.

2073

03:37:33.800 --> 03:37:36.139

Cooper City Hall: and if we were to move forward on this

2074

03:37:36.400 --> 03:37:39.269

Cooper City Hall: it would be much, much less.

2075

03:37:39.810 --> 03:37:42.540

Cooper City Hall: much much much much less.

2076

03:37:42.580 --> 03:37:47.960

Cooper City Hall: Then 1 point, 4 million or 3 to \$400,000.

2077

03:37:48.290 --> 03:37:52.510

Cooper City Hall: I would like to see us look at the deed restriction.

2078

03:37:53.020 --> 03:38:04.100

Cooper City Hall: and then, if the deed restriction would not prohibit us, then have a conversation with the people that are nearby to see if they had any issues and then go from there.

2079

03:38:04.520 --> 03:38:09.230

Cooper City Hall: But I see Commissioner Shroud is pulling it up so if you would look

2080

03:38:09.410 --> 03:38:14.549

Cooper City Hall: Where's Palm Avenue? There, there's pump. So this is literally right.

2081

03:38:14.720 --> 03:38:23.069

Cooper City Hall: and I don't know if anyone can see his screen. But right there is where I was looking, so it's not the there's 5 houses.

2082

03:38:23.160 --> 03:38:26.289

Cooper City Hall: The nearest house is several 100 feet away.

2083

03:38:26.340 --> 03:38:34.149

Cooper City Hall: and then the the other homes from dawn are in that far corner right there, so there's no one that's right on top of it.

2084

03:38:34.880 --> 03:38:37.529

Cooper City Hall: The park that was moved

2085

03:38:40.110 --> 03:38:42.049

Cooper City Hall: Is the homes there

2086

03:38:42.100 --> 03:38:44.079

Cooper City Hall: or twice as close

2087

03:38:44.330 --> 03:38:45.420

Cooper City Hall: to this.

2088

03:38:45.840 --> 03:38:52.210

Cooper City Hall: so I don't think that there would be an issue as far as noise or anything.

2089

03:38:52.560 --> 03:38:59.640

Cooper City Hall: The only issue would be well. A look at the the deed Restriction. If there is consensus, because

2090

03:38:59.700 --> 03:39:01.240

Cooper City Hall: this is potentially

2091

03:39:01.770 --> 03:39:04.660

Cooper City Hall: not free, but so much less.

2092

03:39:05.030 --> 03:39:06.300

Cooper City Hall: The

2093

03:39:06.340 --> 03:39:08.109

Cooper City Hall: The area that I

2094

03:39:09.240 --> 03:39:13.489

Cooper City Hall: liked was that area over off of Flamingo.

2095

03:39:14.380 --> 03:39:15.510

Cooper City Hall: Let me pull it up.

2096

03:39:16.150 --> 03:39:17.750

Cooper City Hall: Yeah, Flamingo Park.

2097

03:39:17.890 --> 03:39:20.140

Cooper City Hall: right here.

2098

03:39:22.280 --> 03:39:24.539

Cooper City Hall: That was one of the options of the city owned.

2099

03:39:25.830 --> 03:39:28.649

Cooper City Hall: and this is if we are in town homes.

2100

03:39:29.210 --> 03:39:35.069

Cooper City Hall: and only because I You know we have one out of the

2101

03:39:35.210 --> 03:39:38.830

Cooper City Hall: and there's at a warehouses when you go up. Here's public, right? You Avenue.

2102

03:39:39.070 --> 03:39:50.190

Cooper City Hall: Okay, yeah. Park Avenue program is there public? Is right there in this area? We we had spoke. That was one of the options they they gave only because we have. You know, we have the East one

2103

03:39:50.930 --> 03:39:52.549

Cooper City Hall: which is in

2104

03:39:52.900 --> 03:40:01.530

Cooper City Hall: Kristy Chesley. Yeah, Chris is safely. And so I you know. To me this should be like your West one, even the Brian pickle I didn't love because I felt like it was going to be in the city.

2105

03:40:02.190 --> 03:40:02.920

Cooper City Hall: But

2106

03:40:03.230 --> 03:40:18.290

Cooper City Hall: we on we on the land here. So even if it's somewhere, we on the land, we just put the stuff back up, and I think that's the water over here, Jerry. Jerry Morgan. We on the land there. I prefer. We own the land. We're just putting this stuff back up as long as we have buy in from

2107

03:40:18.670 --> 03:40:24.330

Cooper City Hall: the residents that are near there. And so I mean, I guess what I would like to see if

2108

03:40:24.670 --> 03:40:26.420

Cooper City Hall: if you all agree with

2109

03:40:26.480 --> 03:40:29.690

Cooper City Hall: looking into these 2 options

2110

03:40:29.890 --> 03:40:32.130

Cooper City Hall: to see if if they're feasible.

2111

03:40:32.750 --> 03:40:35.529

Cooper City Hall: and then moving forward there before I look at

2112

03:40:35.680 --> 03:40:39.170

Cooper City Hall: potentially costing the city several \$100,000.

2113

03:40:39.520 --> 03:40:42.219

Cooper City Hall: I would rather not spend money if I don't have to.

2114

03:40:45.750 --> 03:40:49.439

Cooper City Hall: I'm all about being fiscally conservative, and my only issue is, you know

2115

03:40:49.830 --> 03:41:03.760

Cooper City Hall: I drove by there the flaming of Flamingo Park. I've seen Jerry Morgan. I totally understand what you're saying. I just don't want to walk into the same issue we had with the residents. So you know that. And and and while Commissioner Melosi is trying to address that.

2116

03:41:04.210 --> 03:41:11.879

Cooper City Hall: what you're saying is, and what I'm hearing is first. Let's spend money on the attorney and see if it's viable.

2117

03:41:12.740 --> 03:41:29.260

Cooper City Hall: I don't need an attorney, You You just said, yeah, I can check the well Staff, because there's okay. That's only the restriction is there. But that just needs to be read. Is that an attorney? That's an attorney? And so before we even do that we should talk to the people because

2118

03:41:29.340 --> 03:41:35.089

Cooper City Hall: I'm like you, Commissioner, I don't want to be caught again doing that now coming back, and and

2119

03:41:35.260 --> 03:41:44.400

Cooper City Hall: Mr. Good, how come these 2 areas? And it now being proposed, Weren't looked at beforehand, it proposed that one that was one which one by

2120

03:41:44.720 --> 03:41:48.440

Cooper City Hall: that was one of the ones you proposed.

2121

03:41:48.630 --> 03:41:49.929

Cooper City Hall: I saying corrected.

2122

03:41:49.970 --> 03:41:57.940

Cooper City Hall: Yeah, we we go ahead. I I just want to say that the to the mic sorry

2123

03:41:58.500 --> 03:42:00.330

Cooper City Hall: is this better? Yeah, okay.

2124

03:42:00.490 --> 03:42:05.909

Cooper City Hall: So yeah, we did produce the one was that Flamingo.

2125

03:42:06.580 --> 03:42:19.819

Cooper City Hall: Yeah. By the basketball court, right off of Flamingo or on the back side of Flamingo. We didn't do the Jerry Morgan Park, because there was a deed restriction that's associated with that which

2126

03:42:20.260 --> 03:42:23.820

Cooper City Hall: at that time we didn't. We didn't pursue that. So

2127

03:42:24.140 --> 03:42:25.220

Cooper City Hall: so

2128

03:42:25.460 --> 03:42:34.109

Cooper City Hall: I and and now come back to the original, and that was your your primary one was at the Park, Brian piccolo

2129

03:42:36.160 --> 03:42:38.099

Cooper City Hall: I I have difficulty

2130

03:42:39.120 --> 03:42:40.119

Cooper City Hall: in.

2131

03:42:40.670 --> 03:42:42.330

Cooper City Hall: and let me let me

2132

03:42:42.450 --> 03:42:43.880

Cooper City Hall: analogizes

2133

03:42:44.580 --> 03:42:45.930

Cooper City Hall: who here

2134

03:42:46.410 --> 03:42:47.560

Cooper City Hall: pays

2135

03:42:47.590 --> 03:42:50.089

Cooper City Hall: for improvement to a public school.

2136

03:42:51.670 --> 03:42:52.479

Cooper City Hall: Tell me that.

2137

03:42:52.650 --> 03:42:54.389

Cooper City Hall: Does Cooper City pay for that.

2138

03:42:54.830 --> 03:42:55.430

No

2139

03:42:55.950 --> 03:42:57.500

Cooper City Hall: school board pay for that.

2140

03:42:58.190 --> 03:43:01.999

Cooper City Hall: Why would we pay for an improvement

2141

03:43:02.890 --> 03:43:09.839

Cooper City Hall: to a county park when they are statutorily obligated to do that now we've given them a fantastic idea.

2142

03:43:09.920 --> 03:43:20.660

Cooper City Hall: one that will generate revenue for them, one that will make Cooper City particularly happy, but every other resident in Broward County, and they want us to foot the bill.

2143

03:43:20.850 --> 03:43:25.509

Cooper City Hall: I don't offer to foot the bill initially. It's their park.

2144

03:43:25.860 --> 03:43:28.110

Cooper City Hall: We've given them the great idea.

2145

03:43:28.490 --> 03:43:36.990

Cooper City Hall: Why is it that they're coming us and saying, Well, why aren't you paying we do? And and to your suggestion that on the weekends residents don't pay

2146

03:43:37.170 --> 03:43:40.919

Cooper City Hall: when the park when the county pays for this dog park.

2147

03:43:41.060 --> 03:43:44.449

Cooper City Hall: we'll be glad to pay for the residents

2148

03:43:44.690 --> 03:43:45.600

Cooper City Hall: entering.

2149

03:43:46.490 --> 03:43:49.919

Cooper City Hall: You know, a dollar or 2 is not going to kill the Cooper City regime.

2150

03:43:50.330 --> 03:43:52.219

Cooper City Hall: But 1.4 will

2151

03:43:52.930 --> 03:43:53.600

great.

2152

03:43:54.270 --> 03:44:04.160

Cooper City Hall: Yeah. But the reality is, we're gonna request that they do. They They could pay if they're they don't have to do it either. But but are they serving the people?

2153

03:44:04.620 --> 03:44:05.320

Cooper City Hall: No.

2154

03:44:05.500 --> 03:44:12.599

Cooper City Hall: Because and again, show me one other park that a city paid for an improvement like this.

2155

03:44:13.510 --> 03:44:15.619

Cooper City Hall: I find it hard to believe that anyone did.

2156

03:44:15.790 --> 03:44:23.630

Cooper City Hall: It is a counties responsibility. I don't enable the county because they're inept, if you will of. I don't want to do it.

2157

03:44:24.600 --> 03:44:25.300

Cooper City Hall: That's

2158

03:44:25.930 --> 03:44:26.830

Cooper City Hall: my money.

2159

03:44:27.190 --> 03:44:28.190

Cooper City Hall: our money.

2160

03:44:29.030 --> 03:44:29.900

Cooper City Hall: No, thank you.

2161

03:44:30.310 --> 03:44:46.619

Cooper City Hall: So if we have to pay a and I don't know how much we invested in the park at the forest lake. that when we built that I i'm not sure how much we pay for that, but I I I prefer to keep it, if possible, within Cooper City.

