Project: Cross-Connection Control Program Management Services

Contract Identification: RFP 2018-4-UTL

Bids submitted to: Office of the City Clerk

City of Cooper City

9090 SW 50th Place

Cooper City, Florida, 33328

1. The undersigned PROPOSER proposes and agrees, if this Bid is accepted, to enter into an agreement with City in the form included in the contract documents to perform and furnish all work as specified or indicated in the contract documents for the contract price and within the contract time indicated in this bid and in accordance with the other terms and conditions of the contract documents.

2. Proposer accepts all of the terms and conditions of the advertisement of Request for Proposal and Instruction to Proposers including, without limitation, those dealing with the Bid requirements. This Bid will remain in full force for ninety (90) days from the date of the bid opening. Proposer will sign and submit an agreement with the Bonds and other documents required by the Bidding Requirements within fifteen days after the City's notice of award.

3. In submitting this Bid, Proposer represents, as more fully set forth in the Agreement that:

a. Proposer has examined copies of all plans, and bidding documents, contract specifications and instruction to proposers.

b. Proposer has familiarized itself with the nature and extent of the Contract Documents, work site, locality, local conditions and the laws and regulations that in any manner may affect the cost, progress, performance or furnishing of the work.

c. Proposer has studied carefully all reports and drawings of the project and the physical conditions of the project site areas and accepts the extent of the technical data contained in such reports and drawings upon which Proposer is entitled to rely.

d. Proposer has correlated the results of his studies and reviews, observations, investigations, explorations, tests, and studies with the terms and conditions of the contract documents.

e. Proposer has given City written notice of all conflicts, errors or discrepancies that is has discovered in these documents and the written resolution thereof by City is acceptable to Proposer.

f. This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm or corporate and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation; Proposer has not directly or indirectly induced or solicited any other Proposer to submit a false Bid, and Proposer has not sought by collusion to obtain for itself any advantage over any other Proposer or the City.

4. Bid Copies

ONE (1) ORIGINAL, THREE (3) COPIES and ONE (1) ELECTRONIC COPY (Flash Drive or CD) of the Proposal should be submitted to the City of Cooper City, City Hall, 9090 SW 50th Place, Cooper City, Florida 33328, to the attention of the Office of the City Clerk. If by US mail, Bids shall be submitted to PO Box 290910, Cooper City, Florida 33329-0910.

5. Addenda, Additional Information-Contact with City Staff

Any addenda or answers to written questions supplied by the City to participating Proposers become part of this Request for Proposal and the resulting contract. The Bid Form shall be signed by an authorized company representative dated and returned with the proposal Bid.

No negotiations, decisions or actions shall be initiated or executed by the Proposer as result of any discussions with any City employee. Only those communications which are in writing from the City may be considered as a duly authorized

Attachment A

(Page 3 of 4)

expression. Also, only communications from proposer that are signed and in writing will be recognized by the City as duly authorized expressions on behalf of the proposer.

Specific questions related to the Scope of Services requested shall be directed in writing to the City of Cooper City Purchasing Agent, Kerri Anne Fisher. Questions must be emailed to Purchasing@CooperCityFL.org, who may respond in kind with copies to all Proposers. **The deadline for submission of questions is Thursday, August 9, 2018 at 5:00PM,**

The successful proposer shall be required to execute a City contract covering the scope of services to be provided and setting forth the duties, rights and responsibilities of the parties. This contract must be executed by the successful proposer prior to recommendation of award and presentation to the City Commission. **IN MOST CASES THE AWARDED BID WILL SERVE AS THE CONTRACT.**

6. Summary of Documents to be submitted with Bid

- a) Proposal Form
- b) Reference Form
- c) Public Entity Crimes (PEC) Form
- d) ADA Affidavit
- e) Business Entity Affidavit
- f) Bidder's Foreign (Non-Florida) Corporate Statement (If applicable)
- g) W-9, Request for Taxpayer Identification Number
- h) Proof of Workers Compensation Insurance or Exemption
- i) Proof of Liability Insurance
- j) Ownership Disclosure Affidavit
- k) Drug-Free Workplace Certificate
- l) Employee Background Verification Affidavit

Re: RFP-2018-4-UTL Cross Connection Control Program Management Services

To Whom It May Concern:

For the past 10 years HydroCorp has been providing Cross Connection Control Program Management Services to the City of Cooper City. Our team is very familiar with the Utilities requirements and expectations. Our services have been responsible for the initial program development up to the on-going, annual maintenance requirements that exist today.

