Matheny Fire & Emergency Attn: Tim Matheny, President Attn: Corporate Counsel 315 Ann Street Parkersburg, WV 26150

Re: City of Cooper City, Florida (the "City") / Purchase Order No. 2022-8139

Dear Mr. Matheny and Corporate Counsel:

This law firm serves as the City Attorney's Office for the City of Cooper City. On or about July 25, 2022, the City received a Rescue Transport Proposal (the "Proposal") from Rev Technical Center ("RTC") offering to custom build and equip a Type 1 Ambulance – Medium Duty 4x2 Freightliner Chassis (the "Apparatus") for \$444,749.65, based on the Florida Sheriff's Association Cooperative Contract FSA 20-VEF14.01. A copy of the Proposal is attached as Exhibit A.

On September 13, 2022, the City Commission publicly approved and directed the purchase of the Apparatus from RTC. Purchase Order No. 2022-8139 (the "PO") was issued on September 22, 2022, thereby authorizing the purchase of the Apparatus, along with related upgrades and installation, from RTC in the amount set forth in the Proposal. A copy of the PO is attached as Exhibit B. On May 1, 2024, RTC was acquired by Matheny Fire & Emergency ("Matheny").

At the time the PO was issued, the City was advised that a vehicle chassis was on site at the manufacture facility and that delivery could be expected by the Summer 2023. The PO contemplates delivery approximately 19-22 months after the receipt of an order by the City. Both RTC and Matheny have failed to deliver within this agreed upon timeframe.

During the Apparatus custom build and acquisition process, the City has been represented by Victor Goizueta, the Fire Rescue Fleet Coordinator with the Broward Sheriff's Office ("BSO"). Mr. Goizueta has worked tirelessly since the issuance of the PO to provide RTC and Matheny with all necessary and requested information to ensure that the City would receive a timely delivery. Both RTC and Matheny have been represented by Account Manager Mark Smith, an RTC employee who presumably joined Matheny at the time of the acquisition.

Attn: Tim Matheny, President Matheny Fire & Emergency September 5, 2025 Page 2

Throughout this process, the City has faced communication challenges both from RTC and then Matheny. Despite countless coordination efforts by the City and its representatives, RTC and Matheny continuously failed to respond to the City's outreach or provide status updates on the Apparatus delivery. On at least three (3) occasions, the City Attorney's Office was called upon by the City's professional staff in an effort to reinitiate communication with RTC and Matheny. Copies of the prior correspondence from our office are attached as Composite Exhibit C.

On September 2, 2025, Mr. Goizueta sent another email to Mr. Smith inquiring again about the delivery status. Again, Matheny has failed to respond. Thankfully, on September 3, 2025, Mr. Goizueta, District Fire Chief Richard Brown and BSO Fire Chief Timothy Keefe made a site visit to Matheny's Oakland Park location and were able to visually confirm that the Apparatus was at that location. Though on site, the Apparatus is still not ready to be put into service.

It has now been nearly three (3) years since the issuance of the PO, and the City continues to await delivery of the Apparatus. The intent of this correspondence is to formally advise Matheny's corporate office of the challenges associated with this procurement and to make a final demand for a firm delivery date. A response to this inquiry if requested within ten (10) days of receipt. Please be advised that the City reserves the right to pursue further legal action with regards to this matter, without further notice.

Thank you for your anticipated response and attention to this important matter.

TURNING RADIUS

Turning radius graphic and data provided strictly for comparisons between model configurations. Weather, road surfaces, and tire treads affect the results. It is strongly suggested that actual vehicles be measured before constructing any roads/driveways using this information. For specific figures regarding your configuration, please contact your CAE representative.

CITY OF COOPER CITY, FLORIDA PURCHASE ORDER TERMS & CONDITIONS

The following Terms and Conditions are applicable to this purchase order entered into by and between City of Cooper City (referred to as the "City") and Vendor (referred to as the "Seller")

1. MODIFICATIONS

This purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Purchasing Agent constitute the complete and exclusive statement of this purchase order. Accordingly, no modification or amendment shall be binding upon the City unless signed by the Purchasing Agent.

2. CITY ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as to form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and approved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction covered by this purchase order, these terms and conditions shall prevail.

ASSIGNMENT

Any assignment of this purchase order or the performance of work hereunder, in whole or in part, is prohibited.

4. EXCUSABLE DELAYS

The City may grant additional time for any delay or failure to perform hereunder if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller Such grant must be in writing and made part of the purchase order.

5. TERMINATION FOR DEFAULT

If Seller defaults in its performance and does not cure the default within 30 days after written notice of default, the City may terminate this purchase order, in whole or in part, upon written notice without penalty to the City. In such event, Seller shall be liable for damages, including the excess cost of procuring similar supplies or services: provided that if, (1) it is determined for any reason that Seller was not in default or (2) Seller's failure to perform is without his control, fault or negligence, the termination will be deemed to be a termination for convenience of the City.