2162

03:44:46.810 --> 03:44:48.529

Cooper City Hall: and and while that

2163

03:44:48.810 --> 03:44:50.829

Cooper City Hall: county park is in Cooper City.

2164

03:44:50.890 --> 03:44:56.510

Cooper City Hall: I prefer that you go back to them and say, let me ask you a question.

2165

03:44:56.750 --> 03:45:03.980

Cooper City Hall: How much are you willing to put up? It's your park? It's your residence. Cooper City is part of your residence.

2166

03:45:05.010 --> 03:45:08.789

Cooper City Hall: What are you going to do? We gave you a fantastic idea. Why don't you run with it?

2167

03:45:13.100 --> 03:45:18.009

Cooper City Hall: Point of information so moving forward, Are we looking at Staff

2168

03:45:19.760 --> 03:45:22.220

Cooper City Hall: noticing residents that live

2169

03:45:22.400 --> 03:45:25.629

Cooper City Hall: around the perimeter of the

2170

03:45:26.210 --> 03:45:27.240

Cooper City Hall: the

2171

03:45:27.940 --> 03:45:43.540

Cooper City Hall: Park Flamingo Gardens face for Park and the Jerry Morgan Park, and letting them know this is a possibility. And can we have a town hall, or what have you? I do think that we're gonna have a bunch of people outrage before we know.

2172

03:45:43.550 --> 03:45:58.940

Cooper City Hall: I think, that the first thing they should do is a feasibility to see right. Put it there with the proper barriers, because, like before. It was just a chain link fence. So maybe on the back side you could do a PVC. Another thing that we didn't have was between the big dogs and the small dogs we didn't have

2173

03:45:58.950 --> 03:46:04.169

Cooper City Hall: you could They could see through each other, and they could bark at each other, whereas now a lot of the new ones have

2174

03:46:04.980 --> 03:46:06.830

Cooper City Hall: separated. You know what I mean.

2175

03:46:06.970 --> 03:46:11.899

Cooper City Hall: So I I would just think that maybe the staff should professionally look and say

2176

03:46:13.110 --> 03:46:24.160

Cooper City Hall: we need X amount of feet with these modifications to keep it quiet. But if you just send all these people letter saying, hey, we're going to put a dog park. They're going to go. They're going to go without assurances that it would. It would have you. You know, this kept in the structure.

2177

03:46:24.350 --> 03:46:28.349

Cooper City Hall: I agree they're going to go wild, and I i'm sure if it's looked into they could determine

2178

03:46:29.080 --> 03:46:35.029

Cooper City Hall: and give us those options before you just send nervous out before we even know what we're going to build it out of how we put it.

2179

03:46:36.320 --> 03:46:37.360

Cooper City Hall: That's fair.

2180

03:46:37.440 --> 03:46:44.100

Cooper City Hall: are we? All in agreement what we've got? You let just want to clarify things.

2181

03:46:46.690 --> 03:46:47.500

Cooper City Hall: So

2182

03:46:48.060 --> 03:46:51.410

Cooper City Hall: Brian piccolo, and just just to clarify

2183

03:46:51.550 --> 03:47:09.140

Cooper City Hall: we never committed to paying anything. So the I I mean that Tom has just extracted potentially. what it is we we've never committed to paying anything, and the only thought of that was to bump things on up up the priority list, but we we never committed to paying anything to Brian Pickle.

2184

03:47:09.930 --> 03:47:23.429

Cooper City Hall: We can continue to push the county to put put something there. If the Commission's desire is not for us to participate in that. Now, that's the second thing I want to clarify. Are we now not going to look at Brian Piccolo Park, and then

2185

03:47:23.460 --> 03:47:28.810

Cooper City Hall: and then Look at these 2 now we do already looked at Flamingo.

2186

03:47:29.430 --> 03:47:31.380

Cooper City Hall: We did. We did take a look at that.

2187

03:47:31.700 --> 03:47:38.249

Cooper City Hall: and I just don't recall, you know whether that was feasible or not. But I I but I I think there were some issues with with that

2188

03:47:38.270 --> 03:47:57.530

Cooper City Hall: and then, of course, we'll look at Jerry Morgan, Jerry Morgan. There is that deed restriction. It is a water drainage area. So there there there are issues with that. But we know I agree. We anything we we, before we do anything we need to check on the feasibility of both of those

2189

03:47:57.630 --> 03:48:00.550

Cooper City Hall: that we continue speaking with the county

2190

03:48:01.700 --> 03:48:04.710

Cooper City Hall: and see where they're at. And and candidly.

2191

03:48:04.750 --> 03:48:08.320

Cooper City Hall: you know, when we finally come up with a price

2192

03:48:08.490 --> 03:48:10.410

Cooper City Hall: on what it would be

2193

03:48:10.720 --> 03:48:12.110

Cooper City Hall: for a park here

2194

03:48:12.160 --> 03:48:22.910

Cooper City Hall: in Cooper City, but one of those 2 locations. Zoom. They are viable. Then we can speak a little more intelligently to the county, because we know what we're going to spend.

2195

03:48:23.600 --> 03:48:27.399

Cooper City Hall: and it may be a tenth of what they want to.

2196

03:48:27.480 --> 03:48:30.710

Cooper City Hall: but if they want that, and it's a bigger, better park.

2197

03:48:31.010 --> 03:48:33.200

Cooper City Hall: Then we should entertain that.

2198

03:48:33.390 --> 03:48:34.240

Cooper City Hall: But i'm not

2199

03:48:34.410 --> 03:48:36.380

Cooper City Hall: suggesting that at this point.

2200

03:48:36.730 --> 03:48:49.359

Cooper City Hall: and I I didn't I didn't mean to say that you encumbered us to pay for anything

2201

03:48:49.810 --> 03:48:57.699

Cooper City Hall: we're going to bring closure to them. I mean what I presented to you all was was what if

2202

03:48:58.280 --> 03:49:00.050

Cooper City Hall: the worst case scenario.

2203

03:49:00.430 --> 03:49:07.369

Cooper City Hall: if if they did come back and say, you know here do a cost share. This is what I would say if there's a worst case scenario.

2204

03:49:07.390 --> 03:49:14.289

Cooper City Hall: on on my calculations, but they didn't give us one, so we will close them out with a, you know.

2205

03:49:14.680 --> 03:49:19.410

Cooper City Hall: asking them if they wanted us to participate in constant. If you tell us. Yes.

2206

03:49:19.610 --> 03:49:25.390

Cooper City Hall: then i'll just share that. You know we're not necessarily interested in doing that, but we are still interested in doing the park.

2207

03:49:25.590 --> 03:49:41.969

Cooper City Hall: and we'll just put that in it, or you know we can also do it in kind in the sense of we've got the manpower. We might be able to help out that way, or the equipment that we do have. Then we're still going to wind up paying for the residents to go there, so that depend that depends. It's gonna cost us anything

2208

03:49:41.980 --> 03:49:48.589

Cooper City Hall: to have it in one of our parts. No, I get that. I get that. But again we're entertaining options. That's all we do.

2209

03:49:48.940 --> 03:49:52.419

Cooper City Hall: Okay. Okay, Thank you. We'll do more work on this. Thank you.

2210

03:49:53.390 --> 03:49:54.150

Thank you.

2211

03:49:55.200 --> 03:49:55.770

Nope.

2212

03:49:56.060 --> 03:49:58.749

Cooper City Hall: Okay, Mr. Mayor. The the second item is

2213

03:49:58.770 --> 03:50:02.849

Cooper City Hall: the legislative items that we plan on presenting to

2214

03:50:04.070 --> 03:50:06.569

Cooper City Hall: to the Legislature for funding this year

2215

03:50:06.590 --> 03:50:12.050

Cooper City Hall: we've received we just received this week instructions from the house

2216

03:50:12.260 --> 03:50:17.160

Cooper City Hall: on the forms that are to be used, and then the timeline. But we haven't received anything from the Senate.

2217

03:50:17.320 --> 03:50:20.279

Cooper City Hall: So the 2 items that we're looking at presenting.

2218

03:50:20.430 --> 03:50:23.760

Cooper City Hall: the first one is the roundabout on on hiatus

2219

03:50:23.900 --> 03:50:32.740

Cooper City Hall: and north lake boulevard and that would be for approximately \$367,000,

2220

03:50:33.370 --> 03:50:38.679

Cooper City Hall: and the second one is for once again for the 40 Ninth Street covert

2221

03:50:38.910 --> 03:50:40.289

Cooper City Hall: and

2222

03:50:41.060 --> 03:50:47.590

Cooper City Hall: When we first went to them it was, it was for funding. It was really just to. We didn't know the magnitude.

2223

03:50:47.620 --> 03:50:51.369

Cooper City Hall: and we got \$125,000, and really for design.

2224

03:50:51.500 --> 03:50:55.840

Cooper City Hall: but we've since since been determined that we we need to replace

2225

03:50:57.000 --> 03:51:00.420

Cooper City Hall: replace the covert, or even perhaps put a bridge there.

2226

03:51:00.590 --> 03:51:04.069

Cooper City Hall: and so that's a significant amount, more money than we have.

2227

03:51:04.120 --> 03:51:10.309

Cooper City Hall: budget. We have the \$125,000. We put about I think it was \$960,000

2228

03:51:10.410 --> 03:51:11.789

Cooper City Hall: and

2229

03:51:12.070 --> 03:51:13.289

Cooper City Hall: with Arpa.

2230

03:51:13.430 --> 03:51:20.649

Cooper City Hall: and so we'd be going to the State, probably, for we don't. We don't know the exact amount now, but we probably go in the State for

2231

03:51:20.900 --> 03:51:24.699

Cooper City Hall: anywhere between 350 to \$500,000.

2232

03:51:24.740 --> 03:51:29.100

Cooper City Hall: So those are the 2 items that we're looking at now. I'm presenting

2233

03:51:29.680 --> 03:51:30.990

Cooper City Hall: to the Legislature.

2234

03:51:31.060 --> 03:51:40.120

Cooper City Hall: and I know you put on there, Mr. Mayor the items that Florida Liga City right your primary list this year.

2235

03:51:40.140 --> 03:51:43.129

Cooper City Hall: as we've said before sunshine. I can't talk to you

2236

03:51:43.180 --> 03:51:44.830

Cooper City Hall: beforehand.

2237

03:51:45.200 --> 03:51:48.460

Cooper City Hall: I invite everyone on the day as to

2238

03:51:48.490 --> 03:51:51.269

Cooper City Hall: come to the Florida Legal cities. Join the committee

2239

03:51:51.330 --> 03:51:52.410

Cooper City Hall: get involved.

2240

03:51:52.540 --> 03:51:56.289

Cooper City Hall: and the committees, you'll see each one of them

2241

03:51:56.400 --> 03:51:59.620

Cooper City Hall: have a policy and or a

2242

03:51:59.740 --> 03:52:02.060

Cooper City Hall: position that they have taken.

2243

03:52:02.150 --> 03:52:08.310

Cooper City Hall: Most of them are in the affirmative meaning. We like to support things. We hate to be negative, saying we are opposed

2244

03:52:08.330 --> 03:52:19.100

Cooper City Hall: but in reading through it I think you'll find that there are most of the old ones still hanging around, and and some of the new ones which are

2245

03:52:19.250 --> 03:52:21.049

Cooper City Hall: being energized this year.

