Dear Ryan,

Per our conversation, I am writing to provide you with the updated proposal for a shorter extension period. The proposed details are as follows:

- Six (6) month extension with a 5% adjustment on the WM Collection portion of the rate. Effective 10/1/2023 to 3/31/2024. Also, as a reminder, the disposal portion of your rates was increased by WIN Waste on July 3<sup>rd</sup>, and there will be a second adjusted on Oct 1, 2023, based on the new disposal per ton rate. The Recycling Processing rate will also be adjusted on October 1st to reflect the new WM Broward rates.
- The \$10,000 annual scholarship will not be available during the extension period.

Should you have any further questions, details, or adjustments you wish to discuss, please do not hesitate to contact me at 786-261-7812.

Best regards,
