WHEREAS, the City Commission finds that adopting reasonable regulations for micromobility users operating on City streets is in the best interests of the citizens and residents of the City.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF COOPER CITY, FLORIDA:

**Section 1. RECITALS ADOPTED.** That each of the above-stated recitals is hereby adopted and confirmed. All exhibits attached hereto are incorporated herein and made a part hereon.

**Section 2. CHAPTER 17 OF CITY CODE AMENDED.** That Article I, entitled “In General” of Chapter 17, entitled “Traffic and Motor Vehicles” of the City of Cooper City Code of Ordinances, is hereby amended by specifically creating Section 17-4, to be entitled “Micromobility,” to read, as follows:

**Sec. 17-4 Micromobility**

**A) Definitions. For purposes of this section, the following terms shall be defined to mean:**

- 1) Electric Bicycles are electric bicycles or tricycles equipped with fully operable pedals, a seat or saddle for the use of the rider, and an electric motor of less than 750 watts, as defined in F.S. 316.003, as may be amended from time to time.**
- 2) Electric Personal Assistive Mobility Device is any self-balancing, non-tandem, two-wheeled device designed to transport only one person, with an electric propulsion system with average power of 750 watts (1 horsepower), the maximum speed of which, on a paved level surface when powered solely by such a propulsion system while being ridden by an operator who weighs 170 pounds, is less than 20 miles per hour.**
- 3) Micromobility Device means any motorized transportation device that is not capable of traveling at a speed greater than 20 miles per hour on level ground. This term includes motorized scooters, electric bicycles,**

and electric personal assistive mobility devices as defined by Sec. 316.003, as amended. Devices required by handicapped are exempt.

4) *Micromobility Parking* is approved parking for micromobility devices.

5) *Motorized Scooters* are any vehicle or micromobility device that is powered by a motor with or without a seat or saddle for the use of the rider, which is designed to travel on not more than three wheels, and which is not capable of propelling the vehicle at a speed greater than 20 miles per hour on level ground as defined in F.S. 316.003, as amended.

#### B) General Provisions

1) All micromobility devices are subject to all the rules and regulations set forth below:

a) The riding of such devices shall be prohibited upon any sidewalk within the City or any area as designated by the City where notice is posted. Operation of such devices, whether privately owned or not, is prohibited on sidewalks except for the purposes of parking the device in an acceptable location.

b) Micromobility devices shall be allowed to operate on streets within designated bike lanes or shared lane markings if available, shared-use paths designated by the City, or upon streets with a posted speed limit of 25 mph or less.

c) The City Manager, or his/her designee, has the authority to further restrict the use of micromobility devices in cases where a roadway may be closed due to an event or to maintain public health, safety or general welfare of the community.

2) In addition to the City Code, micromobility devices are subject to any and all state laws pertaining to micromobility devices, motorized scooters, or electric bicycles, as applicable, and as may be amended from time to time.

3) No person under the age of 16 years old shall operate a micromobility device within the City. It is unlawful for the parent, legal guardian, or custodian of a minor child to knowingly permit the child to violate any provision of this article.

4) Ridership of more than one person on any micromobility device or motorized scooter shall be prohibited. The ridership of more than one person on any bicycle shall be prohibited unless the electric bicycle is specifically designed to carry more than one person.

5) All micromobility devices within the City shall be limited to a maximum speed of 15 miles per hour, except electric bicycles shall be limited to a maximum speed of 25 miles per hour.

6) All micromobility devices, regardless of ownership shall not be parked in a manner that obstructs any ingress or egress from any building or parking area, or in a manner that prevents any sidewalk or walkway from maintaining at least five (5) feet or walkway clearance.

**Section 3. CHAPTER 17 OF CITY CODE AMENDED.** That Chapter 13, entitled “Public Safety” of the City of Cooper City Code of Ordinances, is hereby amended by specifically creating Section 13-80, entitled “Citations – Options of Persons Cited,” to read, as follows:

Sec. 13-80. Citations - options of persons cited

...