2246

03:52:21.330 --> 03:52:24.000

Cooper City Hall: So If you have any questions, let me know.

2247

03:52:24.120 --> 03:52:27.160

Cooper City Hall: if not, hope to see you all at the Florida League of Cities meeting.

2248

03:52:27.950 --> 03:52:30.609

Cooper City Hall: Thank you. and then, Mr. Mayor just

2249

03:52:31.610 --> 03:52:33.840

Cooper City Hall: I can send anything out to join committees.

2250

03:52:34.030 --> 03:52:35.409

Cooper City Hall: Oh, a long time ago they do.

2251

03:52:35.770 --> 03:52:37.509

Cooper City Hall: Was it prior to an election

2252

03:52:40.170 --> 03:52:46.209

Cooper City Hall: in the summer months? They did so, then the only elected wouldn't be on those committees because they wouldn't know about it.

2253

03:52:46.430 --> 03:52:47.220

Cooper City Hall: Good! Good!

2254

03:52:47.380 --> 03:52:55.100

Cooper City Hall: It's a point well taken, and I will see is the first Vice President of the Florida League of Cities. What we can do to change that

2255

03:52:57.750 --> 03:53:03.179

Cooper City Hall: couple of things, Mr. Mayor, you know, light up went extremely well, and

2256

03:53:04.080 --> 03:53:11.869

Cooper City Hall: got a lot of positive feedback on light up our staff, our parks and wreck and public works. So everybody did a tremendous job.

2257

03:53:11.970 --> 03:53:21.249

Cooper City Hall: and then I I think you all know that on the eighteenth is Sunday at 5 30 we're going to be celebrating the first night of Hanukkah out in Memorial Park.

2258

03:53:23.160 --> 03:53:28.370

Cooper City Hall: We did finalize the negotiations on the Collective bargaining agreement.

2259

03:53:28.770 --> 03:53:30.069

Cooper City Hall: and so

2260

03:53:30.160 --> 03:53:31.720

Cooper City Hall: we

2261

03:53:32.130 --> 03:53:34.960

Cooper City Hall: would like to bring it to the commission right now. We're looking

2262

03:53:35.050 --> 03:53:37.869

Cooper City Hall: at the first meeting in January.

2263

03:53:38.020 --> 03:53:41.729

Cooper City Hall: which means we would want to have separate meetings with you all, Jacob.

2264

03:53:42.880 --> 03:53:47.099

Cooper City Hall: Jim, myself, and and Loris with you all to.

2265

03:53:47.150 --> 03:54:04.870

Cooper City Hall: We go thoroughly. Go through the the agreement. So we're looking at the first week in January. We're doing that. I know Commissioner Cassman will have to schedule another time. but we do want to shooting for the meeting in January. We do want to do a thorough brief separately with the each one of you

2266

03:54:04.980 --> 03:54:07.070

Cooper City Hall: on on the collective bargain. Agreement.

2267

03:54:09.620 --> 03:54:10.930

Cooper City Hall: just so, everybody.

2268

03:54:11.300 --> 03:54:17.640

Cooper City Hall: what do you wait?

2269

03:54:18.080 --> 03:54:20.660

Cooper City Hall: I wasn't going to stay anymore.

2270

03:54:20.820 --> 03:54:21.650

It's fired.

2271

03:54:22.420 --> 03:54:26.489

Cooper City Hall: Yeah, go ahead. Okay. I I mentioned the the emergency purchase

2272

03:54:26.740 --> 03:54:29.519

Cooper City Hall: and then the last thing I want to

2273

03:54:29.920 --> 03:54:32.949

Cooper City Hall: want to mention is we discuss this last time.

2274

03:54:33.270 --> 03:54:34.679

Cooper City Hall: I

2275

03:54:34.760 --> 03:54:36.270

Cooper City Hall: spoken to all of you.

2276

03:54:36.660 --> 03:54:44.980

Cooper City Hall: been here through almost 3 years now at times. It's been a long, 3 years times. It's been a short 3 years. You remember

2277

03:54:45.620 --> 03:54:49.879

Cooper City Hall: a lot of the things from the day one still still fresh in my mind.

2278

03:54:50.000 --> 03:54:52.459

Cooper City Hall: but I think it's come time for me to move on

2279

03:54:53.010 --> 03:54:56.419

Cooper City Hall: and allow someone else to bring the city to a to the next level.

2280

03:54:58.520 --> 03:55:01.040

Cooper City Hall: I think we moved the city for quite a bit.

2281

03:55:01.060 --> 03:55:03.699

Cooper City Hall: and i'm really proud of the accomplishments we've made.

2282

03:55:03.820 --> 03:55:07.680

Cooper City Hall: I care deeply about this city, and I care deeply about our staff.

2283

03:55:07.980 --> 03:55:11.869

Cooper City Hall: I want to commit to making sure that they

2284

03:55:11.940 --> 03:55:13.479

Cooper City Hall: We have a good transition.

2285

03:55:13.740 --> 03:55:18.439

Cooper City Hall: I think it's critically important to for stability to do that

2286

03:55:18.680 --> 03:55:20.630

Cooper City Hall: it's the best thing to do for our city.

2287

03:55:20.790 --> 03:55:21.910

Cooper City Hall: of course. Staff

2288

03:55:22.310 --> 03:55:23.369

Cooper City Hall: and

2289

03:55:24.050 --> 03:55:27.159

Cooper City Hall: that's not. That's all I can mention.

2290

03:55:27.880 --> 03:55:36.429

Cooper City Hall: You know I had an opportunity to speak with the manager. about about this decision, and you know it takes a it.

2291

03:55:36.630 --> 03:55:42.780

Cooper City Hall: There are times we've gotten a long times. We we probably yell at each other. But we still probably get along.

2292

03:55:42.910 --> 03:55:44.859

Cooper City Hall: and

2293

03:55:44.890 --> 03:55:49.300

Cooper City Hall: some of my concerns with this were there's obviously a transition.

2294

03:55:49.510 --> 03:55:53.439

Cooper City Hall: and so my conversation was with to the manager.

2295

03:55:53.520 --> 03:55:54.970

Cooper City Hall: If

2296

03:55:55.540 --> 03:55:57.000

Cooper City Hall: if you would stay on

2297

03:55:57.740 --> 03:56:00.070

Cooper City Hall: if we need to run over the time period

2298

03:56:01.400 --> 03:56:07.510

Cooper City Hall: looking for a a a manager. I I don't think that we want to have interim managers. It's not.

2299

03:56:07.570 --> 03:56:08.900

Cooper City Hall: you know, a way to go.

2300

03:56:09.110 --> 03:56:10.510

Cooper City Hall: and

2301

03:56:11.690 --> 03:56:14.079

Cooper City Hall: obviously he'd be making himself available

2302

03:56:14.540 --> 03:56:17.440

Cooper City Hall: to do that, but my thoughts were

2303

03:56:17.480 --> 03:56:21.349

Cooper City Hall: one. We would change some of the provisions like right now is contract. You can't.

2304

03:56:21.530 --> 03:56:25.299

Cooper City Hall: you know, apply for jobs unless he lets us know and stuff, and that's certainly not for your

2305

03:56:25.340 --> 03:56:33.869

Cooper City Hall: fair. And then the the other thing is, I mean it. It would have to be some time time certain, he said, but I think we should. We should continue with our obligation on the severance

2306

03:56:34.480 --> 03:56:37.080

Cooper City Hall: that that the manager would otherwise be entitled to.

2307

03:56:37.220 --> 03:56:38.550

Cooper City Hall: And

2308

03:56:39.420 --> 03:56:46.359

Cooper City Hall: you know my thought is that on that when you're when you have managers looking for potential applicants to come to to a city

2309

03:56:47.160 --> 03:56:54.660

Cooper City Hall: it's. It's important on how you left, how you how your city treated the manager in the way out just as much as how they feel. They're going to be treated

2310

03:56:54.830 --> 03:56:57.599

Cooper City Hall: on the way in. And so that's

2311

03:56:58.190 --> 03:57:02.929

Cooper City Hall: that's that's where i'm at at least with that. So I respect his decision. It takes a. It takes a

2312

03:57:03.030 --> 03:57:08.819

Cooper City Hall: a very, very big person to know no one to hold them, and no one to fold them, so to say.

2313

03:57:08.870 --> 03:57:17.650

Cooper City Hall: we've come tremendously under under under Joe's leadership, and I respect his decision, and I would look for consensus from this group

2314

03:57:17.950 --> 03:57:20.279

Cooper City Hall: to not only accept his

2315

03:57:20.320 --> 03:57:21.610

Cooper City Hall: his wishes, but

2316

03:57:21.770 --> 03:57:25.680

Cooper City Hall: allow him out of the provision where he can't apply for the jobs

2317

03:57:26.350 --> 03:57:29.199

Cooper City Hall: and and respect the

2318

03:57:29.510 --> 03:57:32.300

Cooper City Hall: the severance portion of his of his

2319

03:57:32.590 --> 03:57:34.010

Cooper City Hall: of his contract as well.

2320

03:57:34.250 --> 03:57:36.319

Cooper City Hall: So I just want to get my colleague's thoughts on that

2321

03:57:36.860 --> 03:57:37.820

Cooper City Hall: commission agree.

2322

03:57:38.600 --> 03:57:39.890

Cooper City Hall: Thank you, Mayor Ross.

2323

03:57:44.780 --> 03:57:46.330

Cooper City Hall: so I

2324

03:57:47.580 --> 03:57:52.090

Cooper City Hall: I respectfully disagree with Commissioner shrouded with some of the points that he's made.

2325

03:57:52.350 --> 03:57:57.159

Cooper City Hall: I've had the conversation, like all of us have with Mr. Napoli.

2326

03:57:57.310 --> 03:58:01.210

Cooper City Hall: and I and I said to Mr. Napoli, I don't want to see him go.

2327

03:58:02.150 --> 03:58:05.980

Cooper City Hall: I believe that you have moved this city forward

2328

03:58:07.070 --> 03:58:08.280

Cooper City Hall: in a way

2329

03:58:08.390 --> 03:58:09.610

Cooper City Hall: that.

2330

03:58:09.810 --> 03:58:13.470

Cooper City Hall: in my humble opinion the city has never moved forward.

2331

03:58:14.990 --> 03:58:17.659

Cooper City Hall: I have a whole. I have 3 seats

2332

03:58:18.050 --> 03:58:20.469

Cooper City Hall: of things that you have put in place.

2333

03:58:20.680 --> 03:58:26.360

Cooper City Hall: and your 3 years that you've been here, and I'm not going to go through all of these. But I think it's important that

2334

03:58:26.970 --> 03:58:35.719

Cooper City Hall: those that are here and those that are watching that you that you know the type of the caliber of city manager that we have.

2335

03:58:35.950 --> 03:58:50.120

Cooper City Hall: he has created an e implemented our eoc sharepoint side. He is completed in an internal external penetration, testing mitigated multiple vulnerabilities. He has hired

2336

03:58:50.420 --> 03:58:57.069

Cooper City Hall: quality individuals at the director level

2337

03:58:57.150 --> 03:59:00.379

Cooper City Hall: and and and below the director level

2338

03:59:00.410 --> 03:59:04.889

Cooper City Hall: that I truly believe is making. The city is moving the city forward.

