The City requests the attendance of HOA Presidents/CDD Chairs or their designated representative (board member) to participate in these information sessions will serve as a conduit between the City and their respective associations and stakeholders.

The meetings will be hosted at City Hall and will cover topics such as:

- General code enforcement issues
- Land Development Code changes
- New development approved in the City
- Major capital projects affecting the neighborhood
- Major operational improvements/changes

Jennifer McMahon, Deputy City Manager, will spearhead the meetings. She can be contacted via email at [jmcmahon@coopercity.gov](mailto:jmcmahon@coopercity.gov).

The City feels the HOAs/CDD are integral parts of Cooper City and we look forward to meeting with you on a regular basis.
