Good afternoon Akin,

Wastewater requires a motor repair for Effluent #5; however, GL #450-931-534460-535 currently does not have sufficient funds. After discussing with Ryan, we determined that the best option is to transfer \$15,000.00 from GL #450-931-566000-535 (Building Improvement-Effluent Ponds), which currently has a balance of \$85,725.00.

Please see the attached quote and requisition for reference.

Kindly advise on how to proceed.

Thank you,

		50,000
Building Improvements-Buildings	Effluent ponds lining and maintenance	50,000
	Upgrade lab room, cabinets and equipment	20,000
	Floor recoating of chlorine and mechanical rooms	25,000
	Total	95,000