2339

03:59:05.030 --> 03:59:21.169

Cooper City Hall: he's instituted the Cooper City, Q. A to provide monthly opportunities for residents and stakeholders to come in and and and to ask questions of their local government, of their city government, and to ask. You know, how is this city moving forward?

2340

03:59:21.190 --> 03:59:24.080

Cooper City Hall: you've managed the impacts of the Cares Act funding

2341

03:59:24.310 --> 03:59:26.990

Cooper City Hall: right. You manage this city.

2342

03:59:27.180 --> 03:59:30.449

Cooper City Hall: When this city came on when Covid hit this city.

2343

03:59:30.540 --> 03:59:33.139

Cooper City Hall: You are right here on the forefront.

2344

03:59:33.530 --> 03:59:36.300

Cooper City Hall: managing us through.

2345

03:59:36.340 --> 03:59:38.519

Cooper City Hall: Probably one of the worst pandemics

2346

03:59:39.760 --> 03:59:40.730

Cooper City Hall: to date.

2347

03:59:41.010 --> 03:59:48.789

Cooper City Hall: and you did it with class. You did it with the dignity. you were right in. You were never

2348

03:59:51.660 --> 03:59:53.789

Cooper City Hall: You are right in with the troops.

2349

03:59:54.230 --> 03:59:55.779

Cooper City Hall: and I appreciated that.

2350

03:59:57.010 --> 03:59:59.399

Cooper City Hall: And I said to you today.

2351

03:59:59.710 --> 04:00:02.740

Cooper City Hall: you know my my prayer is that you stay?

2352

04:00:02.820 --> 04:00:04.640

Cooper City Hall: because you have been

2353

04:00:04.720 --> 04:00:09.239

Cooper City Hall: can you have been a phenomenal leader. and I know that you have

2354

04:00:09.370 --> 04:00:16.439

Cooper City Hall: yeah to your point. I know that. there's been times when it's been very challenging for you.

2355

04:00:16.460 --> 04:00:20.199

Cooper City Hall: and I even said to you today.

2356

04:00:20.840 --> 04:00:24.830

Cooper City Hall: I said to our city manager, I said, if there is anything that I have done

2357

04:00:25.120 --> 04:00:27.729

Cooper City Hall: that has

2358

04:00:28.320 --> 04:00:32.180

Cooper City Hall: you know, created this this

2359

04:00:32.520 --> 04:00:38.849

Cooper City Hall: this sense for you that you know you you have to leave. I I apologize to you, and I wanted to say that publicly.

2360

04:00:39.110 --> 04:00:44.290

Cooper City Hall: that if I have done anything that I that that has wronged you, if I have

2361

04:00:45.170 --> 04:00:49.969

Cooper City Hall: undermined your decisions, I I publicly I apologize for anything

2362

04:00:50.100 --> 04:00:52.670

Cooper City Hall: that I have done as an elected official.

2363

04:00:52.970 --> 04:00:55.309

Cooper City Hall: I've only known

2364

04:00:55.850 --> 04:00:57.050

Cooper City Hall: really to

2365

04:00:57.290 --> 04:00:59.550

Cooper City Hall: like the 2 city managers.

2366

04:00:59.650 --> 04:01:06.209

Cooper City Hall: Bruce Laux. And now you permanent city managers, and and I've said this before, and i'll say it again.

2367

04:01:06.230 --> 04:01:12.500

Cooper City Hall: You know I had no problems with Mr. Laux. Did he have his challenges. Yes, but I had no issues with them.

2368

04:01:12.820 --> 04:01:16.140

Cooper City Hall: and I just believe that you are far.

2369

04:01:16.390 --> 04:01:18.069

Cooper City Hall: and I and this is no

2370

04:01:18.230 --> 04:01:21.830

Cooper City Hall: this is not a knock on Bruce.

2371

04:01:22.150 --> 04:01:26.090

Cooper City Hall: but in terms of your leadership and your abilities.

2372

04:01:26.110 --> 04:01:27.769

Cooper City Hall: you far exceed that

2373

04:01:29.160 --> 04:01:30.780

Cooper City Hall: and I don't want to see you go.

2374

04:01:32.150 --> 04:01:33.070

Cooper City Hall: I don't

2375

04:01:36.480 --> 04:01:38.530

Cooper City Hall: and i'm hoping that you'll reconsider.

2376

04:01:39.340 --> 04:01:43.419

Cooper City Hall: I don't know if that will be the case, but that certainly is my prayer.

2377

04:01:43.540 --> 04:01:52.639

Cooper City Hall: and I certainly don't believe that this. I'm not going to stand in your way. If you believe that you need to move on. I'm not standing in your way and preventing you

2378

04:01:53.040 --> 04:01:58.390

Cooper City Hall: from seeking other positions, though that was wrong from the beginning.

2379

04:01:58.880 --> 04:02:02.260

Cooper City Hall: when those was imposed on you.

2380

04:02:02.360 --> 04:02:05.709

Cooper City Hall: I disagree with it then I disagree with it now.

2381

04:02:05.880 --> 04:02:08.789

Cooper City Hall: but, Mr. Napley, you've been one of the finest.

2382

04:02:09.170 --> 04:02:12.570

Cooper City Hall: You continue to be one of the finest men on men I know.

2383

04:02:12.830 --> 04:02:14.050

Cooper City Hall: and

2384

04:02:14.590 --> 04:02:21.090

Cooper City Hall: like, I said, that's my 2 cents. I don't want to see you go. I want to see you. Stay. I want to see you continue

2385

04:02:21.170 --> 04:02:26.270

Cooper City Hall: to move the city for like you have done. You have started with the vision.

2386

04:02:26.430 --> 04:02:37.250

Cooper City Hall: The Commission is giving you a vision. You have taken that, and you have. You have moved us forward, and and I appreciate that, and I know that this city is better off

2387

04:02:37.400 --> 04:02:38.360

Cooper City Hall: for it.

2388

04:02:38.420 --> 04:02:42.089

Cooper City Hall: and that's all I have, for right now.

2389

04:02:47.200 --> 04:03:01.930

Cooper City Hall: you know we haven't had a chance to work together for too long. But I've always appreciated as a resident. I've appreciated working with you, Mr. Napoli, and as as as city manager. I've you know. I told you I would like to get to know, working with you more

2390

04:03:01.940 --> 04:03:08.269

Cooper City Hall: You know we've spoken in private, and and I I do respect your decision. I was hoping to have more time to.

2391

04:03:08.740 --> 04:03:13.089

Cooper City Hall: You know everything I said last meeting brings true.

2392

04:03:14.080 --> 04:03:21.280

Cooper City Hall: I you know I had hopes of working with you longer. but I also respect your your decision where you're at, and

2393

04:03:21.760 --> 04:03:24.549

Cooper City Hall: you know I I appreciate you your willingness to

2394

04:03:25.250 --> 04:03:26.810

Cooper City Hall: help us get through

2395

04:03:27.610 --> 04:03:29.199

Cooper City Hall: the the near future?

2396

04:03:29.270 --> 04:03:32.280

Cooper City Hall: and I certainly support the

2397

04:03:33.360 --> 04:03:35.980

Cooper City Hall: addendum that we're discussed tonight.

2398

04:03:36.530 --> 04:03:38.030

Cooper City Hall: Thank you, Commissioner Melody.

2399

04:03:41.150 --> 04:03:43.479

Cooper City Hall: We had this conversation in your office.

2400

04:03:43.790 --> 04:03:47.230

Cooper City Hall: I told you that if you want to stay i'm

2401

04:03:47.430 --> 04:03:48.479

Cooper City Hall: behind you.

2402

04:03:48.860 --> 04:03:50.520

Cooper City Hall: I told you that I

2403

04:03:50.570 --> 04:03:53.260

Cooper City Hall: had said that I would give you the extra time

2404

04:03:53.380 --> 04:03:57.469

Cooper City Hall: that I wanted to see how you worked that you were not going to be

2405

04:03:59.630 --> 04:04:01.469

Cooper City Hall: It was. It was a new day

2406

04:04:03.230 --> 04:04:06.060

Cooper City Hall: that the choice was yours. I'm not going to push you.

2407

04:04:06.510 --> 04:04:08.569

Cooper City Hall: I would like you to stay

2408

04:04:08.860 --> 04:04:10.680

Cooper City Hall: with Commissioner Green.

2409

04:04:11.160 --> 04:04:15.660

Cooper City Hall: but you have to live with yourself, and you have to do

2410

04:04:15.700 --> 04:04:17.300

Cooper City Hall: what makes you feel good.

2411

04:04:17.500 --> 04:04:18.490

Cooper City Hall: So

2412

04:04:18.760 --> 04:04:20.129

Cooper City Hall: the choice is yours.

2413

04:04:22.990 --> 04:04:25.590

Cooper City Hall: Let me thank you on behalf of all the residents.

2414

04:04:26.000 --> 04:04:28.599

Cooper City Hall: because what you said was very accurate.

2415

04:04:28.750 --> 04:04:30.670

Cooper City Hall: You doing this to the best

2416

04:04:30.870 --> 04:04:34.559

Cooper City Hall: to the residents, and that's all you've done For the past 3 years

2417

04:04:34.890 --> 04:04:36.949

Cooper City Hall: you have worked your tail off

2418

04:04:36.980 --> 04:04:38.620

Cooper City Hall: and do yeoman's job

2419

04:04:38.830 --> 04:04:39.690

Cooper City Hall: because

2420

04:04:40.000 --> 04:04:46.359

Cooper City Hall: Commissioner Green no slight. But you forgot half the stuff like the strategic plan that's

2421

04:04:46.530 --> 04:04:51.170

Cooper City Hall: so so important, and and we Haven't had that in years

2422

04:04:51.510 --> 04:04:52.820

Cooper City Hall: forever

2423

04:04:53.520 --> 04:04:57.520

Cooper City Hall: the arp funding. That was just an additional item

2424

04:04:57.950 --> 04:05:02.179

Cooper City Hall: that added to your chores to do, and and you accepted it.

2425

04:05:05.210 --> 04:05:06.740

Cooper City Hall: The professionalism

2426

04:05:07.330 --> 04:05:08.360

Cooper City Hall: outstanding

2427

04:05:09.560 --> 04:05:10.600

Cooper City Hall: the vision

2428

04:05:10.790 --> 04:05:11.760

Cooper City Hall: outstanding.

2429

04:05:12.510 --> 04:05:15.700

Cooper City Hall: it. It sounds like my review of you.

2430

04:05:16.460 --> 04:05:17.380

Cooper City Hall: and

2431

04:05:17.600 --> 04:05:18.679

Cooper City Hall: and it is

2432

04:05:20.270 --> 04:05:21.199

Cooper City Hall: And yet.