The enclosed proposal represents a continuation of the services that the Utility department at the City of Cooper City has come to expect. The enclosed proposal will remain valid for 120 days from August 16th.

Thank you for the opportunity to continue our service to the City of Cooper City.

Regards,

Larry J. La Bute
Chairman/CEO

City of Cooper City
Cooper City, Florida 33330

Hydro Corp, Inc. Background	1
Executive Summary	2
Fees	3
Qualifications	5
Staff	9
Professional Services Agreement	12

We Keep Drinking Water Safe.....”

Hydro Corp, Inc. (HCI) is a consulting firm that has developed a unique niche in the maintenance of drinking water quality and protection from backflow which is the core of our business.

Over the past 3 years our employees have established highly efficient procedures for inspecting, reporting, and maintaining water and other distribution systems.

Our corporate mission is:

“We keep drinking water safe. We make people aware of the inherent risks and associated compliance issues related to water and other distribution systems. Our goal is cost effective compliance.”

Executive Summary

Program Recommendations

This project is to provide program management services for an on-going Cross-Connection Control Program currently operated by the City of Cooper City. These services will be provided to ensure compliance with the Florida Department of Environmental Protection (FDEP) regulations for backflow prevention devices, assembly testing and recordkeeping. Once this project has been approved and accepted by Cooper City and HCI, you may expect completion of the following elements on an annual basis. The components of the project include:

1. Conduct a project start-up meeting with the Cooper City Cross Connection Control/Backflow Prevention Program staff.
2. Provide data transfer for all commercial and irrigation backflow prevention assemblies from existing database to the HCI database. HCI will provide Cooper City IT staff with an Excel "On-Boarding" template for input of existing data.
3. Generate and document the required management data for the devices noted above.
4. Maintain all data on an on-line system that enables Cooper City staff to monitor and generate reports as desired.
5. Provide full-time, toll-free phone support for customer questions by an ASSE trained and certified individual. Phone will be staffed during normal business hours Monday through Friday. An automatic message service will be provided for after hour calls.
6. Coordinate and manage the testing of all testable backflow prevention devices in accordance with FDEP requirements such that 100% of all BPA's are tested annually. Services to include testing notification, requirements, receipt of executed test report, and maintenance of all testing data. HCI will prepare a bid for local contractors to establish pricing and credentials for testing of all testable assemblies. HCI will coordinate with lowest bidders for the testing of all devices. Facilities will be tracked to ensure compliance with testing requirements. Testers will be provided color coded test tags to indicate the year in which they were tested.
7. Produce, record, maintain, and transmit to City complete test reports for all BPA's tested.
8. Repair and re-test BPA's as directed by the City on a case-by-case basis. City will determine on a case-by-case basis whether to utilize HCI for these services.
9. Install and test BPA's as directed by the City on a case-by-case basis. City will determine on a case-by-case basis whether to utilize HCI for these services.
10. Provide on-site progress review meetings with the Cooper City's designated representative to discuss the program status and specific recommendations as requested.
11. HCI will provide a full-time employee to coordinate all activities with contractors for testing, repair, replacements, and new installations.

Executive Summary (cont'd)

12. HCI will provide the City with on-line software access to all cross-connection control data. The software will provide, at a minimum, all of the details outlined in Section V – Scope of Services, Number 12, items A – K.
13. Assist the City of Cooper City with establishing a community wide public relations program including public informational meetings, tester meeting to explain Cooper City CCC program, general awareness brochures, newsletter language, and web site cross connection control program overview content and resources.
14. Provide an annual report with a summary of all data generated throughout the year. The FDEP Annual Report will be completed and ready for submission along with all back-up data.

Fees: (REFER TO:)

The costs shown on the pricing sheet, noted below, may be extended to other government agencies via a “Contract Usage/Piggyback” arrangement.

