Terms and Conditions

DELIVERY	Approximately 6-8 weeks ARO
PAY TERMS	Due in full prior to shipment (Net-30 days for federal, state, county and municipal agencies/utilities only). Funds payable by check or electronic funds transfer - no credit card purchases accepted. All sales are final.
TAXES	State/local sales taxes are the responsibility of the buyer for all sales outside of Florida & South Carolina. If non-exempt, please refer to your state's tax requirements regarding non-exempt out of state purchases.
FREIGHT	F.O.B. Summerville, SC (ships UPS Ground unless specified)
TRAINING	Purchase of a MALÅ GPR System includes one-time training at no additional cost. Onsite training will be offered within the Power-Tel representative coverage area. Travel and lodging costs are the responsibility of the customer. Please contact Power-Tel for scheduling. Additional training subject to cost and availability.
WARRANTY	Guideline Geo Americas, Inc. warrants that for a period of 24 months from the delivery date to the original purchaser, their instruments will be free from defects in materials and workmanship. For accessories, the warranty period is 12 months. Guideline Geo's obligations are limited to repairing or replacing parts or equipment which are returned to them without alteration or further damage and which in Guideline Geo's judgment, were defective or became defective during normal use. The customer is responsible for arranging and paying for shipping to return the defective product. Guideline Geo will bear the shipping costs for repaired products back to the customer during the warranty period after they have been provided with a Return Material Authorization number.
FCC	As of July 15, 2002, new rules promulgated by the Federal Communications Commission (FCC) are in effect regarding the use of ultra-wideband (UWB) technology which includes Ground Penetrating Radar (GPR). The Guideline Geo Americas, Inc. GPR system that is quoted on this document is approved by the FCC. For more information you may access the FCC website at www.fcc.gov .

Please do not hesitate to contact us should you have any questions or if we can be of any further assistance.