2433

04:05:21.580 --> 04:05:22.789

Cooper City Hall: you know, because

2434

04:05:23.150 --> 04:05:29.019

Cooper City Hall: I know that people move on, and they move on to different things bigger, better

2435

04:05:30.200 --> 04:05:34.820

Cooper City Hall: the hard to accept change. And and this was not one of the changes I was looking forward to

2436

04:05:35.180 --> 04:05:37.759

Cooper City Hall: but I always say change is good

2437

04:05:37.910 --> 04:05:41.959

Cooper City Hall: and and hopefully it will be good for you. Hopefully. It will be good for us.

2438

04:05:42.290 --> 04:05:45.319

Cooper City Hall: and to that degree Again, I thank you for

2439

04:05:45.590 --> 04:05:48.019

Cooper City Hall: saying that you'll stay through the transition.

2440

04:05:48.430 --> 04:05:49.400

Cooper City Hall: It's important.

2441

04:05:49.570 --> 04:05:52.009

Cooper City Hall: I mean, it really is. And

2442

04:05:52.050 --> 04:06:01.769

Cooper City Hall: I I think we'll need to address how to go about selecting. We'll expect your input on that. there are lots of different options. But

2443

04:06:01.800 --> 04:06:04.870

Cooper City Hall: we'll, we'll have that on the next agenda. I'm sure.

2444

04:06:05.060 --> 04:06:07.200

Cooper City Hall: But having having said that

2445

04:06:09.050 --> 04:06:13.559

Cooper City Hall: I I absolutely agree not to hold you responsible.

2446

04:06:13.610 --> 04:06:16.290

Cooper City Hall: You can certainly apply. Do what you want?

2447

04:06:17.530 --> 04:06:18.700

Cooper City Hall: There is no

2448

04:06:19.480 --> 04:06:23.140

Cooper City Hall: nothing you can do now, you know. Obviously, except help yourself.

2449

04:06:23.330 --> 04:06:26.050

Cooper City Hall: And and while helping Cooper City.

2450

04:06:28.170 --> 04:06:31.020

Cooper City Hall: the the severance again. Not a problem

2451

04:06:31.110 --> 04:06:37.900

Cooper City Hall: everything should be on the up and up and fair, because that's all that you've been with us.

2452

04:06:37.960 --> 04:06:40.539

Cooper City Hall: and and to that degree.

2453

04:06:41.360 --> 04:06:43.499

Cooper City Hall: you know the 2 words again. Come out.

2454

04:06:43.610 --> 04:06:44.820

Cooper City Hall: and that is, Thank you.

2455

04:06:45.110 --> 04:06:54.629

Cooper City Hall: You You you've done it. I I and i'll agree with Commissioner Green. I've only had 2 different city managers

2456

04:06:54.820 --> 04:06:57.520

Cooper City Hall: who I I really had to work with, and

2457

04:06:57.580 --> 04:07:00.349

Cooper City Hall: night and day, night and day.

2458

04:07:00.650 --> 04:07:03.470

Cooper City Hall: and you brought this city in 3 years

2459

04:07:04.590 --> 04:07:06.250

Cooper City Hall: that Bruce couldn't do in 7,

2460

04:07:06.680 --> 04:07:17.700

Cooper City Hall: and and I can only say again, you should be proud because I am I. I'm proud to know you. I'm. I'm proud of your decision, because damage was a tough one.

2461

04:07:17.870 --> 04:07:19.430

Cooper City Hall: I mean, that was a tough one.

2462

04:07:21.030 --> 04:07:24.280

Cooper City Hall: and I respect it. I really do, and and you did it.

2463

04:07:24.740 --> 04:07:32.709

Cooper City Hall: You did it, as I believe, through the best for the residents best for the employees who You've always had their backs on.

2464

04:07:33.670 --> 04:07:34.470

Cooper City Hall: and

2465

04:07:34.560 --> 04:07:36.660

Cooper City Hall: ultimately I think it's best.

2466

04:07:36.880 --> 04:07:38.130

Cooper City Hall: Hopefully, for you

2467

04:07:38.520 --> 04:07:43.990

Cooper City Hall: remains to be seen but hopefully for you, and if I can do anything i'm always there.

2468

04:07:44.390 --> 04:07:45.250

Cooper City Hall: Thank you

2469

04:07:46.650 --> 04:07:56.900

Cooper City Hall: if any any questions. Yeah. So I just want to share me with asking for some clear. So what I was talking about is just, and i'll put this in the form of emotion, if that makes sense.

2470

04:07:57.080 --> 04:08:11.179

Cooper City Hall: the managers as agreed, instead of leaving as high and dry in in February, which he could do just to stay on after transition. But we did talk about having to have a a date certain. So you know, I think you mentioned 2 months or something to that effect.

2471

04:08:11.550 --> 04:08:18.020

Cooper City Hall: and and so my my proposal would be one. We we we the provision about applying for jobs

2472

04:08:18.200 --> 04:08:19.520

Cooper City Hall: 2

2473

04:08:20.520 --> 04:08:30.679

Cooper City Hall: you know, contig in in in 2 he'll be entitled to his severance as identified in his contract after he and his employment, which is, I think, is 20 gigs

2474

04:08:30.710 --> 04:08:45.070

Cooper City Hall: and and that will be contingent upon the manager staying up to 2 additional months for the transition. And of course, during that severance time, if the new person has a call, you answer the phone call, say, hey, where would you put the keys to the water cooler or something that effect.

2475

04:08:45.120 --> 04:08:51.489

Cooper City Hall: I mean Mr. Napley, and I, I think, have a pretty good love hate relationship about as good as one as you can get

2476

04:08:51.510 --> 04:08:56.940

Cooper City Hall: at the end of the day. I truly believe that we we like each other, and and

2477

04:08:57.110 --> 04:08:58.900

Cooper City Hall: and he's done some, really

2478

04:08:58.960 --> 04:09:15.449

Cooper City Hall: some. No, I mean he'll tell you. I mean, I think he's done some really really great things, and brought a level of professionalism to this city and direction when the city needed it most. I mean we had it. We had a ship that was at a runaway, whatever they call it, and you know it was going in all different directions. And

2479

04:09:15.480 --> 04:09:17.199

Cooper City Hall: and so for that.

2480

04:09:17.370 --> 04:09:19.400

Cooper City Hall: I appreciate it. But that's that's my

2481

04:09:19.860 --> 04:09:29.930

Cooper City Hall: my talking motion, Jacob, if you, if you got all that down, and of course it's contingent upon the managers agreement. And so I guess I don't know if I need a second. You do.

2482

04:09:30.080 --> 04:09:31.539

Cooper City Hall: You have a second on motion?

2483

04:09:32.910 --> 04:09:35.270

Cooper City Hall: Is it on the motion discussion.

2484

04:09:35.640 --> 04:09:43.999

Cooper City Hall: and they're with me for a moment. Anything, Commissioner Green, Commissioner, catch me and Commissioner Charlotte, Mr. Molosi said in the nicest possible way.

2485

04:09:45.680 --> 04:09:50.739

Cooper City Hall: Why are we talking severance when he is voluntarily leaving? I know it's part of the contract, but

2486

04:09:50.940 --> 04:09:52.670

Cooper City Hall: he's voluntarily leaving.

2487

04:09:52.900 --> 04:10:07.460

Cooper City Hall: if the contract calls for him to be paid a certain amount when he voluntarily leaves he's in time, and i'll i'll step up and say that because i'm, i'm probably as cheap as they get. But yeah, a couple of things. So one, you know. Technically the manager leave in February.

2488

04:10:07.870 --> 04:10:19.470

Cooper City Hall: which would we would be a couple of months short of probably what we need to do to do a legitimate thing, and you could get an interim. But my experience with Staff, you want a consistent. You want a consistent thing.

2489

04:10:19.540 --> 04:10:24.380

Cooper City Hall: that's number one and number 2 from a professional standpoint.

2490

04:10:25.040 --> 04:10:27.310

Cooper City Hall: you know you you

2491

04:10:27.810 --> 04:10:35.160

Cooper City Hall: when you buy somebody or you you you you know you, you own it, I mean you know what I'm saying. You have a certain obligation to send.

2492

04:10:35.410 --> 04:10:37.600

Cooper City Hall: you know. Send somebody on their way.

2493

04:10:37.800 --> 04:10:42.159

Cooper City Hall: The the the fact that we locked down city managers.

2494

04:10:42.420 --> 04:10:53.979

Cooper City Hall: you know everything you do is public, so it's not like they can, so they're at a disadvantaged having to go out there, and and you know whatever they want to do next, because you can't do it's not like somebody shop it for a job.

2495

04:10:54.180 --> 04:10:56.740

Cooper City Hall: So I just personally think that

2496

04:10:57.060 --> 04:10:58.780

Cooper City Hall: it's the right thing to do.

2497

04:10:59.110 --> 04:11:00.100

Cooper City Hall: and

2498

04:11:01.080 --> 04:11:02.680

Cooper City Hall: that's going to tell

2499

04:11:03.070 --> 04:11:10.909

Cooper City Hall: anyone who's potentially going to apply for a job here is going to say, how did they treat the manager? Because, you know, you're gonna have disagreements, you know.

2500

04:11:10.940 --> 04:11:13.410

Cooper City Hall: Alright, and that's just my personal opinion.

2501

04:11:14.780 --> 04:11:15.360

Okay.

2502

04:11:15.580 --> 04:11:16.710

Cooper City Hall: anything further.

2503

04:11:16.990 --> 04:11:17.829

Cooper City Hall: Call the Boat

2504

04:11:19.280 --> 04:11:21.100

Cooper City Hall: Commissioner Melody. Yes.

2505

04:11:21.170 --> 04:11:24.460

Cooper City Hall: Commissioner

2506

04:11:24.550 --> 04:11:25.859

Cooper City Hall: Commissioner Green.

2507

04:11:26.100 --> 04:11:29.140

Cooper City Hall: No. Because I want you to stay.

2508

04:11:29.490 --> 04:11:30.910

Yes.

2509

04:11:33.580 --> 04:12:01.360

Cooper City Hall: moving on to City Attorney's report. Thank you, Mayor Commission. I do have just 2 very quick items. One is, we will bring back an amendment to the city managers contract, consistent with the last motion. On a another note, just the Commission is aware. Last week the Broward County Commission adopted an ordinance amending the code of ethics for elected municipal officials throughout Briar County. The amendment essentially embraced a constitutional change that was recommended by the Constitutional Revision Commission, and adopted in 2,020.

2510

04:12:01.370 --> 04:12:20.230

Cooper City Hall: It takes effect the end of this year we do have a legal memorandum coming out to this effect. But just so. The Commission is aware. starting on January first of 2,023 public officials elected officials throughout the State of Florida are prohibited from lobbying for compensation at the State local and federal level

2511

04:12:20.290 --> 04:12:33.849

Cooper City Hall: currently in Broward County. We know there's a prohibition on elected officials like the municipal officials lobbying what the county code refers to as suburb individuals which is a broadly defined term that only includes individuals and entities in Broward County.

2512

04:12:33.920 --> 04:12:39.050

Cooper City Hall: The Constitutional amendment is much broader than that. It includes state, local and federal level.

