

## CITY COMMISSION STAFF REPORT

**DEPARTMENT:** BSO Fire

**DATE:** October 8, 2024

**SUBJECT:** BSO Fire Rescue Recognition – **BSO Fire**

### **BACKGROUND OF ITEM:**

BSO Fire Rescue 28 responded on the evening of July 15th, 2024, to a patient experiencing complications from a surgical procedure earlier in the day. Rescue 28 crew quickly assessed the patient and began treatment while alerting the hospital of their condition and imminent arrival. Once at the hospital, the patient was rushed into the Emergency Department, where nurses and the doctor took over care. Noticing the patient's instability and deteriorating vital signs, the Emergency Department's team worked heroically to stabilize the patient. The team's swift actions and coordinated efforts to resuscitate the patient were crucial in managing the patient's condition until transferred to the Operating Room for definitive surgical intervention. Thanks to BSO Fire Rescue 28's field evaluation, quick actions, and rapid transport, the patient's outcome was favorable, leading to a successful recovery and discharge home.