6. TERMINATION FOR CONVENIENCE

The City may terminate this purchase order, in whole or in part, upon 30-days prior written notice, when it is in the best interest of the City. If the purchase order is for supplies, products, equipment or software, and is terminated for convenience by the City, Seller will be compensated in accordance with an agreed upon adjustment of cost. To the extent that the purchase order is for services and so terminated, the City shall only be liable for payment for those services rendered prior to termination.

PAYMENT TERMS

By accepting this purchase order, the Seller agrees that payment terms shall be Net 30, unless otherwise stated.

8. INVOICING

Original invoices shall be mailed to Accounts Payable, City of Cooper City, 9090 SW 50 Place, Cooper City, FL, 33328 or emailed to Accounts Payable@CooperCity gov. This purchase order number and shipping location shall be referenced on each invoice. Invoices not issued to the City in a timely manner may be subject to non-appropriation.

9. TAX

The City of Cooper City is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number in securing such materials.

10. RESPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Cooper City purchase order issued by the Procurement Division.

11. ACCEPTANCE

Seller's acceptance of this purchase order will be presumed unless Seller acknowledges exception, in writing, to the City within (10) calendar days after date of the purchase order.

12. REPRESENTATIVE

All parties to this purchase order agree that the representatives named herein possess full and complete authority to bind the parties.

13. SHIPPING/F.O.B.

In those cases where F.O.B. point is not Destination, Seller is required to prepay freight

charges and list those charges separately on the invoice. Under no circumstances will collect shipments be accepted.

14. DELIVERIES

Deliveries shall be made during the hours of 8.30 AM to 3:30 PM, Monday through Friday, excluding holidays, unless otherwise stipulated COOPER CITY FACILITIES ARE NOT EQUIPPED WITH LOADING DOCKS. Accordingly, Seller shall notify the City of deliveries that require special handling and/or assistance for off-loading. The City will not be responsible for redelivery, storage or handling charges due to Seller's failure to notify the City concerning this type of delivery.

15. INSPECTION

All commodities delivered on this purchase order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

16. QUANTITIES

Quantities specified in the purchase order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

17. PAYMENT CHANGES

Payment will be issued only to the company and address set forth on the purchase order, except if the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company. Unless paid using a City credit card, payment in the form of a City of Cooper City check will be mailed to the remit to address on file. Payment will not be hand delivered.

18. ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

19. UNIFORM COMMERCIAL CODE

Approved By: Agreem (1) Illiama Date: 09/23/2022

supplement the terms and conditions of this purchase order.

20. LEGAL RESPONSIBILITY

By accepting this purchase order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

21. COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright for or on account of the use of any product sold to City or used in the performance of this purchase order.

22. INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this purchase order.

23. OCCUPATIONAL SAFETY & HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this purchase order must be accompanied by a Material Safety Data Sheet (MSDS).

24. INSURANCE

Unless otherwise stated in a formal solicitation issued by the City and awarded to the Seller, the Seller of services must have secured and maintained the required minimum amount of \$1,000,000 general and \$1,000,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City's risk manager.

25. COMPLIANCE WITH LAWS

This agreement shall be governed by the laws of the State of Florida Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall

become applicable to this purchase order or the performance of work hereunder.

26. CONSENT TO JURISDICTION

Venue of any action to enforce this purchase order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this purchase order by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

27. WARRANTY

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within fifteen (15) calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty, or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

31. E-VERIFY

Registration Requirement; Termination. Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the Everify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

- (i) All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and
- (ii) All persons (including sub vendors/sub consultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the City of Cooper City. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Cooper City; and
- The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public

contract for a period of one (1) year after the date of termination.

32. PUBLIC RECORDS

Seller agrees to keep and maintain public records in Seller's possession or control in connection with Seller's performance under this purchase order. Seller additionally agrees to comply specifically with the provisions of Section 119.0701, Florida Statutes.

Section 119.0701(2)(a), Florida
Statutes: IF THE VENDOR HAS

Re:

City of Cooper City / Purchase Order No. 2022-8139

Dear Mr. Smith:

This law firm serves as the City Attorney's Office for the City of Cooper City, Florida (the "City"). On September 23, 2022, the City issued Purchase Order No. 202-8139 (the "PO"), thereby authorizing the purchase of a fire rescue vehicle, along with related upgrades and installation, from Rev Technical Center ("RTC") in the amount of \$444,749.65. At the time the PO was issued the City was advised that a vehicle chassis was on site at RTC's construction facility and that delivery could be expected by the Summer 2023. This timing was a critical factor in the City's decision to purchase the fire rescue vehicle from RTC.

Our office is in receipt of multiple email correspondence between RTC, the City's Fire Chief Gary Harrington and the Broward Sheriff's Office Fire Rescue Fleet Coordinator, Victor Goizueta, related to the status of the fire rescue vehicle construction. It is our understanding that the parties met on February 21, 2023, to review the vehicle specifications, and that vehicle construction was on schedule, at that time, for an expected delivery to the City over the summer.