2513

04:12:39.150 --> 04:12:57.230

Cooper City Hall: the other significant prohibition in the Constitution is when you leave public office there's a 6 year prohibition on lobbying the agency that you recently served. so it's one of the Commission to be aware we do have this coming in a legal memorandum very shortly. but I wanted the Commission to be aware of the actions the County Commission took last week

2514

04:12:57.240 --> 04:13:04.830

Cooper City Hall: to specifically embrace these constitutional changes in the County Ethics code. So thank you, Mary Commission. Thank you. Any questions in the city attorney.

2515

04:13:04.880 --> 04:13:20.140

Cooper City Hall: yeah, I I guess. you should bring forward an amendment, can we? Can't we? Just resolution? And i'd agree to this term. No, there, there's nothing to agree to do. I have a legal memo just to advise the commission of the changes. There's no action that I might. The managers

2516

04:13:20.500 --> 04:13:29.960

Cooper City Hall: that, and we go down for the manager. It's it's still requires a contract amendment. Oh, yes, we'll bring back a contract to month. Okay, because i'm with Bruce. I think they just agreed to it.
And

2517

04:13:30.360 --> 04:13:32.629

no, I don't think we did it because we had to have a

2518

04:13:32.860 --> 04:13:35.950

Cooper City Hall: No, they didn't, but that's all right. Yeah. Positive.

2519

04:13:36.480 --> 04:13:37.949

Cooper City Hall: I believe that.

2520

04:13:40.240 --> 04:13:41.610

Cooper City Hall: And

2521

04:13:42.100 --> 04:13:54.150

Cooper City Hall: I think that's it for the and then I guess I hope with this legal memorandum you're talking about. It excludes the honorable profession of the practice of law from

2522

04:13:56.210 --> 04:13:57.720

Cooper City Hall: Thank you.

2523

04:13:57.780 --> 04:13:58.619

And

2524

04:13:58.740 --> 04:14:00.670

Cooper City Hall: police chiefs report

2525

04:14:04.500 --> 04:14:08.619

Cooper City Hall: leading mayor, commissioner, city manager, staff residents that are so with us.

2526

04:14:10.320 --> 04:14:18.719

Cooper City Hall: Before I get my report. If I could just publicly thank Mr. Napoli for his leadership. a little over 2 years ago

2527

04:14:18.860 --> 04:14:28.779

Cooper City Hall: I remember interviewing with you meeting with you. I remember you taking time very patiently to share with me the city's vision and direction. And

2528

04:14:28.910 --> 04:14:48.170

Cooper City Hall: just really felt that I had a lot of support with you, a lot of great ideas that I felt that we brought forward to this commission. so I thank you for selecting me. I thank you for putting me forward for believing in me, and I thank you for supporting me along the way. And You know I publicly. You know, on a state that you know

2529

04:14:48.250 --> 04:14:54.149

Cooper City Hall: forever many months that you're here. i'll continue to support you and and work well with you.

2530

04:14:54.490 --> 04:15:07.060

Cooper City Hall: to the commission as required in the past. I have given my report in advance, so i'm not going to read the entire report to you. I know it's late, but I did want to highlight a few items

2531

04:15:07.070 --> 04:15:22.759

Cooper City Hall: in that report, and that is, we were talking today about license plate readers and the value of them. I did want to highlight that my team on the midnight shift was able, on December second of this year, to be alerted to a driver that was entering Cooper City.

2532

04:15:22.770 --> 04:15:42.289

Cooper City Hall: close to the Montero area. That, had a felony warrant for his arrest, and they were entering at the time. That was a little bit after midnight, and their probation was for Graham Larsen, and so they were not a resident of the city. And I just wanted to highlight that as an example on how this technology helps

2533

04:15:42.300 --> 04:15:59.189

Cooper City Hall: alert real time. Our staff, when we have non residents entering our city at a time where you don't typically visit people and you have a criminal track history of theft and burglary. Our team was able to quickly locate that person, apprehend them and arrest them.

2534

04:15:59.200 --> 04:16:17.269

Cooper City Hall: And so I want to thank the Commission for the support of the item earlier today, with the support of all the items that we brought forward. Since the last report we did install 2 new license plate readers in the city. that was that Sheridan hiatus and shared in at Pine Island here some more that are going to be going at that location.

2535

04:16:17.280 --> 04:16:34.510

Cooper City Hall: And then also we did finally complete the Sue Ellen Fartleman Park smart camera system. It is live. It's installed completed past inspection this month. I'm sorry this week, and then we have already started the implementation of the camera project, Flamingo, West Park.

2536

04:16:34.520 --> 04:16:53.730

Cooper City Hall: which should be wrapping up in the near future as well. In addition to that, we did have the contractors coming to start the permitting process in the real-time Crime Center. They were doing the drawings and the electrical identifications for the permit submission. So we're looking to get moving on that project as well.

2537

04:16:53.740 --> 04:17:00.809

Cooper City Hall: So i'm please, though, let the Commission know that I did want to publicly thank our clps. We had an appreciation dinner for them.

2538

04:17:01.010 --> 04:17:14.800

Cooper City Hall: just last week, and i'm just so thankful for the amount of volunteers in our city that give of their own time to support this city's public Safety Mission. so I want to publicly thank the

2539

04:17:14.810 --> 04:17:32.460

Cooper City Hall: who collectively volunteered over 2,299 h in the city during patrols and events, and actually drove collectively 6,921 miles in this city, and 8 8 and a half square foot city.

2540

04:17:32.470 --> 04:17:45.330

Cooper City Hall: 6,921 more hours of observing and reporting, and addition to that issued 2,573 Crime Prevention fliers for a new initiative that we started in August

2541

04:17:45.340 --> 04:18:05.059

Cooper City Hall: with using the clips they get real time crime prevention tips to our residents so I want to thank the clips, and we have a new bike patrol program that we're rolling out next month with our clips. We got about half the volunteers that are looking forward to that. So I'm looking forward to instituting that new program as well.

2542

04:18:05.070 --> 04:18:28.129

Cooper City Hall: Our Santa letters is been going on. Last week we had 4 news stations cover our Santa letters Channel 10 channel, 7 channel, 6 channel 4. It was just a wonderful coverage showcasing. Why Cooper City is some place special. so I just encourage the residents to take part of this program. Our last day to drop off your letters is this Sunday

2543

04:18:28.140 --> 04:18:44.950

Cooper City Hall: We have a delivery. On Thursday. We have a delivery next Tuesday, and if we get a lot of letter Sundays, we'll schedule another one. so please do take part of the center letters program. If you need any information on that call or station. 9, 5, 4, 4, 3, 5, 2,000. I'll be happy to help you.

2544

04:18:44.960 --> 04:18:59.129

Cooper City Hall: And then, lastly, just a friendly reminder. Our shred of on is scheduled for January 20, eighth, 10 am. To one Pm. At the Pd. And that's also with the operation Medicine Cabinet. That concludes my report. One vacancy, as stated in the report that has not changed.

2545

04:18:59.420 --> 04:19:01.590

Cooper City Hall: Thank you very much any questions in the chief

2546

04:19:02.770 --> 04:19:03.849

Cooper City Hall: emission of catching

2547

04:19:04.740 --> 04:19:12.180

Cooper City Hall: just. I I also wanted to ask you to highlight the home watch. you know the holiday season. If you can just tell residents how to get

2548

04:19:12.510 --> 04:19:22.979

Cooper City Hall: get that form and what the process is. Thank you. What are the dates again that your house is going to be being absolutely Commissioner. That's a good point.

2549

04:19:22.990 --> 04:19:39.300

Cooper City Hall: Thank you for bringing that up, Commissioner. So many residents may not know, but we do have a home watch program, a vacation watch program. It's a 2 week program. If you're going to plan to be out of the you know, State out of the county just on a short trip, whatever it may be.

2550

04:19:39.310 --> 04:19:57.700

Cooper City Hall: Come to the front lobby, it's open 24, 7, You' to fill out a home watch form. It's a one-page form, and we will assign it to the zone. Your zone deputy and they will do nightly checks daily checks at your home to make sure that nothing is out of place. it's

2551

04:19:57.710 --> 04:20:07.759

Cooper City Hall: It's not something that we broadcast to anyone else, but we do keep it internally for the Zone deputies to keep an eye on your house while you're out enjoying your time with your family

2552

04:20:08.130 --> 04:20:18.349

Cooper City Hall: and Kevin. Do you also do the delivery packages directly to the police station, so that if Presidents are not at home, they can deliver to you when you hold it.

2553

04:20:18.620 --> 04:20:36.319

Cooper City Hall: So we did institute Operation front porch the last 2 years. we did not get a lot of public buy in in that program. you know, despite putting it out there. on social media and different marketing things. But I am very happy to institute

2554

04:20:36.360 --> 04:20:43.079

Cooper City Hall: operation from Porch at any time that we have that public input where they they feel that that's a service that they want.

2555

04:20:43.310 --> 04:20:44.780

Cooper City Hall: Thank you. You're welcome

2556

04:20:44.960 --> 04:20:46.289

Cooper City Hall: any other questions.

2557

04:20:46.660 --> 04:20:49.690

Cooper City Hall: Thank you very much.

2558

04:20:54.460 --> 04:21:01.410

Cooper City Hall: Morning, Mr. Mayor. Good evening, Mr. Mayor, City manager, commissioners, staff, and residents.

2559

04:21:01.580 --> 04:21:05.610

Cooper City Hall: I have no amendments to the report that I submitted

2560

04:21:06.300 --> 04:21:11.840

Cooper City Hall: again. As captain to Giovanni, said Mr. Napoli.

2561

04:21:12.270 --> 04:21:19.719

Cooper City Hall: thank you for bringing me on board, and I think in the short time I've been here we've accomplished a lot

2562

04:21:19.940 --> 04:21:23.559

Cooper City Hall: for the fire service for Cooper City and the residents.

2563

04:21:23.830 --> 04:21:26.860

Cooper City Hall: So I appreciate that. And I, too, like

2564

04:21:26.910 --> 04:21:31.029

Cooper City Hall: Commissioner Green, said I, I, too hope that you stay with us.

2565

04:21:31.270 --> 04:21:34.360

Cooper City Hall: and we continue to build our relationship.

2566

04:21:35.390 --> 04:21:38.920

Cooper City Hall: That being said, Mr. Mayor, are there any questions from the Commission.

2567

04:21:39.350 --> 04:21:49.240

Cooper City Hall: Mr. Charter? Yes, my only one was on, I believe one of our fire trucks cut on fire and and burned Was there insurance coverage for that?

2568

04:21:49.350 --> 04:21:53.580

Cooper City Hall: that truck was a broward sheriff's office vehicle

2569

04:21:53.990 --> 04:21:55.940

Cooper City Hall: and

2570

04:21:56.280 --> 04:21:58.220

Cooper City Hall: from my understanding.

2571

04:21:58.360 --> 04:22:01.779

Cooper City Hall: the sheriff will elect to ensure a vehicle

2572

04:22:01.830 --> 04:22:04.519

Cooper City Hall: only up to a certain dollar value.

2573

04:22:04.820 --> 04:22:07.619

Cooper City Hall: If it's go, falls below that dollar value.

2574

04:22:07.740 --> 04:22:09.580

Cooper City Hall: then they elect not to.

2575

04:22:09.980 --> 04:22:13.359

Cooper City Hall: and in this case the fire was extensive

2576

04:22:13.620 --> 04:22:15.220

Cooper City Hall: and beyond repair.

