RE: ISS No. 068-23

On September 20, 2023 the City of Plantation posted a Notice to Intent to Sole Source (ISS) on the website named Demand Star, in reference to Florida Statute 287.057(3)(C). This notice closed on October 5, 2023 @3:00pm and the City of Plantation **did not** receive any written statements from any other contractors/vendors indicating that they could provide products specified in ISS No. 068-23.

Sole/Single Source Awarded To:

Symbiont Service, Corp.

Proprietary Items:

Symbiont Geothermal Pool/Spa Heater

Sole/Single Source Expiration Date: October 7, 2026

This three (3) year term can be terminated at any time if a contractor/vendor provides sufficient documentation that they can offer the product(s) or service(s) initially sole sourced. At which time the City will begin its competitive procurement process for the above referenced subjects.

Respectfully,

Asha Edwards, LLB, CPPB, NIGP-CPP
Asst. Procurement Director
