

SMALL GOLD SERIES A.D.A. Restroom Trailer

Overview:

Our Gold Series Restroom Trailers combine elegant design features with enhanced comfort amenities that are sure to impress. The Gold Series features several “just like home” elements such as premium wood grain vinyl flooring, hard surface counter tops and porcelain toilets inside fully private stalls. With a fully A.D.A. compliant unisex restroom featuring many of the same features, the Small Gold ADA Restroom Trailer is a common choice for any type of event or project.