2577

04:22:15.790 --> 04:22:18.970

Cooper City Hall: so that vehicle will no longer be in service.

2578

04:22:20.000 --> 04:22:20.750

Thank you.

2579

04:22:21.480 --> 04:22:23.210

Cooper City Hall: but they have provided there.

2580

04:22:23.650 --> 04:22:27.310

Cooper City Hall: Yes, we have a we have a temporary replacement in station 28

2581

04:22:27.720 --> 04:22:29.770

Cooper City Hall: it's a regional asset.

2582

04:22:29.950 --> 04:22:33.880

Cooper City Hall: and so it specifically cannot be assigned to Cooper City.

2583

04:22:34.310 --> 04:22:38.130

Cooper City Hall: But the Fire Administration is looking at their options right now.

2584

04:22:38.200 --> 04:22:41.850

Cooper City Hall: in order to provide additional fire apparatus.

2585

04:22:42.980 --> 04:22:46.279

Cooper City Hall: Thank you. I'm sure you'll be very transparent with us on that.

2586

04:22:46.400 --> 04:22:50.740

Cooper City Hall: Yes, i'll keep everyone informed.

2587

04:22:51.370 --> 04:22:52.449

Cooper City Hall: Thank you, Chief.

2588

04:22:52.510 --> 04:22:55.720

Cooper City Hall: Thank you, Commissioner concerns Commissioner Green.

2589

04:22:56.630 --> 04:23:16.179

Cooper City Hall: Thank you, Mayor Ross. I again. I apologize for not being here last Friday at light up, I heard from residents over the weekend that it was absolutely phenomenal. So thank you, Mr. Napoli, and to your staff public works and recreation, and to Mr. De Maris and Mr. Ellen. I know that you all do a considerable amount

2590

04:23:16.240 --> 04:23:23.559

Cooper City Hall: along with the other folks that are in the recreation department. So you appreciate that.

2591

04:23:24.470 --> 04:23:29.750

Cooper City Hall: I know that a number of residents that had had come to me and and asked me about

2592

04:23:29.790 --> 04:23:39.700

Cooper City Hall: walking. So I know a former commissioner had the walking club, and so i'm thinking that i'd like to

2593

04:23:39.790 --> 04:23:41.119

Cooper City Hall: hit that up

2594

04:23:41.720 --> 04:23:52.170

Cooper City Hall: walking with with our with our residents. I'm not gonna do it on a Wednesday night. Mr. Napley. I like to. i'll speak to you about maybe doing it on Monday.

2595

04:23:52.340 --> 04:23:54.599

Cooper City Hall: but

2596

04:23:55.450 --> 04:24:05.689

Cooper City Hall: i'd like to. I'd like to hit that up as we move forward, and other than that, I hope that everyone have. They have a wonderful evening.

2597

04:24:07.240 --> 04:24:10.329

Cooper City Hall: forget that i'm got all this seniority now.

2598

04:24:10.510 --> 04:24:17.459

Cooper City Hall: the one thing I want to bring up, probably, for public works still. Want to look at the those

2599

04:24:17.900 --> 04:24:20.190

Cooper City Hall: coverings for the electrical boxes.

2600

04:24:20.680 --> 04:24:31.479

Cooper City Hall: You know the decorative coverings, I guess, but you know I don't know what they cost. But Karen Wade reminded me to ask tonight again about that.

2601

04:24:31.700 --> 04:24:36.240

Cooper City Hall: I think they would look beautiful if we we got some of those

2602

04:24:36.430 --> 04:24:44.029

Cooper City Hall: And then the other thing is, I think, because we're not meeting again. We have to discuss our process, or what process when it go forward

2603

04:24:44.110 --> 04:24:47.730

Cooper City Hall: on our our search. so I want to hear what

2604

04:24:48.040 --> 04:24:50.320

Cooper City Hall: what you guys think

2605

04:24:50.420 --> 04:24:51.999

Cooper City Hall: about what we should do I?

2606

04:24:52.310 --> 04:24:58.810

Cooper City Hall: I imagine you hire a professional company or some something, but I don't have as much

2607

04:24:59.060 --> 04:25:00.420

Cooper City Hall: experience.

2608

04:25:00.520 --> 04:25:04.130

Cooper City Hall: This would be the first time that Commissioner Katsman and I have gone through this.

2609

04:25:04.350 --> 04:25:05.690

Cooper City Hall: so I just wanted to

2610

04:25:06.300 --> 04:25:09.489

Cooper City Hall: find out what whatever it is. And how do we start the

2611

04:25:09.890 --> 04:25:12.369

Cooper City Hall: the ball on that? Because we're going to be behind

2612

04:25:13.650 --> 04:25:20.290

Cooper City Hall: it. It obviously starts with city manager, believe it or not, and it'll find out different search companies.

2613

04:25:20.320 --> 04:25:23.350

Cooper City Hall: there was one that we actually fired

2614

04:25:23.430 --> 04:25:25.520

Cooper City Hall: did not go very well

2615

04:25:25.860 --> 04:25:26.680

Cooper City Hall: at all.

2616

04:25:27.080 --> 04:25:29.130

Cooper City Hall: and

2617

04:25:29.420 --> 04:25:31.450

Cooper City Hall: others just put in

2618

04:25:31.600 --> 04:25:36.430

Cooper City Hall: as little effort as possible. So they just collect resumes and do retrains.

2619

04:25:36.670 --> 04:25:40.699

Cooper City Hall: and so finding a good search company is going to be difficult.

2620

04:25:41.170 --> 04:25:42.490

Cooper City Hall: But,

2621

04:25:42.860 --> 04:25:45.959

Cooper City Hall: if you want, we can give direction to city manager tonight

2622

04:25:46.130 --> 04:25:48.859

Cooper City Hall: to go ahead and start that process. Of course.

2623

04:25:48.880 --> 04:25:50.020

Cooper City Hall: the option

2624

04:25:50.060 --> 04:25:54.690

Cooper City Hall: i'm not saying i'm in favor of it, but the option would be through hr

2625

04:25:54.760 --> 04:25:56.690

Cooper City Hall: to do it on our own.

2626

04:25:57.890 --> 04:26:11.480

Cooper City Hall: We can do it all. We yeah, we put out in the paper what through Ccma that we're searching, and all the resumes come to at that time when you were searching about 3 years ago, I think they came to Katherine.

2627

04:26:11.710 --> 04:26:17.909

Cooper City Hall: and well, a problem with that is his didn't come to us. Yeah, I know. Believe me, I remember that.

2628

04:26:18.100 --> 04:26:33.699

Cooper City Hall: So you know that i'm i'm saying it is an option. It it may not be your option, but it is an option. It's much less expensive. But then again, you're not getting the quality, if you will.

2629

04:26:33.710 --> 04:26:47.900

Cooper City Hall: you know they they present like a brochure and a you know a thing of the city, and I think that you know we have a lot to sell, and we should present a nice, you know thing.

2630

04:26:48.030 --> 04:26:56.329

Cooper City Hall: Well, yeah, I mean, we'll have to do that like any like at 6,000. I already gave the Lisa, but I can kick in towards that, you know i'll spend it about 7,000 different ways.

2631

04:26:56.380 --> 04:27:06.669

Cooper City Hall: But and then the other thing is, I know, or Rosenbaum from Nova was hired under the Bruce Locks thing consulted, so I don't know if he still can when they hire Bruce locks that was done

2632

04:27:06.700 --> 04:27:13.660

Cooper City Hall: through her Rose and Mom or one of these companies. I think we should have a professional, you know.

2633

04:27:14.090 --> 04:27:17.140

Cooper City Hall: So I mean I so that's just my

2634

04:27:17.890 --> 04:27:26.369

Cooper City Hall: So do we give? Do we have consensus to give the manager direction to come up with? you know the top 3 companies, if you will.

2635

04:27:27.730 --> 04:27:31.429

Cooper City Hall: Yeah, yeah, I just want to add to that we we may. Wanna I don't

2636

04:27:31.520 --> 04:27:39.250

Cooper City Hall: know what everyone's thoughts are, but if we, if we need to have a workshop or something in December. I mean, we're we're not meeting until basically another month.

2637

04:27:39.550 --> 04:27:41.099

Cooper City Hall: And this process is.

2638

04:27:41.970 --> 04:27:47.120

Cooper City Hall: I think we need to get the ball rolling. If if you know we see the writing on the wall, so

2639

04:27:47.480 --> 04:27:48.319

Cooper City Hall: do you all.

2640

04:27:48.470 --> 04:27:51.300

Cooper City Hall: I think we ought to have it Work, I mean specific

2641

04:27:51.510 --> 04:27:56.819

Cooper City Hall: for this purpose.

2642

04:27:57.280 --> 04:27:59.670

Cooper City Hall: What are you proposing a commission catching?

2643

04:28:01.150 --> 04:28:03.620

Cooper City Hall: I don't know how much time we need.

2644

04:28:03.730 --> 04:28:10.839

Cooper City Hall: you know I I would defer to the city manager, maybe in on timeline, but I just work for us. May not work for the

2645

04:28:10.870 --> 04:28:13.659

Cooper City Hall: What about the

2646

04:28:14.000 --> 04:28:14.799

Cooper City Hall: is it?

2647

04:28:16.930 --> 04:28:24.390

Cooper City Hall: It's only a week.

2648

04:28:25.230 --> 04:28:31.220

Cooper City Hall: I think you know nothing gets done between Christmas and New Year's.

2649

04:28:34.660 --> 04:28:41.079

Cooper City Hall: but Commission and you were the one who is yeah, I mean, i'd be fine with the 20. The question is whether that gives you enough time to

2650

04:28:41.480 --> 04:28:43.429

Cooper City Hall: nothing. I do. 24

2651

04:28:43.730 --> 04:28:45.029

Cooper City Hall: in your 20 first.

2652

04:28:47.170 --> 04:28:49.280

Cooper City Hall: Yeah,

2653

04:28:49.750 --> 04:28:59.770

Cooper City Hall: I do. I don't I don't know certainly can can try what? What would be? what would be the objective? Yeah.

2654

04:28:59.780 --> 04:29:14.359

Cooper City Hall: just to settle on a company, or at least know the process. And okay can come with us. So we can do that price range. Okay, yeah, we don't have to vote on, you know we can on the Twenty-first: okay, yeah, I could do the twenty-first, but it would have to be after 7

2655

04:29:14.410 --> 04:29:17.669

Cooper City Hall: after 7. I think my kids are in a performance

2656

04:29:19.370 --> 04:29:28.190

Cooper City Hall: Hopefully, I the time is accurate on my calendar. But yeah, of course, I just want to say that does conflict with business advisory Board, but

2657

04:29:28.940 --> 04:29:30.890

Cooper City Hall: and the walking. But I guess that's not

2658

04:29:31.090 --> 04:29:44.669

Cooper City Hall: It doesn't mean until next until January. Correct. Correct, so that doesn't conflict with them. So why isn't that off my calendar? probably because it's a standard thing not rid of the December meeting because of the holidays right

2659

04:29:44.710 --> 04:29:49.599

Cooper City Hall: so close to

2660

04:29:49.810 --> 04:29:55.820

Cooper City Hall: I knew. I guess they like me that

2661

04:29:59.590 --> 04:30:02.270

Cooper City Hall: whatever you all do it after 7,

2662

04:30:02.900 --> 04:30:04.869

Cooper City Hall: 7, 15.

