**Request Action:**

Pass a Resolution to urge the School Board of Broward County to increase the funding for all School Resource Officers in Broward County.

**Need:**

To increase School Resource Officer funding.

**Summary Explanation/ Background:**

The level of funding for School Resource Officers (SROs) in Broward County is not sufficient to reimburse the city's for the actual costs incurred to provide the police officers to serve as School Resource Officers. As a result, the city's have to pay the difference in the salaries and benefits for the police officers to serve as SROs. This puts a strain on the cities budgets and resources. Various cities have passed similar resolutions urging the School Board of Broward County to increase the level of funding for SROs in Broward County.
