

REQUEST FOR SINGLE SOURCE PROCUREMENT

Single Source: Refers to a supply source for goods or services to which purchases are directed because of issues related to standardization, warranty, or other factors, even though other competitive sources may be available.

Date:	07-06-23		
To:	PROCUREMENT DEPARTMENT		
From:	Captain Christopher De Giovanni, BSO / Police		
Vendor:	One Beat Medical		
REQ No:	2023-8387	Amount:	49440

COMODITY OR SERVICE REQUIRED:

Purchase of Semi-automatic ZOLL AED 3 devices and correlating adult and infant pads.

SINGLE SOURCE JUSTIFICATION:

The Fire Rescue / FD recommends we purchase Zoll AEDs because the replacement defibrillator pads can be purchased directly from FD's Regional Logistics, and the pads are compatible with their paramedic's cardiac monitor defibrillators without the use of an adapter. The device itself is what is carried on their EMS trucks, and they purchase from OneBeat, so there is a need to standardize.

By signing below, I certify to the best of my knowledge that this single source request meets the requirements for a single source procurement, pursuant to Cooper City Procurement Code.