2663

04:30:04.940 --> 04:30:06.599

Cooper City Hall: Yeah, Thank you.

2664

04:30:07.130 --> 04:30:16.590

Cooper City Hall: So. And can we? Let's call it a meeting case? We have to ratify something, because if it's a workshop, we can't vote. Is that correct?

2665

04:30:16.640 --> 04:30:18.309

Cooper City Hall: That's good idea.

2666

04:30:18.680 --> 04:30:20.159

Cooper City Hall: Commission meeting.

2667

04:30:24.200 --> 04:30:25.429

Cooper City Hall: I'm Sure, Marcia will.

2668

04:30:26.080 --> 04:30:27.809

Cooper City Hall: We'll send me

2669

04:30:28.510 --> 04:30:39.890

Cooper City Hall: with every birthday.

2670

04:30:40.590 --> 04:30:46.449

Cooper City Hall: I want what the rule is, if it's sent to one. It's all. I don't need that rule.

2671

04:30:46.770 --> 04:30:49.360

Cooper City Hall: all right. So i'm in. I'm in for

2672

04:30:49.510 --> 04:30:53.250

Cooper City Hall: December December 20, first, 7, 15 Pm.

2673

04:30:53.390 --> 04:30:55.599

Cooper City Hall: Special Commission meeting.

2674

04:30:55.980 --> 04:31:02.329

Cooper City Hall: Good! Everybody agree, and let me ask you a question, Jacob. Would that be enough time to ratify that amendment? You're going to bring forward

2675

04:31:02.400 --> 04:31:03.610

Cooper City Hall: that? Give me enough time.

2676

04:31:04.300 --> 04:31:10.860

Cooper City Hall: Well, good question. So we can. We can ratify that there is only fair.

2677

04:31:11.180 --> 04:31:12.529

Cooper City Hall: So no argument.

2678

04:31:12.650 --> 04:31:13.510

Okay.

2679

04:31:13.600 --> 04:31:14.699

Cooper City Hall: Nice to know you, bye.

2680

04:31:15.910 --> 04:31:24.139

Cooper City Hall: Okay, anything else, Commissioner, and we're out before 1130. Okay, Not a problem, Commissioner. Catchment?

2681

04:31:24.260 --> 04:31:27.100

Cooper City Hall: yeah, a couple of quick things.

2682

04:31:27.770 --> 04:31:28.880

Cooper City Hall: I

2683

04:31:29.080 --> 04:31:34.260

Cooper City Hall: wanted to bring up. Well, actually the city manager things already on my list. So

2684

04:31:34.700 --> 04:31:40.220

Cooper City Hall: we need to update our election codes to go to to adhere to our new charter.

2685

04:31:40.530 --> 04:31:42.389

Cooper City Hall: So i'm gonna ask

2686

04:31:42.710 --> 04:31:54.069

Cooper City Hall: for direction from the Commission. If that's I made to the question. We have that item on our list. Internally, we intend to back back back as a recommendation from our office in the piggyback, and we do the the the signs to

2687

04:31:54.080 --> 04:32:04.500

Cooper City Hall: remember the political signs. We we talked about making them legal to code. We'll take a look at that as well come, and we didn't want to do it during the election. We'll take a look at the sign the the the entire sign code is on the list globally. Yeah.

2688

04:32:04.600 --> 04:32:08.839

Cooper City Hall: but but certainly the the the election Provisions Commissioner. We are looking at.

2689

04:32:09.470 --> 04:32:12.150

Cooper City Hall: That's it.

2690

04:32:12.170 --> 04:32:12.860

Nope.

2691

04:32:13.380 --> 04:32:20.130

Cooper City Hall: All right, then. I just wanted to. I want to say happy holidays to everyone. Look forward to seeing everyone at light up

2692

04:32:20.180 --> 04:32:21.199

Cooper City Hall: the minor

2693

04:32:21.260 --> 04:32:24.329

Cooper City Hall: and have a happy and a helping New Year

2694

04:32:24.720 --> 04:32:28.309

Cooper City Hall: and hold on. Hold on, and I have one

2695

04:32:28.430 --> 04:32:30.269

Cooper City Hall: here. Anyone on Virtual

2696

04:32:31.150 --> 04:32:32.770

Cooper City Hall: Robin Morganstein

2697

04:32:34.530 --> 04:32:36.180

Cooper City Hall: public comment 2 min.

2698

04:32:39.480 --> 04:32:42.420

Cooper City Hall: They're both red with you.

2699

04:32:42.590 --> 04:32:44.550

Cooper City Hall: Can you hear me? Gotta stand closer?

2700

04:32:45.300 --> 04:32:46.490

Cooper City Hall: Better? Yes.

2701

04:32:46.510 --> 04:32:47.289

Cooper City Hall: okay.

2702

04:32:47.710 --> 04:32:48.699

Cooper City Hall: not to

2703

04:32:49.440 --> 04:32:50.839

Cooper City Hall: beat a dead horse. But

2704

04:32:51.240 --> 04:32:52.760

Cooper City Hall: the emergency clickers

2705

04:32:52.980 --> 04:32:54.039

Cooper City Hall: or designed

2706

04:32:54.420 --> 04:33:00.719

Cooper City Hall: for just that emergency use for first responders, not commissioners, not city person to out, not for officers.

2707

04:33:01.580 --> 04:33:04.290

Cooper City Hall: officials cutting through from shared and sterling

2708

04:33:04.910 --> 04:33:06.010

Cooper City Hall: that clicker

2709

04:33:06.240 --> 04:33:09.559

Cooper City Hall: changes the frequency and bypasses our system.

2710

04:33:09.610 --> 04:33:11.529

Cooper City Hall: It cuts the communication cycle

2711

04:33:11.610 --> 04:33:13.749

Cooper City Hall: from arm to arm to swing gate.

2712

04:33:13.869 --> 04:33:18.159

Cooper City Hall: It leaves arm one open for the next vehicle, so they get a freebie free access.

2713

04:33:18.849 --> 04:33:21.170

Cooper City Hall: and then, when that arm tries to come down.

2714

04:33:21.610 --> 04:33:24.469

Cooper City Hall: it doesn't come out properly, so it signals the second arms pop up.

2715

04:33:24.779 --> 04:33:28.119

Cooper City Hall: It's a pain in it's a pain to go out there and manually

2716

04:33:28.720 --> 04:33:35.360

Cooper City Hall: connect it or wait for 2 to 3 vehicles to come through, and then it'll reconnect on its own.

2717

04:33:37.880 --> 04:33:39.499

Cooper City Hall: If the guard opens up the gate.

2718

04:33:40.419 --> 04:33:41.550

Cooper City Hall: they could close it.

2719

04:33:41.840 --> 04:33:45.900

Cooper City Hall: So if an official vehicle were to pull up to the Resident gate.

2720

04:33:46.340 --> 04:33:47.160

Cooper City Hall: wave.

2721

04:33:47.410 --> 04:33:48.930

Cooper City Hall: my God can open the gate.

2722

04:33:49.099 --> 04:33:51.299

Cooper City Hall: and then it'll function properly.

2723

04:33:51.869 --> 04:34:02.339

Cooper City Hall: The this should be that's what we should do with everybody else, everyone except for Jacob, I guess, and to John on this dais.

2724

04:34:02.919 --> 04:34:05.089

Cooper City Hall: There they was on the guest list for

2725

04:34:05.660 --> 04:34:14.750

Cooper City Hall: management office. If anybody wanted to come through the the visitor gate and be processed so that we would know that you're on the properties.

2726

04:34:15.210 --> 04:34:16.600

Cooper City Hall: The emergency clicker

2727

04:34:16.860 --> 04:34:18.329

Cooper City Hall: bypasses, our system.

2728

04:34:18.400 --> 04:34:19.969

Cooper City Hall: We don't know it's being used.

2729

04:34:20.029 --> 04:34:21.430

Cooper City Hall: but i'll tell you.

2730

04:34:21.710 --> 04:34:23.680

Cooper City Hall: It's if it's an emergency vehicle

2731

04:34:23.790 --> 04:34:25.480

Cooper City Hall: all day long. Not a problem.

2732

04:34:25.540 --> 04:34:26.530

Cooper City Hall: We'll deal with it.

2733

04:34:26.590 --> 04:34:32.390

Cooper City Hall: but I see personal vehicles coming through, and sure enough, both both arms pop up at the same time.

2734

04:34:32.550 --> 04:34:36.470

Cooper City Hall: They go so fast, because both hours pop up at the same time that I can't catch there

2735

04:34:36.830 --> 04:34:42.540

Cooper City Hall: tag on my on my Lpr. Which is substandard. I guess i'll be paying a lot of money to get new ones. But

2736

04:34:44.040 --> 04:34:47.929

Cooper City Hall: 24, 7 man community. Sorry man gate.

2737

04:34:48.070 --> 04:34:57.030

Cooper City Hall: Does that mean just though you just don't use for this clickers? Thank you. So can we just change the code so that everybody drives through the left side, the policy

2738

04:34:57.040 --> 04:35:11.399

Cooper City Hall: right, the policy. Well, so 2 things one I mean. I don't know what personal vehicle she's seeing, because the only 2 that have it. Personal vehicles is me and the mayor I don't know if he's using his, but I you know my, you could identify my car very easily. It's a Tesla.

2739

04:35:12.990 --> 04:35:13.680

Cooper City Hall: Huh!

2740

04:35:14.460 --> 04:35:15.710

Cooper City Hall: It's flagged.

2741

04:35:16.650 --> 04:35:17.500

Cooper City Hall: It's a

2742

04:35:18.140 --> 04:35:18.730

Oh.

2743

04:35:19.880 --> 04:35:30.909

Cooper City Hall: oh, okay, but yeah, we we we adopt the whatever policy we we discuss adopting. I agree that the you know the administrative policy. Say, unless it's an emergency

2744

04:35:31.210 --> 04:35:46.359

Cooper City Hall: police or anything. They should try to go through the Visitor Lane right that way. It doesn't matter, so it doesn't put it on the agenda. No, he's going to, They said. They're going to do it. They're going to come up with a policy who they get that liquor to. That's not a problem.

2745

04:35:47.070 --> 04:35:49.930

Cooper City Hall: So part of the management policy, you could put that in

2746

04:35:50.250 --> 04:35:51.050

All right. Cool.

2747

04:35:53.110 --> 04:36:00.980

Cooper City Hall: We have a motion right? Not yet. Not yet. No, now she's done. But I want to make sure no one on

2748

04:36:01.689 --> 04:36:03.290

Cooper City Hall: okay, do I have a motion?

2749

04:36:03.400 --> 04:36:04.500

Oh.

2750

04:36:07.800 --> 04:36:12.789

Cooper City Hall: yeah, that makes sense. Yeah. And they could log in. They can write it down

2751

04:36:15.369 --> 04:36:16.040

very nice.

2752

04:36:16.630 --> 04:36:18.050

I like your blue.

2753

04:36:18.240 --> 04:36:18.630

Thank you.