“SEALED PRICING SHEET FOR CROSS-CONNECTION CONTROL PROGRAM MANAGEMENT SERVICES”

Qualifications

HydroCorp, Inc. is a professional service organization that specializes in Cross Connection Control Programs. Since 1983 we have assisted municipal clients and water utilities with the development, implementation, and maintenance of CCC programs. Cross Connection Control Program Management & Training is the core and focus of our business. We are passionate about providing water utilities and local communities with a cost effective and professionally managed cross connection control program in order to assist in protecting the public water supply.

- HCI conducts over 35,000 Cross Connection Control Inspections **annually**.
- HCI tracks and manages over 350,000+ backflow prevention assemblies for our Municipal client base.
- Our highly trained staff works in an efficient manner in order to achieve maximum productivity and keep program costs affordable. We have a detailed **system** and **process** that each of our field inspectors follow in order to meet productivity and quality assurance goals.
- Our municipal inspection team is committed to providing outstanding customer service to the water users in each of the communities we serve. We teach and train customer service skills in addition to the technical skills since our team members act as representatives of the community that we service.
- Our municipal inspection team has attended training classes and received certification from the following recognized Cross Connection Control Programs: UF TREEO, UW-Madison, USC – Foundation for Cross Connection Control and Hydraulic Research, American Backflow Prevention Association (ABPA), American Society for Sanitary Engineering (ASSE). HCI recognizes the importance of Professional Development and Learning. We invest heavily in internal and external training with our team members to ensure that each Field Service and Administrative team member has the skills and abilities to meet the needs of our clients.
- We have a trained administrative staff to handle client needs, water user questions and answer telephone calls in a professional, timely and courtesy manner. Our administrative staff can answer most technical calls related to the cross connection control program and have attended basic cross connection control training classes. If our administrative staff cannot answer a technical question, HCI program managers will intervene and respond in a timely manner to the customer needs.
- HCI currently serves over 250 communities in Michigan, Wisconsin, Illinois, and Florida. We still have our first customer!
- HCI staff and company are active members in many water industry associations including: National Rural Water Association, State Rural Water Associations, National AWWA, State AWWA Groups, HCI is committed to assisting these organizations by providing training classes, seminars and assistance in the area of Cross Connection Control.
- Our Industrial Division assists in managing Cross Connection Control Programs for several automobile manufacturers and related industrial facilities. Other Fortune 500 companies have relied on HCI to provide Cross Connection Control Surveys, Program Management & Reporting to assist in meeting state/local regulations as well as internal company guidelines.

Regulatory Approach

During our 35 year history Hydro Corp Inc.(HCI) has been closely involved with the regulators of the States in which we work. In Florida, HCI has worked closely with the FDEP to ensure our training programs accurately explain the requirements of the FDEP with respect to Cross Connection Control. HCI attended the recent cross connection control rules changes public forum and is aware of modifications to existing rules that have been proposed.

In Michigan, Florida, Delaware, Virginia, Maryland, Minnesota, and Wisconsin, HCI has conducted cross connection control training classes for the regulatory agencies and personnel responsible for administering and enforcing the state programs. We strive to keep the regulatory agencies & other stakeholders (plumbing & health agencies if applicable) updated on the work and methods that we utilize in a given community when managing a cross connection control program. Cooperation and communication among all parties and citizens is essential in order to have a successful program.

**SWORN STATEMENT PURSUANT TO SECTION 287.133 (3) (a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A
NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to the CITY OF COOPER CITY, FLORIDA

by: Larry J. La Bute CEO
(print individual's name and title)

for: HydroCorp
(print name of entity submitting sworn statement)

whose business address is: 5700 Crooks Road Suite 100 Troy, MI 48098 (Main Office)
33-C Melbourne, FL 32940 (Florida Office)

and (if applicable) its Federal Employer Identification Number (FEIN) is: : 38-2810008

*(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:
_____-_____-_____).*

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentations.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

a) A predecessor or successor of a person convicted of a public entity crime; or

b) An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

ATTACHMENT C

(Page 2 of 2)

6. Based on information and belief, the statement that I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, not any affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ This entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.