Since the February 21 meeting, the City's representatives have sent multiple emails inquiring about the status of vehicle construction. The City has also requested a proposal for the potential purchase of a second apparatus. To date, the City has not received any substantive responses or updates as to the status of the fire rescue vehicle. The City has also not received a response to its request for a second proposal. While City recognizes that there may be some personal issues which have contributed to RTC's failure to respond in a timely manner, the lack of any substantive response is troubling.

Please confirm that the City can expect delivery of the fire rescue vehicle purchased pursuant to the PO during the Summer 2023, as previously agreed upon. An anticipated delivery date would also be appreciated. Please also provide a copy of the second vehicle proposal, as requested. Kindly respond to this correspondence within ten (10) business days.

Thank you for your anticipated response and attention to this important matter.

Sincerely,

JACOB G. HOROWITZ

Re:

City of Cooper City / Purchase Order No. 2022-8139

Dear Mr. Smith:

This law firm serves as the City Attorney's Office for the City of Cooper City, Florida (the "City"). On September 23, 2022, the City issued Purchase Order No. 2022-8139 (the "PO"), thereby authorizing the purchase of a fire rescue vehicle, along with related upgrades and installation, from Matheny Fire & Emergency ("Matheny;" formerly, Rev Technical Center) in the amount of \$444,749.65. At the time the PO was issued the City was advised that a vehicle chassis was on site at the manufacture facility and that delivery could be expected by the Summer 2023. Matheny failed to deliver within this timeframe.

On September 30, 2024, Victor Goizueta emailed you on behalf of the City inquiring about the production status and completion schedule and providing a "punch list" of twenty-five (25) questions related to the vehicle design. The City did not receive a response to this inquiry. In an effort to reach a resolution, the City then asked for a video conference call for response and clarification. During the November 14, 2024 call, the City was advised that the original chassis was sold to another customer. The City was also advised that there would be an increase in the cost for items and specifications that, in the City's opinion, was included in the original proposal.

In an email dated January 6, 2025, you advised the City's representatives that another chassis was painted in October 2024 and that fabrication assembly of the vehicle is currently underway. In response to this email Mr. Goizueta inquired further as to how Matheny could commence production without the final approval of the renderings by the City. Again, the City has received no response.

Mark E. Smith, Account Manager Matheny Fire & Emergency January 14, 2025 Page 2

The lack of timely communication by Matheny is unacceptable. It has been over two (2) years since the initial issuance of the PO, and Matheny has failed to deliver the vehicle in a timely manner, respond to the City's inquiries related to the vehicle design or keep the City properly informed of the production status. Now it appears that production has begun without the City's final design approval.

The City is hereby requesting an immediate written update on the status of the fire rescue vehicle production, including a copy of all final drawings, a response to City's September 24, 2024 "punch list," a cost update and a final delivery date. The City is also prepared to participate in a meeting to review all outstanding issues related to the PO, if necessary.

Please be advised that the City reserves the right to pursue any and all legal remedies related to Matheny's failure to deliver the rescue vehicle in accordance with the terms of the PO. Such action may be pursued by the City without further notice to Matheny. A response to this correspondence within seven (7) business days is appreciated.

Thank you for your anticipated response and attention to this important matter.

Re: City of Cooper City / Purchase Order No. 2022-8139

Dear Mr. Smith:

This correspondence is intended to follow-up on recent emails sent to you on behalf of the City of Cooper City (the "City") by Victor Goizueta, Fire Rescue Fleet Coordinator for the Broward Sheriff's Office. Mr. Goizueta is acting as the City's agent for its acquisition of a fire rescue vehicle pursuant to the above-referenced purchase order.

On February 16, 2025, Mr. Goizueta posed the following four (4) questions to you by email:

- 1) Is the City's vehicle currently in production?
- 2) What is the estimated time for completion of the City's vehicle?
- 3) Is there any additional cost to the City beyond the price set forth in the initial purchase order?
- 4) Does Matheny have any written documentation confirming Matheny's position that a performance bond was not needed for this purchase despite being referenced on the initial purchase order?

To date, Mr. Goizueta has not received a response to his February 16 email, nor his February 26, 2025 follow-up email inquiry. As you know, the City has raised previous concerns about Matheny's lack of communication and unjustified production delays associated with this purchase. These concerns have also been raised directly by the City Attorney's Office.

Mark E. Smith, Account Manager Matheny Fire & Emergency March 4, 2025 Page 2

Please provide a response to the questions set forth in this correspondence within seven (7) business days. Please also provide the undersigned with contact information for Matheny's legal counsel. While the City continues to be interested in amicably finalizing the purchase of this fire rescue vehicle, Matheny's actions and lack of timely communication have forced the City to incur additional legal expenses related to this matter. The City reserves the right to pursue any and all available legal and equitable remedies, without further notice to Matheny.

Thank you for your anticipated response and attention to this important matter.
